The June Convention At Champaign

With every active Eta member working on some committee under the direction of Chuck Ford, the Chairman, and with a loyal band of Eta Alumni supporting them, the 29th annual Convention of our Fraternity should be an epochal event in the history of our Kappa Delta Rho.

While considerable business of importance will be transacted by the delegates and officers, a fine program of social and recreational features has been arranged and as an added attraction and special feature there will be an initiation of Eta pledges and also other pledges from other chapters who become eligible at the close of the June semester.

The banquet at the Hotel Tilden Hall on Friday evening should be one which will linger long in the memories of all those who attend. The author saw this banquet hall on his last trip to Urbana and it is very complete in every way and with its air conditioning should enable all to be comfortable even if it is warm on the outside. With both a piano and a pipe organ and a competent song leader the singing should be the very best.

The speakers' list will be of the qualitative sort and Toastmaster Harold M. Gray, himself a charter member of Eta and now Assistant Dean of Graduate School at the University of Illinois will call upon Dean Harno of the Illinois Law School, Dean of Men Fred Turner, famous in any Fraternity group for his writings and leadership for the Fraternity cause. At present he is Educational Adviser for the National Interfraternity Conference, and holds an important office in his own Fraternity, Sigma Alpha Epsilon, and Leo T. Wolford, our own worthy and splendid President.

Saturday will be devoted to the picnic and the big athletic event between the Eastern Chapters and those frontier brothers from the Western Chapters when they cross bats for the softball championship. There will also be informal golf, tennis, swimming and what you desire for the University will turn over their recreational facilities for our use. The picnic at the nearby State Park with its real swimming hole will give every last brother an opportunity to satisfy that boyhood urge. The Committee have informed they have searched the mid-west for the finest special steaks from real Western steer. (Can't you smell them sizzling over those open wood fires).

For those who delight in the light fantastic there will be a dance at the Eta Chapter House on Saturday evening with one of those named bands playing and as for dates the Eta Brethren have promised to have plenty for every Brother with each and everyone guaranteed.

As to clothes it is generally warm at Champaign at this season of the year and all events will be informal but at Champaign like many other college towns the prevailing custom is for women to wear evening clothes to the Banquet and Dance.

June in Champaign is beautiful and the Illinois Campus is one of the largest and most beautiful in the midwest. Every Alumnus and every active who is able should not miss this convention and enjoy the national fraternal fellowship which can only be realized at a National Convention. Start the summer off right and attend the Convention and help make this best convention in the history of the Fraternity. See you in Champaign, June 21-23.

Dr. Kanning and Dr. Hartman Improve Nu Chapter

Six years ago on the evening of February 20, 1934, twenty six-men walked into the dining hall of Nu chapter of Kappa Delta Rho. Two days later only six men responded to the evening dinner bell. You may wonder how this radical change came about, and therein lies the story of the revival of Nu chapter.

In 1934 Nu had reached its lowest possible ebb. Uncontrolled subsidation of athletes, a poor scholarship record, bad credit standing, and rumors of withdrawal from the national charter threatened to finish the history of Kappa Delta Rho on this campus.

It was at this time that two young men, professors of the chemistry department at I.U. and loyal alumni of our fratern-

nity were enlisted by the national chapter to reorganize K. D. R. at I. U. These two men were: Dr. Eugene Kanning; member of Sigma Xi, honorary scientific fraternity; Phi Lambda Upsilon and Alpha Chi Sigma, chemistry fraternities; and alumnus of K. D. R. social fraternity. The second man was Dr. Robert J. Hartman; member of Sigma Xi and Alpha Chi Sigma, above mentioned; and also a member of Sigma Gamma Epsilon, national geological, metallurgy, and mining society; and K. D. R. social fraternity. Having been only recently appointed to the faculty staff back in 1933, they were chosen because of their worth and demonstrated merit to be the men entrusted with the struggle of putting our fraternity back in

Dr. Eugene Kanning, Nu Chapter Advisor

Dr. Robert Hartman, Nu Chapter Advisor

its rightful place among the respected fraternities of the campus.

They had accepted the task, they were ready and willing to sponsor the re-birth of a fraternity. Never were two men confronted with a more hopeless task. The first move was to gather the men of merit into a compact hard-working group. This was accomplished at the cost of removing some members.

The second task was to establish a respected credit standing in the state of Indiana. By honest and careful budgeting combined with careful pledge selection and erstwhile rushing, the chapter regained its former financial standing. Numerous moves finally cleared the chapter of a large debt.

The selective rushing proved its worth,

and K. D. R. immediately attained permanent possession of two of the three scholarship cups on the campus. True active fraternity men and faithful alumni began to take some of the load from the shoulders of these two men until last year at the Vensison Banquet of alumni and active chapters the remaining debt was wiped from the books.

Today Nu has a fine new chapter house, a credit standing above reproach, and a scholarship record to be respected. At this time, the active chapter wishes to thank two of the men who gave all and more than any chapter demands of its loyal members. And though their task is finished, these two fraternity brothers are working and striving towards still greater fraternity achievements.

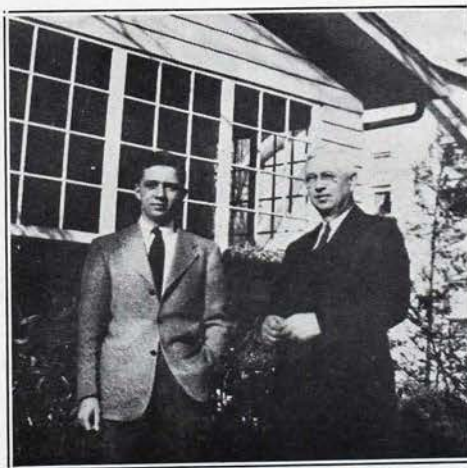

Sons Become Brothers To Fathers

Probably one of the most fertile fields for good new members in our Fraternity are the sons of our Alumni. During the past year several sons of KDR members were initiated into Kappa Delta Rho. The last of this type to be initiated was Aldin Ratti, son of Aldo Ratti, Alpha, '15, thereby assuring that old name to be perpetuated for another four years. Aldin became a member of Mu Chapter but there are Ratti's from the other family Gino, one of the founders of our Fraternity in Theta, Emilio Paul, Theta, '42, and another son of his was initiated into Omicron in the class of '35.

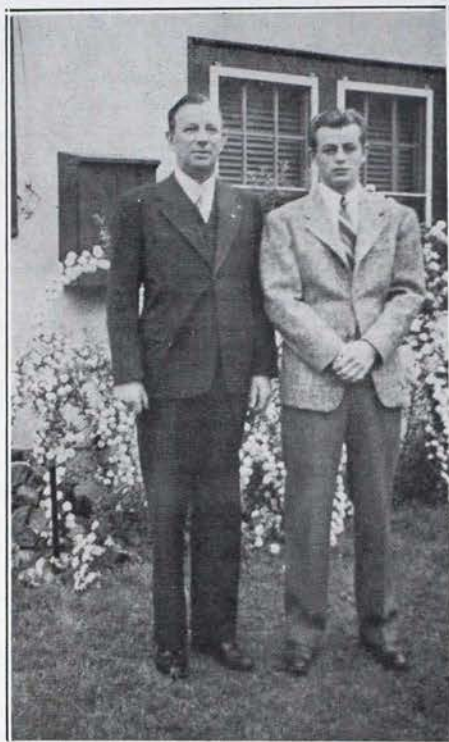

Others who became Brothers in the bond to their fathers are Timothy Tamblyn, Rho, '42, son of Gerald Tamblyn, Beta, '16; Herbert A. Thompson, Delta, '42, son of Herbert A. Thompson, Beta, '14, first Consul of Beta Chapter; Charles C. Maynard, Beta, '40, is the son of Albert Maynard, Beta, '15, and Walter Goss, Honorary member of Sigma Chapter, has two sons who were initiated into that chapter, John, Sigma, '31, and Walter A.,

Sigma, '32. There is also a pledge at Eta, James Talbot, Jr., '43, who will be initiated soon, the son of James Talbot, Eta, '19.

The only time a father and son were initiated at the same time occurred at the installation and initiation of new members of the latest chapter, Upsilon, when Ar-

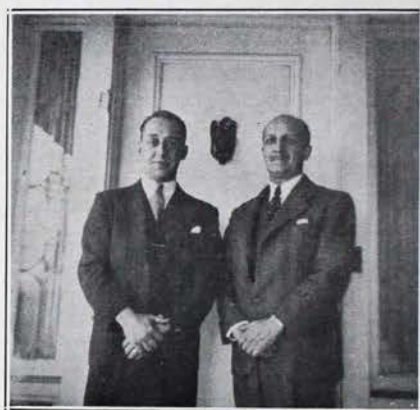

Herbert A. Thompson, Jr., Delta, '42; Herbert A. Thompson, Beta, '14.

Arthur C. Forsblad, Honorary Upsilon; Robert A. Forsblad, Upsilon.

thur C. Forsblad and his son, Robert A. Forsblad, were initiated as Honorary member and Charter members, respectively.

Probably there are some other fathers and sons within our Fraternity and if any of our readers know of such the Editor will be glad to learn about them and give them recognition. May there be many more fathers become brothers to their sons in the future of Kappa Delta Rho.

Timothy Tamblyn, Rho, '42, and Gerald Tamblyn, Beta, '16.

Mayor Maloney Heads Indianapolis Alumni Association

The recently reorganized Indianapolis Alumni Association elected E. Mayer Maloney, Nu, '36, as its President. Victor Brown, Theta, '29, was made Vice President; Harold Vehling, Omicron, '31, Secretary and Treasurer; Elliot French, Epsilon, '29, Corresponding Secretary, and Frank Fitch, Nu, '38, publicity director. Donald Jones, Omicron, '33, and Norman Stanley, Theta, '34, were appointed co-Chairmen of the Entertainment Committee. Plans have already been made to assist the three nearby chapters at Indiana University, Franklin College and Purdue University in the State Dance which will be held at Indianapolis. All alumni in

and near Indianapolis are urged to attend the meetings which are held the next to last Monday of each month during the school year.

