They're going to win the game today.
The Owls are going to win today.

Temple University has been shaping the future and making a positive difference in people's lives since 1884. Dr Russell H. Conwell started Temple with just seven students. Now, more than 100 years later, the University is one of the nation's senior comprehensive research institutions, with specialized programs all over the world.

Dr Conwell, the founder and first President of Temple University, believed that great opportunities can be found close to home if one is willing to invest the time and effort to discover them. His philosophy was immortalized in his now-famous "Acres of Diamonds" speech, based on the story of a Persian farmer who deserted his homeland in search of wealth in mythical diamond fields. After spending years in a worldwide search, he died an unhappy pauper, no closer to discovering the diamonds than when he began. Soon afterward, fabulous diamonds, acres of them were found on his own land.

For Dr. Conwell, the story had great significance. It said, "Your diamonds are not in far distant mountains or in yonder seas; they are in your own backyard, if you but dig for them."

Using their undergraduate education and training, Temple alumni have helped shape the fields of government, business, industry, the performing and communications arts, science, research, law, medicine and technology.

KDR Temple University is proud to have Dr. Robert Solomon Ph.D. as our faculty advisor. Dr. Solomon has national recognition in the field of physics. He is one of our sources of pride and motivation. We greatly acknowledge his contributions.

Temple undergraduates are as diverse as the course offerings available. They come from private, parochial, public and preparatory schools, from almost every state in the union, and from many foreign countries. They range in age from 16 to 60. Some are just beginning their college education. Others are transfer students from other postsecondary institutions. Still others are adults, seeking to expand their knowledge, meet new challenges, or change careers.

Brief History Kappa Delta Rho Fraternity
Provisional Chapter Temple University

In the fall of 1982 at the recommendation of Scott Lehman, Consul of Mu Alpha chapter, West Virginia University. the National office of Kappa Delta Rho contacted his home town friend Gregory Ondick, concerning his interests in establishing KDR at Temple University. After a great amount of effort Greg and the first members were successful in increasing the membership and obtaining all the necessary approvals.

Friday April 15, 1983 KDR Rho chapter Lafayette Colleges' representatives: Dan Sammartino, Consul, Oliver Mueller, Charles Gatt and Dennis Walsh performed the provisional chapter ceremonies for XI Alpha. Representative Donald Stohl Zeta '53 and Richard W. Nolan Theta '59 were the National representatives. The sponsoring Rho chapters representatives formally pledged the members and the provisional chapter of Kappa Delta Rho Inc. was formally established at Temple University.

The new provisional chapter hosted a social in honor of the occasion. The next day several of the Temple members drove to New Brunswick to attend the Rutgers Colony installation.

PLEDGE PROGRAM

The Temple University Provisional Chapter of Kappa Delta Rho has always and will always follow the National pledge education manual. We at Temple believe that a mature pledge program benefits not only our chapter but the National organization of KDR as well. Therefore, Hazing most definitely will not find a place in the instruction of our pledges!

We realize that the pledges are the future of our chapter therefore we strive to instill a sense of pride for our Fraternity, Kappa Delta Rho. Whether it be academics, intramural or gentlemanly conduct our pledges understand that "HONOR SUPER OMNIA" means more than something they must memorize.

Among the many exciting and thrilling challenges our pledges partake in, they learn KDR history and tradition through a series of oral and written examinations given on a weekly basis by the pledge committee. The pledges also partake in a series of weekly events including a pledge philanthropic raffle; the great steakout, Home Coming / Spring Fling tables, scavenger hunts and the famous KDR Temple run around. Our pledge program is the longest of its kind and therefore we feel that it yields the most educated and well rounded new members in the Temple University Greek System.

PHILANTHROPICS

Kappa Delta Rho is one of the most active of all Fraternities on campus. As far as philanthropic programs are concerned, KDR is the leader at Temple University. The programs sponsored by KDR to present include:

1983 YWCA Banquet-Ushers, servers for dinner and escorts.

Bowl-a-thon to benefit visiting Nurses of Philadelphia. Raised \$655.00.

