Entered as second class matter at the Shelbyville, Indiana, post office under the act of March 3, 1879.
The Quill and Scroll of Kappa Delta Rho is published at 12 E. Franklin Street, Shelbyville, Indiana,
in January, April, June and November. Only life subscriptions are available at ten dollars
each in the United States and Canada.

To the New Pledges of Kappa Delta Rho:

On behalf of the Fraternity I wish to send you this brief message of welcome. We hope that as time goes on you will pick up the spirit of Kappa Delta Rho, which I trust you will find to be more or less contagious.

It would be easily possible for a younger person starting into College during these times to develop an attitude of self pity. Certainly college students never faced a greater uncertainty and we can easily get discouraged when we think of what might be in store for the next generation. But the most fundamental things in life do not change. Human nature is the same and will remain the same and there will be problems to solve, worlds to conquer and much to be done in the years to come. Fundamentally, the world is suffering today from a lack of leadership; the most needed thing of tomorrow will be men of vision with imagination, who are capable of leadership. We hope our Fraternity can do its part in helping to supply this need.

Yours sincerely and fraternally,

L. T. WOLFORD.

Our Neighbor--South America

HAROLD VAGTBORG, *Eta*, '26, *Director, Armour Research Foundation*

Harold Vagtborg, *Eta*, '26

A far cry from the slow and laborious expeditions of the early Spanish conquistadores was the industrial exploration recently undertaken by the twenty-one industrial and research executives appointed by the National Research Council. Using present-day air travel, this expedition surveyed virtually all of South America, a continent about which the average North American knows very little.

Since the days of colonization of the Americas—and South America was first by more than one hundred years—almost all trade has been easterly and westerly

over the Atlantic. This was natural because of ties with the mother countries. Even after breaking these ties, the United States in 1776 and Mexico and South American countries about 1825, the trade routes changed but little.

During the World War of 1914-1918 South America suffered greatly because of trade blockades and the United States paid scant attention to these problems. Now that Europe is again at war South America has suddenly come in to the limelight because of its important role in economic readjustments, for lack of cooperation between the United States and the Latin American countries could have extremely serious consequences. With the markets of Europe closed to both the United States and South America unity in the Western Hemisphere is imperative. It is essential to South America for economic reasons and to the United States for national defense reasons that the trade routes be changed from "east and west" to "north and south." The Latin American countries appear to give every opportunity to the United States to bring about such a change. They seek United States capital and technological advice but there are many problems to be solved before there can be a mutually satisfactory working arrangement.

To study the possibilities of such an arrangement and find what makes for a "good neighbor" policy the National Research Council industrial exploration commission left Miami in March aboard a South American Clipper which moved out across the Caribbean with the ease and grace of a bird over billowing clouds and the sea 8,000 feet below.

The flight over the Caribbean gave the members of the commission time to reflect

Dr. B. S. Garvey, Jr., Receives Recognition

Dr. B. S. Garvey, Jr., Eta, '21

Dr. B. S. Garvey, Jr., Eta, '21, has received recognition for his work in Synthetic Rubber. Garvey has been working on this project from the beginning. Before that he spent several years on the fundamental chemistry of rubber and other similar materials. He has been active on the theoretical side of Synthetic Rubber and has developed special methods for and testing and evaluation of the product.

Hycar OR is an oil-resistant, synthetic rubber produced and sold by the Hydrocarbon Chemical and Rubber Company, which is jointly owned by the B. F. Goodrich Company and the Phillips Petroleum Company. Articles manufactured from Hycar by the B. F. Goodrich Company are sold under the trade name of "Ameripol." The compounding of Hycar OR differs from that of natural rubber in the

use of less sulfur, more accelerator, and more softener.

Hycar OR's chief advantages over natural rubber are its resistance to heat and oil. The natural product deteriorates rapidly in the presence of gasoline and oil, particularly when hot. Hycar OR does not. For this reason it can be used in gasoline and oil hose, tanks, gaskets, etc. Such uses are very important in automobiles, tanks, and airplanes as well as in filling stations and tank wagon hose. One of the most spectacular uses is in bullet proof gasoline tanks and hose for airplanes. There are composite structures of which Hycar is but one fact. They are tested by shooting them with 50 caliber machine guns. After this they must not leak to any considerable extent. Hycar OR also has many less spectacular uses in a variety of peace time industries. The Goodrich plant has been in full operation for some time and they are doubling their present capacity.

"Ameripol" tires made of Hycar are being sold to the public at a premium of about 30% above the cost of tires made of natural rubber. Experience indicates that these tires are equivalent in quality to the present tires of natural rubber. There are a number of minor differences in the production of tires when Hycar is used.

Bro. Garvey wrote an article on his work with Hycar OR which was printed in the "Scientific Monthly." This article appeared in the January, 1941 issue on pages 48-55. He was co-author of another similar paper which was printed in the "Industrial and Engineering Chemistry" in the May 1941 issue on page 602. Any of the brothers who would like to know more about this product can receive reprints of either or both of these articles by writing Bro. Garvey in care of the B. F. Goodrich Rubber Company, Akron, Ohio.

Dr. E. R. Van Kleeck Receives New York State Appointment

Dr. E. R. Van Kleeck, Gamma, '27

The appointment of Dr. E. R. Van Kleeck, Gamma, '27, as Assistant Commissioner of Education for New York State was announced recently by the New York Board of Regents. Bro. Van Kleeck had just completed a three-year term as Superintendent of Schools in Grosse Pointe, Michigan, and was re-elected for another three year period in the same office. Although his appointment to the State Education Department was effective July 1, 1941, he did not undertake his duties there until Aug. 15, meanwhile continuing at Grosse Pointe. He will assume a position provided for the New York State Education Department by the 1941 State Legislature, concentrating in the field of instruction in public elementary and secondary schools. These schools

enroll more than two million New York State pupils, and the state's educational department is nationally considered a model one. Brother Van Kleeck was succeeded by Dr. Paul L. Essert, Director of Vocational Education at Denver, Colorado and head of the world-famous Griffith Opportunity School there.

Dr. Van Kleeck was formerly superintendent of schools at Walden and Norwich, both in New York State, and was principal of the Plattsburg, New York Junior High School. He holds degrees from the New York State College for Teachers, Cornell University, and Yale University. He has also taught school administration at New York State Teachers and Yale. At Grosse Pointe, he succeeded Dr. S. M. Brownell, now professor of Educational Administration at Yale, for whom Grosse Pointe recently named a Junior High School.

Construction of the John D. Pierce Junior High School has been a major accomplishment during Van Kleeck's Grosse Pointe service. The school board has also acquired sites for two more Junior High Schools and a playground site. An industrial arts addition for the Grosse Pointe High School is under construction at the present time.

While at State College, Van Kleeck was quite active in campus and chapter affairs. He served his fraternity in many capacities, and ended his college and fraternity career by serving as Gamma's Consul for the school year 1926-1927. He is a Brother which Gamma, and all of Kappa Delta Rho can well be proud to call "Brother."

KDRs Under The Flag

(Continued from the June Issue)

In addition to those names which were listed in the June issue of the Quill and Scroll, your editor, with the assistance of the various chapters and alumni associations, has compiled an additional list of Kappa Delta Rhos who are serving their country "Under The Flag." There are undoubtedly more of our members in the service which as yet has not been listed. It would be greatly appreciated if you would inform this office of any brothers who have not as yet been listed. We regret to announce that already Kappa Delta Rho has given up one of her sons to her country, Bro. Alfred Trehanon, Gamma, '28. Details may be found on page — under "Chapter Eternal."

Director Burnham in the Army

Director Walter E. Burnham, Nu, '26, is now actively engaged in the Army. Bro. Burnham has been active in the Army Reserve for several years, and last August was ordered to report to Panama for active duty. Recent communications from Capt. Burnham reports that he is in the Headquarters of the Air Corp at the Panama Air Depot located at France Field, Panama Canal Zone.

Walter was first elected to the Board of Directors of Kappa Delta Rho in 1932 to fill an odd term of two years. He was reelected to the Board at the Convention held in 1934 at Zeta Chapter, State College, Penn., and again reelected in 1940 at the Convention at Eta Chapter, Champaign, Ill. He has always served his Fraternity well, and we are proud to lend him to our country during this time of need.