Dr. Charles Warren Wins Research Fellowship at Cornell Medical College

Dr. Charles O. Warren, Jr., Beta, '27, instructor in Physiology, research fellow in Medicine at the Medical College in New York, has won the first award in the Lewis Cass Ledyard, Jr. Fellowship to aid research "in the fields of medicine and surgery, or any closely related field." Under the award, which provides \$4,000 for research, Dr. Warren will study the physiology of bone marrow.

Greek Exchange

A Program for Fraternities

1. They must realize that no fraternity can exist any longer as a purely social organization. They must be a service organization.

2. They must have a definite expansion program, realizing that a few good chapters are better than a quantity of mediocre chapters, that there are really few good locals left, and if a large fraternity is desired amalgamation or colonization is the only remedy.

3. Mediocre or weak chapters should be given preference and support rather than expansion plans. A weak chapter is generally in financial difficulties, and the best way to brace them is financially and through colonization.

4. Rituals and initiation ceremonies should be improved. All spoken parts should be memorized, the costumes and the scenes should be appropriate, and under no circumstances should the initiate be degraded.

5. The type of publicity which is gradually making fraternities notorious should be eliminated, and returning alumni and alumnae should be an object lesson for good deportment.

6. Serious effort should be made to improve the contacts between the active chapters, and especially between the chapters and the national organization. There should be increased and improved visitation plans.

7. The chapters should have individual advisers and alumnae guides. In addition, they should have scholarship and college advisers—these men and women need not belong to the fraternity.

8. The national fraternity should set up a system to supervise and audit, if not control, all chapter finances.

9. Scholarship must be improved. The chapter house must be a place to work and not a place to loaf. No fraternity has

a right to exist unless it can prove its right to be an arm of the educational system of this country.

10. A student aid fund should be established solely through the generosity of the alumnae, and no member of the fraternity should ultimately be refused an education because of lack of finances. Eventually no boy wanted by the chapter and worthy of the fraternity should be refused admission because of lack of funds.

11. Employment bureaus must be established to protect and guide the graduate, especially during the trying year immediately following graduation.

12. No fraternity will ever become truly great unless it is able to hold alumnae interest. Strenuous efforts should be made in every case to organize and to perpetuate alumnae chapters.

13. Summer camps and national leadership unions will eventually be established with a view to binding the members together closely, and to formulating the year's plans in advance.

14. A national rushing program must be completed whereby every chapter has a complete and authentic list of all incoming students. Rushing, and perhaps pledging, in the future will be completed well in advance of matriculation.

15. The fraternity and its members must have definite assurance that the fraternity will forever remain a democracy and will not be controlled by any individual or any small group of members.

16. Central offices must be operated with a view to making them service stations; paid employees must be selected with the greatest care, placed on a career basis, and guaranteed permanency as long as their services are satisfactory.

17. The fraternities will eventually establish homes for the lonely, the old, and the unfortunate members. They guarantee pleasant surroundings, security, and pro-

tection. We must remember that no ideal status can be reached unless co-operation and co-ordination are practiced. Call this idealistic if you will, but this is the program which most of the fraternities will follow to success, and those who do not, will drop by the wayside. Fraternities must continue to strive for the summit of attainment.

—L. G. BALFOUR, *President of the Interfraternity Conference at the Convention of Alpha Chi Omega.*

A joint committee of the Interfraternity Council and the Interfraternity Alumni Association (made up of alumni advisers and fraternity house corporation officers) of the University of Illinois has just recommended to the trustees of that University that it create a Board of Fraternity Affairs to have jurisdiction over all men's fraternities on that campus; that a Fraternity Affairs office in charge of a full-time officer of the University be created, and that the Board and the office conduct fraternity affairs to the benefit of the fraternities and the University in accordance with the principles set forth by NIC.—*The Palm* of Alpha Tau Omega.

Still Time to Send in That Fraternity Song

Several of the active members have promised they will submit Fraternity songs in the contest for the twenty-five dollar prize which President Leo Wolford has offered to the winner but some of the alumni have inquired if they were eligible. Members of Kappa Delta Rho may submit songs for this contest and alumni are urged to send theirs in to the Executive Office. It would be a fine feature of our Convention if enough were submitted to cause a new song book of Kappa Delta Rho songs to be published. It is not too late, members, so get your pen or pencil and swing it off. May the best song win but may a good number be submitted, for the benefit of the entire Fraternity.

Summer Address

June 29 to August 31, the address of Executive Secretary, H. B. Ortner, will be Camp Otter for Boys, Dorset, Ontario, Canada.

Change of Address Notice

Kindly clip the coupon below and mail it when you change your address. We want every subscriber to receive his QUILL AND SCROLL but cannot deliver it UNLESS WE KNOW HIS ADDRESS.

Beta Alumni

JAMES FRANCIS, '22, has Electric Motor Store at 123 Tioga St., Ithaca, N.Y.

PROFESSOR CLESSON N. TURNER, Beta, '31, Agricultural Engineering Extension, received the M.S. degree March 15 at Ohio State University.

Dr. Frederick T. Schnatz, '22, is practicing Medicine with office at 135 Linwood Ave. and residence at 334 Woodbridge Ave., Buffalo, N.Y.

Dr. Robert Ackerly, '22, is practicing medicine at Port Washington, L.I., N.Y. and lives at 6 Stratford Rd.

Sidney W. Little, '26, is Professor of Architecture at Alabama Polytechnic Institute at Auburn, Alabama and will spend the summer in Charleston, S.C., and New Orleans studying various phases of southern architecture.

Ralph Higley, '30, President of Beta Alumni Association is 4-H Director at Cortland, N.Y.

Erwin Higley, '32, is teaching at Webster, N.Y.

Roger Corbett, '22, is Director of Extension Service and Coordinator of Agriculture at University of Connecticut at Storrs.

Rev. Milton Westphal, '18, is minister of the Baptist Church at Landsdowne, Pa.

Harry Gabriel, '15, will return to Ithaca to live after several years of teaching agriculture economics at University of Delaware. Welcome back to Cornell—TOOTS.

Delta Alumni

Monk Elsbree, '30, has become Principal of Mexico, N.Y. new million dollar high school.

Don Mac Harg, '37, was married during past year and moved to 101 Woodruff Ave., Brooklyn, N.Y.

Willard Woodward, '36, is with W. T.

Grant at Sumerville, Mass., and lives at 242 Elm St.

Orrin Judd, '26, has had published through the American Baptist Publication Society, a History of the First Baptist Church of Williamsburgh, entitled *A Century of Change*.

Don Shaw, '36, is working for the Harlem Saving Bank in New York, and is happily married to a sister of Fred Horner, Delta, '36.

Walt King, '31, after a trip around the world, is now studying medicine at Richmond, Va.

Ed. Tompkins, '36, is junior underwriter with Indemnity Insurance Co. at 99 John St., New York City.

Ken Tietgen, '32, is with Hackensack Water Co., Hackensack, N.J.

Jimmy Atkinson, '29, is now assistant to Director of the Science Department at Rome Free Academy, Rome, N.Y.

Eta Alumni

J. W. Mohler, '31, is with Caterpillar Tractor Co. at Peoria, Ill.

O. L. "Nat" Doud has changed his KDR headquarters to 2200 Speed Ave., Louisville, Ky., and informs all Brothers in the Bond that the new home with an acre of ground, five bedrooms, a recreation room, is more suitable to continue to make him and his wife, Peggy, happy by their unexpected visitors, to the Douds. Don't let that acre of ground keep you too busy to attend the Naional Convention.

Bob Sloan, '31, reports that Mexico is a fine vacation land and he and his wife are enjoying a fine rest "South of the Border, down Mexico Way."

Richard Best, '22, is manager of the Columbia Farms at Eldred, Ill. and reports business is fine this spring.

Clarence I. Chirpe, '32, is with West-

inghouse Electric Supply Co. in Chicago and resides at 3901 N. Janssen St.

Jack Hudson, '30, has moved to 1831 N. Luna Ave., Chicago, Ill.

Larry Triggs, '23, has been transferred to the offices of Ruthrauff and Ryan, Chrysler Bldg., New York, N.Y. and lives at 4 Byron Lane, Larchmont, N.Y. In 1939 he won the coveted Chicago Federated Advertising Club award for his advertisement in American Airlines magazine.

Lambda Alumni

Eugene Dowling, '26, is County Clerk at Yreka, Cal.

Ivan Nash, '33, is experimental engineer for Caterpillar Co., at San Leandro, Cal.

Howdy Kley, '33, is with Shell Oil Co. at Martinez, Cal.

Gene Corbin, '27, is manager of the Dallas, Texas, Branch of Pabco and Paraffine Co.

Bill Mixer, '24, is with H. R. Basford Co. of San Francisco.

George Moncure, '23, has moved to 2435 Russell St., Berkeley.

Loy Chamberlain, '30, is practicing architecture at Oakland, Cal., and assisted in the designing of the Sunshine House at Golden Gate Exposition on Treasure Island.

Chet Newell, '24, represents Swift & Co. and will spend much of his time at the San Francisco Exposition.

Rod Lengtston, '37, will be Director of Education and Recreation at Golden Gate Exposition.

Stan Gordon is in paint business with his father at San Francisco.

Gardiner Johnson, '26, is practicing law in San Francisco, and is State Assemblyman.

Earl Ingram, '35, having spent the winter at Golden Gate Exposition is now making preparations for the opening. You see Earl has a great deal to do with the beautifying of Treasure Island and anyone who has visited the Island knows the

floral and landscape are beyond description.

