COVER: *The cover in this issue is in tribute to all our brothers in the armed forces of our country and the other Allied Nations. The small white stars do not represent any particular number of our brothers in the service, but all of them. The large gold star represents all of those who have lost their lives, either directly or indirectly for our cause. This will be the cover used for the duration by THE QUILL AND SCROLL, and on the back you will find listed an accumulative list of those who have died for us.*

Report of the Thirty-First Annual Convention

For the first time in history Kappa Delta Rho held a one day convention at a hotel. Due to the war conditions and the pressing need of economy, the Board of Directors decided to hold a one day convention at the William Penn Hotel in Pittsburgh, Penn., on May 30. It was felt that there were too many issues during these very trying times which should be discussed, to completely pass a convention as some other fraternities were doing.

The meeting was called to order at 9:00 A.M. by Vice-President Boyd who presided due to the absence of President Leo T. Wofford. The following undergraduate delegates were present: Alpha, Robert M. Kline; Beta, Roy Herrmann; Gamma, William Marsland; Delta, Richard Meredith; Epsilon, Robert Lewis; Zeta, William Calvert; Eta, Lyle Appuhn; Theta, Cletus Tepas; Kappa, Jack Musolf; Mu, Richard Twitmyer; Nu, Herbert Farrell; and Xi, Richard Goodridge. Chapter not represented were Iota, Lambda, Pi, Rho, Sigma, and Upsilon.

Graduate delegates present were: Delta alumni, William Everts; Zeta alumni, Donald Wright; Eta alumni, John L. Blakeley; Theta alumni, R. K. Jolls; Kappa alumni, Thomas Tilbrook; Pi alumni, William Sandlas; and Rho alumni, John O. Boyd. Directors John O. Boyd, Orrin G. Judd, William Sandlas, and John L. Blakeley were also present.

After the opening ritual and a short opening speech for presiding officer Boyd the meeting got underway. Bro. Boyd appointed the following committees which were to make their report later: Resolutions committee—Tepas, Herrman, and Judd; and the Nominating—Sandlas, Klein, and Marsland.

The report of the treasurer was given by Bro. Judd which showed that receipts were about \$1,100 over budget expectations for the year. Brother Judd also reported on the QUILL AND SCROLL Trust Fund which amounts to \$29,675.00 with a yield of \$918.00 during the past year, or a return of 3.34%.

The report of the Executive Secretary was then given by Bro. Maloney. He pointed out in his report that as a whole the chapters were better this year than last. There are some weak chapters, but he thought that most of them would weather the war in pretty fair shape.

Bro. Judd then presented the budget for 1942-'43 as worked out by the budget committee. The proposed budget called for an income of \$6,675.00 and expenses of \$7,225.00. Bro. Blakeley moved its adoption and Bro. Sandlas seconded.

The convention then heard a brief report from each of the chapter delegates present. They stated their various accomplishments during the past two years, and any new ideas which their chapter had put into practice.

Brother Boyd then adjourned the meeting until 2:00 P.M.

At the afternoon session which convened at 2:00 P.M. the first topic of discussion of raising the initiation fee \$5.00 to permit the giving of an unjeweled badge with each initiation. The idea was to be sure that every initiate had a badge at the time of initiation. The matter was referred to the Executive Committee for further consideration.

During the discussion of giving a badge with initiation, it was brought out that some jewelers, other than the

official jeweler, Burr, Patterson and Auld of Detroit, have been soliciting the sale of pins in our chapter houses. It was also mentioned that the quality of pins varied with the jewelers. It was moved by Bro. Everts that the quality and price of our pins sold by the various jewelers be referred to the Board of Directors for investigation, and that in the meantime all jewelers except our official representatives, Burr, Patterson and Auld, be requested to refrain from selling our pins. The resolution committee drew up a formal resolution to that effect to send to all manufacturers of fraternity jewelry.

The report of the nominating committee was then heard. Due to the expiration of the term of office on the Board of Directors of President Welford, Bro. Harold F. Lemoine, and Bro. Orrin G. Judd, the following men were nominated to fill these vacancies. Bro. Edwin R. VanKleeck, Gamma, '27; Bro. Edward T. Kitchen, Zeta, '33, and Bro. Orrin G. Judd, Delta, '26, was nominated to succeed himself. There being no nominations from the floor, Chairman Sandlas moved the election of the slate, and was seconded by Bro. Boyd. These are very fraternity minded men, and should prove very beneficial on our Board of Directors. Bro. VanKleeck is the Assistant Director of Education of the State of New York and was Consul of Gamma chapter during his senior year in college. Bro. Kitchen has acted as Alumni Treasurer of Zeta ever since his graduation in 1933 and has done a marvelous job in assisting Zeta. Bro. Judd already has made his record in national fraternity affairs having served on the Board for the past six years, during which time he has been a very able and competent treasurer for our national organization.

Bro. William Everts then discussed in detail the financing of chapter houses under present conditions, and the financial problems which have arisen

during the war. He suggested that a uniform accounting system be adopted by the fraternity. Considerably discussion was held on this subject. Bro. Lewis moved that the fraternity have printed some very simple accounting forms for a balance sheet and profit and loss statement, with the idea that eventually a complete set of books be set up for each chapter by the national, and that each chapter treasurer be required to send in a monthly balance sheet and profit and loss statement to the national office. Motion was seconded by Musolf and carried.

Bro. Judd brought up the matter of merging with another fraternity under an entirely new name and ritual. The idea being that merger with one or more other fraternities seems to be the only method of expansion at the present time. He reported that Kappa Delta Rho had been approached through him by two other groups in the past year. No definite action was taken, but a roll call was called for in order that the directors might have an idea as to the consensus of opinion of the delegates. All delegates were in favor of considering merger with one or more other fraternities under a new name and ritual with the idea of adding chapters in institutions where Kappa Delta Rho is not represented, except Alpha.

The matter of national dues was brought up for discussion. Due to the accelerated program which most universities have adopted for the duration, it looked as though the dues would have to be adjusted accordingly. Upon a motion by Sandlas the Executive Committee was empowered to adjust dues by terms or semesters equitably among the chapters for the duration. The motion was seconded by Everts and carried.

Article VIII, Section 4, of the National Constitution was amended to read as follows: "Only alumni and

The Special Convention

The Board of Directors called a Special Convention of the Fraternity to be held at the Hotel Commodore in New York City on November 27. The purpose of the convention was to consider the proposed union plans of Kappa Delta Rho and Tau Kappa Epsilon fraternities.

The Executive Committee of the Fraternity had been working diligently upon a union with some other fraternity after the reaction which they had received from such a plan as proposed as the preceding convention, held May 30 at Pittsburgh. The proposed union plans had been thoroughly worked out by the Executive Committee of Kappa Delta Rho and the Expansion Committee of Tau Kappa Epsilon.

Briefly the plan called for the uniting of the two fraternities under the name of Tau Kappa Delta with ritual, nomenclatures, constitution, by-laws and governing bodies made up of combination of the two present fraternities.

The convention was called to order by President John O. Boyd and after the opening ritual was observed the convention became a committee of the whole and three representatives of Tau Kappa Epsilon were brought into the meeting and introduced to the delegates. These TKE representatives were Mr. Leland F. Leland, editor of "The Teke," Mr. Lyle Straight, Executive Secretary of Tau Kappa Epsilon, and Mr. Rupert Lewis, Scholarship Chairman of Tau Kappa Epsilon. All three men are also members of the TKE Grand Council. Each spoke briefly and expressed their personal desire as well as the desire of TKE that the union would become a reality. After considerable discussion during which time the three visitors from TKE answered many questions, they retired from the meeting, and the body then returned to its status of a National Convention.

Undergraduate delegates present were: Alpha, Al Jefts; Beta, Bernard Smith; Gamma, Robert Leonard; Delta, Richard Merideth; Epsilon, John Duncan; Eta, Lyle Appuhn; Theta, William Clark; Iota, William Andrews; Nu, William Siffin; Xi, James McCarroll; Pi, Paul Strasser; and Rho, Allen Dean. Proxies were held for Zeta, Kappa, Lambda, Mu, and Sigma chapters. Graduate delegates in attendance were: Beta alumni, Bernard Smith; Delta alumni, William Everts; Zeta alumni, Edward Kitchen; Eta alumni, John L. Blakeley; Xi alumni, Rev. Harold F. Lemoine; and Pi alumni, Walter Garman, Sr. Proxies were held for Gamma, Epsilon, Theta, Iota, Kappa, Lambda, Mu, Nu, and Rho Alumni Associations. The Chicago and Los Angeles City Alumni Associations were represented by proxies and the Indianapolis Alumni Association was represented by E. Mayer Maloney. Directors present were John O. Boyd, John L. Blakeley, Orrin G. Judd, Edward Kitchen, and Edwin R. Van Kleeck. Directors William Sandlas and Laverne Severance were represented by proxies. Alternate directors William Everts and George Shaw were also present. The total voting strength of the convention was 142.

