PROGRAM—1946 CONVENTION DESHLER-WALLICK HOTEL COLUMBUS, OHIO

Friday, June 7, 1946

- 9:00 - 10:00 A.M.—Registration (Room 1540)
- 10:00 - 12:00 A.M.—Open Business Meeting
- 12:30 P.M. —Luncheon
- 1:45 - 4:30 P.M.—Afternoon Meeting
- 4:30 - 6:00 P.M.—Committee Meetings
- 7:00 P.M. —Convention Banquet

Saturday, June 8, 1946

- 9:30 A.M. —Business Session
 - (A) Report of nominating committee
 - (B) Election of Directors
 - (C) Reports of outstanding committees
- 12:15 P.M. —Luncheon
- 1:30 P.M. —Directors' Meeting

The Deshler - Wallick Hotel, headquarters of the 1946 convention to be held in Columbus, Ohio, Friday and Saturday, June 7 and 8.

— A L U M N I —

ALPHA.

Malcolm T. Anderson has just returned to Hartford, Conn., after 3½ years in the army. Before entering the service he was with the Phoenix Life Insurance Company.

Richard L. Treat, '41, has moved and is now located at 34 Worthen Ave., Weymouth 88, Mass.

Lawrence D. Gagnier, '43, is Minister of Music in the Westminster Presbyterian Church, Lincoln 2, Nebraska.

Charles S. Beach, '42, is still in the Army but mail addressed to 41 Beaman St., Poultney, Vt., will reach him.

Ensign John Moriarity, '45, who has been stationed in Guam since last December expects to be back in time to start at Middlebury in September. Before graduating from Midshipman's School at Columbia University in 1945 he saw service in the South Pacific.

BETA.

Bill Lehr, correspondent, Eilweir Road, Pittsfield, Maine.

H. E. Shackelton, '19, is director of Personnel Relations at the Co-op G.L.F. Exchange, Inc., in Ithaca, N. Y.

Everett Sargent, '39, has been out of the states since March 1942, when he went from Africa to India, where he is at the present time.

GAMMA.

Roger Burrill is reported to be the owner of a general store in Pentwater, Michigan. Any butter, Roger?

Lt. Col. R. M. King, '34, back from E.T.O. will get back to civilian work with General Electric in Rockford, Ill.

Roger W. Bancroft, '34, is now employed as instructor in education at the

State Teacher's College in Cortland, New York.

Hubert G. Moore, Jr., '42 is now attending Columbia Law School, Columbia University. Although he spends most of his time in New York, his home is at 21 Duryea Street, Islip, New York.

Harold A. Haynes, Gamma '38, sends his dues with the reminder that he expects to be in the service for a while before he returns to Long Island. His address is Lt. H. A. Haynes, USMC, Hq. Sdn. Pers. Grp., MCAD, Miramar, San Diego 45, Calif.

Paul G. Bulger, '36, is now back as assistant-principal of Milne School and living at 223 Jay St., Albany, N. Y.

Rudolph R. Wurth, '30, expects to be back at Roesseville School, Stop 38, Schenectady Road, Albany 5, N. Y., soon. He had pneumonia at Christmas time and has been convalescing at Box 86, Bethpage.

DELTA.

Russ Rawlings, '31, who has just completed his tour of duty in the Army, will soon be selling Fords in Mt. Kisco, N. Y., again.

Pete (Charles P.) Graham, '44, who got out of the Army in January, is getting ready for civilian pursuits again at 65 S. Maple Ave., East Orange, N. J.

Dick (Richard M.) Hall, '43, who finished his Army duties in January, is getting ready to take on some big accountant's job. Address: 21 Maple Terrace, Maplewood, N. J.

Jack F. Sinn, '43, severed his connections with the Army in February, and then turned up at Ithaca the first of March. In Cornell Law School he is apparently as busy as a law student is supposed to be, and may be reached at the Beta chapter house, 306 Highland Ave., Ithaca, N. Y.

Delta alumni in Hamilton have had quite a few visitors the past month but they are looking forward to the revival of class reunions again so that they may see more. Never satisfied.

Pete (Gordon H.) Cushman is back in the Delta region, working with Dr. Kenneth Berrien in the Veterans' Office that Colgate has set up in Utica. Pete is especially happy with this arrangement since his wife is a Utican, and her folks have a house. Nuf sed!

George Huntington, '43, has returned to Colgate to help take care of the influx of veterans. He is teaching psychology.

Last reports from Dick (Richard V.) Meredith, '43, placed him in Manila working on post-war reports. Address: OCE GHQ AFPAC, APO 500, c/o Postmaster, San Francisco, Calif.

Charlie Conlin, '38, is now at 15813 Braemar Drive, Cleveland 7, Ohio.

John Y. Mohler, '31, is still with W. T. Grant Co. Address: 5251 Telford Street, Los Angeles 22, Calif.

Dick Hancock, '38, has been serving with the Transportation Corps in India for the past two years and expects to be through and home soon.

Willard H. Woodward, '36, has just recently finished 19 months in the ETO, with distinguished service with the Third Division, 7th Regiment. He is about to become co-manager of a W. T. Grant store at Norristown, Pa., and can be reached there.

ETA.

Lt. Howard A. Granert, Jr., '42, has been stationed on Guam since April 1945. If his calculations are correct he expects to be back in the states early this summer. His address is 331st Bomb. Group, 355th Bomb. Squadron, APO 182, c/o P.M., San Francisco, Calif.

Robert D. Schutt, '34, is now located at 2910 Maple Ave., Franklin Park, Illinois.

Howard R. Hannapel, '35, is General Manager of the Hannapel Door and Plywood Company.

"Nat" Doud's son, Don, has matriculated at Purdue to study aeronautical engineering. On your toes, Theta.

PI.

Captain William L. Walker, '40, is pulling teeth for the Army at Fletcher General Hospital, Cambridge, Ohio. He received his D.D.S. at Temple University and entered the Army in 1943.

THETA.

Alex Johnson, '43, is back in West Lafayette, Indiana working for a local insurance agency. He has been giving Theta chapter valuable assistance in getting their affairs back in smooth running order.

Adrian Hoopengardner, '34, was a visitor at the chapter during the last weekend in March.

Herbert Zinsmeister, '44, is now back in civilian life working for the Indiana Highway Department. He drops in to see how Theta is progressing every chance he gets.

RHO.

W. W. Witmer, Rho '41, reports seeing Lt. F. M. Waters, Rho '40 in Italy last year.

L. Orville Lahy, '33, must be with the Great American Indemnity Company, Service Office, 1109 E. Main St., Richmond 19, Va., if his stationery means anything.

Bill Payne, '25, is still with the Lehigh Portland Cement Co., but now is Asst. District Sales Manager at Boston, Mass. Bill, Jr., is now registered at Lafayette for the fall term and expects to be released from the Merchant Marine in time to begin his studies in September. Another son, 10, also hopes to get to Lafayette.