NATIONAL INTERFRATERNITY COUNCIL TO MEET

On Nov. 28 and 29, the National Interfraternity Council will hold its 33rd annual convention, at the Hotel Commodore, New York City. This is an affair that each and every fraternity minded man should attend if at all possible. On the evening of Friday, Nov. 28, the second annual banquet will climax the convention. Last year Chairman L. G. Balfour introduced the custom of a joint banquet with the National Panhellenic Congress, and it was a huge success.

An elaborate program has been planned for the dinner, and Lowell Thomas will act as Toastmaster. There will be several short speeches made by Dr. John E. Bowman, Chancellor, University of Pittsburgh; Dr. Robert G. Spraul, President of the University of California; and Mr. H. W. Prentis, Jr., Past President of the National Association of Manufacturers. The name of the guest speaker is being withheld until the night of the banquet. Last year this spot was filled by Wendell L. Willkie, 1940 Presidential nominee on the Republican ticket. Music for the occasion will be provided by the Cornell University Glee Club and Instrumental Club of 150 University Men; Miss Jean Dickenson; Messrs. Bruce Boyce; Alexander Gray; Reinald Werrenrath, and other nationally known artists.

Any members of Kappa Delta Rho who wish to attend the banquet, even though they can not attend the Convention, may do so by writing Mr. Orrin G. Judd, One Wall Street, New York City, and make reservations. Tickets are \$4.00 each, and you may bring a guest if you wish. We have only a limited number of tickets, so make your reservations early.

OUR NEIGHBOR— SOUTH AMERICA

(Continued from Page 3)

and consider the purposes of their mission. These were:

To observe and study at first-hand the industrial progress of South America.

To exchange ideas between tour members and representative industrial executives and governmental officials in the countries visited.

To give advice when requested by government officials, private industry and research workers in matters of research, engineering and technology.

To establish an enduring association through this Committee by making available to South American governments and industries the services of the National Research Council on a basis similar to that given our own government.

The members of the tour unanimously concluded after the trip that South America is a continent of tremendous possibilities and that it would be of distinct mutual benefit to bring the North and South American continents together in a close and harmonious working arrangement. Possibilities of trade in undeveloped natural resources are tremendous and far outweigh the few cases where products conflict.

Space does not permit a description of the many interesting things seen during the 17,000-mile trip but there are never-to-be-forgotten highlights. Outstanding is the cordiality and hospitality of the people of South America. Although we were on an important business trip we always had the feeling we were among the very closest of friends. Would that it were possible to return each year to become better acquainted with our congenial South American neighbors.

Chapters

Alpha

Middlebury

BACK AGAIN

Nine men were lost to the United States and Canadian armies leaving only twenty-five men returning to Alpha this year. Brown, '42, has transferred to Cornell Law School, Adams, '44, to Tufts, and Clark, '44, to R.P.I.

Work at cleaning up the house started at once with a fall cleanup for the lawns and rooms. A new piano and draperies have been purchased.

RUSHING

Informal rushing began October 8 with the first of four smokers designed to make the freshmen better acquainted with fraternity men. Formal rushing starts December 3. Alpha, under the direction of Bro. Nikitas, has high hopes for a good year.

INITIATES

Four pledges, Charles Roberts, Allen "Sailor" Robinson, Tony Romeo and Edo Tomat, were formally initiated October 13.

FOOTBALL

KDR started its touch football season by defeating the Sigma Alphas 45 to 6. Bros. Ferd and Lew Ensinger scored 31 points between them while Nims, Meikle, Klein, and Russell completed the scoring.

Much of Middlebury's hope for a successful football season rests on the shoulders of Bros. Wishinski (co-captain), Beach and K. Klein. Wishinski and Beach play regularly in the line while Klein is gaining a reputation as a hard tackling back.

HOMECOMING

Already many alumni have returned for the early football games. Bros. Jamieson, '40, Ingalls, '41, Treat, '41, and Earl Hinds, '28, returned for the Tufts game. For homecoming, Alpha expects a still larger group as several have already writ-

ten to declare their intentions of returning.

ALUMNI

Alpha goes for high flying alumni. Rumbold, '40, Wright, '40, Bertuzzi, '41, House, '41, Wright, '41, Moore, '42, and Pledge Aldrich, '43, are flying in the U.S. Navy Air Corps while Gignac, '43, is flying in the U.S. Army Air Corps and Pledge Staats, '44, is in the Royal Canadian Air Force.

Anderson, '40, and Easton, '41, are both working in the same laboratory for Merck and Co. in Rahway, N.J.

Pierrel, '40, is studying in the Columbia Library School for a higher degree.

Ingalls, '41, is the editor of a newspaper in Warner, N.H.

Bro. Norton is teaching in Connecticut, Bro. Brown is working with the Parker, Young Paper company.

Bro. Bartlett is working for DuPont in Cincinnati, Ohio.

MARRIAGES

Three alumni, Bro. Norton, '37, Bro. Brown, '41, and Bro. Bartlett, '41, were pledged to marriage this summer.

DEATHS

Milton I. Sheriff, '41, a house privilege member of Alpha, died Monday, September 29 at his parents' home in New London, Connecticut after a lingering illness.

KDRs here remember him best as the leader of the 1941 Junior Week step-singing contest in which Alpha won the first prize.

ROGER EASTON.

Beta

Cornell

HAT'S OFF TO THE ALUMNI

Beta has reason to be proud of its alumni. This summer the alumni sent in over 145 names to the rushing chairman to make up the rushing list for fall rushing. Art Schwab deserves a vote of thanks for

the work he has done while in office as Alumni Rushing Chairman. Art worked hard to unite the alumni in an effort to line up some good prospects for Beta this fall. Too much praise can not be given to Art and the rest of the alumni for their grand job. Let's keep up the excellent work.

INTRA-MURAL SPORTS

The Beta touch football team is rapidly taking shape after their first defeat. The Betas bowed to the well organized team of Alpha Delta Phi. If the plays worked out by our slow motion artists, Al Kopczynski and Roy Herrmann, will click as well in a game as they did in practice, we ought to win the remaining games on our schedule. The Beta flash, Bob Holzman, did some brilliant playing. The most spectacular play coming when Bob was tagged on the heel on the one foot line after intercepting a pass in mid-field.

HOMECOMING

Beta is extending an invitation to all alumni to visit the house during the Dartmouth weekend. The house is planning a big reception so let's all be here on November 15. The game should be an interesting one. The boys in Carnellian and White will attempt to revenge the five down forfeit of last year.

RUSHING

This year, working under an entirely new rushing system, Beta pledged 10 men by the second night of bidding and has several good prospects lined up.

First to pledge was Tony Roperti of Staten Island. Tony is a sophomore in the Arts School.

Joe Peck, son of the mayor of Watkins Glen and a sophomore is already hard at the job of supervising the work on the new driveway and curb. Joe is in the Civil Engineering School.

Pete Millenaar, a sophomore in the Ag. School is maintaining the tradition of always having a boy named "Pete" in KDR. He hails from Babylon, Long Island.

Bill Seelbach, '45, son of "Fuzzy" Seelbach, '19, is following in his father's footsteps as a trackman. Bill intends to go out

for swimming in the winter. He comes from Buffalo and is in the Ag. School.

Bill's roommate, Bill O'Brien from Buffalo is also out for track and in the Ag. School.

Don Hareski, '45, from Buffalo and George Ballard, '45, from Rochester were both guests of KDR on sub-frosh day last May (proving that Cornell day can be a good foundation for rushing).

Bob Neureuter, another Buffalo boy in the Engineering School, is out to cop any and all Scholarship awards.

Karl Kohl, '45, from Hammondsport and in the Ag School is proving to be a star on KDR football team.

Carlton Seamon, '45, Ag, was the last of the ten boys to pledge. He came to Cornell from Lackawanna.

JOHN BURKE.

Gamma

*N.Y. State College
for Teachers*

RUSHING

Fall is here and there is a rumor that there are some men in the class of '45. The freshman class this year has two hundred of the fair sex, but only sixty boys.

With Les Graves, '42, wielding the gavel and Bob Leonard, '43, as rushing chairman, an active social program has been planned for the coming year. The first big rush party, the "Boilermaker's Brawl," is slated for November 7. House Manager Owen Bombard will be bouncer for the evening. He says, "The brothers and freshmen can bring as many wenches as they like, but all wrenches must be checked at the door." A more formal "vic" party is planned for November 15. This will be the last party before bids are issued. Herb Leneker, social chairman, is planning to make this a gala occasion.