Although the main topic of discussion was the proposed union of our fraternity with that of Tau Kappa Epsilon under the new name of Tau Kappa Delta, the real issue before the convention was the passing of an amendment to the National Constitution to permit the Directors to complete such a union. According to our Constitution, Kappa Delta Rho cannot unite with any other group in such a way as to lose its identity (Article XII, Section 1).

After considerable discussion of the issue, pro and con, Brother Judd called

for the vote. Gamma, Zeta, Iota, Kappa, Mu, Nu, Xi, and Pi chapters; Gamma, Zeta, Iota, Kappa, Mu, Nu, Xi, and Pi Alumni Associations; Los Angeles City Alumni Association; Directors Boyd, Blakeley, Judd, Kitchen, Sandlas, Severance and Van Kleeck; and Alternate Director William Everts all cast affirmative votes. Alpha, Beta, Delta, Epsilon, Eta, Theta, Lambda, Rho, and Sigma chapters; Beta, Delta Epsilon, Eta, Theta, Lambda, Rho, and Sigma Alumni Associations; Chicago, and Indianapolis City Alumni Associations; and Alternate Director George Shaw all cast negative votes. The final vote was 73 in favor and 69 opposed. Although the amendment carried by a majority vote of the delegates and proxies, it did not carry by the necessary three-fourths vote as called for by the Constitution.

All present took this to mean that the undergraduate and the graduate members of Kappa Delta Rho had sufficient faith in their fraternity to continue to work and fight for it. All delegates united in the idea that they would return to their respective homes and work even harder than before to assure the fraternity to be able to continue to grow during these difficult times for fraternities.

Director Van Kleeck moved that the convention instruct the Executive Secretary to write an expression of sympathy to Bro. Arthur "Scotty" Ottman, Past Grand Consul of the Fraternity, because of his recent illness which has confined him to his home in Schenectady, N.Y.

Alternate Director George Shaw expressed the appreciation of the Convention to the Directors for their diligent work in the union plans, and expressed sincere trust and admiration in their work in behalf of the fraternity as a whole.

Treasurer Orrin Judd presented a revised budget for the school year

Directors Meetings

Since the last issue of THE QUILL AND SCROLL there have been two meetings of the Board of Directors.

The first meeting was held immediately after the Convention on May 30

at Pittsburg, Pa. Vice President John O. Boyd presided.

The main business of the meeting was to elect officers for the coming year. Brother John O. Boyd was elected President; Brother John L. Blakeley, Vice President;

Brother Orrin G. Judd, reelected Treasurer and Brother Edward Kitchen was elected Assistant Treasurer.

It was decided to continue Brother E. Mayer Maloney as Executive Secretary for the fraternity.

At the second meeting of the Board of Directors which was held immediately following the Special Convention held in New York City on November 27 the following directors were present: John O. Boyd, Orrin G. Judd, Edwin R. Van Kleeck, Edward Kitchen, John L. Blakeley and Alternate Directors William Everts and George Shaw.

The subject of alumni dues were discussed at great lengths. The amount of the dues was set at \$2.00 per year for each alumnus. Upon motion by Bro. Judd and seconded by Bro. Kitchen the following motion was passed. All alumni would pay \$2.00 per year in alumni dues and to encourage those alumni who are not regular subscribers to THE QUILL AND SCROLL, \$1.00

of their \$2.00 dues payment would be placed into the QUILL AND SCROLL Trust Fund until sufficient had been paid in to give them a paid up life subscription after which time the entire \$2.00 payment would be placed in the general operating fund.

Brother Judd moved that Brother Kitchen audit the books of the Executive Secretary and the National Treasurer as soon as possible.

There being no further business to come before the Board the meeting was adjourned.

In Memoriam

Dr. Frank Carman Ewart

Dr. Frank Carman Ewart, Colgate Educator, Dies

BY WILLIAM EVERTS, Delta, '23

Kappa Delta Rho lost a valuable brother, and the village of Hamilton, New York, an esteemed resident when Dr. Frank Carman Ewart died suddenly after a heart attack on September 28, 1942, at the age of 71. He had retired in 1939, after forty-five years of teaching, forty of them at Colgate University. He was head of the Department of Romance Languages for thirty-five years, from 1904 to 1939, and had taught three languages: French, Spanish, and Italian. He was a graduate of Denison University, from which he had received three degrees, and where he started his college teaching in 1896. He was a member of the Denison University Alumni Council, and only four days before his death represented his alma mater at the inauguration of Everett N. Case as president of Colgate University on September 24, 1942.

Dr. Ewart was always a friend of the earnest student, and his help extended far beyond the classroom. Many students at Colgate owed their continued education to his quiet financial aid. Any community in which he lived benefited from his unostentatious philanthropy, and Hamilton was fortunate in being his home for over forty years. During his entire lifetime he was an active member of the Baptist Church, and was a member of several New York state boards of that church. He devoted much of his time after his retirement to church activities, and also to the expansion of Phi society, honorary scholastic fraternity for sophomores who meet Phi Beta Kappa requirements during their freshman year. He was instrumental in founding this

society at Colgate, and was always interested in any move to encourage high scholarship in college students.

Delta chapter of Kappa Delta Rho was unusually fortunate in securing him as its first faculty advisor, so that he was one of the charter members of Delta. The service which he rendered to the fraternity was long and varied. It was largely due to his efforts and his personal loan of the purchase price that Delta chapter was able to establish itself in a home in September, 1917, only six months after its installation. Through the hard days of the First World War and the succeeding period of reconstruction and expansion he was always an able advisor and financial supporter. After the incorporation of the Delta Alumni in 1926, he served as trustee until 1940, when absence during the school year made his resignation advisable.

The National Fraternity likewise benefited from his wholehearted interest in Kappa Delta Rho. He became Grand Consul in 1918, and held that office until 1921. At that time the Grand Consul was the traveling secretary and head of the expansion committee as well. During his relatively short term, he carried on all the negotiations, investigations, and supervised the installations of Epsilon, Zeta, Eta, Theta, Iota and Kappa chapters, as well as preparing for the later installations of Mu, Nu, and Xi chapters. Thus over half of our present active chapters owe their beginnings as members of Kappa Delta Rho to his untiring efforts. He attended every convention of the fraternity that he possibly

Since the last issue of the QUILL AND SCROLL many new brothers have joined the ranks in the service of their country. We would like to recognize these new men and add them to the already large list of brothers already in the service. No doubt there are many who have not as yet been recognized in the QUILL AND SCROLL. If you know of any will you please drop your editor a card.

Alumni Dues to Be Levied

During these very difficult times which fraternities in general are faced with the loss of manpower, and the possibility of even greater loss, the Convention recommended to the Directors that they investigate a source of income which Kappa Delta Rho has not previously exploited, that of alumni dues.

Quite a few of the other fraternities, and practically all of the major sororities have had an alumni tax for years, and it has been a source of a great amount of income for their national treasury. This money has been used by other organizations for various and sundry purposes, but for the present, at least, Kappa Delta Rho will put the greater part of the proceeds into the general operating fund. After the war is over and things get back to normal the alumni dues may either be discontinued or the proceeds be diverted to a special task, such as setting up a loan fund for chapters or for the undergraduates personally.

According to the present resolution each alumnus will pay the National \$2.00 per year. The only notice which you will receive will be the notices which will appear in each issue of *THE QUILL AND SCROLL*. It would add a great amount of expense to bill each alumnus individually, and we know that will not be necessary in our case. For convenience we will have the dues follow the calendar year from January to December. So, in other words if you are an alumnus of Kappa Delta Rho you owe \$2.00 for the year of 1943. That will pay you up until 1944.