John W. Miller, '34, has received a promotion and is now head of the yield and cost department of the chemical products division of the Standard Oil Company at Baton Rouge, La. He has been with the Standard Oil since graduation.

NU.

Carl Brunoehler '44, is now an undergraduate again, this time at the Indiana University Medical Center. His home is at 221 Oak st., Evansville, Indiana.

William J. Casey, '28, has just returned to Remington, Indiana after 37 months of army service.

Jim Booher, '40, who spent over three years in the Pacific, is now sales representative for the Flack Equipment Company of Dayton, Ohio in the Indiana territory. He sells contractors' and builders' supplies and equipment. He may be reached at Albany, Indiana.

IOTA.

Lt. George B. Wertman, '43, is a radar navigator on a B-29 based on Guam. Wonder if he ran into Howard Granert of Eta out there!

(Continued on Page 22)

VIEW OF DOWNTOWN COLUMBUS FROM THE AIR

Columbus Ideal Convention City; Kappa To Be Host

COLUMBUS, Ohio, chosen as the meeting place for the 1946 convention, is the third largest capital city in the nation and the largest named for the discoverer, Christopher Columbus. It is one of the educational centers of the nation with Ohio State University, Capital University, Otterbein, Ohio Wesleyan, Wittenberg, and Dennison University being located within the city or in close proximity.

Columbus and its immediate area abounds in points of historic interest. Its central location, hotel accommodations, and the proverbial hospitality of its people makes it an outstanding convention city. For its first post-war convention Kappa Delta Rho has chosen a city rich in convention traditions and hospitality.

Members of Kappa Delta Rho visiting Columbus for the first time will want to include a visit to Ohio State on their program for the week-end of June 7.

Host to the 1946 Convention to be held in Columbus will be Kappa chapter, of Ohio State University. A committee has been formed to see that no hospitality is spared to the visiting delegates and brothers who will be there June 7 and 8. The chapter, through the editor of the chapter paper, M. D. Munn, has extended a cordial invitation to every member of KDR to attend the Convention, and visit the chapter house in between sessions at the Deshler-Wallick Hotel. Kappa alumni should make an inspection of the new house one of the items on their list of "musts" for this year's convention.

Representation of Every Chapter Important In 1946

Representation

Any chapter having any actives on the campus, whether the house is open or not, will be entitled to send **one** representative (expenses paid) to this year's convention at Columbus, according to a decision by the Executive Committee, who voted unanimously to liberalize the interpretation of the Constitution for the unusual conditions existing on most campuses today.

They have further voted that in case there are no actives on the campus the alumni be authorized to appoint someone to represent the chapter. If possible, this ought to be a KDR who will return in the fall. If further interpretation of this decision is desired contact should be made immediately with the executive secretary, Ferd B. Ensinger, 12 Fifth Ave., New Rochelle, N. Y.

Post-War Quarters

KAPPA CHAPTER HOUSE

Newly acquired headquarters of Kappa in Columbus, Ohio, offers hospitality to visiting brothers in 1946.

May 1 Is Deadline

Authorization for representation at the National Convention must be in the hands of the Executive Secretary, Ferd B. Ensinger, 12 Fifth Avenue, New Rochelle, New York by May 1, if official delegates wish to be recognized on the program and also wish hotel reservations. Any difficulties in authorization should be taken up **immediately** with the secretary, as the Executive Committee deems it necessary that every chapter be represented.

Voting power of the delegates, according to the constitution, will be:

Active Chapter delegate.....	5 votes
Alumni Corporation delegate.....	3 votes
Alumni Association delegate.....	1 vote
Director	1 vote

1946 CONVENTION TO ELECT THREE DIRECTORS

Delegates to the 1946 Convention will have, in addition to their voting on regular routine measures, the all-important task of choosing three members of the Board of Directors.

Three present directors find the expiration of their terms in 1946: John O. Boyd, Rho, and now National President; Walter E. Burnham, Nu; and R. M. Savage, Alpha. All have served their fraternity during the war period; the delegates to the 1946 Convention must choose three men to take them over the re-adjustment period that is now beginning. It will be an important task of this, the first post-war convention.

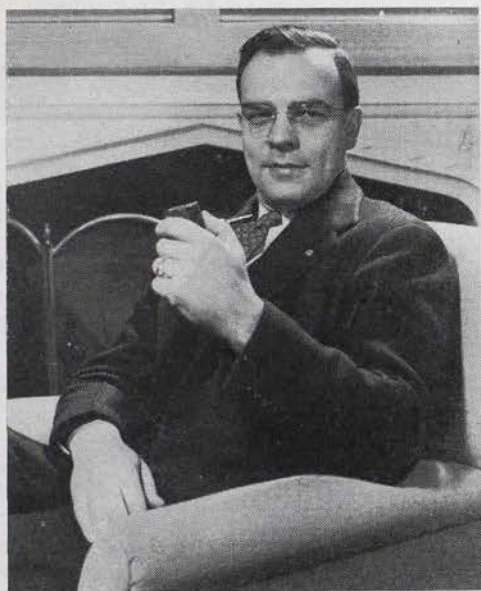

PLAN TO ATTEND!

JUNE 7 AND 8

**DESHLER-WALLICK HOTEL
COLUMBUS, OHIO**

Dean Bates To Be Convention Banquet Speaker

Dr. Robert E. Bates, Dean of Men, Indiana University, home of Nu chapter of KDR, will deliver the principal address at the convention banquet on Friday evening, June 7 in the Deshler-Wallick hotel, Columbus. His subject "The Place of Fraternities in Post-war College Life," will serve to integrate and summarize the main theme of the 1946 convention.

DEAN ROBERT BATES

Dean Bates brings to Kappa Delta Rho a wealth of experience both in college and fraternity life. Newly appointed Grand Praetor of the Indiana Province of Sigma Chi, he also is a member of Sigma Xi, American Geophysical Union, Sigma Gamma Epsilon, geological fraternity, and Sigma Delta Psi, honorary athletic fraternity. He holds A.B. and A.M. degrees from Indiana University and a Ph.D. from Columbia University. In 1936, after serving for four years as assistant in geology at Columbia he became assistant professor in geology at Western Reserve University.

In 1939 he was appointed dean at Albert College of Western Reserve, and in 1941 became Associate Dean of Men at Indiana University. During this time he managed to spend some time with the U. S. Geological Survey and the U. S. Conservation Service.

In May 1942 he was granted a leave of absence to accept a commission as a second lieutenant in the Army Air Force. He served from September of that year to June 1945 in England as a photo interpreter, the last 10 months on the staff of the Eighth Air Force Reconnaissance Wing under Brigadier-General Elliott Roosevelt. Upon his release from service last September as a major he returned to Indiana where he was appointed Dean of Men.