SPORTS

The intra-mural football schedule is well under way with Captain Ed Casler, Bombard, Hudson, Verrey, Graves, Holstein, Marsland, and "Blimp" Wagner wearing the colors for Gamma. Recently, opposing teams complained that we were

using an extra man, until we explained that we have a two hundred pound end in "Blimp."

So far the schedule has been tough. The first two games were with the two favored teams of the league. A little practice and new sweatshirts should give the team flash and color for the remainder of the season.

Basketball practice for the State Varsity began early this year. Brothers Forrest and Marsland, both with experience on last year's frosh team, and "Sleepy" Fred Bey-er, the Sag Harbor hurricane, stand a good chance of making the squad. So far, no cuts have been made.

HAS SOMETHING GONE WRONG?

Recently four Science majors were all discovered studying after one o'clock. Upon the threat of being ostracized for being "stooges," they said, "Our prospects for keeping the football trophy are only fair. Maybe we can win the scholarship cup instead." At any rate, they probably will be very popular when exams roll around.

DO YOU WANT TO BUY A RUG?

"Do you sell hooked rugs?" "Why yes!" "Oh, dealing in stolen goods, eh?" While Steve Bull, '41, is waiting for Uncle Sam's call, he is working in the rug department at Montgomery-Wards.

The Columbus Day week-end proved to be practically a reunion for the class of 1941. Ralph Clark, who is in the air corps, and Bob Stevens, now at Fort Bragg, North Carolina, were unable to get back, but Brothers Kuask, McCreary, Brophy, Gillen, and Carroll revived the spirit and noise of former years. Needless to say, there was a scarcity of beds, and six hours of sleep per night was an excellent average.

ALUMNI

Gamma was both shocked and grieved to learn of the death of Brother Al Trehanon, '38, who was killed September 4 near Maxwell Field, Alabama, when his parachute failed to open. Al was Consul of Gamma and was the recipient of the Wheelock Scholarship, which is given to

the outstanding member of each State graduating class.

Brother Warren Densmore, '38, has suggested that Gamma and its alumni furnish a room in the new men's dormitory, Sayles Hall, and dedicate it to the memory of Al Trehanon.

BILL MARSLAND.

Delta

Colgate

SPORTS

As school resumes for the fall semester Delta takes the lead in fall activities on the campus. Bob Orlando and John Warner are Varsity Football men, and Jack Sinn and Dick Hall are the fall managers of the Intramural Sports.

HOMECOMING

Delta plans a wonderful homecoming for the weekend of Nov. 1, 1941. The main attraction being the Holy Cross football game. We have heard from about 35 of our alumni and they will be back for the game. Social Chairman Russ Ide has planned a gala time for Saturday night at the chapter house, dining and dancing will be enjoyed by all.

In the intramural sport world this fall Delta has taken an early lead on the football field. We have a team that should take all competition in its stride to victory. The soccer team has won its only contest and looks as strong as any on the campus. Al Herman, '44, is the star of that outfit while Dick Hall, '43, Bob Burlison, '44, and Bill Carins, '43, are the football men of distinction.

ELECTIONS

Due to the call of Uncle Sam Delta has had to elect some new officers to take the place of those men in the army. At a formal meeting last week we elected the following men to take the place of the missing officials: Howie Sprow, '42, Consul; Larry Barr, '42, Senior Tribune; Stan Chapman, '42, Centurion. We have given these men the titles of acting officers instead of the officers thus giving "Honorary Titles" to the men in camp.

EXTRA-CURRICULAR

The band claims a goodly number of Delta's sons. Charles Back is the drum major this year and is considered one of the best in the history of the college. Russ Ide is playing the trombone while Town Carpenter and Bill Powell are giving forth on their trumpets.

SOCIAL

Turning to the social side of the news for a minute Delta has been having her brothers in the faculty down to supper the past week. This practice has been in effect for some years at Delta and we think that it promotes better feeling between the students and the faculty. This year Delta is not going to limit herself to members in the school, but have other professors in whom the brothers show interest. These men give little informal talks or lead discussions after dinner in the living room and we all profit by such an experience.

Looking the whole situation over we think that Delta is off to one of her best years on the campus. We all pledge our support to our new officers and our cooperation to making Delta better, if possible this year.

Epsilon

Franklin

ELECTIONS

Epsilon is ready for a great year under

the leadership of John Wesley Townsend, '43, Osgood, Indiana. He is ably assisted by Rue Gene Starr, '42, Chicago, Illinois, in the Senior Tribune's chair and John Hall, '42, West Allis, Michigan, Junior Tribune. John Duncan, '43, South Bend, Indiana, is House Manager; Gene Fisher, '44, South Bend, Indiana, Praetor; Steve Clouse, '44, Oil City, Pennsylvania, Quaestor and Propraetor; Michael Ruby, '43, Duquesne, Pennsylvania, Social Chairman; Arthur Day, '43, Trafalgar, Indiana, Centurion and Rush Captain.

INITIATION

At a midnight ceremony Saturday, September 27, 1941, William Zeigert, '44, South Bend, Indiana, James Early, '44, South Bend, Robert Lewis, '43, Youngstown, Ohio, Robert Patterson, '44, Camden, New Jersey, and Ray Hollandbeck, '42, Franklin, Indiana were inducted into the brotherhood. Addition of these men brings our chapter to thirteen members.

diana, Arthur Patterson, '45, Camden, New Jersey, Paul Hendrix, '44, West Baden, Indiana. George Nuffer, '44, Bargersville, was absent when the picture was taken.

The officers of the pledge class, elected Monday, September 22, are Wendell Keller, President; Kenneth Whitaker, Vice-President; Warren Smock, Social Chairman, and Bud Keller, Secretary-Treasurer.

SOCIAL

Social activities started with a house party, Friday, October 3. Dancing and bridge were enjoyed. A hay ride was held Friday, October 10. We are planning a large Homecoming Dinner for our alumni Saturday, October 18.

SPORTS

Epsilon has three men on the Franklin football squad. James Early is in the line-up at tackle, Robert Lewis, fullback, Steve Clouse, left end. Ru Gene Starr is assisting on the coaching staff.

Gene Fisher was appointed Assistant Intramural Manager for Franklin College.

INTRAMURAL

Our softball team has virtually clinched the intramural championship. They have won six games in as many starts. They are pictured here: Front row, left to right: John Duncan, Wendell Keller, Gene Fisher. Back row, left to right: Arthur Day, Charles Radcliff, Robert Volland, Kenneth Whitaker, Arthur Patterson, Robert Perkey, Paul Hendrix.

ALUMNI

Three of our graduates of 1941 are continuing their education. Hugh Miller, Fort Wayne, is studying at Colgate-Rochester, Rev. W. Gerald Keucher, Philadelphia, is doing graduate work at Chicago University, and William Gear Spencer, Jr., Franklin, is at Johns-Hopkins University Medical School.

Mike Knauff is teaching school and coaching at Chili, Indiana.

Albert Porter is teaching and coaching at Greenville, Indiana.

William Wilson is in the Naval Re-

serve Ensign School at Northwestern University.

RUSHING

Topping off the rushing season as one of the most successful in history, Zeta came through with seventeen pledges and prospects of a few more by the second semester. The list is as follows:

Pledge Brother Gayle Starr is from Butler, Pa., and is a member of the class of 1944. He is studying Chemical Engineering. Gayle plans to box and wrestle in intramurals.

Pledge Lou McCormick, '45, from Philadelphia, Pa., is active in freshman politics and will also wrestle and box in intramurals.

Roy Connor, '45, Industrial Engineer, hails from Bloomsburg, Pa. He plays violin quite well, and has interests in archery.

"Ike" Diehl, '45, Electrical Engineer, comes from Butler also. Ike favors tennis and baseball.

George Osgood, '44, Psychology, is from Meadville, Pa., "Ossie" is quite a musician, playing in the best dance band on campus and in Blue Band. He claims he likes to box.

Dick Charles, '45, I.E., intends to go for freshman wrestling. He is a good man for intra-mural cross-country, boxing and football.

Bob Conrad, '45, a chemistry student, comes from Saegertown, Pa. He likes cameras, football and boxing.

Bob Dickey, '45, from Clarks Summit, Pa., is a Chem.-Eng. He is a good possibility for the freshman tennis team, and plans on trying out for Ice Hockey and baseball.

