April 24, 1984

Dear National Consul,

The Provisional Chapter of Kappa Delta Rho at the University of Toledo would like to request for full Chapter status.

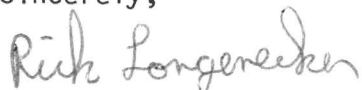

Since our pledging on October 31, 1983 we have completed all material required by you, the National Consul, for Chapter status.

We feel that we are more than qualified to become an active Chapter of Kappa Delta Rho. We have exhibited scholarship, sportsmanship, and brotherhood toward each other, our Greek system and our fine University.

In our quest to achieve Chapter status we have set new goals for ourselves. Some of these goals are: to expand KDR to other campuses, to work toward improving our IFC program, to establish a community image and maintain a strong brotherhood.

Once again I would like to express to you our pride and respect of Kappa Delta Rho. We will always strive to strengthen our KDR brotherhood.

Sincerely,

A handwritten signature in cursive script that reads "Rich Longenecker".

History of University of Toledo Provisional Chapter

On September 22, 1983 at 9:00 p.m., eight friends met with Donald Stohl, the Executive Director of Kappa Delta Rho Inc. This meeting was held at the Sheraton Westgate, Secor Rd. Toledo, Ohio. At this meeting, temporary officers were elected and the by-laws of the organization were established. This orientation lasted until 3:00 a.m. September 23, 1983. In the next few weeks the enrollment soared to twenty-three. These twenty-three men began to grow together, to become better friends and most importantly brothers.

On October 30, 1983, the Brothers of the Lambda Alpha Chapter of Kappa Delta Rho pledged twenty-nine members from the University of Toledo, thus creating a provisional chapter of Kappa Delta Rho at the University of Toledo. The following Sunday, four more members were "pledged" into the provisional chapter, bringing the enrollment to thirty-four.

Preceding these ceremonies the members were able to show their pride in KDR by wearing the colors of the fraternity, which everyone wore everyday for nearly two-weeks. On February 12, 1984, thirteen rushes were pledged into the provisional chapter increasing the enrollment to forty-seven.

From September 22, 1983 until the present day, our provisional chapter lost two members, had financial difficulties and will be returning to the University in the Fall of 1984 and one member transferred to the University of Cincinnati. As of February 16, 1984, Spring Quarter rush is in full swing and the enrollment is expected to increase.

During the course of the last six months we have been involved in many activities. Such as IFC, parties to expand our campus recognition and individual involvement with the fraternities and sororities at the University of Toledo.

PLEDGE TRAINING

April 16, 1984

The purpose of our pledge training program is to facilitate all of the pledges into our brotherhood. It is also to help each individual reach his full potential; for his own good and for the good of the fraternity as well. This program is set for a six week period beginning at the time of pledging.

The night of pledging we intend to have a party with the pledges to start developing a close brotherhood.

During the first pledge class meeting we will hold the elections for the group. They will be taught how to run meetings in the proper manner. Also during the first meeting we will assign the pledges to learn the first ten questions of the activation test.

Sometime in the second week of pledging the new members will be sent on a hunt for clues to find out who will be their big brother. That weekend we intend to have a parents club gathering so that all of the new pledges parents will get a chance to meet and find out more about our proud fraternity.

In the second pledge class meeting the pledges will be required to take a quiz over the first ten activation questions and will be assigned the second group of ten questions. Also in this meeting there will be a discussion over the financial responsibility to belonging to our fraternity.

Then, during the third week, we have planned a football game or some other activity between the actives and pledges to bring us close together. In the third pledge class meeting there will be a quiz over the second group of questions and the final fifteen questions will be assigned. There will be a talk on brother, positive thinking, and motivation. At this time we will ask the pledge to make paddles for their big brothers and one for the fraternity as a whole.

At the fifth pledge class meeting there will be a quiz of the final fifteen questions for the activation test. There will be a discussion of campus activities and chapter operations. Sometime during this week the pledges will have a party classes. This will be to promote our belief in a strong Greek system here at the University of Toledo. Also during this week the pledge class will get together for a review of the activation test.

On the sixth week of pledging will be several meetings or parties of the pledges to get them "psyched up" for their activation on the following weekend.

This is just a start of some of the ideas I have come up with for the spring and fall pledge classes. I am sure it is just a scratch on the surface of some of the events that will occur during pledging.

Sincerely,

Mark Woodruff

Jr. Tribune

SOCIAL PROGRAM

On March 10, the fraternity sponsored a combination Parents Club Mixer/fraternity date night at the University of Toledo's Scott Park Campus. The final day of Winter Quarter was concluded with a "Nut & Bolt Party" at Fat Daril's sponsored by the Winter Quarter pledge class.

We have completed two (2) projects. We worked for the University of Toledo Alumni Relations Department at their annual Scholarship Phonthon. It ~~corrected~~^{consisted} of calling University Alumni and asking them to donate money to the Alumni Scholarship Fund. This event took place on February 20 and 21, 1984.