Delegates to the 1946 Convention will be fortunate in having the opportunity of hearing this popular 35 year-old dean give a picture of the future of fraternities on the campus of the post-war college. Dean Bates' address promises to be one of the high-lights of the 1946 Convention.

ATTEND THE 1946 CONVENTION

STATE HOUSE
COLUMBUS, OHIO

“KDR In Post-War World,” Theme of 1946 Convention

“Kappa Delta Rho in the Post-war World” has been set as the theme for the 1946 Convention by the Executive Committee. Although it has not been a policy to set a theme for the convention, members of the committee felt that with the problems of reconversion facing KDR some thought might be provoked by calling attention to the main item on the agenda for the June 7-8 meetings.

Delegates are already formulating reports that will include the academic, social, intramural, and financial obligations of KDR and much discussion will probably result from these reports. KDR's position in the post-war world may well be determined by the action that results from these reports.

COLUMBUS GALLERY OF FINE ARTS

FEES FOR NATIONAL CONVENTION

Fees for delegates from alumni corporations and associations, non-delegates, and visitors to the 1946 convention have been set up by the Executive Committee. Meals and room are optional but reservations *may* be made in advance. Meals may be arranged for at the registration desk. Rooms must be reserved immediately if desired in the convention hotel. Reservations with other hotels must be made personally. Contact the executive secretary now for room reservations at the Deshler-Wallick Hotel. Address: Ferd B. Ensinger, 12 Fifth Ave., New Rochelle, New York.

Registration Fee	\$ 2.50
Meals—2 lunches	
1 banquet	5.50
Room—1 night	3.50
	<hr/>
	\$11.50

With a theme set for the 1946 convention and an interest asserting itself that should definitely mark the meeting in Columbus as one of the most important in the history of Kappa Delta Rho, some thought is already crystallizing in the minds of both under-graduates and alumni as to our position in the post-war scheme of affairs collegiate.

Our answer to many public charges against fraternities may be one of the important policies formulated by the delegates to the 1946 convention. They will be concerned with some of them, since an answer may be necessary to assure their very existence.

At present there are five main criticisms of fraternities:

1. Their so-called exclusiveness.
2. The cost of membership.
3. The amount of money that goes to national organizations.
4. Hell week practices.
5. The belief that fraternity membership does not promote better scholarship.

The over-all policy of any group is expressed in terms of the membership. Letters arriving every day in your national office express a deep faith and hope for Kappa Delta Rho. We must not, however let our ideals be eclipsed by hard cold facts. We must face the facts and build our organization so that it will be a part of the educational institution where it is located.

Alumni should know some of the answers. They have followed the trend of post-war thought, but have all of them kept abreast of the educational picture? If they have, they will help to see that the 1946 convention sets up a policy that will make KDR democratic, financially sound, academically beyond reproach, and socially an educational asset in the life of every member. KDR may not be the largest fraternity, but she can be the *best*, if we find the correct answers.

Ohio State University

Ohio State University, home of the Kappa chapter, host to the 1946 Convention, is situated within the northern corporate limits of the city of Columbus. Its extensive campus and imposing buildings offers brothers attending the convention one of many points that will be visited during their stay in Columbus.

A co-ed institution, Ohio State received a land-grant provision by an act of 1864. In 1870 Ohio Agricultural and Mechanical College, located at Columbus,

was chartered by the state and the college was opened in 1873. In 1878 the name was changed to the Ohio State University.

It contains a graduate school, College of Agriculture, School of Arts and Sciences, and Schools of Commerce and Administration, Dentistry, Education, Engineering, Law, Medicine, Pharmacy, Veterinary Medicine, Home Economics, Journalism and Social Administration. Its laboratories embrace all branches of science and engineering. Its library contains 440,000 volumes. It also has numerous clinics, observatories and research bureaus and facilities.

Here And There In The News

Crumb Named President Of Potsdam Teacher's

Lieutenant Colonel Frederick W. Crumb, Gamma '30, on April 1 became president of State Teachers College at Potsdam, New York. Approved by the Board of Regents at its meetnig in Albany January 18, Brother Crumb, a former principal of New York state central schools will succeed Dr. Clarence O. Lehman, who died October 22, 1945.

FREDERICK W. CRUMB, Γ

Doctor Crumb received the bachelor of arts and master of arts degrees from State College for Teachers at Albany and the doctor of education degree from Teachers' College, Columbia University. Before entering the service in 1942 he served as supervising principal of central schools in East Nassau, Narrowsburg, Burnt Hills and Whiteboro. His work in the Army included planning, organizing and supervising educational programs for the armed forces both in this country and overseas. He was stationed in Washington, D. C.

Brother Crumb takes with him to his

new position the many best wishes from his fraternity brothers all over the country.

Keen, Alpha Begins New Duties In Lowville

Lieut. Walter Keen, Alpha '35 returned to Lowville April 1 to take over his new duties as the Vocational Guidance Director of the Lowville Public Schools, a newly created position designed to give all junior and senior high students of Lowville complete school guidance.

Walt received his master of arts degree at the University of Rochester, and taught for eight years in Lowville Academy before entering the Navy. He was stationed in Washington where he worked on radio appliances. He and Mrs. Keen, together with their daughter, Betty Jane, will live on DeWitt Street after he assumes his new duties.

Maloney, Nu, Meets Volkmar, Alpha

E. Mayer Maloney, Nu '41, executive secretary before being inducted into the Army, is now S/Sgt. Edward M. Maloney. Stationed at Ft. McPherson, Atlanta, Georgia since June 1945, where he is in the E.M. Counseling Branch of the Separation Center, he is helping to complete the separate's Army and Civilian Qualification Records.

Recognizing a name in the files one day Brother Maloney looked up the owner and had quite a chat with Bill Volkmar, Alpha '33, who was stationed there then.

Brother Maloney expected a furlough about April 1, but he is counting the days until he can return to Indiana permanently to take a more active part in the re-establishment of his chapter, which he has been advising by mail.

With Kappa Delta Rho's

Smith, Pi '38, Was Surgeon On U.S.S. Evans

James M. Smith, Pi '38, when last heard from was at the Naval Hospital in Bethesda, Maryland, a comparatively quiet place after some of his experiences in the Pacific during the war.

Jim, a lieutenant in the Navy Medical Corps, was a surgeon on the U.S.S. Evans when she and the U.S.S. Hadley were attacked by Jap suicide planes on May 11, 1945. The two destroyers had a busy time of it for 86 minutes, but in that time their gunners succeeded in downing 42 Jap planes, thereby setting a record for destroyers in the War.