"Chuck" Arnold, '42, is a varsity soccer player. He is member of the following honorary fraternities: Phi Eta Sigma, Tau Beta Pi, Pi Mu Epsilon, and Eta Kappa Nu.

AN INFORMAL SHOT OF ZETA'S PORCH

Left to right: Brothers Bill Nickelson, Walt James, Warren Davies, and Walt Nickelson.

Last Group of Initiates at Zeta

Paul Gottschall, '45, is from Harrisburg, Pa., and is studying Chemical Engineering. His favorite sports are football and sailing.

"Cy" Ivory, '45, I.E., claims to be a drummer. He is active in politics and intra-mural football.

Dick Cope, '45, is studying Commerce and Finance. He is out for the rifle team and intra-mural football.

Dayton Greenley, '45, a student in Mechanical Engineering, is a member of the freshman gym team. He plays bass violin in one of the better orchestras on the campus.

Harry John, '45, is a Chemistry student and has intentions of trying for the freshman baseball team.

Hugh Murphy, '44, from Mt. Lebanon, is studying Petroleum and Natural Gas. He is a good man for intra-mural football, basketball, swimming and volley-ball.

Earl Weiberg, '44, attended Scranton Keystone Jr. College before coming to State. He is a student in Engineering and quite a golf player.

Dick Schutz, '44, is also a student in Petroleum and Natural Gas. He is a member of the freshman swimming team and interested in all sports.

With a pledge class like this, Zeta can't go wrong. We are looking forward to one of the most successful years in the history of the chapter.

SOCIAL EVENTS:

Alumni week-end was held on October 11-12. The football game with Bucknell was the highlight. Among the alumni who returned were Ed Kitchen, Ralph Evans, Don Wright, Leo Russell, Erik Moeller, Bill and Walt Nickelson, Jim Leerberg, Lew McCombs, George Eby, Harry Hosfield, Dewey Edwards, George Humes Henney Jackson, Jean Hausor, Don MacMillen, Sten Johnson, and Bill Bramlet and wife. The social activities included the football game, followed by a party in the evening.

Plans have been set for fall houseparty. Zeta will dance Tau Kappa Epsilon. The formal dance will be held at TKE and Zeta will have the informal. Soph Hop will be held on Friday night of houseparty. It has been thought that this will increase the attendance, but the majority of the fraternities are dancing both nights; it looks as though Soph Hop may be another Soph "Flop." Football with Syracuse will be the main event on Saturday afternoon.

The pledge dance will be held at the chapter house on October 24. The "Penn State Aristocrats" will furnish the music; it promises to be one of the best pledge dances Zeta has ever had.

Zeta will be entertained at a coffee hour, Sunday, October 19, by the Chi Omega Sorority. Several brothers plan to

make special attempts to better relations between Zeta and the Chi O's.

SPORTS

Zeta has a very good chance to win the boxing trophy for the third year in a row. Pledge "Chuck" Arnold is a Varsity Soccer man. Brother Johnny McCreary is on the Varsity Fencing Team and Brother Bill Calvert is a candidate for Varsity Swimming. In Intra-mural Sports, Zeta will be well represented. We have possibilities of taking the Intra-mural Sports Cup this year. Brother Jim Loughran is out for Cross-Country Managership; Pledge Dayton Greenley is on the Freshman Gym Team; Brother Don Boston is after the Managership of Swimming; Brother Jack Reitz will try for Varsity Boxing; Pledge Schutz is out for Freshman Swimming and Pledge Dickey has possibilities on the Freshman Tennis Team.

EXTRA-CURRICULAR ACTIVITIES

There are three boys from Zeta in the Penn State Blue Band this year. They are Brother Walt James, Brother Tom Magill, and Pledge George Osgood. Brother James was elected President of Blue Band; it was Brother James who wrote the jazzy little yell, now so popular, called "James' Lick."

Uniquely, Brothers Walt James and Les Stine both organized dance orchestras. The question of competition is one for future discussion.

ALUMNI NEWS

Brother Bill Fuchs is in the Flying Cadets Corps at Randolph Field, Texas. The Marine Corps was selected by Brother Frank Horpel as the best career at this time. Brothers Bob Seigel and Bill Charles, '41, are in the Air Corps. Brother Erik Moeler, '41, hopes to joint them shortly. Brother "Wheats" Gardner is in the army and is located in Georgia. Brother Dee Watson, '39, is a representative of the Atlantic Refining Company in the Pittsburgh, Pa., area.

INITIATION

Two new brothers were added to Kappa Delta Rho soon after our return to school this year, when Lyle W. Appuhn, '43, and Geo. "Wally" Jones, '43, were initiated into the fraternity. Appuhn, who goes by the name of Cotton, comes from DuQuoin, Ill., and Jones from Chicago.

CHAPTER NEWS

Brother Summerfelt, Senior Tribune and Centurion, returned to school all ready to enroll, when he was called to active duty with the naval reserve. His loss will be keenly felt by the chapter, for Glenn was an integral and popular member of the chapter. His address is Co. 149, Bldg. A, Camp Barry, Great Lakes, Ill.

To fill the vacancies caused by Summerfelt's departure, Brother Gregorski was elected to the office of Senior Tribune, and Brother Appuhn to the office of Centurion. Cotton was appointed to the office of Rushing Chairman, and Brother Jones is our new Intermural Manager.

Two of the brothers, Robert Ferris and Jerry Van Gorkom, Law '41, passed the state bar examination in September, ending successfully their six years with KDR and Illinois. Brother Ferris is serving as a lieutenant with the Field Artillery at Fort Sill, Okla., while Brother Van Gorkum is expecting to enter the draft army shortly. Ferris was married to Jane Connybear, Gamma Phi Beta, at Evanston, last June. Chet Campbell, '40, visited the chapter house rush week, and soon after entered the army, with the assistance of his draft board. He is a private at Camp Grant, Ill.

SOCIAL

Two dances are being planned by Brother Gregorski, social chairman, the first, an informal radio dance October 11, and the second is our annual Pledge Dance, a formal affair held at the chapter house, with one of the campus bands providing the entertainment.

A faculty dinner is to be held October

15 for the numerous KDRs on the U. of I. faculty.

HOMEcoming

A bigger and better Homecoming is being planned for November 1, when we play Michigan. As in past years, we expect a large number of our alumni, and work has already begun, under the direction of Brother Dippold, to add the Homecoming decorations award to our cup collection.

INTRAMURAL

With the start of the fall intramural program in the offing, Brother Jones is planning our entry into softball, track, and golf. The softball team is shaping up rapidly, and several good practice games have been played with the TKEs. Brother Dunn and Pledge Seib are on the varsity track and cross-country teams this year, and will be unable to compete in intramural track this year.

PLEDGES

The following men were pledged to KDR this fall, at the conclusion of a hectic rush week:

Eldon Brunner, '45, LAS, Reddick, Ill.; Jack Fisher, '45, LAS, Chicago, Ill.; Ralph Hankermeyer, '44, Eng., Forest Park, Ill.; Donald Merriman, '44, Fine and Applied Arts, Indianapolis, Ind.; Robert Seib, '44, Commerce, Bellville, Ill.; Bill Tomaras, '43, LAS, Champaign, Ill.; Bill Wallace, '45, Chem., Chicago, Ill.

Hankermeyer is on the Varsity football squad, and will see quite a bit of action this year. Seib is on the varsity track and cross-country teams, and won a three mile race sponsored by a Chicago paper recently. Brother Dunn was third in the same race. Tomaras is a varsity wrestler, having a major letter, and is a member of the Tribe of Illini.

RUSHING:

Rushing has been quite successful so far this fall. Since the last issue of Quill and Scroll we have added quite a few

men to our pledge class. The latest members are Robert E. Davis, EE, '44, Chicago, Ill.; Robert J. Eastman, Ch. E., '44, Swayzee, Ind.; Charles H. Feistkorn, Eng., '45, Fort Wayne, Ind.; Lawrence W. Finley, Sc., '44, Salem, Ind.; Ernest J. Fischer, M.E., '44, Indianapolis, Ind.; William F. Fullerton, M.E., '44, Chicago, Ill.; Alex R. Johnson, M.E., '43, Chicago, Ill.; William G. Johnson, Sc., '44, Anderson, Ind.; John E. Larsen, Ag., '42, West Lafayette, Ind.; James E. Meagher, Eng., '45, Detroit, Mich.; Jean E. Nicholson, E.E., '44, Greens Fork, Ind.; John J. O'Grady, Ch. E., '43, Chicago, Ill.; Gerald R. Patterson, Eng., '45, Rochester, N.Y.; Charles K. Taylor, E.E., '44, Guilford, Ind.; Joseph L. Zelibor, M.E., '44, Gary, Ind.