On Friday, April 13, 1984, we participated in the Kenny Rogers Food Drive for the Hungry. He asks all of his fans to donate one can of food as they enter his concert. Our job was to receive these goods, package them, and load the food onto semi-trucks.

ACCOUNTING SYSTEM

History

The provisional chapter of Kappa Deha Rho's first organized meeting took place on September 29, 1983. At the meeting a \$1.00 voting contribution was required. This voting fee remained in use for the next four meetings. On November 14, 1983 the initial \$1.00 voting fee was replaced by a \$14.00 monthly payment for dues. Our chapter is presently using this \$14.00 per month system. Looking into the future, our monthly dues may be increased to a more suitable figure to meet the increased expenses.

From October 1, 1983 to the present our bookkeeping system has remained unchanged. The system is composed of two notebooks. One notebook containing a profile of each active and pledge. The other notebook is divided into three section. The first section is our saving and checking account.

BLUE-BOOK

The treasury's "blue-book" contains a profile card for each active member and pledge. On every card the name of the member, the amount that they have paid (or owe) and the date money was received, can be found. All the cards are arranged alphabetically with active members preceding pledges to further the ease of locating a profiles.

FINANCIAL BOOKS

Another notebook in the treasury's possession contains all the financial activity of the fraternity. All inflows and outflows of cash are recorded in the general ledger with the date and a brief description. This ledger also works as a cross reference with the "blue-book". Whenever money is received

(by members) it is initially placed in the ledger. Cross referencing takes place when the transactions are posted to each member's profile in the "blue-book". This notebook also contains a separate section for the savings account and another for the checks account. Both the checking and the savings accounts are located at the Huntington Bank.

ADDITION INFORMATION

All checks written and withdrawals from the savings account must have two signatures. There are only four people with this authority, the include: treasurer, president, fund-raising chairman, and standards board chairman.

In addition to the profiles kept in the "blue-book", the pledge account can be found. Each pledge class is given a \$100.00 loan to spend however they want. When the pledge class goes active, it is required that they return this \$100.00 loan, but they get to keep any additional funds in their account.

FILING SYSTEM

Our filing system is designed so that each Officer and Chairman maintains a loose - leaf binder. In this binder we are required to keep all letters, notes, etc. that are received. These binders will be passed on to the Officers and Chairman that precede the current ones.

Eventually, these flyers, letters, etc. that have been kept will be transferred to a filing cabinet. This will occur as soon as a fraternity house is obtained and a permanent location for storage is established.

Maintenance of these records has been strongly stressed and enforced by our Executive Committee and Standards Board.

PARENTS CLUB

April 16, 1984

To this date we have had two functions in which the parents were invited. The first was held in the student union. The purpose of this evening was to let the parents meet each other and better understand the fraternities framework, standards, and goals. Each officer and chairman explained his position and duties to the group. There were refreshments (chips, pretzels, pop) present free of charge. To close the evening, informal skits were put on by the brothers.

The second event was a joint date-parent night, held on the Scott Park Campus. There was no formal presentation given but dancing and refreshments were enjoyed.

Although a donation glass was displayed at the first event there has been no talk of any financial support requested from the parents. Also no formal organization has been formed. But the breakdown of negative stereo type have been dissolved and the creation of an understanding, comfortable, proud group of parents has been achieved.

In the future there will be a structural parents organization to support and accent the chapter. This step will be completed by June 15 when this group will provide a positive force to the chapters brotherhood and chapter house.

This quarter will have a trip to Detroit for a father and son baseball game. In the first week of June a picnic is planned for all the brothers and there parents.

Intramural

On September 22, 1983 the Provisional Chapter of Kappa Delta Rho on the campus of UT (The University of Toledo) was recognize. The executive officers headed by President Brad Peterson held elections for chairmanships Committees. The intramurals chairman elected was Mike Plenzler. Active in high school varsity sports Mike seemed good for the position. The term lasted fall and winter quarters of the 83-84 school year. The fraternities fall quarter participated on a football team was not a recognized Intramural teams because Toledo Chapter was not a Provisional Chapter until after the Deadline through KDR did scrimmage some local fraternities in a game for fun act the Brother's said.

During the winter quarter our Toledo Chapter had Basketball and soccer teams in the Intramurals. Because of a lack of organization KDR's forfeited a game in each sport. KDR's soccer team did well and finish the season with a 4-2 record while, the basketball team put in a lot of effort, there was a lack of organizations and team play. Their record was (3-4). Also a team participated in a Stroh's case stacking contest which the brothers of KDR are in the finals held during Spring week activities.

At the end of winter quarter 1984, new executives officers were elected and new chairman were appointed by the executed officers. Michael Droll was appointed new Intramurals Chairman. The fraternities involvement spring quarter in sports is volleyball, softball, tennis, horse-shoes, and track & field. A running group known as the ""Kappa Delta Rhodrunners" is being formed to get the members in shape.

For the fall of 1984 our Chapter will have a football team and winter a basketball team as well as a soccer team. The chapter looks forward to the a waited year ahead and the participation of Intramural sports is one part of the Toledo's Chapter as a active fraternity

Sincerely,

Michael Droll