LIBERTY magazine for Sept. 8, 1945 gave a graphic description of the encounter in a letter written by Ensign Allderige of the Evans. He sums up the action of which Brother Smith was a part in these words "I was only a spectator, but a rather involved one. I saw guns shoot, I saw planes get blown sky-high, I saw planes hit us, I saw guys get hit, I saw guys die. My part never was particularly outstanding either for doing things or for not doing what was expected of me. I don't know yet whether I was ever afraid. There wasn't time for much of anything like that.

"I'm bursting with pride at being attached to such a group of men. Not so much for the record that was set in splashing planes, but for their individual acts of heroism—their little acts of bravery that came a dime a dozen that day—it would be impossible to tell of 'em all.

"The official records show that we splashed nineteen planes. The Hadley accounted for twenty-three. I suppose that will go down as one of the minor incidents of the war. But those of us that were in it can't pass it off like that."

To this description Brother Smith just says "Amen." Thus closes one of the "minor" incidents of the war in which another member of KDR has distinguished himself in American history. Pi chapter is justly proud of Jim's accomplishments.

High School Boys Copy KΔP

Among the memoirs of Percy E. Fellows,, Alpha '20, appears an account of finding a group of high school boys in Wethersfield, Conn., wearing the KDR fraternity seal. Taking over name, motto, colors and everything, they told Brother Fellows that they had asked the Secretary of State for a charter and he had told them they could get one. A check with the Secretary of State revealed that we were not protected.

The story has a happy ending since Brother Fellows succeeded in convincing the boys that we could sue them, since we held a charter. No more KDR seals have appeared on Wethersfield sweaters since then.

MYERS, PI, RETURNS AS CIVILIAN

Francis B. Myers, Pi '33, who has been stationed on the U.S.S. Klondike as chaplain will return to civilian status on April 8 and after that date will be located at 6435 Lebanon Avenue, Philadelphia 31, Pennsylvania. He writes that he is hoping to get back into the activities of Pi chapter when he returns.

In a previous letter he took your editor to task for omitting Pi's name on the list of chapters, and has already accepted some very humble apologies. In part his story is a part of KDR's fight for life during the war. He writes: "I am disappointed not to see Pi's name on the list of active chapters. I believe it was one of the few to remain active and retain its house and organization during the lean years. Fact is, while I was at theological school in Gettysburg from 1941 to 1944, the chapter was comprised of myself and one active brother in the college; the house was rented and my apartment was the scene of rushing activities; my wife was a combination house mother and corresponding secretary. They were real times."

Brother Myers, like so many other members of KDR, served his fraternity and his country with distinction during World War II.

WANTED — 2675 ACTIVE ALUMNI

"Can't remember ever having paid any KDR Alumni dues; so have figured that I owe you \$8.00 on same since my May 1942 graduation."

"Use the extra \$3 as you wish. You probably need it."

Yes, Kappa Delta Rho needs your alumni dues and needs them NOW. There are still 2,675 alumni who have not sent in any dues for 1945-46, enough to give the best fraternity in the world that extra push she needs to insure her future. \$2 is cheap insurance for the grand times you had and the faithful friends that you made in college.

Do you believe in youth? You would if you stopped in at your nearest KDR house and talked to the boys there, some of them just back from doing the biggest job in the world. Now they are tackling another big job, the rehabilitation of KDR. And they need the help of every alumnus.

Most of them have already given at least 2 years of their lives. They are asking you to lend them \$2; they'll repay it later with a better world for all. They're the finest boys in the world—would you sell them out for \$2?

Kappa Delta Rho needs more letters, 2675 of them, each one containing at least

\$2. Do your share today—send a letter to Bill Everts, 33 Payne St., Hamilton, N. Y. and don't forget that \$2. For your convenience a coupon follows—or use the postage free envelope Bill sent you. Above all—Bill wants to hear from every member of KDR.

A complete list of those paid up for 1945-46 follows. The recapitulation by chapters speaks for itself.

The totals to April 1.

	Number Paid	Total Amount

CHAPTERS

ALPHA

Middlebury

With sixteen men back from the war and with rushing going on apace, Alpha chapter is again showing signs of life. Since the second semester began February 18, weekly meetings have been held to complete plans for the re-opening of the house next fall. A big financial campaign is now under way in order to make this possible. In connection with the drive a letter has been sent to every Alpha alumnus.

The letter explains the present physical and financial condition of the house and outlines the plans decided upon by the Alumni at a meeting held February 16, 1946. "An investigation of the property and financial condition of the chapter is most discouraging. The house was in need of repair when we left, and due to its being unoccupied most of the time, it is now in need of rather extensive repairs. A reliable architect has made an appraisal and the cost will run to about \$7500 to put the house in competing class with the other houses. We have about \$2000 in bills, both board and room, outstanding. We have initiated motions to collect these bills. Some money is coming in on them already. . . . The plan is this: we are attempting to raise by June 1st. \$6000. If we don't reach that goal, all of the donations will be returned to the donors and the fraternity will go out of existence. . . . The contribution we are seeking from each man, both active and alumni, is fifty dollars. . . . In any case, if the goal of \$6000 is not reached by June 1st, the money will be returned in full."

During the Alumni meeting mentioned in the letter a committee was appointed to organize and proceed with a fund-raising drive. The committee is as follows: Edward Adams '45 and Charles Bobertz '44, co-chairmen; Thomas H. Moore '42, John C. Lorini '45, and Ray H. Walch '45.

At the Alumni meeting, which included twenty-three persons, the sum of \$1005 was raised. Since then more than \$1800

has been realized from the financial drive, and it can scarcely be considered as being actually underway as yet. If there are any Alpha alumni who have not yet received the above-mentioned letter or who have not learned of the plight of the Alpha chapter, this report should clarify the situation. Checks may be made out to H. D. Bicknell and S. J. House, Trustees.

Plans for the redecoration of the house includes a new roof, new floors, new plaster and wallpaper, repainting inside, new heating plant, and repairs to the plumbing. These changes should make the house liveable once again and put it in a condition to compete with the other houses.

Under the revised rules of the Interfraternity Council each fraternity has access to the freshmen for only one $\frac{3}{4}$ hour period. This presents an unusual handicap in convincing the men of the greater desirability of joining Kappa Delta Rho. To meet this situation, Alpha chapter has developed a unique method of dealing with the freshmen. After Bill Neale, our Worthy Consul, introduces all the active men of the house, Ed Adams jumps to his feet and announces, "Well, men, you've just met the biggest bunch of jerks on campus!" This goes over big. By the time the freshmen get to our smoker they have heard so much high-pressure salesmanship from the other fraternities they're sick and tired of it. So when the KDR's make fun of themselves and give the old horse-laugh to some of the more high-sounding catch-words of the fraternities, the freshmen eat it up. Eddie spiels a continuous line of chatter kidding the house, most of the men in it, fraternities in general. "Yeah," he says, "we're going to redecorate the house completely this summer—going to put a roof on it." He goes on to point out the disadvantages of living in "marble halls" close to the campus with all the other drunks. Instead, the KDR's live in a comfortable old house remote from the campus in the midst of a crowd of "intellectual drunks"—the professors. Just how successful this de-pres-

surized rushing will turn out remains to be seen. Right now it looks as though the prestige of Kappa Delta Rho at Middlebury is at a new high point. The rushing is being ably directed this year by Ray Walsh.