INTRAMURAL SPORTS

KDR hasn't been doing so well in sports so far this year. Our softball team was very mediocre and we were unable to finish even within looking distance of the trophy.

The touchball season has just opened at this time and consequently no predictions can be made now. However, we have hopes of putting up a fairly decent showing.

The Interfraternity Bowling Tournament is just getting under way. What kind of pill-rollers KDR has remains to be seen. More results in the way of sports will come next issue.

SOCIAL ACTIVITIES

So far the only function on the social calendar as far as dances is the pledge dance scheduled for this fall. However, the date has not yet been definitely set. Several trade dinners with the sororities and residence halls have been scheduled for the coming year.

ALUMNI

We have a few more brothers in the armed forces of Uncle Sam:

Kenneth W. Wysong, '29, writes that he is in the army, and from the postmark on his card is apparently located at Clarksville, Tenn. However, he may be reached by writing him at Hanover, Ind.

Flying Cadet Charles J. Kennedy, ex

'42, is now in Communications Division, Scott Field, Belleville, Ill.

Bradley Ballard, '41, is in Naval Ordnance. Address is Carroll Arms Hotel, 1st and "C" Sts., N.E., Washington, D.C.

William J. Slone, '41, is in the Naval Air Corps, stationed at Corpus Christi, Texas.

ALUMNI NEWS

A. A. Yankowski, '41, Kimlark Inn, Niagara, Wisconsin. Tony is working for Kimberly-Clark Paper Mills.

R. A. Hogue, '41, is working for Standard Oil. Address is 242 Oakwood, Hammond, Ind.

Carl Lohr, '41, is now working in St. Louis. Address 8700 Argyle, St. Louis, Mo.

D. W. Woodward, '41, is working for Aluminum Company of America, Address, Aluminum Club, New Kensington, Pa.

Gordon Mennen, '41, is working for Armour & Co., Chicago. Home address is R.R. 5, Lafayette, Ind.

R. B. Nichols, '39, is at 2317 Monroe St., Toledo, Ohio.

HOUSE IMPROVEMENTS

We are very proud to report that our house is now in quite good condition. During the summer the upstairs hallway was replastered in part, and the fellows in summer school repainted the upstairs and part of the rooms. Numerous other minor repairs have been made which really put the house in fine physical condition.

Iota

Bucknell

Four new members were recently inducted into the active chapter of Iota. They are William Andrews, '44, Mt. Vernon, N.Y.; Harry Powell, '44, Tamaqua, Pa.; Robert Koble, '44, Shamokin, Pa.; and William Z. Huff, '44, Turbotville, Pa. The active chapter now includes eight seniors, six juniors and four sophomores.

PLEDGING

Due to a serious infantile epidemic in central Pennsylvania, Bucknell University

officials decided that the annual rushing week which is roughly during the third and fourth weeks of September be postponed to the first and second weeks of October. Iota planned and carried out an ambitious rushing program. Many good prospects have already come onto the scene.

NEW OFFICERS

Iota elected officers for the first semester of the 1941-42 school year at the end of last May. Those chosen were Consul, Paul Munson, '42; Senior Tribune, Gilbert Holt, '42; Junior Tribune, Jack King, '42; Praetor, Daniel Collinson, '42; Proprietor, William Griffiths, '43; Pontifex, William Drout, '42; Centurion, William McGuire, '42.

HOUSE IMPROVEMENTS

Arrangements were made at Iota's Symposium program last June to raise a fund among alumni and parents of active members in order to improve the House.

Plans for the betterment of the House include redcorating most of the house as well as a new hot water furnace. Contractors will proceed with the work as soon as final details can be completed. Social activities are at a standstill until the improvements are completed.

SPORTS

With the opening of the 1941 soccer season only a few days away, Sports Manager Ken Maust is gathering together a team to play a tough intramural schedule. Iota has repeatedly placed a good booster's team on the field and hopes that this year will be no exception.

Iota's cross-country team roster this year includes Brothers Maust, Munson, Wertman and Powell. The squad is now going on their trial runs in preparation for the tough four-mile course.

ACTIVITIES

Bro. William Huff, '44, is running a campus barber shop this year. "Bink" learned the business from his father and is now helping to pay his college expenses with the trade.

Bro. Kenneth Maust, '43, for the second year is chauffeur on the campus for Dr.

Arnaud C. Marts, President of Bucknell and Executive Director of the Pennsylvania Defense Commission.

Bros. Jack King, '42, and Bill Drout, '42, are assistants in the chemistry laboratories.

Gil Holt, '42, is vying for a position on the Bucknell Soccer team.

Bill McGuire and Bill Griffiths were mentioned on the Dean's Honor List for the second semester of last year.

Bud Wertman and Bob Koble are members of the Bucknell Orange and Blue Band.

HOMECOMING

Iota extends a hearty welcome to returning Alumni for the annual Bucknell Homecoming Oct. 18. Boston University's football team will provide the opposition for the Bison's football squad, and Chuck Gordon and his band of Audubon, N.J., will furnish musical strains at the dance in Davis Gymnasium.

REDECORATIONS

The Chapter house looks much better now that we have done some redecorating. The dining room and the club rooms have been redecorated, and we now have a Victory Fireplace, which we think is in keeping with the times, and quite unique. There have been other improvement throughout the house, which assists much in making our home more attractive.

CHAPTER NEWS

We were hit hard by the lack of Brothers returning to school. The draft and the defense jobs got several of our men whom we thought would be with us this year. We started the quarter with five actives returning and five pledges returning from last year. During early rush we were able to add four more pledges to our ranks, thus making a total of fourteen at present. Due to the redecoration of the house, we were slowed-up somewhat during rush, but believe that we can overcome

this handicap by continuing rush into the quarter.

ELECTION

At the first meeting of the year, Labor Day, we elected Bro. Jack Musoff, '44, Consul for the coming year to succeed Howard Hardman, '43, who is with Unc'e Sam at rate of \$21.00 per month. Vernon Lien, '44, was elected Quaestor to fill the vacancy caused by Bro. John Summa.

ALUMNI MEET

The alumni chapter reorganized at our annual Spring Founder's Day Meeting. Those in attendance elected a Board of Directors to elect officers for the coming year. The Board consisted of Thomas Tilbrok, Chairman; Charles Coffin; and Gordon Eldridge. This Board elected Charles Coffin, head of the English Department of Kenyon College, President and Art Stillwell, Sec.-Treas.

Both of these men have worked hard with the other members of the committee, and the organization is well on its way. Dues were created to be \$2.00 annually to assist defray expenses of the organization. They are planning a big celebration for Homecoming which will be Nov. 15. The main attraction of that week-end is the Illinois game. We sincerely hope that all of the alumni of Kappa Chapter will return so that we may feel that we are not struggling in the dark alone. We need your support!

ALUMNI NEWS

We have seen several old faces around the house recently after some of the games, we hope to see more. After the Missouri game we saw Wally Litzel from Cleveland, Ed Larson of McDonald, Bob Siegfried from Lowdenville, and Chick Coffin from Gambier. We see Max Weaver of the Treasury Department in Cincinnati, quite often.

RUSHING

Rushing was outstanding this semester. The brothers, headed by rushing chair-

man Charles Scruggs, have pledged fifteen new men, which breaks all previous pledge class records of the Lambda Chapter. This hasn't retarded the enthusiasm of the house by any means; the fellows have gathered momentum for a hot mid-semester rushing which consist of smokers, football games, and other entertainment.

The following men have been pledged since the last issue of Quill and Scroll: Clarke L. Aaronson, '45, San Francisco, California; Lloyd Daniels, '43, Oakland, Calif.; Duane D. Deakins, '44, Balboa, Calif.; Jim Aldred, '45, Berkeley, Calif.; Robert Harrigan, '43, Grass Valley, Calif.; Bob Houston, '45, San Diego, Calif.; Joachin Hundt, '45, Berkeley, Calif.; Jules Lambert, '45, Live Oak, Calif.; Thomas H. Page, '43, Sausalito, Calif.; Wade Patterson, '45, Berkeley, Calif.; Jerry Pfister, '45, Sheboygan, Wisc.; Dick Platzeck, '45, Oakland, Calif.; Alvaro Rossi, '45, San Jose, Costa Rica; Russell Rustici, '45, San Francisco, Calif.; Richard Whittington, '45, Alameda, Calif.