1984 Raffle to benefit the Visiting Nurses of Philadelphia. Raised \$450.00

Bowl-a-thon for Police Athletic League of Philadelphia. Raised \$250.00.

1985 Ushers for Bill Cosby Hall of Fame Game. Temple University Athletic office volunteers Donated 45 tickets to Phila. PAL for fatherless children to see the game.

Turkey drive '85- donated food and drink to the communities needy. Sponsored by TU IFC.

Toys and Joys Christmas party for needy Children. IFC sponsored at KDR house.

1986 Raffle to benefit Philadelphia Green Tree Program. \$300.00 towards community redevelopment.

Tutoring Station established at KDR house for Mayor W. Wilson Goode's literacy program. Brothers taught community people to read and write.

We plan on continued success in Philanthropics and we pride ourselves on being the best.

PARTIES

KDR has held parties for greeks on the Temple campus. KDR theme parties are the highlight of Greek activity every semester. KDR has also had joint parties with Sigma Pi prior to our having a house. KDR now gladly reciprocates to Sigma Pi due to their awful house fire of '85. All in all, KDR parties are the Greatest!

INTRAMURLS

KDR fields a team in every Temple University intramural sport and has never placed lower than third in any event. 1986 was KDR's greatest year yet. We captured the All University League softball and hockey championships. As well as third in football, second in ultimate frisbee, and third in soccer among all registered teams at Temple. KDR has great athletes.