Active men in Alpha include: "Chuck" Morse '42, "T. T." Thomas '42, Frank Goldsmith '43, Jean Hebert '44, Bill Neale '44, John Lorini '45, Dave Otis '45, Art Kelley '45, Ed Adams '45, "Chuck" Gries '46, all of whom returned this semester. Bud Moore '42, "Chuck" Bobertz '44, Tony Romeo '44 and Ray Walsh '45 returned last semester. "Summy" House '41 and Harry Walsh '43 are graduate students and returned last semester.

Several of the boys have married since they were last at Middlebury. "T.T." Thomas, "Squire" Lorini, Bud Moore, "Summy" House, and Tony Romeo have married. "T.T." Thomas has a daughter and Bud Moore has a son.

The completed list of pledges includes; Daniel P. Baker, Harold P. Barnes, James S. Beck, Roger F. Casavant, Francis P. Foster, Richard B. Hunt, Robert G. Hunt, George V. Kearney, Donald Leigh, Jr., Rudolph J. Peterson, Charles J. Riley, Walter T. Savage, also David L. Rowell (sophomore) and Edward L. Menut (junior).

Dave Otis

GAMMA *N. Y. State Teacher's*

Gamma chapter begins its first peacetime semester with 15 members on campus (12 brothers and 3 pledges) and no house. With the latter a wartime casualty, Kappa Delta Rho is in the same position as the other fraternities on the campus. No rushing is being done this semester but it is expected that next fall will see the resumption of normal fraternity activities. Gamma is now confronted with a large job of rehabilitation to bring herself back to the top position on campus which she enjoyed before the war. Although only about a dozen members are expected back for the fall semester (this number may be augmented by more returning veterans),

it is expected that they will be sufficient to accomplish the task.

Representing Gamma in college this spring are Brothers Owen Bombard, George Hudson, Ed. Holstein, Bob Meek, "Deacon" Plumb, and Paul Simmons, all graduate students; brothers Mike Perretta '46, Harry Baden '47, Bill Marsland '47, "Butch" Walker '47, Ray McNamara '48, and Curt Pfaff '48; and Pledges Jim Miner '46, Al Stone '47 and Marty Bortnick '48.

Our immediate plans are concerned with rushing next fall and the possibility of renting a house for the next semester. An executive committee consisting of Bill Marsland, Chairman, Harry Baden and Ray McNamara was appointed at a recent meeting to work in conjunction with our faculty advisor, Ralph T. Beaver, to formulate plans for carrying out the above objectives.

Athletically, Gamma ranks high on the campus. A varsity basketball team was formed for the first time since pre-war days and an abbreviated schedule was played. Playing regular for State was Bill ("Cutie") Marsland, Marty Bortnick, and Paul Simmons while Curt Pfaff was a substitute. (Speaking of athletics it might be mentioned that Mike Perretta is once again pursuing his favorite sport of keeping the 900 coeds on the campus contented and happy. And he seems to be succeeding at his difficult but engrossing task.)

In the intramural world, an informal league was formed and several games were played. Al Stone and Harry Baden led their team to victory in the last game by scoring 13 and 12 points respectively.

In recapitulation it may be stated that Gamma is getting back on her feet, after a lapse of three years. We have a difficult job ahead of us. Our two major problems being the fact that we have no house and little money, but we are viewing the future with optimism. Although we are operating on a more or less inactive status this semester, next fall should see the return of KDR to the campus. Great success is expected in rushing then. The brothers are going at the job with the realization that if we all work together, Kappa Delta Rho will once again become the Number One fraternity at State.

Ray McNamara

DELTA

Colgate

When this edition of *The Quill and Scroll* comes into your hands, we, of Delta, will have completed our spring rushing. As that period approaches, there is a keen sense of anxiety prevailing. Every man has given much of his time in helping to formulate the rushing plan. In Bob Asman, our Yonkers flash, we have a personable, energetic rushing chairman. The tenor of our success depends largely on his efforts. He has made a wager with the rest of us concerning the quality and quantity of men he pledges. We trust that we shall not have to report an embarrassing exhibition he will have been forced to execute, with our help, should he lose the bet.

Since you last heard from us, we have lost one man and gained another. Don Bryden is now an alumnus of Colgate. At present he is enjoying a well-earned rest at his home in Utica. Bob Koch has rejoined us this term. He left Colgate in 1943 and was recently discharged from the army. Walker, Deming, Hansen, Schreiber, Asman and Metz complete our group of actives. Though few in number, we are fortunate in having a homogeneous working unit. The only change in organization we have made is that Don Hansen has taken over the job of Pan-Hellenic representative. All of us are interested in seeing Delta become again the power on Colgate's campus that she was in pre-war days. You can expect that result from us.

Our house is still being used by the university as an improvised apartment for veterans and their wives. We have the use of parts of the house for meeting purposes. During the rushing season we plan to use it for tunks. This summer, we plan to refinish the interior of the house and refurnish it. Our planned opening for next fall should be the final step in rehabilitating Delta. We expect that many of our men still in service will return to school this fall and participate in that opening.

From time to time, we get reports on some of these men. Doug Simpson is on duty at Parris Island, S. C. Jim Quigley

is in the Philippines. Chuck Guernsey is at Great Lakes. Harry Hebard has returned to Cornell as a civilian following his discharge. Al Huff has "shipped-over" for two years in the navy.

We would like to hear from more of you KDR's, particularly you Delta men. Let us know that we have your support in putting Kappa Delta Rho back on the road to fraternal success. You can reach us by contacting Ted Metz, Box No. 778, Colgate University, Hamilton, New York.

Yours for a stronger Delta of a stronger Kappa Delta Rho.

Ted Metz

ZETA

Penn State

Zeta Chapter has finally begun to get in the swing again and what with rushing, renovating and reminiscing, we've been kept pretty much on the go for the past few months.

Eight of the actives managed to get back to school in November of '45 and we took possession of our house at Christmas time, after its being occupied by the Air Corps and the Beta Sigma Rho Fraternity since March of 1943. Considering everything, the house was in very good shape, and now that we've had the first floor painted and the furniture re-upholstered or replaced, it is looking a little more like the days of old.