INITIATION

On August 13, three men were entered into the bonds of Kappa Delta Rho. They were Bruce Coggins, '44, Fred Hanson, '44, and William Phelps, '43. Rudy Kuhn, who was eligible to be initiated, was unfit for the "Week of Hell" because of an attack of appendicitis, but says that he will become a member in the Spring of 1942.

SCHOLARSHIP

Ken Wolfe, who has ranked as Captain of the Engineer Division of R.O.T.C. at the University of California, was honored as the outstanding student of the fraternity. Giving Ken a good deal of competition has been Charles Scruggs, who has been outstanding as a chemist, and who plans to become a member of the Engineer's Scholars Club.

SOCIAL EVENTS

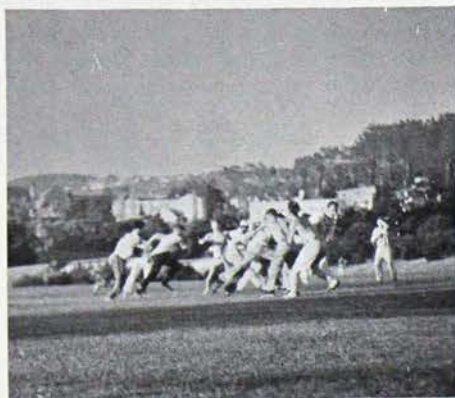

Social chairman, Fred Hanson, set the pace for everyone this semester when he drew up a calendar of dance, smokers, and banquets. The house had a dinner

dance for the pledges on the 20th of September, and on the 11th of October the pledges returned the event to the members. The pledge dance was organized under seventeen men, so the members really enjoyed themselves, and as usual everyone had a swell time trading dances with alumni and among each other.

Next month comes the "Rukus." That is the traditional "California-Stanford" celebration which precedes every "Big Game." All the alumni and brothers have a swell time, even though some become victims of too good a time.

SPORTS

Bob Hongola played and was slightly injured in the St. Mary's game the beginning of the season. He should be back to see a great deal of action before the season ends. Pledge Tom Page is playing on the California Rambler team, and because of his size he should have plenty of fun at the post of tackle.

Lambda—Intramural Touch Football

Pledge Rudy Kuhn, who was on the freshman tennis team last Spring, and Bill Phelps are signing up on the tennis team this season.

Coggins, a good tumbler from the frosh last spring, will try his art in specializing hand balancing. He had some letdown during the Sophomore and Freshman Brawl, when he was knocked unconscious and went to the hospital because of a con-

cussion. But you can't hurt Coggins' coggin! Bruce is back at the house again, and has been working into shape for this semester's tumbling.

ENGAGEMENTS

Fred Nettell is engaged to Miss Dorothy Nagel, and will be married November 22.

ALUMNI NEWS

The stork is about due to the Bud Hughes home, the Paul Pick home, and the Bill Stemen home.

Lieut. Eugene Berkenkamp, '37, is now stationed at the new U.S. base on Trinidad. This island is situated in the British West Indies. Look what fifty U.S. submarines can do for a KDR! Address First Bomb Squad, Port-of-Spain, Apo 803, Trinidad, B.W.I.

Roy Farrell, who was about to become a private at Fort McArthur, is back at the teaching position at Bakersfield, having been deferred.

Jack Lewis is county clerk of Santa Barbara County.

Ivan Nash is a teacher on defense program studies at the University of California.

Fred Nettell, '38, is an instructor in the signal corp at the University of California.

Ted Foster, '41, has been transferred from the Mare Island Naval Base Hospital to the Medical Corp at San Diego. He will shortly be placed on one of the battleships, and will become an assistant.

Ken Hickey, '42, is attending flying school, and hopes to go to Pensacola.

Dan Hunt, '41, who had attended the Naval Recruiting school in Denver, has been transferred to the Naval Air Corp in Alameda.

Dave Hunt is rendering services with the U.S. Engineers at Sacramento by doing flood control work.

Paul Ayer has enrolled in an Aeronautical Navigation School.

Bud Hughes is in the 88th Battalion with a Replacement Division at Camp Roberts of California.

Phil Wilson, '23, is a captain at Camp San Luis Obispo.

Don Simpson is on the clerical staff of the Military Department at San Luis Obispo.

Stan Colbertson is editing a paper in South Sacramento. He originally held down a position with the Sacramento Bee, but gave up one newspaper occupation to accept another.

Jimmy Moon is at Fort Ord and is expecting to leave soon.

Bob Bruce is a district superintendent of the Bell Telephone Co. at Bakersfield.

Earl Ingram is in the Santa Barbara court house, concerned with the city planning commission.

THE DRAFT

As yet there have been hardly any fellows called from the Lambda chapter. But Luke Brubaker, Les Ley, Bob Tucker, Bill Cameron, Charles Scruggs, and Clarence Hillman are on the border line. Luke Brubaker wasn't given deferment this semester so he remained out of school to help his parents operate their ranch near Hemet, and will probably take up arms shortly. For the rest of the men who are attending California the army will unlikely draft them by next June if not prior to that time.

ODDITIES

Pledge Al Rossi, our Costa Rica pledge, is showing every one the Rhumba, and in every dance he leads the crowd though the Conga like no one else can perform. Doing the rhumba is his hobby and whenever those beats of crickets and South American drums can be heard, also Rossi can be visioned as he smoothly wraps himself into a world of jungles, and full moons, and the romance of the Islands of Costa Rica. Incidentally he has taught us more rhumba than we have taught him "jitter-bug." The oddity of it all is that he often appears to be doing the jitterbug, when actually, all he is doing pertains to a quiver and a flit and then a jump, which he seriously defines as a series of rhythmic concerted movements and steps timed to music. So more power to Rossi and his jitter-bugged rhumba!

CLARENCE HILLMAN.

Mu*Michigan***INITIATION**

One of the largest pledge classes of our history was initiated on June 14. Executive Secretary E. Mayer Maloney officiated at the ceremony. The class consisted of: Earl Barrett, '44; Romaine Blandy, '43; James Crowe, '43; Emile Gel, '42; Malcolm Haines, '43; William MacLeod, '43; Kenneth Repola, '43; Stanford Summers, '44; and Richard Twitmire, '43.

HOUSE ACTIVITIES

Returning early this semester, the members of Mu have undertaken the task of refinishing our house inside. We have repainted our large living room, which is also used for social functions, and each member is taking it upon himself to paint his own room. With the major part of the work done, we can say that the house is definitely taking on a new atmosphere. We will always be able to look back on the days of remodeling with fond and pleasant memories.

Election of officers took place immediately after the initiation last June, but there have been necessary changes, so the new officers are: Consul, Richard Boynton; Senior Tribune, Arthur Pugh; Junior Tribune, Kenneth Repola; Praetor, Romaine Blady; Proprietor, Earl Barrett; Centurion, Joseph Straayer; Pontifex, Stanford Summers; Quaestor, Malcolm Haines; and House Manager and Steward, Richard Twitmire.

ALUMNI NEWS

Brother Walter Van Hoek, '39, entered the Newton Theological Seminary in Boston, Mass., this fall. It was a move unexpected by most of us, but we are sure that he will be very successful, and we wish him the best of luck.

EXTRA-CURRICULAR ACTIVITIES

James Crowe and Kenneth Repola have been elected to the posts of Vice-President and Secretary, respectively, of the Michigan Glee Club.

Mu wishes to announce the pledging of William Behringer, '44, of Ann Arbor, Michigan.

EARL BARRETT.

Nu*Indiana***ELECTIONS**

The first informal meeting of Nu Chapter was devoted to the election of officers for the coming year. The men who will control Nu's destiny until next fall are:

Consul, Dean Foster, '42; Senior Tribune, Dan Bannister, '43; Junior Tribune, Bob Ford, '43; Praetor, James Doyle, '44; Quaestor, Charles O'Brien, '42; Centurion, Wm. Walton, '43; Pontifex, Wm. Hohe, '43; and Proprietor, Duane Joyce, '44.

The pledge class selected Jack Davis, '44, as their President. The pledges are very well organized, having a meeting every week in which licks are given for disturbances. The chief problem before the pledges at this time is the decorations for the Homecoming display October 11. A prize will be given to the best display by a social organization and the pictures of the winning display and the organization will appear in Life magazine.