Bert Googings, '27, is with Paraffine Co. in Oakland, Cal.

Art Thorsen, '26, is manager of Horace Heidt Orchestra.

Glen Bultman, '36, is studying law at Hastings.

Nolan Pic O'Neal has been transferred to Ydalpom in the California Forest Service.

Paul Bernhard, '38, will graduate from Harvard Business School in June, and will return to sunny California.

Ace Meudel, '37, is with General Electric Co. at Schenectady, N.Y.

Mort Gleason, '24, can be heard singing with his quartet each Thursday night from KLX, Oakland.

Wayne Lobdel, '33, is in Forest Service in Denver and recently spent his vacation in Bay district.

Gil McKay, '31, is planning a trip to Alaska for his summer vacation.

Nu Alumni

Frank Dolian, '30, is doing marketing development work for the Commercial Solvent Co. at Terre Haute, Ind.

Lester Livingston, '26, is teaching Physics, Math and Chemistry at Lewisville, Indiana.

Roy McCoy, '33, is interning at City Hospital in Springfield, O.

D. Stanley Stoker, '37, is doing Graduate work in Chemistry at Indiana University recently discussed "Octane Gasoline" before Geology Seminar.

E. Frederick Brockman, '37, is Lieutenant in U.S. Army and is stationed at Ft. Clayton, Canal Zone, Panama.

Bob Lusk, '38, has been promoted to Assistant Manager of one of W. T. Grant stores.

Claude T. Rich, '29, was General Chairman of the Junior Chamber of Commerce convention which was held at Bloomington, Ind., April 19-20. Claude is Alumni Secretary for Indiana University with offices at the Memorial Union.

Rho Alumni

Ray Ford, '36, is teaching English at Guyama, Puerto Rico, will return to America in June.

Roger Morris, '37, is with Ingersoll-Rand at Phillipsburg and has recently recovered from an appendectomy operation.

Dr. D. B. Prentice, Hon., is President of Rose Polytechnic Institute, Terre Haute, Ind.

Dr. James L. Dyson, '33, is instructing in Geology at Colgate University. He has with him Brother John Ludlum, '35, in his department. Jim has been awarded the grant for further study of the structure and motion of glaciers in Glacier National Park and has been out there for the last five years and John Ludlum accompanied him this past summer.

Mr. and Mrs. Jesse W. Wells of Seatuket, L.I., have announced the engagement of their daughter, Mildred Jessica, to John Ludlum, Rho, '35. Miss Wells will graduate from the Home Economics College at Cornell University in June. She is a member of the Delta Gamma sorority.

Sigma Alumni

Barton Brown, '39, in Forestry is working for a timber cruiser with the Oregon and California Land Administration out of Roseburg, Oregon.

Jack Kelly, '39, in Agriculture, is associated with his father in the leading drug store in Cottage Grove, Oregon.

Harold Mackin, '39, in Secretarial Science, is affiliated with the Portland office of the Mutual Life Insurance Co. of New York. His address is 2281 N.W. Everett Street, Portland, Oregon.

Robert Walker is assistant-supervisor of C.C.C. Camp Electron near Tacoma, Washington. His rank is that of 2nd Lieutenant in the U.S. Army.

Dick Sutherland, '39, in Education, is athletic coach at Burns High School in southeastern Oregon. Dick also teaches World History and Economics.

Elgin Cornett, '39, in Agriculture, is as-

sistant county agent for Wallowa County with his home at Enterprise, Oregon.

Imrie Conn, '39, in Agriculture, has been transferred to St. Louis, Missouri by his employers, the J. I. Case Implement Co.

Lenn Pierson, '38, in Science, is teaching at the Grant Pass, Oregon, high school. He also coached the ski team last winter.

Tom Caldwell, '37, in Agriculture, is a Junior U.S. Agronomist and is located at Oakland, California.

Woodrow Damerell, '39, in Forestry, is an associate timber cruiser for the Oregon and California Land Administration. Woody is working out of Portland.

Jim Cahill, '39, in Agriculture, is working for the State Agriculture Department at Stockton, California.

Bernard Orell, '39, in Forestry, is finishing work on his masters degree here at Oregon State College.

Andrew Shoemake, '39, in Forestry, is working for the Copeland Lumber Company here in Corvallis. Andy will marry Mildred Wiedemann of Kappa Delta on May 26th.

Ernest Wagner, '40, in Forestry, is working in the State Forestry Service in Eugene, Oregon. Ernie married Shirley Martin on January 17th in Corvallis.

Mark Palmer, '39, in Forestry, is Assistant Ranger in the Ochoco forest in Eastern Oregon. Mark and his wife live at the Ochoco Ranger Station.

Jack Hutchins, '39, in Industrial Arts, is working for the Goodyear Rubber Company in Roseburg, Oregon.

DON'T MISS THE 29th ANNUAL
CONVENTION AT CHAMPAIGN,
JUNE 21-23.

How About It Fratre Alumnus?

One of the redeeming features of our Fraternity is the splendid support our Chapters are receiving by many of our interested alumni. While the Chapter news shows some of the tangible evidence of this, they don't anywhere near cover the many fine deeds and intangible accomplishments that our loyal alumni are doing for their Chapters. Often sacrificing time, energy and money these alumni have enough faith in the future of our Fraternity and the College Fraternity system and visualize the need for this alumni support for the continuous growth of Kappa Delta Rho.

The editor of the QUILL AND SCROLL enjoins others to assist those already in the harness and give them your hearty support. One of the ways this may be done is by recommending likely material to the Chapters. This year we have set a new record for collection of initiation fees.

Next year we must go after another new record and we need your help.

We cannot contemplate the future of Kappa Delta Rho with confidence unless we have this constant evidence of alumni support and devotion and we look continuously for it in an increased degree from those within the bond.

Below is a form for any prospects you may have and you may send this direct to Rushing Chairman of Chapter concerned. The office of the Executive Secretary can always be used as central clearing house for either information or forwarding prospects.

PLEASE FILL IN AND MAIL TO RUSHING CHAIRMAN

RUSHING INFORMATION

Rushing Chairman:

Middlebury College

SENIORS

To you fellows who are being graduated this year, we wish you even more success in the future than you have hoped for. And we'll always be glad to see you back at Midd.

We have worthy cause to be proud of the class of 1940. Heading the list is George Lewin, our graduating worthy consul. "Fargo" has been our high-light politician during his college years. Besides leading the house in everything from fraternity meetings to pepper games, he has been largely responsible for the success of the new student government at Middlebury. Now he is going to capitalize on his ability to get along with people by starting as a claims adjuster with a mutual insurance company.

Bob Anderson is our dreamer and idealist who has brought the Middlebury College Mountain Club to new heights. It is now one of the largest undergraduate organizations in the East. At the house Bob is always looked up to as the "idea man," especially when the time comes for the annual Rho-De-O.

Dave Goodell is one of those fellows with the happy faculty of Vermont Yankee wit. He is at this best on the snow-

packed mountain sides, but he has performed very capably on all intramural teams. Being a senior Dave has naturally found interest on the brighter side of the campus.

Handsome Art Jameison has appeared in several of the dramatic productions this year. Notable among these was the role of commentator in Thornton Wilder's *Our Town*. He is also singing second tenor in the far-famed Middlebury College Choir. In the house he has been very active as a member of the house committee and as social chairman. Then we have Fudgie Grab, the glamour boy of the KDP's. His activities have been settled mainly on the northern side of campus. With the coming of spring he is more active than ever—as manager of our intramural track team.

Nick Langy is our happy-go-lucky play-boy. The greater part of his time has been spent tramping around the terrian of Middlebury tracing out the various geological formations, particularly near the by-paths and byways of women's campus. Chuck Rumbold has been our stellar intramural man, competing in all sports. As for evening work, he is the story of the angel who has lost his wings. Of course Chuck maintains that he always comes out with a good date, but he ought to after all that trouble.

Gene Winslow, alias "Wings," "Off-Beat," "Tarzan," "Dark Rapture," ad infinitum, is the practical genius of the crew. "Wings" and his jalopy Ford and his C.A. A. license are all going to Rhode Island State on a Chem. fellowship. Gene is as tight with his money as the women are with dates for him. Gramp Wright has finally dropped his pin; rumors that have been floating around campus for the past four years have finally been confirmed. The lucky girl (?) is nobody else but his faithful cello, which, with his voice, has earned for him a scholarship at Westminster Choir College.

Milt Sheriff has been one of the best KDP's for four years despite the fact that he has only accepted house privileges. At

the present time he is doing a yeoman job of rounding up the fellows for the annual interfraternity sing. His cooperative spirit has been a worthy example for the brothers of the house. Milt plans to cut corpses next year in med school, but before doing so, it would be wise for him to take his dirty old crew hat down to his father's laundry for a well-needed bath.

ALUMNI

This has been a banner year for the return of old grads. So many have come back that both I and the register have lost track of them. But we should mention our dear perennial week-ender, Willy Watt '39, who returns to take stock in a feminine investment. Genial Duke Nolan '37 also dropped by to invite the brothers to come down and have one on him. Shorty Anderson '38, former Little All-American tackle, returned for week-end just in time for our annual spring formal.

We have also counted the noses of such men as Chris Hill '39, Joe Foley '39, Stretch Winslow '38, Dude Johnson '38, the Guarnaccia brothers, Curt Hickox '36, Dick Soule '38 and Joyce Kingsley '37.

The college has recently announced the appointment of Sam Guarnaccia '30 as instructor in Spanish and Italian and coach of freshman football; Charles Hickox '34, who has been studying at Harvard, has been appointed to take Prof. Schmidt's geology course the second semester.