The spring semester here at State started out with a bang on March 8. X-GI returnees for the semester exceeded all expectations and we now have twenty actives at school (Warren Davies, Jack Reitz, Don Boston, Bill Calvert, Les Stine, Dick Fuchs, Bill Matz, Gayle Starr, Ed McCracken, Ike Diehl, Jim Noble, Lou McCormick, Roy Connor, Hugh Ridall, Lee McQuiston, Dave Carleton, Dan Winslow, John Murphy, Ron Lias, and Art Frey. Ron Lias is a graduate of Carnegie Tech, and Art met up with the K.D.R.'s at Gettysburg.)

An intensive rushing campaign is being carried out under the direction of Lou McCormick. We've already gotten three good boys, and the outlook of getting more in the very near future is good. Our three pledges to date are Carl Sturges, of Washington, D. C.; Bill Brown, Phila-

delphia, Penna.; and Tom Sloane, of Wilkes-Barre, Penna.

On March 18, house elections were held and the following officers were named:

Consul.....	Don Boston
Sr. Tribune.....	Bill Calvert
Jr. Tribune.....	Jack Reitz
Praetor.....	Lou McCormick
Propraetor.....	Dan Winslow
Quaestor.....	Lee McQuiston
Pontifex.....	Jim Noble
Centurian.....	Bill Matz
House Manager.....	Warren Davies

Brother Jack Murphy and Pledge Brother Carl Sturges are both out for spring football practice. The house has entered the intramural softball league.

K.D.R.'s on the faculty are Brothers Doggett, Currier, and Harris. Brother Frey is instructing in the Chemistry Department while working for his Master's Degree.

Dan Winslow

THETA

Purdue

Theta Chapter was officially reinstated on the Purdue campus the first of November, 1945 when the house was reopened for chapter activities after being closed since the summer of 1943. Through the hard work of Brothers Morgal, Ruth, Kopsick, Quisser, and Davis and pledges Scisroe, Schliesser, Gaston, Neidoe, Carl, Young, Wilson and Ellenberger, the house was once more made presentable. With the beginning of the March term we saw the return of Brothers Fischer, Gray, Martin, Strong, Kraas, and Finley to our Chapter. At present we have eleven actives and eighteen pledges living in the house and one active and two pledges living outside the house. Our rushing outlook appears to be good and our present goal is to have the house filled by the middle of this term.

Social activities last term were confined to three dances; a "Get Acquainted Dance" which was held three weeks after the house was opened (with the purpose of informing the campus that the Kappa Delta Rho Fraternity was again open), a pledge dance, which I may add was a great success, and the Northwestern Triad Formal in which Kappa Delta Rho joins Phi Kappa and Phi Kappa Tau in spon-

soring a big dance at the Purdue Union.

In sports activities we fared fairly well under the status quo in which we entered the contests. In the inter-fraternity track meet we placed fourth thanks to two first places by our pledge Phil Wilson in the 60-yard dash and the broad-jump. The basketball season gave us four wins and four defeats with one of our victories bringing us a supper meal from the Phi Kappas. Pledge Wilson, at present is on the Purdue track team and Brother Kopsick is looking forward to a boxing career here on campus since he gained valuable experience in his victories during the Gary, Indiana Golden Gloves Tournament. On the Purdue football team we are represented by pledge Ken Scisroe.

Come this September we are expecting quite a few Brothers back on campus. We have already heard the intentions of returning from Brothers Steele, Biehle, Bell, Griffin, Kettsch, and Montenero. Brother Verke has stated his intentions of being back with us for the summer term. With this influx of Brothers returning we can not help but have a strong chapter. All of us of Theta are sold on the idea that Theta will in the very near future be once more one of the strong fraternities on the Purdue campus.

John R. Gray, propaetor

KAPPA

Ohio State

Kappa chapter has made great strides during the past school quarter towards regaining her old standing, one befitting Kappa Delta Rho. We now have an active chapter of six, whose officers are as follows: Worthy Consul, John M. Summa; Recording Secretary, John Kailor; Corresponding Secretary, Skip Brewster; Rushing Chairman, Walter Garey; House Manager, John M. Summa; Pledgemaster, Bill Horton; Social Chairman, Walter Garey; and Pontifex, Charles Bakle.

Great strides have also been made during the past quarter in redecorating the house. The interior has been almost completely repainted and the house furnished, mostly on a piece-by-piece basis. Pledges Mobley and Don Strasser have appointed themselves a committee of two to keep the lawn

in good shape. One can often find them sprawled upon the grass hunting for dandelions.

At the beginning of this quarter, we obtained two new pledges: Bob Joy, who hails from Shadyside, Ohio, and Fritz Strasser, of Sandusky, Ohio, brother of Pledge Don Strasser. Both have only recently returned from duty with the Armed Forces.

Our pledge class is well set up and rarin' to go. The officers are: President, Bob Mobley; Secretary-Treasurer, Robert Brown; Social Chairman, James Mika; and Intermural Sports Chairman, Glenn Gibbons. This quarter, we have two pledges who are eligible to become active, and intend to do so; they are Pledges Brown and Munn.

KDR's have become quite active in sports and various organizations on campus. In wrestling, Pledges Ardito and Dieli have made their varsity "O", while Pledges Belfiore, G. Smith, and Mika have made their numerals in the same sport. Brother John M. Summa is editor of the Physical Education Department Men's news. The Regimental and Marching Bands are represented by Pledge Brown, while Pledge Munn is a member of Public Affairs, on the YMCA Cabinet, in Strollers Dramatic Society, a representative on the Council of Men's Organizations, and is vice-president of the Socialist League.

During the past school year, Brothers Summa, Garey, and Horton; and pledges Diele and Munn have been listed on the honor rolls of their respective colleges, with a point-hour ratio of three or better.

To sum up our activities, Kappa chapter has and is working hard to get everything in the best possible shape. Much work has and is being done on the house, as mentioned before, and we have started a drive, with every member doing his best, for new pledges. Here's to a new and better Kappa!

M. D. Munn

Forty Rho alumni had contributed to the Repair Fund at last reports. Repairs have begun on the heating system.

LAMBDA

U. of California

More than 160 alumni and members celebrated the return of Lambda to the University of California campus on March 2nd by gathering at the chapter house for a "Rukus." The presence of this large number of alumni and members, many travelling over 500 miles to attend, was great encouragement to the active chapter. Such support is assurance that Lambda will soon regain its position as a leader among the fraternities of the Berkeley campus.

In the traditional "Rukus" fashion, hundreds of thousands of dollars crossed the roulette and check-o-luck tables, while the best scotches and bourbons were served at the bar for a mere \$25 per drink. The money, too, was the best, having been printed by our talented architect majors. Dancing and dining was also on the menu for those who found time.

Many valuable prizes were awarded during the evening. Among the winners was Jim Hicks who came the farthest. Jim's trip from Redlands to Berkeley was almost six hundred miles. Another winner was Chet Newell, the first Lambda alumnus to have a son pledge the house.