FALL RUSH

September 14 brought to a close the most successful rush in many seasons here at Nu. The 12 freshmen and six upper-classmen pledged completely filled up the house, in spite of the fact that two of our active members failed to return this semester. In fact, some of the pledges found it necessary to live out because of lack of room. Those pledged are: Dennis Nicholas, '42, Rockville, Ind.; Robert La Croix, '43, Seymour, Ind.; Herbert Farrell, '44, Rosell Park, N.J.; Bob Harris, '44, Hammond, Ind.; Jack Davis, '44, Frankton, Ind.; Tom Terpinas, '44, Frankfort, Ind.; and the following, all '45: Duane Foster, Bellflower, Ill.; Lynn Longnecker, Kendallville, Ind.; Charles Pearce, New Albany, Ind.; George Zur Schmeide, New Albany; Peter Kekich, Whiting, Ind.; Andy Kalapach, Whiting; Ralph Hannic, Monroe, Ind.; Horace Earley, Brazil, Ind.; John Kokos, Gary,

Ind.; Bronco Trailo, Gary; James Bond, Gary; and Donald Beck, Gary.

INITIATION

With the house full for the first time in the last few years, and so many new pledges moving in, Nu was glad to initiate six men. Formal initiation services were held on Thursday morning, September 11, for William Siffin, '44, Frankfort; John O'Brien, '44, Danville; Duane Joyce, '44, Acton; James Doyle, '44, Hebron; Gene Russell, '42, Patoka; and Charles Froman, '42, Columbus. The initiation services were followed by special breakfast in honor of the initiates. Nu is proud of these men, and expects the fine things of them that Kappa Delta Rho stands for.

HOUSE REMODELING

The old members of the house were treated to a pleasant surprise on their return this fall. The lounge has been completely redecorated, and woodwork and walls on the second and third floors repainted. The lounge now has a dark maroon carpet, harmonizing drapes, and nicely contrasting furniture. The walls have been done over in pastel shades, the ceiling light blue and the walls coral. Set off by ivory woodwork, these added features make our lounge one of the most attractive on the campus. During the summer Mr. and Mrs. Thompson, the caretakers, spent quite some time improving the terrace with the result that the lawn is in exceptionally fine condition.

ATHLETICS

With most of our actives returning, and with the fine group of pledges this year, things point to a successful athletic year for KDR, both in Intramurals and in Varsity Sports. In Varsity Athletics we have Bro. Louis Conn, '42, "I" man in tennis, Pledge Herbert Ferrell, '44, wrestling aspirant, Brothers Dean Foster, '42, track, and Duane Joyce, '44, will work for their "I"s in swimming.

In Freshman Sports, we have Bronco Trailo, John Kokos, and Pter Kekich,

outstanding footballers; Don Beck and James Bond, ace tennis players in high school; George Zur Scheide, golf; Pledge Trailo was all-state tackle for two years at Emerson High of Gary, Don Beck was city tennis champ of Gary, while pledge Earley was runner-up in the Brazil, Indiana, Golf Tournament. Nu expects great things from these boys, who will also help out no end in intramural contests.

INTRAMURALS

Nu's tennis duo, Pledges Beck and Bond, annexed their first match of the season, and show excellent promise of coping the championship this fall. Football season was opened when KDR was downed by the Betas 19-0. KDR scored once on a long pass from Walton to Russell, but the play was called back because of holding on the part of one of our linemen. The score is not truly indicative, however, as two of the Beta touchdowns came in the first quarter, before we became organized.

Fall softball finds Nu holding her own, while our golf team, composed of Brother Louis Conn and Pledges Earley and Pearce, placed high in the fall tourney.

SCHOLARSHIP

This year our pledge class, which contains a number of fine students, is being started on the right path through the efforts of Brother John B. Spencer, Epsilon, who is acting as Proctor. Brother Spencer is a graduate student in the Department of Philosophy, having received his A.B. degree at Franklin College. "Spence" has inaugurated the following scheme:

All pledges are required to bring all necessary materials down to the dining room at 7:00 P.M., where they study until 10:30, with only one short five-minute recess and another thirty-minute recess at nine o'clock. Rigid discipline is enforced with no talking or daydreaming permitted. Actives are welcome to volunteer for study table, and several of them have, believing the increase in scholastic averages will be worth the effort.

SOCIAL ACTIVITIES

Social season was opened at Nu on September 20 with an afternoon radio dance. Social chairman Bob Ford, '43, was in charge of the affair, which was enjoyed very much by the fine crowd.

The actives held formal pledging ceremony and a dinner in honor of the pledges September 15. Guests were Brothers Hartman, Kanning, and Miller, all of the university staff; and Prof. John L. Geiger, retired professor of the School of Music at Indiana University.

EXTRA-CURRICULAR

One of the first pledges to distinguish himself was Pete Earley, '45. An experienced high school cheer leader, Pete won one of the seven Varsity yell-leading positions this year.

Brothers Bob Ford, '43, and Duane Joyce, '44, have been appointed to the staff of Bored Walk, campus humor magazine. Joyce is also a member of the staff of the Indiana Daily Student, campus daily.

Nu takes pride in Brother James Doyle, '44, member of Indiana's famous "Marching Hundred," who was initiated into Kappa Kappa Psi, national honorary society in band, October 20.

DUANE JOYCE.

Xi

Colby

At Colby deferred rushing is the rule and at present we are looking over pledges, having pledge parties, etc., until rushing date October 16.

VARSITY SPORTS

KDR isn't well represented in number on the gridiron this fall but makes up for it in one Brother Eero Helin, this year's captain-elect and all-state end. Helin, due to his flashy performances on the football field has earned him the enviable reputation of the outstanding football player in the state. Last spring Brother George W. Burnett made an excellent showing on our state championship tennis team. In baseball, Colby's strength was greatly augmented by the efforts of Brothers

Eero Helin, Varsity Captain-Elect

Dennison, Blanchard and Slattery, the latter being this year's captain-elect.

INTRAMURAL SPORTS

In the field of Interfraternity Softball Xi had a mediocre season due largely to the fact that many of the brothers were engaged in a Varsity Sport, thus disqualifying them from Intramural competition. At present it is a controversial matter as to whether interfraternity football competition is to be held this fall.

SOCIAL

On May 29 Xi held its annual Spring Formal dance at the Lakeshore Hotel, Belgrade Lakes and had for an orchestra the Local College Swing Band—Jimmie Springer and His Colby White Mules. The affair was highly successful and proved to be one of the outstanding social events of the college year. On October 4 following the Colby-Norwich football game, Xi is holding a chaser dance in the chapter house. The date for Xi's annual

fall formal dance will be decided upon in the near future.

EXTRA-CURRICULAR ACTIVITIES

Two brothers of Xi have been especially active in the field of public speaking. Brothers Harry P. Hildebrandt and Linwood E. Palmer, Jr. Brother Hildebrandt was a finalist in the sophomore declamation contest while Brother Palmer placed in every contest held at the college last year. He represented Colby on the debating team and was honored by receiving an assistantship in the Department of Public Speaking.

Brother Charles Wm. Berry, Jr., has made rapid progress in Freemasonry. Brother Berry was raised to the degree of Master Mason December 10, received his 32nd degree May 23 and was made a Noble of the Mystic Shrine September 3. He is at present the youngest 32nd degree Mason and the youngest Shriner in the state of Maine.

Two of our brothers have been called by the draft and are stationed at Fort Bragg. They are Brother George W. Burnett and George Conley. Brother Gordon O. Merrill, '41, is at Camp Blanding, Fla. Brother Dwight K. Beal, '41, is a Pensacola where he is taking a course in Naval Aviation.

Brother William H. Hughes, '41, was awarded the most remunerative teacher-coach job of any Maine college graduate in the class of 1941.

Xi again won the Dean's Scholarship Trophy for the second successive semester. Several of the brothers are on the Deans' List. They are: Henry T. Tilton, Linwood E. Palmer, Jr., Harry P. Hildebrandt, Robert C. Dennison, James R. McCarroll, Lawrence S. Gurney, and Richard D. Sampson.

ALUMNI

Brother Francis B. Allen, '40, is in the U.S. Army and stationed at Fort Dix.

Brother James M. Bunting, '40, is teaching at Deering High School in Portland, Me.