SOCIAL

The annual spring formal held at the Middlebury Inn was a great success. This was due in no small measure to the marvelous music furnished by the Black Panthers. And, in speaking of the Black Panthers, KDP takes no little pride; the band is very ably directed by Bud Moore '42. He is an extremely versatile musician who has written many of the arrangements for the band. He has gathered around him three other members of the fraternity—Bud Nims, our love-lorn trombone player, Rabbit Aldrich (*I'd be only too glad to demonstrate these stockings Madam.*), the curly-haired swain of the

trumpet and Larry Warner at the piano. In passing we must not neglect to give credit to Art Jameison and Dingy Wright for their splendid job of decoration. Their night-motif created the perfect setting for a perfect evening.

ATHLETICS

Our basketball team won the interfraternity cup under the inspiring leadership of Nellie Easton. This splendid victory has been followed up by very respectable showings in all the spring sports.

On the baseball team we find sophomore Ed Yeomans again holding down the first sack, and effectively clearing the bags from his clean-up slot in the line-up. Then Sam Bertuzzi is alternating between the pitching box and left field. Behind the bat Dingy Wright has been handling the slants of the pitchers in place of the team's injured captain.

Jumping over to the cinder path we have Len Brown competing in the 100 and 220 yard dashes as well as in the 220 low hurdles. Freshman Harold Walch, the gallant little cross-country racer, is assistant manager of the track team.

ELECTIONS

The house bids fair to maintain its high standing among Middlebury fraternities under the determined and aggressive leadership of our new worthy consul, Summy House. Summy has been making plans with his "wife" for a new KDP house. In extra-curricula activities Summy has neither been an outstanding athlete or campus politician. Yet his whole college career has been marked by an indomitable spirit. This has been best shown by his two year apprenticeship on the varsity football scrub team. Moreover he has always been a conscientious student, and for this reason he has been conducting seminar groups and marking papers in freshman political science.

Other officers elected are Senior Tribune, Dingy Wright; Junior Tribune, Ed Leomans; Centurion, Nik Nikatas; Praetor, Win Pierrel; Propraetor, Larry Warner; Rushing Chairman, Willy Hallock.

ACTIVITIES

Freshman Pete Bohn bid fair to become an important campus figure. With marked initiative he founded the Middlebury Progressive League. This organization has done much to maintain an interest in world affairs among the students. Through Pete's efforts Middlebury set aside a day in April to be known as "Peace Day."

Tom Kellegrew has violated all precedent by being the first student from New York City to become a member of the Middlebury Mountain Club Skyline. T. T. Thomas is treasurer of the Mountain Club.

The baseball team elected Cliff Fulton manager for the 1941 season, thus following up Dick Treat's election as manager of hockey. On the debating team we have Kyle Brown, who has been one of the top debaters on Middlebury's very successful team. Phil Robinson along with Gene Winslow and Nell Easton recently completed his C.A.A. flying work.

Beta Elects Officers

For the next year Beta Chapter will be under the excellent guidance of these newly elected officers: Consul, Ray Hubbard; Senior Tribune, Otto Marquart; Junior Tribune, E. Stewart Owre; Praetor, Walter Williams; Propraetor, George Kershaw; Pontifex, Ev Von Reyn; Custodian, Merton Pultz; Social Chairman, Charles Clements; Centurion, Douglas Wright.

Moncure Way and Walter Andrew Zera were formally initiated into Beta membership on Monday evening, May 13, 1940. New Betas are John Burke, Walter Boughton, Val Coddington, Al Kopzynski, Merton Pultz, Moncure Way, and Walter Zera.

After the success of last year's summer rushing plan, we would like to urge all Alumni to send in the names of prospective Cornellians for our rushing list. Charlie Clements is our new rushing chairman and his address is Liberty, New York. Let's all cooperate and make the class of 1944 the largest in Beta Chapter's history.

KDR lost the first game of softball to Acacia 10-5. We lost the second game to Beta Sigma Rho 7-6. In this game we were behind coming into the 7th inning 6-3. Dick Hubbard slammed a four sack-er with two on to tie up the score. But B.S.R. slipped one over in the overtime inning and we lost. On May 8 we defeated Zeta Beta Tau to the tune of 14-3 with Charlie "Gomez" Clements pitching a three hit game. We still have two games to play, one with T.K.E. and one with S.A.M.

On May 24th Spring House Party rolled around. Social Chairman Clements' "ace up the sleeve" in entertainment proved to be the whole deck. In fact it was so good that every one is still trying to remember who got the Joker. Glen Miller's "Moonlight Serenadin" put everyone in swing for the week end.

On May 18, all the boys on their best behavior. It was the day of our annual Mother's day dinner. This very fine tradition was quite successful and all our Mothers returned home with a favorable impression of K.D.R.

On Cornell Day, Beta Chapter entertained 14 Sub-Frosh. This day is set aside to initiate future Cornellians to the worth while things at Cornell. We also receive some very good prospects for summer rushing. I would like to thank all the brothers of Beta Chapter, on behalf of the Cornell Day Committee, for the splendid cooperation they received in showing these boys around.

At the last meeting of the Inter-Fraternity Council on May 12, 1940, Brother Otto Marquart was elected to the Senior Judiciary Committee; while Consul Ray Hubbard retired as Secretary-Treasurer of the same organization. Brother George Kershaw is our representative to the Council (You will see him at the National Convention, this June representing Beta Chapter.)

Brother John "Eli" Cullinan retained his national Master's Bridge Rating by winning the Southern New York Contract

Bridge Tournament in Binghamton. His trophy stands 20 inches high.

Several Gamma Members Receive Teaching Positions

The following Gamma members have received teaching positions for next year, Robert Garman guidance and social study at Malverne, L.I., Roswell Fairbank, Commerce at Cherry Valley, N.Y., Otto Howe at Richburgh, Walter Harper English and Social Science at Phelps, N. Y.; Walter Simmons, science at East Hyde Park, N.Y.

The intramural softball league has ten teams this spring and Gamma expects another victory in this sport. Gamma is well represented on the Varsity Baseball team this spring with Merritt, Fairbank, Gilen, Brophy, Leonard and Barrett. On the Varsity tennis team are Schultze and Philips.

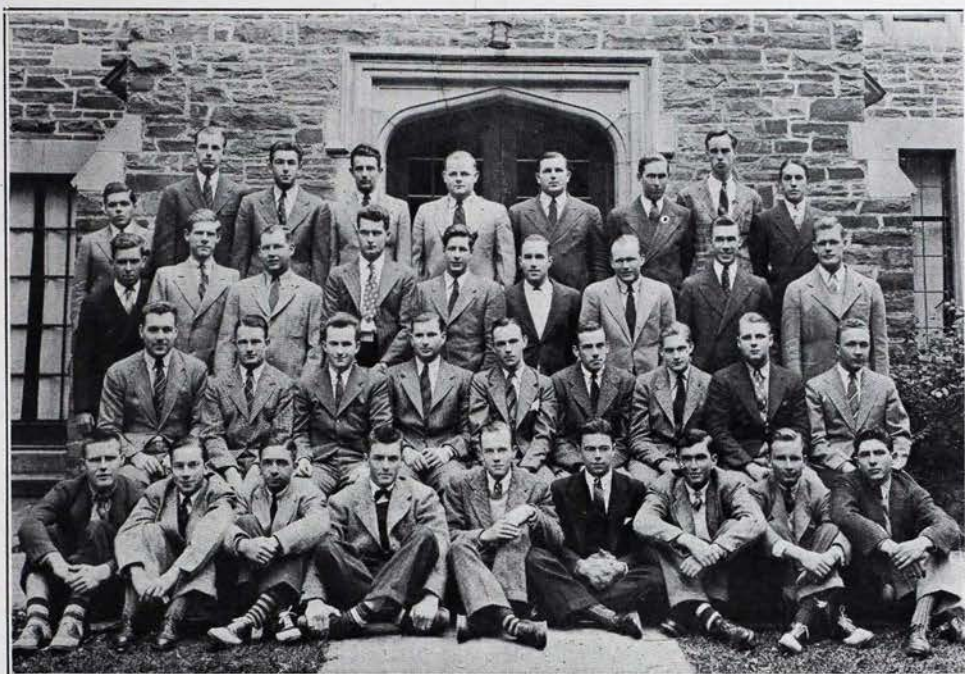

The Annual spring formal dance was held May 18th which brought the social season to a fitting close. Brothers Oxsala and Dickson did a fine job and it was one of the best dances in years.

On May 3rd the Fraternity ball drew many alumni back to Albany including Brothers Bancroft, Van Horn, Jones, Ehlers, Muggleton, Porcino, Porcino, Beno, Du Mont, Wolff, Sabol, Bulger, Densmore, and Allard. On Saturday night May 4th the reunion banquet was held at Howard Johnson restaurant and a good crowd was present.

Brother Holstein was elected Editor-in-Chief of the Freshman Handbook and Brother Moratto on the staff.

Delta Gets A New Record With 25 Pledges

Climaxing one of Delta's most successful years in campus activities was the pledging in April of 25 freshman, a new record for the Colgate chapter. Hailing from as far West as Michigan, the new neophytes are already busy in college affairs to bring new laurels to Kappa Delta Rho,

Delta Chapter

Junior Prom highlighted the spring's social activities, at which time more than 50 couples celebrated the gala weekend. Praise goes to Moose Sweeney, social chairman, and Bull Lauroesch, house manager, whose outstanding work for the house netted him a cash bonus. Artist Bud Donahue toiled diligently in painting six large murals which were hung in the chapter room to lend an added air of gayety to the festivities.

Along athletic lines, Delta was represented by both Don Collins and Joe Passabet, stars on the Colgate varsity line. Collins held down second base, while Passabet twirled on the mound. Out for spring football were varsity fullback Joe Hoague and Johnny Walker. Dick Ried was rewarded for his ability on the tennis courts by being elevated to the No. 3 position on the varsity squad. Jerry Slade, Jim Cole, Ed Dickson, Gabe Chiera, Al Vedder, and

Captain Phil Vogel made up half of Colgate's varsity lacross swingers.