As a special inducement to those brothers who were instituted prior to September 1927 and who have not paid their life subscription of \$10.00 to *THE QUILL AND SCROLL*, the Directors decided that out of each \$2.00 dues which these brothers pay, \$1.00

will be put into *THE QUILL AND SCROLL* Trust Fund toward their life subscription, and only \$1.00 of their payment will be placed in the general fund. Here is a real opportunity for all non-subscribers to *THE QUILL AND SCROLL* to get the magazine by only paying their alumni dues.

This issue of the magazine will be sent to all brothers, subscribers and non-subscribers alike, whose addresses we have on file in the National Office. We hope that those of you who have not been reading the publication regularly will be sufficiently impressed to respond to the alumni dues, and in that way the magazine will be yours.

This is the first time that Kappa Delta Rho has felt it necessary to call upon its alumni to assist financially in the operation of the fraternity. We know that you will all answer the call of our fraternity as soon as possible. Please make your checks or money orders payable to Kappa Delta Rho Fraternity, and send them to your Secretary, E. Mayer Maloney, 5317 Grace-land Ave., Indianapolis, Ind.

could and always enjoyed the contact with men from other chapters. Throughout his association with the fraternity he never ceased to remind us all of the high idealism of our coat of arms and our motto, an idealism that he represented constantly in his life.

We of Delta and of the larger fraternity as well share the sorrow of his death with Mrs. Ewart, and with his daughter, Mrs. Roy N. Anderson of New York City.

N.I.C. Debates Wartime Fraternity Problems

Conscious of the problems that war-time conditions are bringing to college fraternities, more than two hundred representatives of fifty-nine Greek-letter organizations attended the thirty-fourth annual meeting of the National Interfraternity Conference at the Hotel Commodore, New York City, November 27-28. They set a new record for active participation in and consistent attendance upon the various sessions.

This serious attitude also was reflected in the resolutions passed. The most significant of these "recommends to the colleges and universities and to the fraternities and to the local interfraternity councils that all regulations now in effect which require deferred rushing and pledging by, or initiation into, the fraternities, including probationary periods of scholarship, be suspended for the duration of the war."

Another resolution stated that in the opinion of the National Interfraternity Conference the question of the existence or non-existence of fraternities in a given institution presents an educational question of home rule to be decided by the institution itself, and is not a question to be decided by a legislature.

Whenever a college has been closed because of the exigencies of the war program or whenever a fraternity chapter becomes dormant in the war-time period, a resolution stated, comity between members of the National Interfraternity Conference demands that no fraternity not already established on such a campus shall take steps toward installing a chapter there until at least two years after the war emergency is ended.

National authorities were urged in another resolution to preserve as many institutions of collegiate grade as can be preserved under the emergency caused by the war.

It was recommended that fraternities appoint for each chapter custodians with power to conserve assets of the chapter and to take such other action necessary for its unbroken existence as the war situation makes advisable. In appropriate cases the college itself might be appointed.

Not only were delegates warned of the problems ahead by fraternity leaders, but speakers from the outside made clear some of the dangers that threaten not only fraternities, but the very existence of colleges themselves.

Congressman John Sparkman, of Alabama, Pi Kappa Alpha, a member of the Committee on Military Affairs, in an address Friday morning stated that he feared the Army-Navy program to be announced later would be inadequate and that "we have not yet looked far enough beyond our strictly military needs, that in our great and commendable desire to win this war we may have overlooked the necessity of maintaining morale at home, and that we may have failed to see the importance of being ready to meet the greatest challenge of all time, the reconstructing of the world when this war is over."

After referring to the plans made in England and in China to maintain university education in the war, he said:

"The war news of recent days has been good, but we would be very unwise to gamble even yet on a short war and particularly so with such high stakes as giving up the training of per-

sonnel so badly needed to run us as a nation and losing the training facilities of many colleges and universities which might be forced to close their doors for lack of students.

"It is highly important to maintain morale at home if we are to have it on the fighting front. This cannot be done if communities are stripped of doctors, dentists, engineers, and others who are needed and cannot be trained overnight.

"It is my hope that the available facilities of all sizes and kinds of colleges may be used. I shall have faith in the ability and readiness, even if late, of the adversely affected institutions to work out a program showing how they can fit into it, and of their presenting that program to the various war agencies and to the President of the United States."

The failure of the authorities to release their program earlier made it impossible for Major William Gregory, Delta Kappa Epsilon, special assistant to the director of military personnel at Washington, to do much more than discuss possibilities of the ways colleges and fraternities may have to adapt themselves to the war-time conditions. He expressed the hope that liberal arts education would not be one of the casualties of the war, as predicted by President Edmund E. Day of Cornell, but indicated that college training will be limited to material that contributes to the war effort, and will be largely technical, preprofessional, and professional.

He predicted that the men sent to college by the U.S. Army will be of the ages of men admitted to West Point, between eighteen and twenty-two, and that conceivably they will be sent by the government to be trained for industry as well as for war.

These men will have fifty dollars a month above board and room to spend, making fraternity membership pos-

sible, but they will probably be housed as military units, with fraternity properties perhaps used in some cases for this purpose, and that fraternity life as usual will be out. Major Gregory suggested, however, there will be perhaps a small nucleus to maintain the chapters until the war is over.

One way in which fraternities can be a real help to the government, Major Gregory stated, will be to give young men sent to the campuses guidance and to make them feel that what they are doing in the classroom is important to the war effort, because they must be educationally equipped to replace experienced men in the now mechanized services who will be lost.

In answer to a question, Major Gregory stated that, as the main objective in sending men into colleges would be to give them an academic foundation, he believed they would not be too closely regulated, thus permitting them to enjoy fraternity activities.

That fraternities face financial problems was brought out by Hamilton W. Baker, Kappa Sigma, vice chairman of the conference, in reporting for the round table group on the function of the chapter householding corporation under wartime conditions. The total investment in chapter houses of the various fraternities, Mr. Baker reported, approximates \$100,000,000. The basic objective, he said, was to preserve ownership, but as an alternative, if necessary, to recover fraternity capital investment through the sale or the temporary lease of properties. The round table urged the revitalizing of corporate organizations in order to meet the immediate problems of depleted chapter rolls because of the lowering of the draft age. Difficulties concerning interest and principal payments should be anticipated, and, if necessary, the financial structure should be reorganized so that defaults could be avoided.

Thoroughly pessimistic as to the possibility of chapters continuing to function normally was the round table group on the national fraternity during the war. Dr. William H. Cramblet, Alpha Sigma Phi, president of Bethany College, in making the report, said. "The fraternity as we have known it is going to be one of the casualties of the duration. We may be able to operate this year. Our enrollments are good, and the pledging is satisfactory, but the program will be definitely changed as we go along, and fraternities as we know them will not continue beyond this current year. Already many houses have closed their dining halls, and the conference has recommended that fraternities consider the possibility of two fraternity chapters moving into one house. Under any armed program the question of meetings becomes difficult, almost impossible."

The round table felt that, as it is very desirable to keep in touch with the alumni, which will include men going into service, the fraternity magazine should be continued, although its character will change.

Findings of the group which discussed the undergraduate chapter during war time were presented by Fred T. Mitchell, Sigma Chi, dean of men at Michigan State College. Alumni and faculty advisers of chapters were urged to make undergraduates aware of the desirability of combining dining facilities or closing them if numbers became few. Chapters should be encouraged to continue their participation in "salvage for victory" campaigns. The group advocated liberalization of regulation to permit pledging and initiation without scholastic requirements. Discussion groups in chapter houses should be continued under qualified leaders, it was recommended.

The reports on the round tables were presented under the chairmanship

of the man responsible for their organization, Verling C. Enteman, Delta Psi. His final challenge follows:

"Fraternities are today facing the most serious crisis in their long and cherished history. The forces that would defile them but cannot destroy them are not forces from within, but forces from without. If fraternities are to survive there must be a unanimity of purpose and action not present in the past, since the entire fraternity system or chain is only as strong as its weakest link.

"Therefore, gentlemen, I give you a pledge. May each and every one of us during the ensuing year individually conduct ourselves as true fraternity men and as officers so guide our fraternities that when we all meet again next year, as I am confident we will, the world will know that fraternities stand in truth and in fact for brotherhood not only to their own members but to all mankind."

Helpful information concerning the functioning of the Selective Service program was presented by Captain Abraham Kaufman of the U.S. Army.