Brother George F. Taylor, '40, is teaching in Gorham, Me.

Elbert J. Kjoller, '40, is in the U.S. Army stationed at Fort Devens.

Brother Philip Grant, '40, is in the Marine Air Corps.

Francis D. Johnson, '40, is an Ensign in the U.S. Naval Air Corps.

Rho

RUSHING

Well, here we are at Rho ready for another year. We started this semester with an intensive rushing campaign. Our illustrious freshmen were entertained royally with such diversions as movies, parties, and of course, soft drinks. Everyone at Rho worked whole heartedly to get pledges and our efforts were not in vain. Our pledges are: Ralph Snyder, '45, Hazleton, Pa.; Robert Baerst, '45, East Hampton, N.Y.; Herbert Thomas, '45, Wymart, Pa.; Thomas Dutcher, '45, Elkton, Md.; Jack Kowaleski, '45, Washington, D.C.; Allen Dean, '43, East Orange, N.J.; Roger Mortimore, '44, Ho-Ho-Kus, N.J. We are also pleased to announce the pledging of Joseph Braidon, '43, from Pen Argyl, Pa. Joe has made quite a name for himself on the Varsity Football Team. His superb playing last year was the talk of all the students, and his work done this year on the team is even better. Bill Collins, '41, our All-American, who made such a wonderful name for himself in football, and now Joe Braidon, who is doing likewise, have added much to the morale and enthusiasm of Rho chapter.

IMPROVEMENTS

This summer we had our slate roof fixed; it only leaked a little! We have purchased new rugs for our house. Their appearance is quite becoming and decorative to the house. Many fellows painted their rooms, and the new finish is quite appealing. Some of the brothers are interested in photography, so they converted an empty room in the house into a dark room. It is here that many idle

hours are spent developing, enlarging, and finishing pictures.

SPORTS

Our Intramural program has just started. Touch football and soccer are the main sports to be participated in now. The fellows have been practicing football and we expect to make an excellent showing this year. Our pledge class looks very athletic, and with their help we might be able to win a few honors this year as we have done in the past years.

SOCIAL

The N.Y.U. weekend brought many of our old and new Alumni back. Our alumni from '41 were well represented. Bill Collins, Fred Broadfoot, John Snyder, Charles Berlau, Lee Trexler, Craig Kennedy, and Sharps Shipman all represented this class. Other brothers were: Frank Donley, '38; Thom Kearns, '38; Leo Lochowski, '39; John Raysor, '40; Nick Zacharopolis, '41; Bill Brendlinger, '41; Walt Gilmour '39; Bill Brichel, '36; Al Stewart, '38; and Herbert Cooper, '32.

It was good to see so many of our Alumni back, and I am sure they were glad to spend some time in their old fraternity house.

Everyone at Rho missed Bill Prettyman, who is in the army. Bill graduated in '41 and is now serving his country. He is stationed at Fort Wheeler, Georgia, and by his letters seems to be enjoying himself. I am sure that Bill would appreciate a visit from any brother who is in the vicinity. Bill is the only one from Rho who is in the army, but we expect more to be called shortly. Bill's address is—Private Prettyman, Company A, 15th Infantry Training Battalion, Camp Wheeler, Macon, Georgia.

BRESLIN W. MCKNIGHT.

Sigma

Oregon

PLEDGING

Sigma came through the Freshman rush-week period with good results pledging nine boys. They are Jim Allison,

Architecture, from McMinnville, Ore.; Nicky Barry, Lower Division, Lakeview, Ore.; Blaine Brattain, Fish and Game, from Fort Klamath, Ore.; Robert Evans, Engineering, from Klamath Falls, Ore.; Louis Oester, Agriculture, from Warren, Ore.; Robert Shoemake, Agriculture, from LaGrande, Ore.; John Strebin, Engineering, from Troutdale, Ore.; Ervin Thoreson, Horticulture, from Cottage Grove, Ore.; and Jay Resh, Engineering, from Gresham, Ore. These boys have shown extremely fine spirit and a willingness to cooperate that is certain to keep Sigma high in Oregon State Fraternity circles.

IMPROVEMENTS

"A little paint goes a long way." This we found out upon our return to the House this fall. The coat of paint outside, the new roof, and the minor repairs inside made the House appear like new.

INTRAMURALS

Open season on Intramural championships starts this week and we expect to place strong teams in nearly every sport this fall. Several men who participated with last year's football team are back and with the new men to fill in we should go far. As for basketball, we plan to enter two teams this year and with the material we have should do well in this sport.

ALUMNI NEWS

Morris Robertson, Sigma, '41, is attending New York University having been chosen for a service scholarship.

Robert Henderson, Sigma, '41, has taken a position with the Chicago and Northern Railway office in Portland.

Sigma's men participating in National Defense: Howard Carlson, '41, Ensign, Douglas Aircraft, Santa Monica, Calif.; Robert Tully, '41, Lt. Fort Richardson, Anchorage, Alaska; William Allison, Ex '42, Lt. Fort Ord, Calif.; and Raymond Smith, Ex '43, Private, Camp Roberts, Calif.

These are the men who have entered the army, navy, or marine corps since the last issue of Quill and Scroll.

BOB HUFFMAN.

Upsilon

Fresno

INTER-FRATERNITY COUNCIL

The biggest news and best break for Upsilon this semester is the election of Oren Lee Christensen, last year's Proprietor, to President of the Inter-Fraternity Council. He is doing a grand job and are we proud of him.

SCHOLARSHIP

Upsilon copped first place last semester for Inter-Fraternity scholastic standing with an average of 1.7 (C plus), and we are doing our best to hold on to that again this semester. As to the assembly spoken of in the June issue of Quill and Scroll, we took second place with a dance band and variety show, staged entirely by Upsilon members and pledges.

SOCIAL

A dinner party and smoker is planned for Monday, Oct. 13, for our rushees and we hope to get a good sized bunch. What with graduation, draft and defense jobs, we have been hit pretty hard with only 7 members left. Further along in the

month comes a date dance for members and new pledges. In November, quite a few of the boys are going up to Lambda for the annual Big-Gam-Ruckus. We are all looking forward to that affairs, so look out Lambda, here we come!

Our social calendar also includes several exchanges to be held this semester.

ALUMNI NEWS

Robert Forsblad, Upsilon, '42, is employed at the Mare Island Navy Yard, Vallejo, Calif.

Willard Johnson, Upsilon, '41, is now back in Fresno after completing a year of naval training.

John Luther, Upsilon, '42, is attending school at Santa Barbara State College, Santa Barbara, California.

Upsilon's men participating in National Defense are: Holger Selling, '42, Lt., March Field, Calif.; Barden Finch, '42, Bugle Sgt., Camp San Luis Obispo, California (Barden had almost finished pledging when he was called); Merle Rush, '42, Private, Camp San Luis Obispo, Calif.

Chapter Eternal

On Sept. 4, 1941, Brother Alfrde Trehanon, Gamma, '38, gave his life for his country. Al's parachute failed to open during a jump near Maxwell Field, Alabama. His death occurred just six weeks before he was to receive his wings.

He was initiated into Gamma of Kappa Delta Rho on Nov. 10, 1935, and served his chapter in several capacities. During his Senior year he guided the chapter as Consul.

All of Kappa Delta Rho pays tribute to him, our first member in the Chapter Eternal caused by this present emergency. His death was for a glorious cause, de-

mocracy and the perpetuation of free living and a free country, the United States of America. May he receive his just rewards.

Recently your editor read in the paper a listing of the deaths which have occurred in the army during this crises. This listing was according to the cause of death. I noticed that there was only one death from a parachute. Evidently, Bro. Trehanon has been the only one to suffer this fate.—Ed.

Although no details were learned, it has been reported that "Ebs" Hartley, Zeta, '23, of Wampum, Pa., died several months ago.

C. Edward Hartley was initiated into Zeta Chapter in 1920 as a Charter Member. He graduated in 1923. During his college years he was active on the campus and in fraternity affairs.

Zeta extends its deepest sympathy to the family and associates of its latest member of the Chapter Eternal.

With saddest regrets, Kappa Chapter announces the death of Bro. Clifford N. Hamilton, Kappa, '32. He was killed in an automobile accident on Route 422 between Cleveland and Warren, Ohio on Sunday morning, Sept. 28, 1941.

Kappa and the Fraternity at large offers deepest sympathy to the family.