Lambda now has twelve members and is looking forward to a fine future by way of our present ten pledges who are:

Art Newell of San Francisco, C. E. Major

George Marr of San Leandro, Bus. Ad.
Andy Jara of Sacramento, M. E.

Fred Masarie of San Francisco, Pre-Med.

Bill Fitzpatrick of Stockton, M. E.

Dean Clair of Los Angeles, Pre-Med.

Bob Chance of San Leandro, English

Gene Rebstock of San Francisco, Pre-legal

Pete De Baun of Pasadena, Bus. Ad.

Gordon Dobbins of Baltimore, Md.,
Pre-legal

Ted Foster

PI

Gettysburg

With the World Conflict ending, a great many veterans have returned to school. Of those the majority were former students of Gettysburg. However there were some non-fraternity men and a few men entering as freshmen. Rushing began

one week after the opening of the second semester of school. Of the new men to enter, we have pledged Howard Isaacs from Westhampton Beach, New York. Also returning to the campus is Kenneth Wolfert who was called to the army in early 1943.

Also showing up for the second semester were three brothers who have returned from the army to complete their education. They were James W. Smith, who spent his time in the service in the Army Medical Corp in both England and France; Robert Trawella and Walton Wolf, who were both in Italy, spending their time on the front line chasing Germans until Brother Trawella's front line experience was cut short by being captured. They are back again to contribute their share toward the strengthening of the Fraternity.

Recently released from the services are Brothers Walter E. Garman and Cody Berkendine, who, however, were released too late to begin school this semester but who do plan to return next September. Other present brothers of the PI chapter are Edward K. Perry, Eugene D. Ries, Richard L. Tome, Neal Garman, and Alvin C. Sheetz. With this group of men there are high hopes of forging ahead and securing more pledges for the coming semester.

No fraternity on the campus has been open for almost two years. This was due to the shortage of brothers and such a feat could only have been accomplished at a terrific loss. Now that the campus is again returning to normal and has been replenished with male students, we intend opening a really active chapter next fall. The big question lies in whether we shall return to our old house, which is now occupied by Dr. W. E. Tilburg, Dean of the College, or sell it and either purchase or construct another house. We are arranging, at present, a meeting with our alumni to settle this all important question. However, we still own our own house. We can little more than speculate as to where our location will be next fall.

A big weekend is expected on April 13 to 14, when we plan to have an outing at one of Brother Garman's relative's cabins. This will be more or less in conjunction with the formal initiation to be held the

evening before our departure. This will inaugurate the first of a series of social activities with which we hope to fill this semester of the school year.

Election of officers was held in the latter part of February with Brother Walton R. Wolf becoming president. Brother Neal Garman retains his position as secretary and Brother James W. Smith occupies the position as fraternity treasurer. Our newly elected pledgemaster is Alvin C. Sheetz.

Neal Garman

SIGMA

Oregon State

We are planning on opening again as a fraternity this spring term, however, in cooperation with the housing shortage here on the campus we will still have guests in the house. We are planning on the return of several of the older men this term, but we are not certain who will be back. Several of our returning men are married which means we will have a large number of members living out.

During the war the fraternity was used as a boarding house by Richard Beane, Elvis Dickason, and Albert Smith. Of the pledges living in the house this term we have: Hal Meyers, Larry Barnes, Larry Stark, Jack Ditto, Ed Rieben, Bill Jones, and Bob Andrews. We also have three returning members living out: Cranston Fosburg, Darryl Storm, and Bill Allison.

Richard Beane

ATTEND THE 1946 CONVENTION

ARE YOU AN ACTIVE ALUMNUS?

Publication of the chapter paper "KAPPA KWIPS" has been resumed under the editorship of Pledge Munn with the first issue making its appearance April 8, after three hectic days of deadlines and copy. Kappa is fast assuming its position in Kappa Delta Rho by its speed in resuming activities curtailed by the War.

Above are the following four reports: (1) Income and Expenditures from January 1, 1946 through March 31, 1946; (2) Total Income and Expenditures for the fiscal year through March 31, 1946; (3) the comparison with the same period a year ago; and (4) The revised budget for the present fiscal year.

The increased demands of this reactivation period on the National Offices, particularly on the Executive Secretary, are reflected in the greatly increased expenses of the last quarter, resulting in an excess of Expenditures over Income for the quarter of approximately \$800. We anticipated some of this, since new income from Initiation Fees and Active Chapter Dues has not yet begun to pick up. Fortunately the lag in these items has been partly offset by the excellent response of the alumni, who are continuing to rally marvelously to the support of Kappa Delta Rho. However the expenses of the period have been somewhat more than expected, and will necessarily continue so if anything approaching the service needed is performed by the Executive Secretary. You will undoubtedly notice that one of the larger items of expense is for the Convention. This is the year for a full convention and it seems to your directors that a good convention this year is essential. I fear that the estimate is still too low, but we will do our best to keep the expenses reasonable.

At a special meeting of the Executive Committee on March 30 the Budget was considered very carefully item by item. Every figure of expense represents the lowest estimate that we believed is compatible with what you would want done. The income items are based on the best conservative estimate of the Executive Secretary, as a result of his contacts with the chapters. The final result does not look too good. As stated in my last report, we have a \$2,000. cash reserve, with which to meet an anticipated \$2,700. deficit in our year's operations to June 30.

If the fraternity is to enter the next fiscal year with even \$1. of current funds on

hand, a minimum of \$700. additional income must be obtained. In this first term of re-opening chapters and partial reorganization of these, I do not believe we can look to the active chapters to substantially increase the amounts estimated. The conclusion becomes pretty obvious that this \$700. additional income must come from the alumni. You have already more than doubled the \$300. that I put in my first estimate. Can you do it again? Here are some facts:

Up to April 1, 325 of you had sent in your alumni dues. To you and to any others whose dues reach me while this issue is being printed, I say a very sincere "Thank you!" (If I have not yet acknowledged your payment personally, please accept this general acknowledgement in the interim.) But 325 is only slightly over 10% of our 3,000 alumni. What about the other 2,675 of you? You represent a potential \$5,350.—almost enough to swing the year's budget alone. Surely you are too interested in seeing Kappa Delta Rho weather this storm and become ready to embark in good shape on the post-war college sea! Then dig up the Postage Paid addressed envelope sent you in December, enclose your check or cash for \$2., and be sure to put your return address and chapter on the envelope. You are never too late to help and your help right now will mean much more to KDR than the \$2. does to you.

Yours for a better and more financially stable KDR.

BILL EVERTS, Treasurer.

NEWS FLASH!

\$40 in alumni dues in one envelope. This sounds incredible but it was achieved last week by an alumni group in Los Angeles, who, under the direction of F. K. Fisher, Sigma '30, collected dues from every member of their association and sent them on to the national office.