More than 100,000 fraternity members are in the armed forces of the United States, according to a report made to the conference by George Starr Lasher, Theta Chi. The number of men varies from 234 in one of the smaller fraternities, to 5,000 in some of the larger organizations. Twenty-four fraternities report 21,170 of their members have commissions.

A total of 515 members of 34 fraternities have so far lost their lives in service, while 11 groups report 129 men as captured or missing. Decorations or citations have been won by 53 members of 24 fraternities.

Officers of the National Interfraternity Conference were elected as follows: chairman, Scott Turner, national president Psi Upsilon; vice chairman, Leroy A. Wilson, Lambda Chi Alpha;

secretary, Warren C. Dubois, Delta Upsilon; treasurer, Maurice Jacobs, Philadelphia, Pa., Phi Epsilon Pi; educational advisor, Dean Joseph A. Bursley, University of Michigan, Ann Arbor; new members of the Executive Committee, Arthur T. Vanderbilt, Delta Kappa Epsilon, Hamilton A. Baker, Kappa Sigma, Boston, Mass., William H. D. Cox, Alpha Chi Rho, Fletcher D. Richards, Pi Kappa Alpha. All are from New York, unless otherwise designated.

Based upon a survey of the offices of deans of men throughout the country, the report of the War Committee made by Cecil Wilkinson, Phi Gamma Delta, chairman, indicates that fraternity chapters have become conscious of wartime problems and are modifying their programs as a result. Rushing expenses have been reduced to a minimum, social budgets are being cut through a ban on the employment of "name" bands, the elimination of favors, programs, corsages, and decorations, and the holding of joint fraternity affairs.

Other economies are being effected in fuel and light consumption, through the elimination of homecoming floats and decorations, cooperative buying, simpler menus, and the reduction of paid personnel by having members and pledges do more work. At the same time, accounts receivable are being watched more closely and bills are being paid more promptly. Board is being raised to meet increased cost of foodstuffs.

Hell Week is either being reduced in length or eliminated completely in most schools. Initiations are now held earlier, and men entering service are being initiated before they leave.

Fraternity men generally are contributing to the Red Cross "blood bank," wherever opportunity for that is available, and they are participating in other civilian defense endeavors.

Interfraternity alumni associations are functioning on only a few campuses, despite their value in supervisory fraternity management.

In answer to the question, Are the fraternities maintaining their professed spiritual values in these dark days? a very large proportion of the deans gave a forthright "yes," and emphasized it with comment in regard to the serious attitude that is being taken by the organizations.

Helpful information in regard to legal provisions was given by the Law Committee, headed by Alvin T. Sapsinsley, Zeta Beta Tau, concerning exemptions from the Federal Admissions Tax, the Federal Social Security Tax, and the Federal Income Tax, and the filing of necessary reports with the Government.

Each individual chapter has to file a return of Form 990 with the U.S. Treasury before March 1 each year, and each chapter realty holding corporation in order to get exemption from the Federal Income Tax must file an information return on Form 990 each year.

If chapters charge each member separately for attendance at a dance, admission taxes must be paid. Social events that are paid for out of a social budget, assessed at the beginning of the year, are not subject to the tax.

The establishment of the National Interfraternity Foundation, Inc., was announced at the Conference. This was organized and chartered to receive contributions for the financing of desirable interfraternity projects and the endowment of the general National Interfraternity Conference program. The trustees and their officers are: president, Henry R. Johnston, Delta Kappa Epsilon; vice president, Alvan E. Duerr, Delta Tau Delta; secretary, Harold J. Baily, Beta Theta Pi; treasurer, Leroy E. Kimball, Sigma Nu; trustee, Albert S. Bard, Chi Psi.

Uniforms worn by officers, program participants, and delegates, gave added consciousness of the war situation. Not only was the chairman, Major MacGregor, in uniform, but the men he called upon each day to give the opening invocation were likewise in uniform: Lieutenant Commander F. F. Gerhart, Phi Kappa Tau, chaplain of the Navy Receiving Barracks, Brooklyn, on Friday, and Charles E. Raynal, Jr., Pi Kappa Alpha, chaplain of the Receiving Ship at New York, on Saturday.

Noticeable was the absence of undergraduate fraternity members, the meeting of Region 1 of the National Undergraduate Interfraternity Council having been cancelled this year.

Myers, Beta, '14, Appointed to Federal Reserve Board

On January 2 the Federal Reserve Board announced the appointment of Dr. William I. Myers as a Class C director of the Federal Reserve Bank of New York City. Dr. Myers succeeds Dr. Edmund E. Day, President of Cornell University who has served as a director since January 19, 1939.

Brothers Myers is an alumnus of Beta chapter and a member of the class of 1914 of Cornell University. He is a past governor of the Farm Credit Administration from 1933 to 1938, president of Federal Farm Mortgage Corp. from 1934 to 1938, and a director of Federal Surplus Relief Corp. and of Commodity Credit Corp. At the present time Brother Myers is head of the Department of Agricultural Management and Farm Management of Cornell University.

Since his return to Ithaca, Bill has been quite active in the management of Beta chapter, as he was prior to his moving to Washington, D.C. in 1933. He is a loyal and true alumnus, of which we are proud.

THIRTY-FIRST ANNUAL CONVENTION

(Continued from Page 7)

honorary members shall be eligible as Directors. For the duration of the Second World War, the Convention may nominate a panel of three alternates to serve in place of any director who is in the armed services of the United States and unable to attend meetings. Said alternates shall attend all regular meetings but shall have no voting power, except in the absence of directors in the armed services, or lack of quorum for other causes, in which case they shall vote in their order of their election."

Bro. Boyd asked that the Nominating Committee have a slate of three alternates prepared before the close of the banquet, so that the convention might vote on them before adjournment.

Bro. Judd moved that the amendment to Section 1 of Article X which would limit the term of office of the Executive Secretary to five years be tabled. The motion was seconded by Sandlas and carried.

The Executive Secretary then discussed the condition of Upsilon chapter. Due to the war practically all the male student body of Fresno State had withdrawn from school. Bro. Sandlas moved that the National declare this chapter inactive until after the war at which time we would put it back in active status. Motion was seconded by Tepas and carried.

The Convention was recessed by Brother Boyd at 5:45 until after the banquet.

Due to the urgent need to conserve both time and money at this convention, the directors decided not to hold the traditional dinner dance, but to merely have a brief banquet to permit those who had to leave early to catch their train to do so. The banquet was

attended by about eighty-five delegates and Pittsburgh alumni.

The convention guest speaker for the evening was Bro. Fred M. Miller, Nu, '29, Special Agent for the F.B.I. in Washington, D.C. Brother Miller told of the training, life and duties of an F.B.I. man, and supplemented his remarks with movies. This type of work is one which appeals to many college graduates and all the delegates and alumni present were glad to learn of the F.B.I. qualifications and training from Special Agent Miller.

After Bro. Miller's talk the convention was then called to order by Bro. Boyd to hear the report of the Nominating Committee to fill the three alternative positions on the Board of Directors as created by the afternoon session. Chairman Sandlas reported the committee's choice for these positions were: First Alternate, Brother William Everts, Delta, '23; Second Alternate, Brother George Shaw, Alpha, '10; and Third Alternate, Brother Jacob Mertins, Jr., Beta, '20. There being no nominations from the floor the slate was unanimously elected.

There being no further business to come before the convention, the session was closed by the usual ritual at 9:30 P.M.

Although the convention covered only a few brief hours, much was accomplished, and all the delegates expressed a desire for a similar convention in the future.

SPECIAL CONVENTION

(Continued from Page 9)

1942-'43 due to the extremely heavy expenses of the Special Convention and the accelerated program of most of the schools. He recommended its adoption and seconded by Appuhn, and carried.

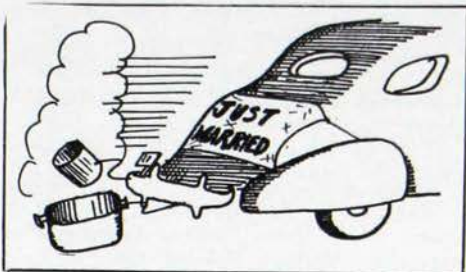

Treasurer Judd then presented the idea of alumni dues. He pointed out that many other fraternities have such a plan, and due to the possibility of some of our chapters becoming inactive due to the war, it might be necessary to resort to some other source of income. The delegates unanimously voted to refer this matter to the directors for consideration and action.