HOMECOMING/ROSE FORMAL

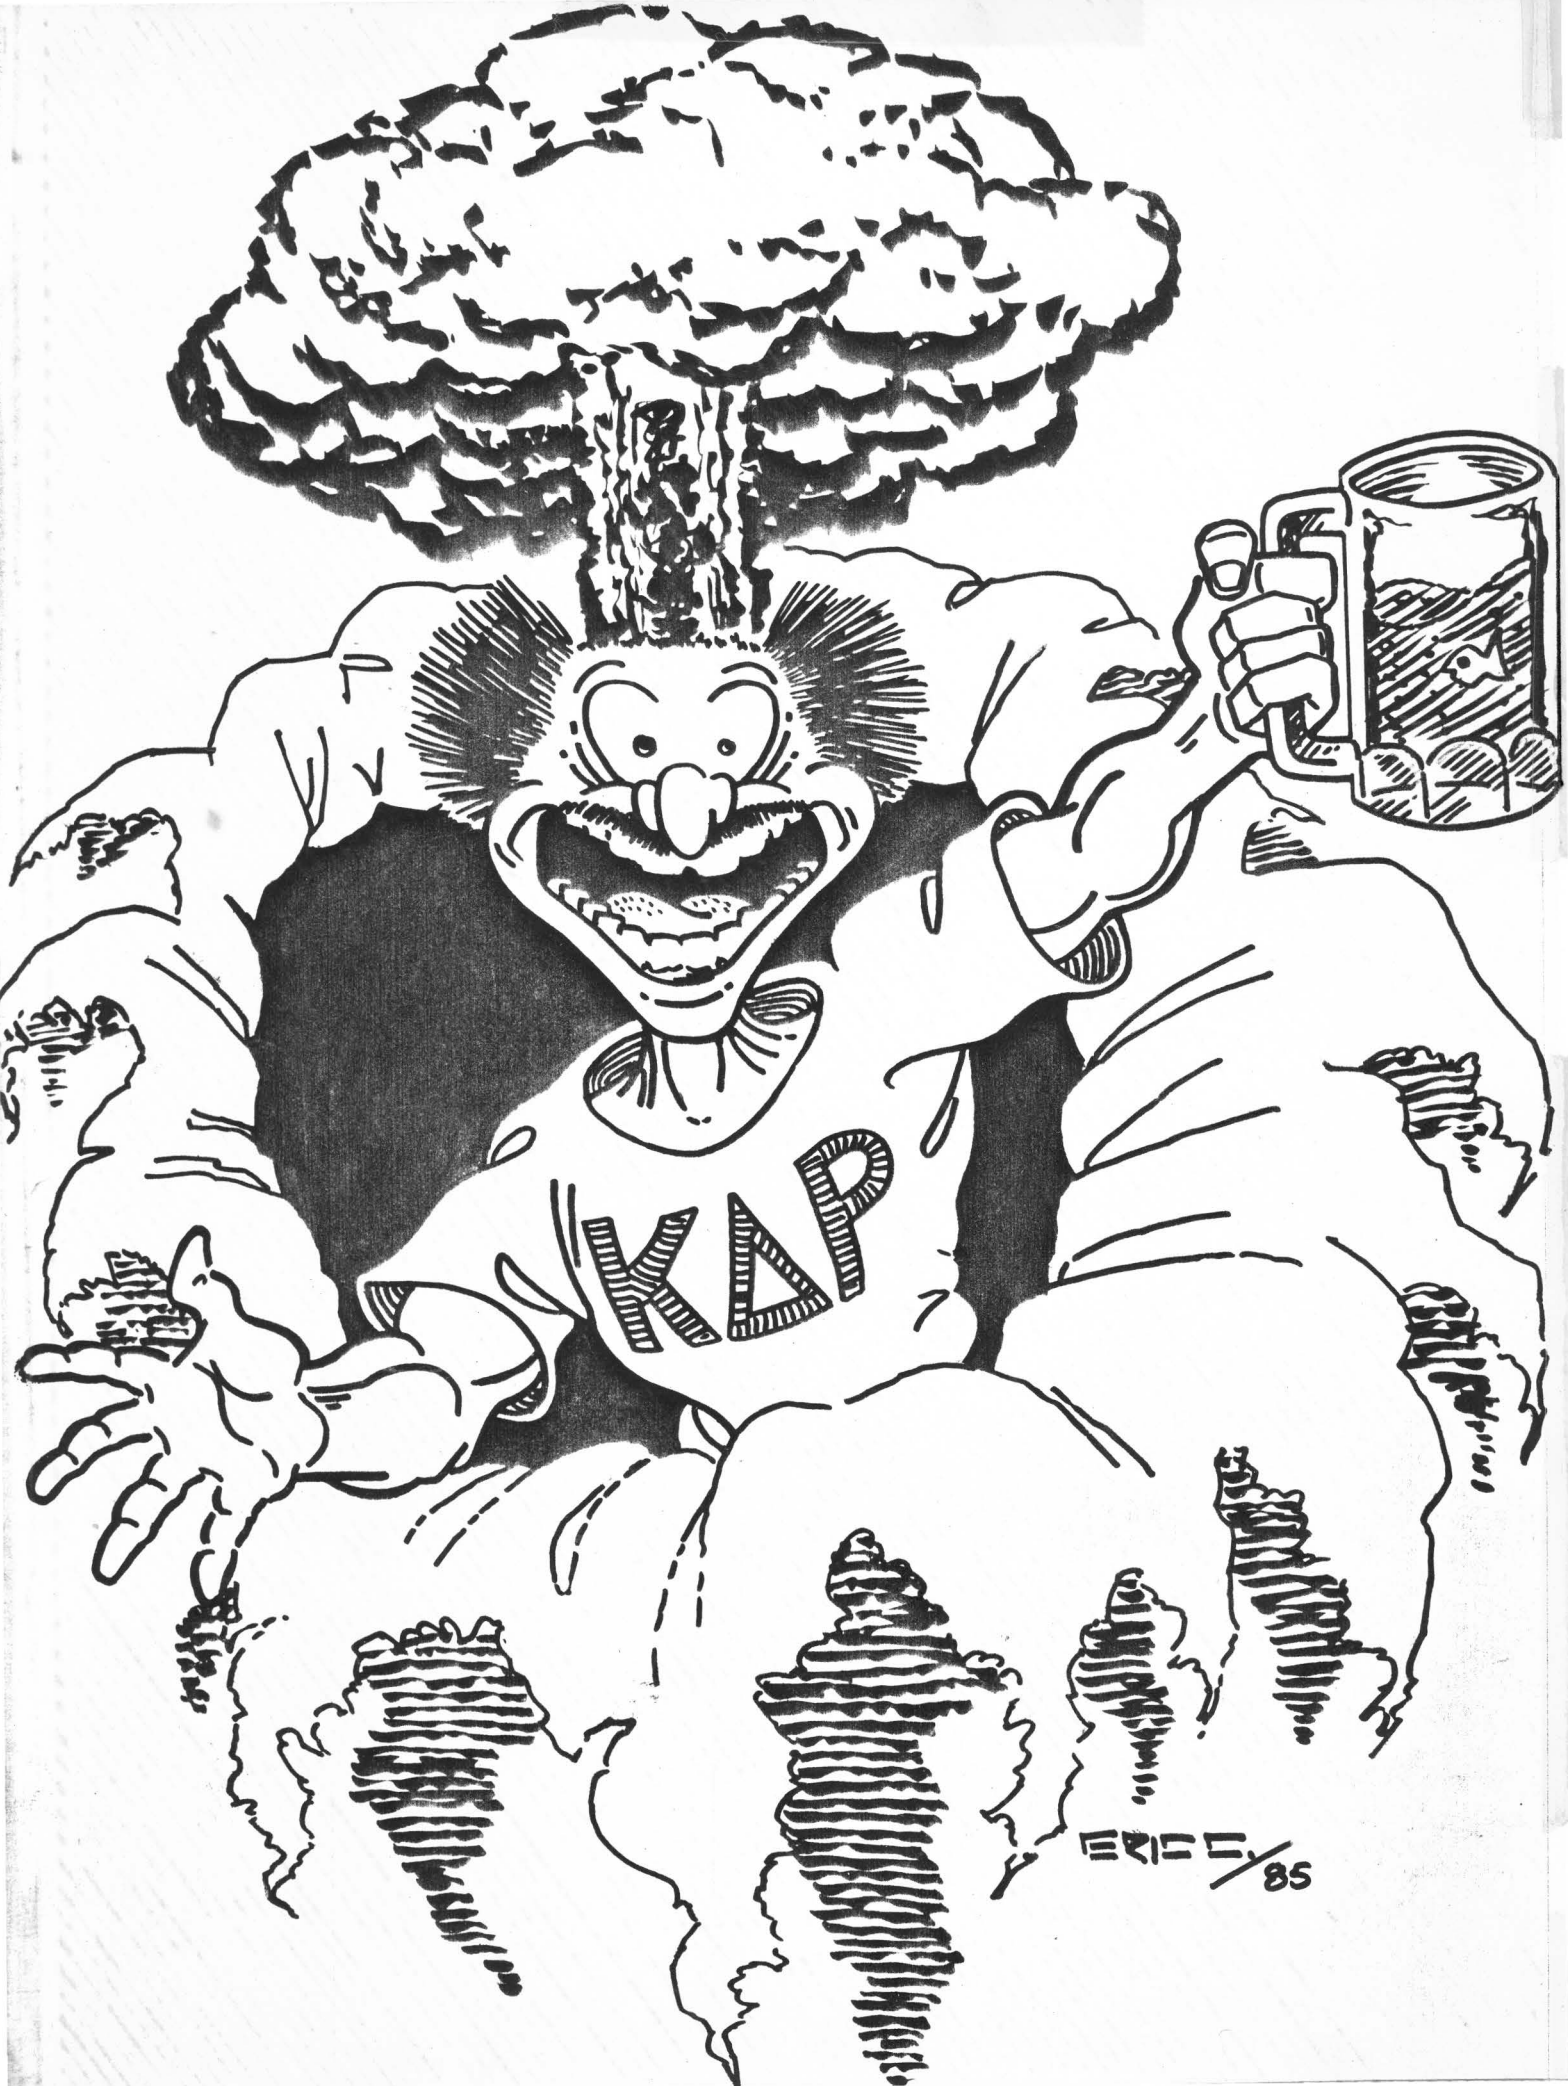

KDR's first float at Temple won second place overall. KDR tailgates are enjoyed by all. 1985 Homecoming saw another award given to KDR for first place in originality. KDR puts its architects to work.

KDR's Rose formals are held in the faculty Diamond Club. Distinguished guests have included Dr. Herbert Otto, James Winters, Donald Stohl, IFC representative Philip Walsh, and Dr. Robert Salomon.

SPRING FLING

KDR participates in Greek Olympics and has several Tropy's under its belt. Every year including last years muscle man booth which attracted NCAA All American, Granger Hall as well as students and faculty. Previous Spring Flings for KDR included music by Cyndi Lauper and the Hooters.

PETITION FOR CHARTER

THE Provisional chapter of Kappa Delta Rho of Temple University greatly wishes to become the thirty eighth chapter of the National Fraternity. During the past few years, our membership has been growing immensely, and after another succesful year of pledging, we should stand at nearly sixty active members. This, by far, will make us the largest Fraternity on campus. But, as we are well aware, large numbers doesn't necessarily constitute a healthy and thriving fraternity. Therefore, our newly elected executive committee has been selected primarily because of their determination to lead Kappa Delta Rho to new heights.