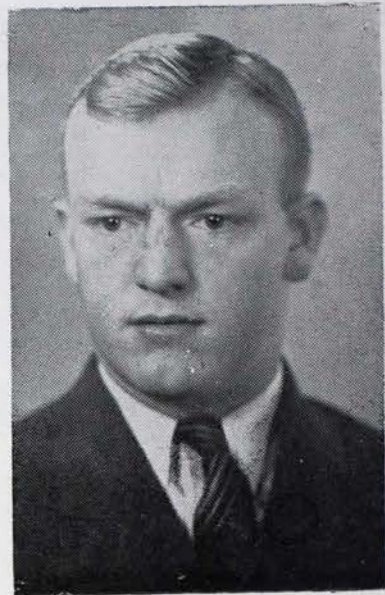

Editor George Fisk was widely acclaimed on the appearance of his edition of Colgate's yearbook, the *Salmagundi*. Other journalistic honors went to Joe La Forte who was elected managing editor of the *Maroon*, student newspaper, and assistant managing editor of the yearbook.

Delta also has three juniors slated for the senior honorary society, *Konosioni*, whose membership consists of those men who have been outstanding on the campus in extra-curricular activities. Jerry Slade, Dick Ried, and Joe La Forte are the candidates, while Delta's outgoing B.M.O.C.'s are vice-president of the students' association, Al Vedder, and Bud Donahue, editor of the *Banter*, Colgate humor magazine.

The newly pledged freshmen are: John Baltz, Brockport; William Barber, Cleveland Heights, O.; Sidney Bauld, Long

George Fisk, Delta, '40, Retiring Consul

Myron Knauff
Epsilon leader and all around athlete at
Franklin College

Meadow, Mass.; William Cairns, III, Brooklyn; Townsend Carpenter, Peekskill; John Cleaves, Binghamton; Donald Crane, Long Meadow, Mass.; Gordon Cushman, Needham, Mass.; Robert Dawson, Utica; Warren Hewitt, Watertown; George Huntington, Utica; Edward Jabara, Brooklyn; Albert McEwan, Rockville Center, L. I.; Richard Meredith, Troy; Noel Merrihew, Westport; Fred O'Neil, Jr., Niagara Falls; Floyd Parmenter, Fostoria, O.; William Robinson, Birmingham, Mich.; Jack Sinn, Irvington, N.J.; Paul Thompson, Belleville, N.J.; Whitfield Van Cott, Jamaica; John Walker, Philadelphia, Pa.; Jerrold Wheaton, Utica; Robert White, Englewood, N.J.; Richard Hall, Maplewood, N. J.

Epsilon Has Five On Franklin Baseball Team

Epsilon is glad to announce the pledging of seven new members. Ralph Scott of Decatur, Indiana; Cecil Clore, of Bargersville, Indiana; Gary Steward, of

Knighthstown, Indiana; Chas. Lowry, of Bedford, Indiana; Jack Saulsbury, of Jeffersonville, Indiana; Robert Engle, of Kendleville, Indiana; and A. King Wise, of Hollidaysburg, Penn.

Three men were initiated into Epsilon on the afternoon of April 21, 1940. Those initiated were Hugh Miller, '41, Fort Wayne, Indiana. Mike Rubosky, '43, Duquesne, Pa. Arthur Day, '43, Trafalgar, Indiana. Consul Miller officiated and alumni Boyd Gill was in attendance.

Immediately after the initiation a banquet was held in the chapter dining hall, where a series of welcome speeches were given to the newly initiates.

We are sorry but we forgot to include brother Bill Spencer's name in the list of varsity baseball players, in the last issue of the Quill and Scroll.

There are four Kappa Dels on the varsity team in baseball and are all showing up well. John Harrel the fifth KDR on the squad is a pitcher with an earned

run average of zero. Captain Knauff is leading the squad in hitting. This is the best team we have had in years and we are proud to say a Kappa Delta is the captain of the squad.

With the superb swimming of captain Rubosky the KDR team took third in the intramural swim meet. Rubosky a freshman broke two school records.

Our baseball team lost their first game but uncovered some real pitching talent in Brother Bill Wilson and should now hit our stride and win the rest of our games.

The pledge class put on a very fine party for the active chapter last April 26. This is the first time we have had any thing put on by the pledges and we are looking forward to their party next year, inspite of the fact that one of the actives had to ride with the chaperones.

Social Chairman Bro. Jack Townsend did a fine job in the annual Spring Drive Dance, held at Heflins Camp, May 21, 1940.

Epsilon took about twenty-five men to the all-state meeting at Northern Beach, Ind., on May 18 and had a great time.

Congrats to Brother Townsend for pinning Rose Jane Smiley. He committed the act at the Junior Prom and Jimmy James played "I Love You Truly" to celebrate the occasion. She is a swell girl and the chapter wishes them a lot of luck.

Friday night May 3, Epsilon again scored on the Franklin Campus. Two of our men were tapped for Blue Key, national honorary fraternity. Men are picked from the Junior and Senior classes for leadership and scholarship ability. The two men honored were brothers Myron Knauff and John Spencer.

John Duncan was also tapped for lan- cers, freshman and sophomore pledge group to Blue Key.

Correll Julian Becomes Consul at Eta

At a farm house meeting on the evening of April 19, Eta chose her officers for the next year. The new directors are:

Correll Julian, Consul; Charles Russell, Senior Tribune; Grover Haines, Quaestor; Joseph McDevitt, Junior Tribune; Al Corduan, Praetor; Joseph Murphy, Propaetor; Ralph Haag, Custodian; John Cape Pontifex; George Nibbe, Centurian.

With more than eighty fraternities and sororities planning spring formals, April is a pretty busy month on the Illinois campus, and Eta was right in the thick of activities. On the evening of April 27, the spring formal was held at the chapter house. Wayne Karr and his orchestra entertained. The decorations were created from a desert island theme. There were palm trees adorning the doorways and blended colors of green, yellow and white streamers separating the dining tables from the dance floor. A beautifully-lighted fountain, surrounded by artificial grass, was built in the fireplace to strengthen the illusion. The dance was well chaperoned by Brother Houtchens, Beta, and Brother Filbey, Eta, and their wives.

On the week-end of April 4-5, the mothers of Eta were feted by the members. A large party was held on Saturday night for the mothers and sweethearts, and a dinner on Sunday. The mothers presented a large financial gift to the chapter which will be used to buy a radio and record player. We hope to have it to entertain convention visitors in June.

Brother McDevitt and Pledge Tudor have written a new sweetheart song which will enter competition at the convention. It was introduced to the student body at Sachem sing and received much comment. With it Eta hopes to win the prize offered at the convention.

Recently the "Illini 400", a catalog of the leading men and women of the campus, was introduced to the campus. Three KDR's were mentioned as leaders in campus activities. Brother Avery received mention because of his work in military circles, being a member of several military fraternities and captain of Pershing Rifles.

Brother Olsen was mentioned for work in military as well as being president of

the Illinois Union, an organization for all Illinois men.

Brother Russell's active work in Sachem and Interfraternity council won him a place among campus leaders in his junior year, so KDR will still be represented in the activity field next year.

Two freshman were selected for Star and Scroll, interfraternity sophomore honorary for next year. They were Al Corduan and Joe Murphy, both engineering students.

Bob Hogue Is New Consul at Theta

Theta has the pleasure of announcing its officers for the first semester of the 1940-41 school year; Consul, Bob Hogue; Senior Tribune, Bill Slone; Junior Tribune, Brad Ballard; Quastor, Don Woodward; Praetor, Charles Hobbs; Proprietor, Bob Carpenter; Centurion, Al Greffrath; Pontifex, John Seymour; Custodian, Bill Trombley; Social Chairman, Jim Storms; Political Chairman, Bob Jolls; Financial Committeeman, Bill Clark.

While we have had a bit of bad luck in losing eight men from the house during the year, we have somewhat offset this loss by the pledging of the following men: Clyde Netherton, '41, Chalmers, Indiana; Bud Inglis, '43, Detroit, Michigan; Bill Weslow, '42, Detroit, Michigan; Don Hope, '43, Bangor, Michigan; Charles Homa, '42, Endicott, New York; Howard Morton, '42, Indianapolis; Tom Fullerton, '42, Chicago, Illinois; and Ken Weaver, '43, Mulberry, Indiana.

As part of our spring rushing program, we have instituted a new policy of giving banquets with faculty members as speakers. So far we have had Prof. Frank Hall of the History, Economics, and Government department, and Gordan Enders special lecturer on Far Eastern Problems for the University, as speakers.

The chapters of KDR in Indiana, Nu, Epsilon, and Theta, had a get together in Indianapolis on May 18th and a fine time was enjoyed by everyone.

Quite a few of the brothers have already planned to attend the convention in Champaign, for the house will stay open this summer for summer school.

The week of May 3 was Gala Week here at Purdue, and quite a few of the alumni were back for the celebration, among them; G. V. Woodling, '23, R. L. Gruenert, '32, B. Harman, '35, N. G. Stanley, '35, and R. B. Newhouse, '39.

Iota Wins Trophy For High Scholastic Average

A successful year—one of scholarship attainment, of athletic prowess, of social prestige, of increased membership, and of unforgettable fraternal fellowship. These were the "fruits of hard labor" enjoyed by Iotans during '39 and '40.

On April 11 the chapter was presented the new Bucknell Fathers' Association Trophy for the highest scholastic standing among the fraternities. A notable feature of this accomplishment was the out-

WON BY IOTA
Scholarship Trophy Presented by Bucknell
Fathers Association.

classing of ALL affiliated or non-affiliated groups, men and women, with a first semester average of 81.08.