There being no further business to come before the meeting, President Boyd adjourned the convention.

All delegates and their guests had dinner together in the Century Room of the Hotel Commodore. The management of the Hotel had reserved the south end of the room for our party. After enjoying a very delicious meal, and watching the floor show, all delegates and National Officers parted determined to continue to build Kappa Delta Rho to even bigger and greater heights.

Marriages

Bro. Zollie W. Privett, Gamma, '45, was married to Miss Lois C. Robinson, August 30. The Privetts are living in Albany, N.Y., to permit Zollie to continue school.

On November 1, Brother George Nibbe, Eta, '42, was married to Miss Geneve Ann Ficker at the Zeta Tau Alpha Sorority House, Champaign, Ill. The Nibbe's are living in Indianapolis where George is employed at the RCA plant, as a designing engineer.

Brother Lyle Appuhn, Eta, '43, was married to Miss Mary Olive Flavell on July 4, 1942. The Appuhns are living in Champaign where Lyle is completing his senior year at the University of Illinois.

Brother William Weslow, Theta, '42, and Miss Verna June Nicol became one on January 2 at Lafayette, Ind. Mr. and Mrs. Weslow left immediately for Washington, D.C., where Bill is employed by the Naval Research Lab.

Brother Charles William Berry, Jr., Xi, '42, married Eleanor May Freeman, of Portland, Maine, on August 29. Bro. Berry is in the Army Air Corps.

On October 18 at Princeton, Ind., Brother Dean B. Foster, Nu, '42, took Miss Martha Maxine Pace for better or for worse. The Fosters are living in Lawrenceburg, Ind., where Dean is employed by Seagrams.

Lt. Roger P. Williams, Lambda, '34, married Miss Frances Marietta Taylor on October 28, at Durham, N.C. Lt. Williams is attending the army school at Duke University, Durham, N.C.

Bro. Willard Harold Johnson, Upsilon, '40, was married to Miss Margaret Theresa Tupper at Pasadena, Calif., on October 2. Bro. and Mrs. Johnson will live in Downey, Calif.

Brother Archie Steele, Theta, Ex '42, to Miss Catherine Moss, on August 29 at Dotham, Alabama.

Brother Frank Myers, Pi, '33, was married to Miss Helen E. Pryor on September 21 at Possville, Ga. Mrs. Myers was a member of the nursing corps at Camp Forest, Tenn. The Myers' are now living in Gettysburg, Penn., where Frank is attending the Seminary.

Bro. William Calvert, Zeta, '44, was married to Miss Eleanore Galt on December 26, 1942. Mr. and Mrs. Calvert are now living in State College where both are continuing their education at Penn State.

Births

Mr. and Mrs. David M. Williams, Iota, '38, became the proud parents of a son, David Morgan, Jr., on September 8, 1942, at East Orange, N.J.

Mr. and Mrs. Roy F. Anderson, Theta, '37, announced the birth of a son, Eric Christian, on July 12, 1942 at Bartlett, Ill.

To Mr. and Mrs. Ray Iden, Eta, '31, on August 22 at Chicago, Ill., a son, Robert George.

Mr. and Mrs. Orrin G. Judd, Delta, '26, announced the arrival of Betsy Ann on May 22 in New York City. Bro. Judd is the National Treasurer of Kappa Delta Rho.

Dr. and Mrs. Hugh Gilmann, Xi, '26, received a son, Thurston Jean, on October 17 at Calais, Maine.

During the summer Mr. and Mrs. C. H. Davis, Eta, '28, announced the arrival of twin girls at their house. This is the second set of twins for the Davis'.

Mr. and Mrs. Al Whitlock, Eta, '34, announce the arrival of a son on August 22.

Mr. and Mrs. Robert Anderson, Eta, '34, became the proud parents of a daughter on September 1.

A son to Mr. and Mrs. Clyde W. Johnson, Eta, '28.

Elwood Becomes Youngest Judge

The following is as a reprint which was taken from the Indianapolis *Star* on January 2.

"Fowler, Ind., Jan. 2.—W. Douglas Elwood, thirty-one-year-old Boswell attorney and former Benton County prosecuting attorney, Friday became the youngest circuit judge ever inaugurated in Indiana.

"He was graduated from Arsenal Technical School (Indianapolis) in 1929, Butler University in 1933, and Indiana Law School in 1936. He began practice here the same year. He is married and has a son."

Brother Elwood is an alumnus of Omicron chapter, class of '33, Butler University, being initiated into the Fraternity on March 9, 1930. While in Indianapolis he was one of the hardest workers for the alumni association and whenever he is in town he always attends the meetings.

Chapter Eternal

ENSIGN PHILIP C. WRIGHT, ALPHA, '40

Ensign Philip C. Wright, Alpha, '40, was killed recently in an airplane crash while doing some practice flying at Pasco, Washington. Exact date has not reached this office. Phil was born in Washington, D.C., on May 4, 1919 and was initiated into Alpha chapter on February 15, 1937. Brother Wright enlisted in the Naval Reserve Corps soon after graduation from Middlebury in 1940.

LT. WILLIAM M. MILLER, ALPHA, EX '42

Lt. William M. Miller, Alpha, Ex '42, was killed in action on September 23, 1942 in Hawaii. Bill was born in Kingston, Ontario, on November 22, 1918 and was initiated into Alpha chapter on February 13, 1939. Lt. Miller enlisted in the Army Air Corps in 1940 and received his wings from the Air Corps School at Moore Field, Texas in August 1942.

LT. WILLIAM CHARLES, ZETA, '41, KILLED

Lt. William Charles, Zeta, '41, was killed on November 17, 1942, during a routine flight at North Field, Tullohoma, Tenn. Brother Charles had just lifted his plane off the ground when it crashed. Brother Charles had received his wings and commission last April at Spence Field, Georgia. He was attached to the 118th Observation Squadron at North Field, Tullohoma, Tenn., at the time of his death.

Lt. Charles was born at Lancaster, Penn., on Sept. 24, 1920 and was initiated into Zeta chapter of Kappa Delta Rho on February 20, 1938. After receiving a military funeral with honors his body was brought home to Lancaster, Pa., for burial.

His brother, Richard Charles, is an undergraduate at Penn State, and also a member of Zeta chapter. At present he holds the office of Proprietor.

Patrick William McIntyre Killed in Far East

By DICK NEFF, Theta, '44

Theta Chapter's first casualty in World War II occurred on June 5, 1942. The man was Capt. Patrick W. McIntyre, Jr., Air Corps, who was graduated from Purdue in 1935 as an aeronautical engineer. Only two months before there had been much rejoicing at Purdue when it had been announced that Pat had received the Distinguished Service and Flying Crosses.

Brother McIntyre was born in Chicago on January 26, 1913. All of his life was spent there until he started away to school. He attended St. Bride's Parochial School and Tilden Technical High School, from which he was graduated in 1931. In the fall of that year, Pat entered Purdue to become an aeronautical engineer. On January 7, 1933, Pat, a sophomore, was pledged to Theta Chapter of Kappa Delta Rho, and was initiated shortly thereafter on April 9, 1933. While at Purdue, he took the Advanced R.O.T.C. course, and received a commission as a second lieutenant in the field artillery reserve upon graduation. Brother McIntyre went to active duty shortly after graduating in 1935, and transferred to the Air Corps. The Air Corps sent him to Randolph and Kelly fields for his training. Upon receiving his wings, Pat was sent to March Field in California, and then to Albuquerque, N.M. During his tour of duty at Albuquerque, he married the former Willo Henne of Pigeon, Mich. A daughter was born to the couple shortly before he was sent to the Far East.

In the March 30, 1942, issue of Life Magazine, Pat's picture appeared in Life's Honor Roll. The article stated that he had received the Distinguished Service Cross for his outstanding participation in bombing operations in the

Capt. Pat. McIntyre, Θ, '25

Java area. This, however, was the only report regarding this award. Capt. McIntyre's service record as furnished by the War Department does not mention that he received this award.

On March 31, the Head of the United States' Bomber Command in the Far East announced that seventeen men had been cited for a bombing raid on Davao Bay, on the southern part of Mindinao, and that all of these men had received the Distinguished Flying Cross. Capt. McIntyre was one of these men. The mission involved a flight of about 1300 miles from their field to the Jap base. It was reported that a Jap cruiser, three smaller craft, many gun emplacements, and much

material and supplies had been destroyed, in addition to other damage which was not listed. The weather through which the flyers picked their way was described as "the worst ever encountered."