The brothers of Temple University are extremely proud to be KDR's because, as, we all know, Kappa Delta Rho is the Creme de la Creme! In order to prove ourselves, past years have been rather tedious. Yet, we scratched and clawed our way towards the top, and finally, after only four short years, Kappa Delta Rho has reached its goal. This climb towards Number One was not Accomplished by accident. An awful lot of perserverence and fortitude was needed when we were just begining. Meetings had to be held in classrooms; parties had to be at a rented hall. But, in the end, all the hard work was hansomely rewarded. We have always strived to excel in every aspect of college life, and we have no intentions of stopping either. Whether it be academics, intramurals, or socials, Temple University's Kappa Delta Rho prides itself^{on} being the best.

Now, with the ~~ac~~quisition of a house, brothers finally have a place to eat sleep and study. But most of all, the Fraternity has a place to party! Our house might only be a modest Brownstone in the middle of North Philadelphia, but it is the greatest house on campus, and just like our chapter, our house has character and dignity. Standing in the middle of an upcomming neighborhood, the historically registered house of Kappa Delta Rho ~~house~~ proudly wears our colors and we proudly call her home.

Between the house and the Kappa Delta Rho ideals, we are constantly adding names to our rush list. KDR at Temple University has definitely come a long way and this is only the begining. That is why we wish to become an active chapter of the ^National Fraternity of Kappa Delta Rho. We know that we can contribute towards the growth and expansion of our fine Fraternity. The brothers of future XI Alpha are extremely appreciative of the National and we wish to serve her forever!

CREDO

Since the Beginning, wherever men have come together, there have I been.

My membership is legion. From the humble home and from the stately mansion; from the rolling farms and from the noisy factories; from the East and West and North and South have my followers come.

They who understand my meaning have followed in the footsteps of the Man of Galilee. In peace, they have been their brother's keeper, and in the agony of war, their blood has enriched the Fields of Flanders and reddened the sands of the Pacific.

Their reward has been the Inspiration of their Youth; the Driving Power of their Manhood; the Memories of their Maturity. They have fought the good Fight and of these, my sons, I am justly proud.

Who am I? My name is FRATERNITY. And because I have given Man that which he craves, I shall endure. My sons shall neither falter nor fail. They shall add new lustre to my name.