Of prime importance in the athletic field of endeavor was the capturing of first place in the inter-fraternity bowling league. Members of the bowling team were Captain Bud King, Player-Manager Fred Phillips, Don Davis, Leighton Thomas, Jack Gallagher and Tom Morgan. In the intramural track and field meet Bro. Maurice Longo was awarded the first place medal in the discus throw and third place in the shot put. Iota gained the semi-finals in the softball league and fared even in other sports.

Houseparty week-end, two days of fun and frolic, was the acme of the chapter's social season. A feature of this annual event was a formal dinner in the Orange and Blue Room of the Hotel Lewisburger. Among the alumni who attended the dance were Capt. C. Irving Carpenter, '27, who served as Master of Ceremonies at the Dinner; Bernhard Priemer, '28; Bill Devitt, '27; W. Z. Sleighter, '31; Prof. Rudolph Peterson, '15; Leon G. Haines, '31, and David Williams, '38. Other highlights of the social program were open houses and spring outings.

Rushing activities, extended throughout the entire year, resulted in the pledging of eleven men. Since the last issue of the Quill and Scroll, seven neophytes were added to Iota's pledge list. They are Bill Griffiths, '43, of Tamaqua; Gil Holt, '42, of Washington, D.C.; Harold High, '43, of Fulton, N.Y.; Dan Collinson, '42, of New Monmouth, N.J.; Ken Maust, '43, of Milton; Glenn Fryling, '42, of Sunbury, and Cliff Manella, '41, of Audobon, N.J. Initiation in the first part of May inducted Leighton Thomas and Donald Reedy into active membership. An initiation for other pledges will be conducted before the opening of next school year in September.

Members of Iota Chapter are proud of the success enjoyed during the past year . . . and they have a right to be. It is a symbol of the future excellence of Kappa Delta Rho upon the Bucknell campus.

Lambda Enjoys Twentieth Annual Founders Day Banquet

Officers were recently elected for the fall semester. The following take over new positions:

Dave Hunt, consul; Luke Brubaker, senior tribune; Ken Kuney, junior tribune; Bud Price, quaestor; Jack Stricker, praetor; Leslie Ley, advisor; Dave Ayres, propraetor; Jim Hicks, custodian; Russell Teagarden, pontifex; Clarence Hillman, centurion; Bud Hughes, Merle Garing, and Earl Heath, senators. May they be happy and successful in their work.

The last activity of the term was culminated on May 4 when the members of Lambda and alumni gathered together for the Twentieth Annual Founders' Banquet. Alumnus Gardiner Johnson, '26, California State Assemblyman, was the principal speaker at the affair which took place at the Palace Hotel in San Francisco. Johnson's speech magnified the success of the evening. At the banquet Arthur Adams, '40, retiring consul, was presented with the house scholarship cup in recognition of high scholastic achievement.

Lambda closed its intramural activities by losing out in the semifinal round in basketball, losing the horseshoe finals, and then coming back to place high in the intramural swimming meet.

The individual activities of Lambda members seemed to have had a dominantly musical trend this semester. Ted Foster, '41, had a place with the Cal Symphony. He plays the violin. Ken Kuney, '41, and Bud Price, '41, vied for first chair, first trumpet in the Cal band and Bob Williams, '41, was first Glockenspiel man. Bob Tucker, '41, has not yet capitalized on his stirring tenor voice, but expects a contract from a certain San Francisco radio sponsor any time now.

In addition, two fellows, Ken Wolfe, '42, and Russell Teagarden, '42, joined the student aviation course sponsored by the Civil Aeronautics Authority. Teagarden has acquired his operator's license and Wolfe is well on his way toward one.

LAMBDA ENJOY THEIR PORCH

Left to right: Ley, Thompson, Kuney, Newly-Installed Consul Hunt, Ex-Consul Adams, Gordon Tucker, R. White, Brubaker.

Mu News

INITIATION:

On Saturday, April 20, Mu initiated four men. They are: Dick Boynton, '42, Pontiac, Mich.; Art Pugh, '42, Lakewood, Ohio; Aldin Ratti, '43, Ann Arbor, Mich.; and Jack Statts, '42, Wayne, Pa. The active chapter is proud to have these fine specimens of Michigan Manhood in the flock.

Since our last report, Mu has pledged two new men. Joe Straayer, '41, Grand Rapids, Mich., and Bill Dixon, '43, Detroit, Michigan. Joe is an aero-engineer who really takes his stuff seriously. He is already accredited with 30 hours of solo in the CAA training program. Besides this, Joe is one of those handsome boys who go around making hits with all the co-eds (Drat his luck!) Bill is an electrical engineer—one of those boys who get A's

in Physics. Perhaps Bill's talent in Jitterbugging should be mentioned, for he really is a polished artist. Bill has a lot on the ball, too—that is, he's another smoothie. If we keep this up, Mu will soon be a glamour chapter.

SPORTS:

This spring we turned out a "gas-house" team in the interfraternity softball league. We lost in the first place semi-finals, but "we was robbed" (ask any of the fellows). Brother Whitz who was on third base, spilled the opposing third baseman as he went for a foul ball. The ump called Whitz out on the play, and it retired us in the ninth inning with the score 6-5 against us. We enter the second place play-offs shortly, and with our reputation, we should have all opposition shaking.

So far, Mu has put two second basemen

and one third baseman on the injured list, and we suffered not a little doing it. Pledge Don Walker still has his arm and shoulder in a cast for trying to take "out" a first baseman. But—we're having fun!

FOUNDER'S DAY:

On the weekend of May 18th Mu will again throw the doors open for our Founder's Day celebration. We are having our spring Dinner-Dance as part of the celebration on the night of the 18th. On Sunday morning we will have the annual active-alumni softball game. Following this, we have a supper meeting and banquet—seegars included!

All the arrangements have been taken care of by the alumni, and as a result, we are expecting many more back this year than last. Some of the old-timers, who have not been back since graduation, have promised to be here. Incidentally, this year is the 15th anniversary of Mu chapter . . . another reason why all of the boys will be coming "home."

WARNING!!

To our brothers at Kappa, let it be known that the KDR house here in Ann Arbor is an armed camp. We have mobilized the classes of '98 and '99 and are massed on the border. What we want is the Ohio State-Michigan football trophy. Michigan has wamped OSU on the gridiron in two consecutive years. Still we have not received the trophy. Soon Der Fueher Benford will lead a Blitzkrieg against the Kappa house. Do we get the trophy, or do we have an anschluss? Incidentally, we offered to pay half of the bill for a new one.

SENIORS:

Mu will lose the following five men by graduation this year: Don Crozat, an aero-engineer, has a position with Curtiss-Wright. Don has been house manager for the past year and now we have to find someone else to heckle.

Harry Benford, the naval architect of the house, has bribed his way into the Newport News Shipbuilding Company. Harry is the boy who has been flooding

the *Q* and *S* with cartoons for the past four years. He is also retiring President of the active chapters.

Phil Roberts, another aero-engineer, has gotten a job with Lockheed in California. Phil is the fatherly type and has been guiding the youth of the house for the past few years. How we will miss him.

Joe Savilla, known as Handsome Joe in too many sororities, is going into the educational field. Joe has been an outstanding athlete here at Michigan. He has put in three years of Varsity football and two years of Varsity wrestling. And Joe has brains, too! At any rate, he's not going out for pro-football.

Walter Van Hoek will be leaving the campus to attend a Canadian medical college. "Doc" has been another guiding light around the house, and—oh, oh—what will we do for blind dates now that he is leaving?

Lou Cuccia, an electrical engineer, plans to return next year for some graduate work. Lou is one of those boys who have never known when they have enough. Mu will never, never find another man who is so mad about science. We don't see much of Lou for he practically lives in the EE lab. He's known in the engineering school as "High Voltage" Cuccia.

The entire chapter wishes our graduates and the graduates of the brother chapters all the success in the world in their new positions.

WEDDING BELLS:

During the Spring Vacation Brother Phil Roberts took that big step and got married. He managed to hornswaggle one of those pretty blondes that one hears about (but never gets a chance to date). She's a Virginia Belle, Suh! We're waiting for those future KDR's, Phil!

NEW OFFICERS:

The new officers for the fall semester of next year have been elected and mid the din of battle and jubilant celebration we present: Consul, Woodrow (Wilson) Rankin, '41; Senior Tribune, Adam Andrew Whitz, '41; Junior Tribune, Edward

F. Glanz, '42; Praetor, Arthur Pugh, '42; Propraetor, John (the Bounce) Statts, '42; Pontifex, Richard Boynton, '42; Centurian, Andrew Carnegie Pavinich, '41; Custodian, James M. George, '41.