The War Department report continues, stating that Capt. McIntyre killed in the Far Eastern Theater on

June 5, 1942, "in an airplane accident not a result of enemy action."

Those who knew Pat in school say that he was an all around good fellow, the personification of the Kappa Delta Rho standards and ideals. From all that has been said of Brother McIntyre, one is certain that he was a "true Kappa Delt" to the end.

Henry M. (Lefty) Gregorski, Ex-'42

By CLARENCE DUNN, Eta, '43

Henry Gregorski, H, Ex-'42

Henry M. Gregorski, better known as "Lefty" by his many friends, a member of Kappa Delta Rho since the spring of 1941, was killed in an airplane crash at the Grove City College Naval Reserve Training School near Forestville, Pennsylvania, October 5, 1942. The young flyer who was born and lived most of his life in Canonsburg, Pa., was flying solo in a single-seated training plane which went into a tailspin from which he could not

pull out. Enlisting in the Naval Reserve in late August, Lefty was taking the eight-weeks training course sponsored by the Navy. He had soloed several times during the last two weeks before his tragic death and was known to be making excellent progress, being rated the number one man in his class.

Brother Gregorski was born July 4, 1919, in Canonsburg, Pennsylvania, the son of Mr. and Mrs. Stanley Gregorski, both of whom are still living. Also surviving him are two brothers, Alexander, in the armed forces somewhere in England; and Matthew (Mickey), who resides in Chicago, Illinois; and one sister, Mrs. Mary Constantini, Steubenville, Ohio; and his fiancée, Miss Evelyn Feist of Canonsburg.

Lefty was a graduate of the Canonsburg high school in 1937 and while in school there was a member of the cross country and track teams. He was also an excellent swimmer and diver, evidenced by the fact that he was manager of the Canonsburg municipal swimming pool during the summers of 1940 and 1941.

In September, 1940, Brother Gregorski enrolled in the Pre-Medical School at the University of Illinois, in which he made fine progress before joining the Naval Reserve. Living with Dr. and Mrs. Harold M. Osborn (Harold Osborn, '22), during his first

year at Illinois, Lefty also worked in the supply room of the McKinley Hospital, the university hospital. At Illinois, Brother Gregorski was a member of the swimming team on which he was a proficient diver. His other activities included Phalanx, a military honorary, and the R.O.T.C.

Six Eta members traveled from Illinois to Brother Gregorski's home to assist in the funeral services as pall bearers. These were: Consul Donald Merriman, Lyle Appuhn, Jack Boyd, John Cape, Ralph Hankermeyer, and Dr. Osborn.

GEORGE DAVIS, ZETA, '27

Brother George Davis, Zeta, '27, died suddenly at his home in Scranton, Penn., during the latter part of May, 1942. George was born July 5, 1904 and was initiated into Zeta chapter in November 1923. He graduated from the Commerce and Finance School in 1927 and for some years he had operated a chain of stores in Scranton, Penn.

WAR ACTIVITIES

The "get-in-the-scrap" drive at Midd wound up to a highly successful conclusion with the local KDR chapter throwing all its trophy cups into the scrap pile. We quote from the columns of the Campus, the undergrad sheet, "Many of the fraternities unearthed useless and hitherto obscure articles to donate to the cause: the contribution of one was the battered remnants of a car, loaded with bed springs and other metallic junk, which was rolled down to fill a conspicuous place on the

Byers, Theta Honorary, Joins Gettysburg Faculty

Prof. Cecil W. Byers, honorary member of Theta chapter of Kappa Delta Rho, was appointed the new instructor of physics at Gettysburg College at the beginning of the fall semester. Bro. Byers was associated with Theta chapter during its formulative days in the early twenties. Although a graduate student at the time, he took great interest in assisting the local which later petitioned Kappa Delta Rho. He did not come into the fraternity at the time of the installation of Theta chapter, but was later taken in as an Honorary member.

Bro. Byers originally was from Boonville, Ind. He received his A.B. from Indiana University, obtained his master's degree from the University of North Dakota, and did work on his Ph. D. at Purdue. Prof. Byers spent twenty years teaching at the University of North Dakota before coming to Gettysburg.

pile. This same fraternity, it should be noted, is the only one to have decided to give its athletic cups to the national scrap drive."

WAR CASUALTIES

Word of the deaths of two brothers was received several weeks ago. Ensign Philip C. Wright of the Naval Reserve Corps was killed in an airplane accident at Pasco, Washington. He was a member of the class of 1940 and while here he was known particularly for his participation in the college choir among other activities. He had earned his wings in July of this year.

Second Lieutenant William M. Miller of the class of 1942 was killed in an airplane crash on September 23, in Hawaii. While at Midd he won his letter for football and basketball. He enlisted in 1940 and graduated from the Air Corps school at Moore Field in Texas last August.

SOCIAL

All the fraternities at Middlebury gave up their formal dances this year and cooperated by arranging an Interfraternity Ball, at which Reggie Childs and his orchestra played. The ball was held on the traditional Soph Hop date, November 25, the sophomores having given up the date.

Under the direction of Ferd Ensigner, the social chairman of the house, the social season to date has been marked by good times in rapid succession. Woman-hater Lot Page was even persuaded to perform on the ocarina on the occasion of one of the tea dances, thus contributing to the general enlivenment.

The house is looking forward with grim anticipation to the expected decimation of its ranks after mid-year. Just who will be left is a matter of speculation.

INTERMURAL SPORTS

The interfraternity sports program is proceeding apace with frequent contests of volleyball. The fall season came to a close with KDR winning 6 out of 8 touch football games, 5 out of 8 tennis matches, and 2 out of 8 golf games. So far in volleyball KDR has won three games and lost three.

PLEDGING

The pledging season was rather successful this year in quality if not in quantity. Tom Asquith, Constantine Broutsas, Sebastian Cocola, Bob Dossin, Dick Fulton, Chuck Gies, Charlie Puksta, and Bob Watson are the '46-ers. The initiations were a sight for sore posteriors. Truly a noble affair, carried off with precision and grandeur, and emphasis in the proper

places. The chapter's house privilege Jim Brucks also went through the initiation, much to his regret. The final score: one man in the hospital (no direct connection), one man passed out (due to football injuries) and one man was called by the army, then deferred.

Beta

Cornell

Time marches on and another term has slipped by. We have been plagued by all sorts of rumors, and ERC has been called, the Army is taking over the house and even Brother Maloney had most of us in the Army a few days after the New Year. Now we have all become philosophical and stoically await our fates. As things stand now, we shall remain open next term although we shall lose several of our brothers to the armed services.

INTERMURAL SPORTS

Touch football occupied the spotlight in the sporting scene early this fall. And after winning our first contest against Alpha Delta Phi, we proceeded to drop the next three games and win the last two. A .500 average isn't too bad, but it's not the kind that wins championships.

Lately the athletic prowess of the house has been turned to basketball. With one of the best teams in years composed of several high school stars, Tom Clements, Bill Lehr, Howie Blair, and some of the old stand-bys. We lost our first game. We then won the next two and last Thursday evening dropped a close one to Deke. It's still a good team and all the fellows are really enjoying themselves! Now everybody ought to be happy.

RUSHING

We had a great deal of success this year and have already initiated eight men—Willard W. Lehr, a boy from Pittsfield, Maine, and a hotel student. Bill's dad owns the Lancy House in Pittsfield, and it's rumored that it is a

good hotel. Joe Wesley is a husky lad from Cooks Falls who is studying Agriculture. George and Nick Kustas are a couple of real Greeks from Poughkeepsie. George is a Senior in the School of Arts and Sciences and the only man in school studying the Classics. Nick is a freshman in the school of Arts and Sciences and is a living reproduction of Mr. Five by Five. Norm Young is also a freshman in Arts and Sciences from Fillmore, New York. Norm is making an excellent scholastic record. Mark Kachigian, a poultry major from Kingston, New York, is a member of the Big Red Band. Bill Brucker is a Junior engineer from Baltimore Polytechnic Institute. Norm Hoag is a Senior engineer from Roxbury, New York. Norm is a varsity soccer man. Other pledges are Norm Tagg, E.E., '46, Charles Tausig, Chem. E., '44; Lee Heidrick, Ag., '43; Tom Clements, Chem. E., '47, and Howie Blair, '46, Arts and Sciences.