Members of the group included graduates of Sigma, Lambda, Eta and Alpha, all located in or near Los Angeles. Lester Matthews, Sigma '25, is acting chairman and Brother Fisher acting secretary.

MARRIAGES

Brother Les Lev, Lambda, was married to Jeanne Duncan of Winona, Minn., on Saturday, November 11. He is at home in Felton, Calif., where he is in the lumber business.

Brother George D. Drury, Sigma '42, and Miss Arletta Roberts of Cottage Grove, Oregon, became a team as of October 27, 1945. Send your congratulations to 704 Birch Avenue, Cottage Grove, Oregon.

Kappa Claims Hero Of Battle Of Bulge

Out of Kappa Chapter at Ohio State comes another story of the War that must be added to the record of KDR's participation in this, the greatest of all wars.

The story concerns their recording secretary, Brother John Kailor who was one of the hundred and fifty American officers and men captured by the Nazis during the Battle of the Bulge. The remainder of the story is history; how the Nazis stood the Americans up and deliberately machine-gunned them for no reason at all. Out of the hundred and fifty, John was one of the thirteen who survived the hideous massacre.

John is modest about his part in the war but quite active in the Amvets, a veteran's group of which he is the treasurer. His exploits will be recounted for many years by his Kappa brothers, who believe that such men can never be sufficiently honored for their role in the greatest of all world conflicts.

Brothers of Kappa Delta Rho everywhere salute and honor such men as Brother Kailor.

SEE YOU IN COLUMBUS

SIGMA.

Lawrence L. Plagmann, '41, writes that his position as registered pharmacist with the Waggoner Drug Co., in Klamath Falls, Ore., is soon to be terminated. However, he expects to open a store of his own soon, time and place as yet unannounced. He promises to inform us, so we may stop in for a soda.

Carl Russell, '21, just back from the Navy, is now with the Pacific Power & Light Company, Astoria, Oregon.

Captain George D. Drury dropped the title from his name on the 8th of November last. He writes that is he planning to go into business in Cottage Grove, Oregon.

XI.

Charles Wm. Berry, '42, who hopes to be out of the Army soon, sent his dues in from Denver, Colorado.

LAMBDA.

Bill Tatum, '38, has just returned from overseas and is back at work with the Air Corps at March Field. His address is: Capt. Wm. Tatum, 0576460, AC, March Field, Calif.

Charles Anderson '33, has received a promotion and is now Export Manager of Golden State Co., Ltd.

Hep cats beware! Jim Geil has been personal accompanist for Sinatra since Jim's discharge late last year.

Bob Eveland is building a new home in San Mateo, Calif. In the meantime he is in an apartment at 235 Anita Drive, Burlingame, Calif.

TAU.

Major Wm. L. Latta, '37, informs us that at present he is on duty as a student in Petroleum Engineering at the University of Pittsburgh. He may be reached c/o Military Department of the University.

Chapter Eternal

RUS TEAGARDEN, LAMBDA

Rus Teagarden, active in the re-establishing of Lambda, was killed in an automobile accident on February 24 while returning from U.C.L.A., where he had been to investigate enrollment in their new atomic power classes. His death was a severe loss to his family, who had followed him anxiously through the war, and his KDR brothers, who found in him the true spirit of their fraternity.

His three year record in the Air Corps was filled with more than 50 successful bombing missions. As navigator on lead planes he had many narrow escapes on two-way flights to Germany and back, and three-way flights, England to Russia to Italy and return. His return to the California campus came near the end of 1945, and since that time he has aided in the opening of the Lambda house and assisted in the establishment of his chapter on a permanent post-war basis. His untimely death is a loss not only to Lambda chapter but to the whole fraternity.

New Address

Mail to Editor, QUILL AND SCROLL, 443 Grove Street, Rahway, N. J.

(This may be used for "lost" brothers in list above.)

In The Morning's Mail

Dear Brother Everts—

Enclosed find two dollars to cover my alumni dues.

Used to belong to Upsilon at Fresno State College, but received the old sheepskin at Northwestern University. So, right now I am not in very close contact with any of the old brothers, as F.S.C. no longer is honored by old K.D.R.

Keep me posted as to the latest news—

Fraternally yours,
Wayne F. McCoy
135 Princeton Ave.
Fresno 4, Calif.

Dear Bill,

I was certainly pleased to receive a copy of the Quill and Scroll. I was beginning to wonder if the national organization had ceased to exist. Nu chapter managed to keep their doors open during the war years, and is now well on its way to becoming one of the strongest organizations on the Indiana University campus. We can thank Brother E. Mayer Maloney past executive secretary, for his tireless efforts in keeping the house open.

Fraternally yours,
Charles V. O'Brien
536 Bankers Trust Building
Indianapolis, Indiana

Dear Brother Everts,

This last issue of the Quill and Scroll has some life blood in it for it even brought me to life. I've been very active in the affairs of our local chapter—although I did graduate from college, now being in the Seminary, a year and a half ago—but interest in our national seemed always lacking. There is nothing more for which I am looking forward to than a strong Kappa Delta Rho Fraternity, locally and nationally.

To this end, I am enclosing a check for my Alumni dues. It isn't much but it may be of some help to you as we strive to build a bigger and better KDR for tomorrow.

Best wishes to you in your work!

Fraternally yours,
Lutheran Theological Seminary
Arthur L. Ruths, PI '45
Gettysburg, Pennsylvania

Dear Brother Everts,

Sorry that I am so late in paying my 1945-1946 alumni dues. Just recently returned to the United States from Japan and mail hasn't been reaching me too well during the trip back.

I have been in the navy since November 1942, although I wasn't called to active duty until July 1943. Finished at Purdue and received my degree and then my commission in the navy. Reported aboard the cruiser Denver in September 1944 and have been here since then.

On February 2 I will be released from the Navy and will then start work for Cornell Research at their new aeronautical lab in Buffalo, New York. My work will be in electronic and high frequency research.

Until I send you my Buffalo address, I will receive any correspondence at my address:

523 Clay Avenue
Rochester, New York

Enclosed is my two dollars to cover the 1945-1946 alumni dues. If the 1946 convention is in Cleveland or Columbus, I hope I can arrange to be present.

Fraternally,
Donald E. Corp (Theta)

Dear Brother Everts,

Sorry to be so lax in sending in my 1945-46 Alumni dues.

Although I haven't had the opportunity to be at all active in fraternity affairs since my graduation from Bucknell in 1935, I'm still very much interested in reading about the progress of the fraternity.

Fraternally yours,
Ausan B. Birchard, Iota '35
Green Bay, Wis.

Dear Sir:

I am enclosing a check for my alumni dues and life subscription to Quill & Scroll in the hope that this small sum will play its part in keeping the fraternity's head above water.

Fraternally yours,
M. M. Pultz, Beta '41
Lebanon, Conn.