Nu Enjoys Venison Banquet And Spring Dance

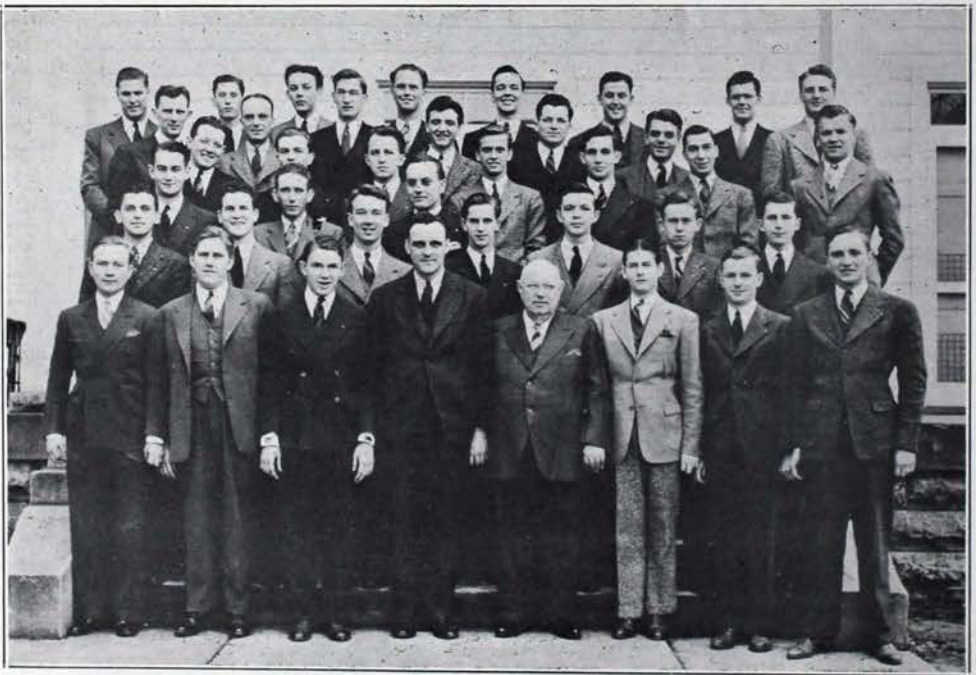

The fourth annual Venison Banquet was held on Sunday, April 21. There were about seventy actives and alumni present. A short talk was given by Mr. J. E. Patrick, president of the Indiana University Union Board.

The Spring Dance was acclaimed by local critics as "the" Fraternity Dance of the year. The whole affair was marked by elaborate decorations and an unusual theme. The whole front of the house was covered by canvas in order to fully produce a circus atmosphere. There were side-show banners which advertised in

loud colors the main attractions inside. There were "The Blind Date Monster," "The Headless Phi Beta" and "the College Joe-Joe." The Band was placed inside of a cage. Pink lemonade, animal crackers, peanuts, and popcorn were served at the refreshment stand. There were an abundance of balloons and saw-dust, which helped to lend the Circus Atmosphere.

Charles E. Frohman, '42, of Columbus, Indiana, was recently pledged.

Brother Dan Bannister was recently elected to the Collegiate Chamber of Commerce, Board of Directors, as a Sophomore Representative. He also received Blue Key Recognition. Brother Bannister and John Ambler were initiated into Skull and Crescent. Brother Fred Pfrommer received his Freshman Numerals in swimming. Pfrommer was also pledged to Dolphin Club. Brothers Conn and Bannister are out for Managerships.

Alumni and Chapter at Nu's 5th Annual Venison Banquet, April 21, 1940

Brother Dean Foster was a member of The University Technical Staff.

The intramural activities did not yield very heavy returns. The Minor League Basketball team was nosed out by the D. U.'s by a very narrow margin. The Major League suffered defeat in the semi-finals at the hands of the Sigma Nu's. The baseball team has operated under a heavy handicap. The Codeball and Swimming teams have come through with a fine showing and many moral victories.

Consul, Ed Swets; Senior Tribune, Dean Foster; Junior Tribune, Louis Conn; Custodian, Bob Ford; Praetor, Charles O'Brein; Proprietor, Bob Johnson; Centurion, Bill Walton; Pontifex, Bill Hohe.

Appointed officers: Social Chairman, Dean Foster; Rush Captain, Tom Jewett; Intramural Manager, Bill Walton; Pledge Captain, Dan Bannister.

Xi Active in Extracurriculars

Xi's spring social activities began with a successful chosen dance following the annual college holiday dance.

On May 29 our spring dance was held. Precedence was broken this year in that we held the dance at a nearby hotel instead of here in the chapter house. The dance was an outstanding success on the campus.

Ours is the enviable honor of having two brothers and a pledge on the college baseball pitching staff. Brother Joe Slatery has pitched the team to two of five successive victories and Brother Craig Blanchard has accounted for one of the five wins. Pledge Barry has pitched in several of the games and is due to pitch the next game.

The fraternity is represented again on the college golf team by Brother "Jim" Bunting. Xi lost the playoff game in interfraternity bowling, but in spite of this they were runners-up.

The softball team has as yet played only one game but it got off to a flying start, led by its ace pitcher, Gordon Merrill, by defeating last year's college cham-

pions. We have a strong team this year and we should win the interfraternity championship.

Brothers Blyne Allen and Arthur Warren along with Pledge Ero Helin compose our representatives on the college track team. Blyne Allen is co-captain of the team and in a recent meet he broke the meet's javeline throw record by eleven feet. Ero Helin is a weight man and has placed in every meet this year. Arthur Warren is a dash man and has also placed in all meets this year.

ACTIVITIES:

Brothers "Jim" Bunting and "Bill" Tetram are doing the honors for Xi in the dramatic field. "Jim" Bunting has been in several of the plays presented by the French Club, of which he is president. "Bill" Tetram is a newcomer. His play is being presented by the English Literature class.

Brother "Lin" Palmer has been chosen chairman of the Committee on Religious Resources at Colby.

The usual spring initiation was not held this year. Xi is, however, looking forward to the initiation of at least fourteen new men next fall. This will be the largest group of new men to join in a single initiation in recent years.

The postponement of the initiation is a result of the fact that very few freshmen joined fraternities here this spring, choosing to wait until the opening of the next school year.

Pi Commemorates Mother's Day At Gettysburg

By the time this is published the spring house dances of May 17 and 18 will be over, the music of Claire Singerman enjoyed, the Saturday night banquet ancient but relished history, and the dancing at Graeffenberg's Inn a fond memory—especially for those of us who are no longer listed on our active chapter rolls.

These men who became good substantial alumni are: Brother Hoffman, a chemistry major, who intends to join the Zeta

boys at Penn State to get his Master's Degree; Brother Quick, another chemistry major, is going immediately into industrial chemistry—the sooner the better according to him; Brother Walker, a Biology major, will spend the next four years at Temple University School of Dentistry; and Brother Stroup, who majored in English, will enter the Theological Seminary here at Gettysburg.

For all these we offer our best wishes and they certainly deserve it.

April 26 and 27 was the annual Ivy Week-end, the time for the planting of the ivy by the Seniors and their last college dances before becoming "worthy alumni." On Friday night Len Mayfair at the Pan-Hellenic dance began the rhythm which was carried on by Alex Bartha on Saturday evening for the Ivy Ball.

On May 4, a host of prospective Gettysburgians and KDR's flocked over the campus, shot Brother Flegeal's 37 mm. gun, listened to the band, met our professors, saw Gettysburg beat Penn State (2-1 in the 10th), visited the chapter house for their evening meal and went home resolved to come to G-Burg next year.

Most important on our schedule was Mother's Day Week-end, May 11 and 12, when our mothers found out that, though we may oft times not be too thoughtful of them, they are still No. 1 on our list of ones close to our hearts. Then they also saw our R.O.T.C. display its much practiced maneuvers, beheld our fair (?) coeds in their May Day dances, and went home after a week-end which should be repeated each day by us.

The interfraternity mushball season came to a close in the middle of May. Brother Cook, as captain, led our team through an enjoyable season of well-rounded scenes.

On the varsity track team, Brother Fahr-er has been doing very well in his specialty, the quarter-mile. No Gettysburg man has surpassed him as yet.

Brother Metzger was elected to the office of propraetor for the coming year.

A new social committee was appointed headed by Brother Flegeal, who will be assisted by Brothers Senft and Black.

Of late we have received little news from you. Whenever anything happens of any importance at all to any of you, let the propraetor know about it. We want to keep up on your activities and so does National Headquarters and your former classmates. Please keep us posted!

Rho Elects Dave Heal Consul

On April 22nd, Rho active held their annual election of officers. Those voted to office include: David F. Heal, Consul; Frederick M. Broadfoot, Senior Tribune; Robert B. Howard, Junior Tribune; Douglas F. Jones, Praetor; Timothy M. Tamblin, Propraetor; Charles J. Berlau, Centurion; E. William Kohl, Pontifex; and W. Craig Kennedy, Quaestor. The '39-'40 officers were thanked for their cooperation and commended for their accomplishments by retiring-Consul Kennedy, while Consul Heal voiced a desire to make our house the ultimate in size, scholarship, sports, and sociability.

Charles F. Beck, '43, of Summit, N.J., was initiated into the bonds of Kappa Delta Rho on April 29th. Shortly before Brother Beck's initiation came the announcement of the pledging of Ted Schultz, '43, also of Summit.

On the weekend of May 4th many sub-frosh from all over the East stayed with us during Lafayette's annual open-house ceremonies. They all seemed favorably impressed with both the college and the house and we made plans right then and there to "put the button on them" next year and to use them as a start for our biggest pledge group yet.

SOCIAL

Our Spring Interfraternity Dance, with Glen Gray's Casa Lomans on the music supply end, turned out to be the year's finest social event. Rho held a very complete and enjoyable Dinner Dance the next night, May 11th. To make up for the one or two actives who weren't able

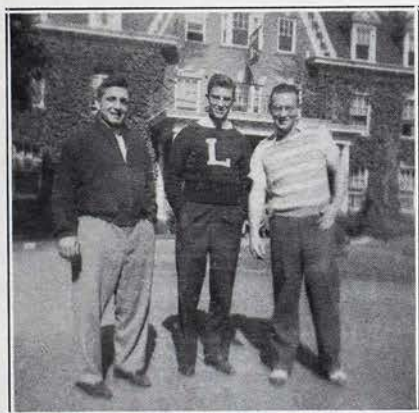

to attend, many Rho alumni—both wedded and “not yet”—returned and were given the time of their lives.