SOCIAL ACTIVITIES

We have had one House Party this year which was quite a success, and are now looking forward to the first big organized event of the year, the Victory Weekend. Bobby Sherwood will supply music for the Victory Ball.

To all of our brothers in other chapters who are leaving for the armed services in the near future, we of Beta wish all the luck in the world and hope some of us may meet some of you on the way to Tokyo or Berlin.

BERNARD C. SMITH.

Gamma

*N.Y. State College
for Teachers*

RUSHING

Gamma of Kappa Delta Rho, under the leadership of rushing chairman William Marsland, '44, concluded its most successful rushing season in several years by pledging 14 freshmen and one senior. Judging either from the standpoint of quantity or quality,

Gamma may be said to have pledged the cream of the freshman crop.

Those pledged were: Waldemar Block—Waldemar is the tallest man in the freshman class (he hovers around the 6'4" mark) and comes from the bustling little metropolis of Shodack Landing.

Martin Bortnick—If you happen to drop in at college and see a husky blond freshman making eyes at the pretty girls—that's Marty.

Richard Chillemi—What Dick lacks in size he makes up in personality. He's from Tarrytown, N.Y.

Walter Cummings—Here comes the pride of Ossining, N.Y. Walt played end on the Ossining High School football team last year.

Michael Ganackus—Mike is a big man around school, as anybody who played against him in intermural football will testify. He weighs 235 pounds—and it isn't fat.

Albert Laurie—Al is from Frankfort and is considered the best piano player in college. You should hear him jive out on some boogie woogie music. Really solid!

Robert Merritt—A brother of one of Gamma's brothers, Bob brings with him the blessings of Watertown.

Peter Porcino—"Mister Five-by-Five"—but it's solid avoirdupois. Pete was the star tackle of the Binghamton North High School football team last fall.

John Riccardo—Although John scored a touchdown in the last 50 seconds in intramural football game to defeat the Gamma Gladiators 12-7, we will forgive him—providing he does the same next fall for K.D.R.

Bradley Scrafford—He must be a good man. He's from Albany, the capital of the Empire State (That's my home town, too. A fellow commuter is always welcome.)

Terrence Smith—Terry was elected by the pledges to act as their chairman

this year. He played on the Ossining High football team last year.

Roger Wall—The last of the three musketeers from Ossining is a tall good looking blond and one of the more popular members of the freshman class.

Robert Wesselman—Although Bob's a senior we'll enjoy having him around for the rest of this year.

Dale Wood—Dale lost being elected president of the freshman class by only 5 votes—in a class which is 70% feminine. He must have that certain something.

John Woods—Last but not least, Lanky, cheerful John is the favorite son of Harrison, N.Y.

VARSITY ATHLETICS

With the basketball season getting under way, Gamma's only representative on the varsity, "Bolo" Marsland, will again be in there fighting for the Purple and Gold. "Bolo" was one of the mainstays of the team last year, his fighting spirit and his play under the basket being especially outstanding. Gamma has four men who have shown up well in practice and have earned places on the Junior Varsity. They are Pledges Marty Bortnick, John Riccardi, John Woods and Dale Wood.

INTERMURAL SPORTS

Gamma's intermural basketball team is expected to be much stronger than last year and must be considered the dark horse of the league. The team will be chosen from Owen Bombard, Fred Beyer, Bob Leonard, Ray Verrey, Al Stone, and Ray McNamara, all of last year's team; "Zombie" Privett and Joe Tassoni, from last year's frosh team; and Curt Pfaff, Dick Beach and Harry "Master" Baden from the dorm team. A strong team can be chosen from those named and with a little practice they may be able to finish high in the standings.

The intramural football season just closed with K.D.R. in 5th place with a mediocre record of 3 wins, 3 losses

and one tie. At times the team looked very weak—as in the Kappa Beta game, for example, which they lost 19-0. At other times they flashed as much power at any other team in the league. Against Potter Club they tied 6-6. Potter came from behind in the last quarter to tie, after being outplayed for three quarters. Potter then went on to capture the championship, winning every game but this one. K.D.R. went to town against the Finks, winning by 25-0—which was the largest score rolled up against the Finks all season. This was the last game of the season so the boys really gave all they had. They showed an excellent passing and running attack and had an air tight defense, the Finks never threatened to score.

Those who gave their all for the Gamma Gladiators in the gridiron games were under the leadership of Captain Ray Verrey, the signal caller. Bob Leonard and Dick Beach rounded out the backfield while the line was chosen from "Bolo" Marsland, Fred Beyer, Ray McNamara, "Master" Baden and Al Stone.

SOCIAL

The social committee of Herb Le-necker, '43, Fred Meyer, '44, and Curt Pfaff, '45, are still receiving congratulations for the three excellent rushing parties which they arranged this fall. There were dancing, movies, games, etc. At the parties refreshments were served downstairs in the bar room. The last two parties were old clothes parties. One of them was a "come as you are when you're asked" party. It brought out many strange costumes. The final party featured the singing of the fraternity hymn by all the brothers.

On November 24, the day before Thanksgiving vacation, the brothers had a tea dance and a dinner at the house. Needless to say, a good time was had by all. The menu included turkey with all the trimmings and was topped off by a delicious cake which

had KDR inscribed in icing on the top.

The pledges are planning to throw a party for themselves to take place sometime after Christmas vacation.

FRATERNAL

When Consul Jack Smith, '43, transferred to Cornell this fall, Robert Leonard, Senior Tribune, took over the duties of Consul. At a meeting held early in the fall Owen Bombard was elected to be Senior Tribune, to replace Leonard.

Three men were formally initiated into the brotherhood of Kappa Delta Rho this fall. They are Glen De Long, '45, Richard Beach, '45, and Ray Verrey, '44. Gamma is proud to be able to call them "Brothers."

Due to the fact that William Marsland found it necessary to resign as Junior Tribune (or pledge master) because of other activities, Ray Verrey was elected at a recent meeting to fill his place.

Several brothers were not rushing for Gamma when the college opened this fall. A check-up revealed that they had answered the call to arms. Collin Barnett, '45, is stationed with the Marines at Quantico and Bob Gleason, '44, is in the medical detachment at Camp Shelby, Miss. Warren Wagner, '43, who left school last February, is in the ground crew of the Army Air Corps. Pledge Nick Murphy is now an apprentice seaman and is stationed at Newport, R.I., while Pledge Al Meschter is a midshipman in the merchant marine.

Delta

Colgate

DR. FRANK C. EWART

Delta finds herself at this time grieved by the loss of her beloved friend and benefactor, Frank C. Ewart, who died at his home on Monday, September 28. Dr. Ewart was the founder of Phi Society, a national honorary society for college sophomores whose freshmen scholastic records have met the

Phi Beta Kappa requirements. He was also past National President of Kappa Delta Rho, helping to add nine chapters to the fraternity. In 1917 he lent Delta sufficient funds to finance a chapter house. The brothers of Delta paid their respects to Dr. Ewart by attending his funeral en masse.

INITIATION

On August 3, Delta initiated nine new men into the brotherhood, all members of the class of '45. These men included Don P. Hansen, William S. Foster, Guy and Roger Nicosia, Fowler Wilson, Garth Thurston, Bob Hoelzer, Bob Koch, and Ken Tate. Also welcomed into the brotherhood at an earlier date was Bill Montgomery, a member of the class of '44. Among these new men Delta is looking with expectant glances for the future leaders on the Colgate campus. So far as pledging is concerned, Delta found herself the leader on the campus having pledged two men out of the January class of thirteen. Only two of the brothers and two pledges found it impossible to return for the summer session and of those who did attend, found it both fun and instructive as has been shown in the increase on the scholastic standing of the chapter.

SPORTS

Baseball was the only major sport on the campus during the summer but Delta was nobly represented by Bob Burlison at the backstop position. Intermural sports flourished. Although no world beater, Delta held her own especially in golf where Bros. Hall and Baltz went through the tournament unscathed until the 20th hole on the final round of the playoff. This fall Brother Orlando is well established in the left guard slot of the varsity football team while Pledges Dughi and Read are threats to the opposition at the fullback and end positions.