“Home, Sweet Home” to All Rho’s

SPORTS

With the College’s intra-mural program slowly but energetically drawing to a close, we find ourselves in the win column for the majority of the contests in which we were entered. Our two bowling teams were very active. Our volley-ballers gave to all a good battle. Our soft-ball team,

RHO’S “BIG THREE”

Left to right: Stellatella, Thon, and Trexler.

in which our aim was to have every KDR play, made out well—even to holding a highly-touted off-campus team, composed of Alpha Cement Company stars, to a 5 to 4 score. But our chief pride and joy was our hard-ball team, unbeaten as yet, led by Brother Knobloch, '42, on the mound. Knobby, who stars in North Jersey baseball circles during the summer, received just intramural acclaim by being elected to a post on the “All-Campus” softball team.

On varsity teams, two KDR’s are current luminaries. Ernie Kohl, '41, is undefeated in the pole vault and looms as possible champion of the Middle Three: Lafayette, Lehigh, and Rutgers. Freddie Thon, '40, has pitched six games, winning five and tying one, for Lafayette’s twice-beaten baseball team.

Several Sigma Members Elected to Honorary Scholastic Fraternities

Spring term started in the traditional fashion again this year with the throwing of water bags. This sport is reserved for week-ends only during this term, and of course discretion must be practiced as to clothes. The usual procedure is to fill a rubber balloon with water and wait on the third floor sleeping porch until someone enters or leaves by the front door. Direct hits are few, and the novelty of it soon wears off, however, it is an interesting diversion during the first few weeks of the term.

Sigma can again be proud of the grades of her members. Their grade point average for winter term was 2.63, which placed the house ninth of the 27 fraternities on the Oregon State College campus. Brother Brun was again high man with a straight A average. Jack has also been pledged to Sigma Xi, national honorary in Engineering. Brothers Harry and Wajahn have been pledged to Gamma Sigma Delta, honorary in Agriculture. Brother Orell has been pledged to Kappa Delta Pi, honorary in Education.

Sigma held a formal initiation on April 21st for the following men: Lawrence Plagmann, Albany, Oregon; Bob Cahill, Adel, Oregon; and Gene Sharp, Roseburg, Oregon. Following the initiation the new members and old enjoyed the traditional feast at the Golden Pheasant Restaurant here in Corvallis.

Consul Bob Slocum at Sigma

Sigma has one new pledge so far this term. He is Jerry Starr, Sophomore in Secretarial Science from Portland, Oregon.

Sigma of Kappa Delta Rho held her spring formal dance on Friday, May 26th at the Hotel Benton in downtown Corvallis, Ore. The music was furnished by Johnny Busch's orchestra, one of the foremost on the campus. The dance was a wonderful success, and it was a crowning climax to the social calendar for this year. Among the distinguished alums who attended were: Mr. and Mrs. Frank Mosier, Mr. and Mrs. Tom Onsdorff, Dr. and Mrs. Chambers, Judge and Mrs. Le Master, and Mr. and Mrs. John Burtner.

On the evening of May 3rd, Sigma served a formal dinner for the KDR's and their ladies who attended the Senior Ball. This affair was particularly successful because of the culinary achievements of our excellent cook, Mrs. Anna Osborne.

The next item on the social list was

Junior Week-end. This was primarily a rushing event, as high school seniors from all over the state were invited to stay at the various fraternities. A well filled week end was planned to entertain rushees as well as students. One of the high-lights was the annual Rook-Sophomore tug-of-war.

Brother Schlegel has been fighting for a position in the outfield of the O.S.C. baseball team.

Pledge Brother Stitt recently returned from Hawaii with the barnstorming Oregon State basketball team. Don reports that "There is something about the Islands that makes you want to go back there." Incidentally he mentioned that our basketball team won all seven of the games that it played while there.

Brother Carlson is still doing fine with the track team. "Swede" specializes in the hurdles with great success.

Brother Blasen is No. 1 man on the golf team, which is doing very well in the Northern Division.

INTRAMURAL:

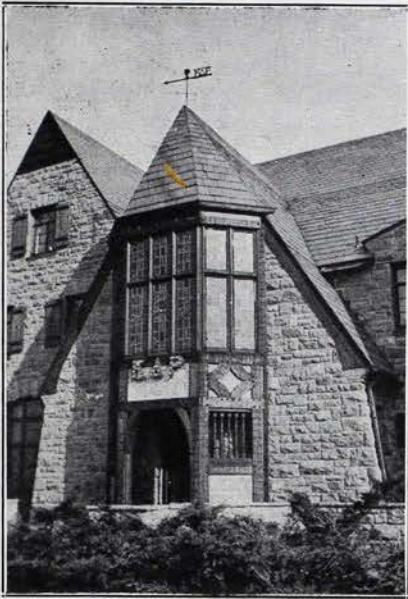

The damp spring weather which has been rather prevalent for the last month has somewhat curtailed the intramural program. However Sigma's softball team has won one game and lost one so far. Sigma's tennis team consisting of Brothers Skoog and Tully found a day dry enough to play and won their match. KDR has yet to prove her ability at horse-shoes and bridge.

POLITICS:

The O.S.C. Student Body and class elections were held on April 24th. Sigma was fortunate in that Slocum, our consul, was elected treasurer of the Senior class for next year.

Warren L. Davies Is Elected New Consul at Zeta

Warren L. Davies, of Scranton, Pa., was elected Consul in the Spring elections to succeed Leo P. Russell, '41, of Mt. Lebanon, Pa. Russell had been elected in January, 1940, to fill the unexpired

Entrance Zeta House

term of Bill Beuck, of Oil City, who graduated at mid-semester. Davies is enrolled in the Liberal Arts School and is majoring in Education.

Other main offices which were filled were Senior Tribune, Bill Fuchs; Junior Tribune, Bill Charles and Praetor, Ralph "Wacky" Yeager. The new officers are as follows:

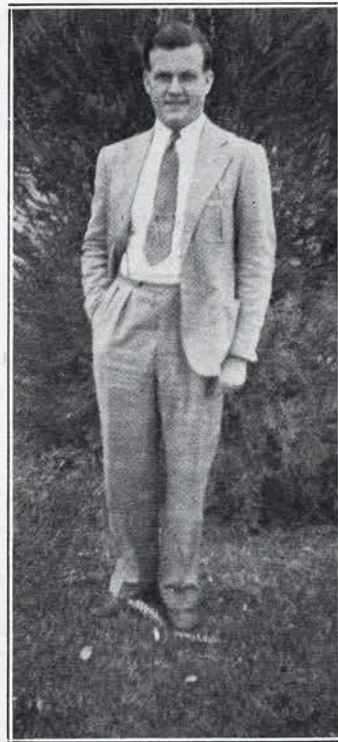

Consul	Warren Davies
Senior Tribune.....	William Fuchs
Junior Tribune	William Charles
Praetor.....	Ralph Yeager
Centurion	Jean Hauser
Pontifex.....	Frank Marmion
Quaestor.....	Erik Moeller
Assistant Quaestor	Jack Freudiger
House Manager	Leo Russell
Assistant House Managers	
.....	Joe McCormick, Ralph Yeager
Propraetor	Frank Horpel

The Social Committee was also elected at this time. It consists of Frank Marmion, chairman; Jack Freudiger and Walt James. Leo Russell was appointed rushing chairman.

Testimonials in the form of watch chain gavels were presented to the out-going officers: Beuck, Russell, Landen and Robbie. George Sperling, who had been elected Senior Tribune last year, did not return to school in the Fall and Ed. Landen was elected to fill his unexpired term.

Upsilon Pledges and Members Visit Lambda at Berkeley

The highlight of the rush season was a trip to Lambda chapter at Berkeley over the weekend of March 8th and 9th. Not content with being excellent hosts our Berkeley brothers showed us how the Stanford Indian could be scalped in a game of Rugby. In the evening the boys turned us loose to the mercies of the pick of the "Berkeley Bitties," at one of Lambda's famous fireside dances. Three days

Holgel Selling, Senior Tribune, Upsilon Chapter

later found us winding up rushing season with a stag banquet at Fresno's super-super hash joint, Omar Khayyam's. March 21st marked the date of our annual pledge presentation tea. Miss Muriel Schmeiser, prominent sorority girl, presented our pledges, and the presidents of several of the sororities poured. The affair was carried out in the fraternity colors, and the guests were served in the garden. Brothers Forsblad and Bell were in charge of the arrangements.

Not content with social activities several of the brothers who are politically minded got a real workout in the student body prexy election. For the second year in a row the fraternity has succeeded in giving its active support to the right candidate.

May 6th found the brothers entertaining the lassies from the Delta Mu Phi house at an exchange dance which featured a swing orchestra. The evening was climaxed by refreshments served by the girls—minus silverware. Yours truly noticed several red faces but heard no explanations. It seems to us that the modern gal is becoming too independent.

While Brother Bell was dining at Lambda's annual Founder's Day banquet, at the Palace Hotel, the rest of the fraternity was supposedly escorting their best girls to the Pan-Hellenic-Interfraternity formal jig.

Upsilon was glad to have as its guest for the West Coast Relays Jim Macaully, DTO of San Jose State College. Jim arrived the night before the relays and just in time to take in Fresno State's Blue Key Karnival at which Upsilon had the pleasant and remunerative task of quenching the thirst of the mob. Brother Ray Farrell, alumnus of Lambda, had planned on coming. Relays time came and passed and still no Ray. We hope that next year he can make it. The relays were tops. Stanford just barely nosed out U.S.C. for the team honors.

We request that any member or alumni coming to Fresno for the National A.A. U. track meet the latter part of June write to Harry Bell, 1814 Del Mar, Fresno, as soon as possible. We will make every effort to take care of you.

REMEMBER THE

CONVENTION

Friday and Saturday

June 21 & 22

Champaign, Illinois

Convention Headquarters--Eta Chapter House

ADVISORY COMMITTEES

Financial—O. L. Doud, Edward Kitchen, Whiton Powell and Rev. Harold Lemoine.