SOCIAL

The summer session was highlighted by a formal dance held over the week-

end of the 17th of July. A formal dance was held on Friday night with fourteen of the brothers and their dates resplendant in summer formals. Saturday the party-goers enjoyed a picnic but were saddened by the failure of a local farmer to provide a hay wagon for a scheduled hay ride but the spirits soon changed with the clothes and a record dance was held. Even the hot, muggy weather did not put a damper on the spirits and when the last date had left everyone agreed that Delta had had one of the best parties of her history.

SPECIAL

Of great interest both to the Colgate campus and the college world was the inauguration of Colgate's ninth president, Everet N. Case which took place September 24. In the line of march were Delta's senior class and alumni brothers Everts, Garland, Rockwell, Hoben and Stanley.

Prominent on the campus are Brother Hall, member of Konosioni, senior honorary society, secretary of the Senior class and member of the Athletic Governing Board of the University; Brother Thompson, busines manager of the Colgate Maroon, student publication, and Student Senator; and Brother Orlando, member of Maroon Key, junior honorary society. In Washington with the Study Group is Brother Bishop.

Definite house improvement has taken place and the house now boasts the best dining room on the campus, all the redecorating having been done by the brothers.

Delta is proud to have the honor of having 90% of her men enlisted in the various reserve programs.

ROBERT BISHOP.

Epsilon

PLEDGES

The system of pledging this year was changed from that of preceding

years. We inaugurated the change whereby the responsibility of rushing was placed in the hands of each member of the active chapter instead of with one rush captain. The delegates from different parts of the state constituted the campaign in their own local regions during the summer and this fall all the members engaged in rushing activities on the campus.

We are proud this year to have one of the finest pledge classes of Epsilon. The members are as follows: Jack Zeigert, South Bend; Louis Major, South Bend; De Los Lonzo, South Bend; Jack Wagoner, Plymouth; Donald Winsted, Plymouth; Daniel Bennett, Morgantown; Eugene Addington, Booneville; Clinton Daugherty, Elhora; Kenneth Kerns, West Baden.

INITIATION

Epsilon held its annual fall initiation on October 13, and in the ceremonies neophytes Jack House, Vevay, and Stanley Hougham, Franklin, were accepted into the brotherhood. Refreshments were served and congratulations were in order.

Also, this year we are happy to have with us two transfer students from Nu and Delta Chapters. John O'Brien of Indiana University and Lester Loomis of Colgate University are the new additions to our active chapter.

VARSITY SPORTS

This year at Franklin three Kappa Delts were elected to the positions of captains of the major varsity sports. Paul Hendrix is captain of basketball, James Early football captain, and John Lester William Duncan is baseball captain. So far as is known this is the first year that any one organization on the Franklin campus has been honored with the captains of three varsity sports.

BROTHERS IN SERVICE

The following boys are the recent members of Epsilon that have gone into the armed service of our nation.

Franklin

We are very proud to claim them as brothers and wish them the best of luck. Ensign Wm. A. Wilson, '41, U. S. Navy; Pvt. Albert Porter, '41, U. S. Army; Pvt. Rue Gene Starr, '42, U. S. Army; Pvt. Lee H. Erbaugh, ex-'42, U. S. Army; Pfc. Stephen Clouse, ex-'42, U. S. Army.

ALUMNI

Among the principle aims of the chapter this year is to establish a closer association with the alumni of Epsilon. We feel that closer contact is beneficial to both the alumni and the active chapter in the fostering of good will and to lasting brotherhood. Under the leadership of Consul Wendell Keller a meeting of the old grads was drawn up and held at the house in September. Old friendships were renewed and new ones cultivated as discussions took place. The plans for more alumni meetings and a greater get-together were made and the meeting was adjourned with promise of a successful season at hand.

INTERMURALS

Epsilon is leading in intermural parade on the campus this year in the first of the series of events. In softball so far we have been undefeated in six games of the tournament. This year's team promises to uphold the long string of consecutive wins in softball of the Epsilon team which has been unbeaten in two years of intermural competition.

The intermural program of the college this year is in the hands of our brother Gene Fisher who is doing a very commendable job.

Zeta

Penn State

INITIATION

On December 13, 1942, eight pledges were initiated into our fraternity. The new brothers are Frank Adams, David Andrew Carleton, John Alan Grimes, Robert Farrar Holstead, Julian Webster Jennings, Marshall Eugene Jen-

nings, Eric Rolf Rude, and Paul Franklin Schweitzer.

The house was full this fall. In fact, it was slightly crowded, but now that the army, navy and marines have claimed quite a few of the brothers we have again started rushing. One new pledge, Jack Murphy, has pledged and four or five more students are expected to be pledged. Jack is a rugged edition of his older brother Hugh, who is now a senior.

ELECTION OF OFFICERS

The house held its regular fall elections and the new officers are as follows: Consul, James F. Farrell; Senior Tribune, Hugh A. Murphy; Junior Tribune, James R. Loughran; Praetor, Robert F. Chipak; Pontifex, James R. Cope; Centurion, Richard L. Fuchs; Quaestor, Robert F. Chipak; House Manager, Elmer P. Deihl; Ass't House Manager, Paul B. Gottschall, Robert G. Norton; Propraetor, John R. Charles; Social Chairman, James A. Noble; Ass't Social Chairman, Robert G. Norton.

ZETA'S ARMY

November 17 Zeta's first Gold Star was added. Brother William Charles, '41, was killed as his plane crashed after taking off on a routine flight. Brother Charles was stationed at North Field, Tullohoma, Tenn., where he was attached to the 118th Observation Squadron. A few days preceding the burial at home Brother Charles received a military funeral with honors. Brother Charles had previously been stationed in Philadelphia with the Third Interceptor Command. This was his first assignment after receiving his wings and commission last April at Spence Field, Georgia.

Brother Ed Landon, '40, an Ensign, is stationed with the British Embassy in London, England. Brother Donald Boston, '44, is also reported to be somewhere in England. Brother Jack Kelly was last reported to be in the South with the Artillery. Pledge Sing-

house is now a sergeant in the Marine Corps. Brother Marmion, '41, is now a technical sergeant in the Air Corps in Chicago. Brother Seigle, '41, is stationed in New Orleans with the Air Corps as a navigator. Brother McCreary, '44, is attending officer training school in Kansas for the cavalry. Brother Ogden, '45, is stationed in Memphis, Tenn., with the Navy. Brother Cook, '45, and Brother Reitz, '43, are stationed at the torpedo school in Long Island. Brother Jennings, '46, just left for the Marines and Brother Noble, '45, is leaving soon. Brothers Ivory, '45, and Leopold, '46, leave very soon for the Army.

SPORTS

Zeta has been very active in the fall sports. Brother Dave Carleton ran freshman cross country coming in fourth in a meet against N. Y. U. Brother Bob Holstead assisted Dave by helping to manage the team.

Brother Dick Cope was made a member of the Blue Key Society of which he was elected vice-president and also became manager of the swimming team.

Our intramural football team was upset the first game by the Betas who went on to win.

The boxing intramurals again found us well represented, but we didn't win although Brothers McCormick, Grimes, Charles, Jennings, Star, Schweitzer, and Norton did their best. Brother Marshall Jennings in the 145-lb. class and Brother Paul Schweitzer reached the semi-finals.

Brothers Eric Rude, Frank Adams, and Dick Charles are out for the wrestling team. Brother Frank Adams represented the freshmen in the heavyweight division, and Brother Charles the sophomores in the 155-lb. class in the inter-class fights.

Our basketball team being bolstered by our freshmen basketball star Dave Carleton promises to go on to a victorious season. Brothers Chipak, Nel-

son, Murphy, Kline, and Charles, making up the rest of the squad. Brother Roger Nelson is out to help State have another successful season in ice hockey and with "Speedy" Roger on the wing we should do it.

SOCIAL EVENTS

Due to the war, social events like many other things are being cut down by Zeta. Zeta has had a few parties this fall. The big affair was our annual initiation banquet and dance in November. Brother Les Stine and his Penn State Aristocrats furnished the music. It was a gala affair as vouched for by everyone who attended. This year the lack of imports at the dance was a big change. It seems the Penn State coeds are getting to be the rage with Brothers Noble, Cope, Matz, and Charles being pinned to them.

The Delta Gamma sorority was entertained at a dinner with a victrola dance following the dinner until all adjourned to the basketball game.

Brother Bill Calvert made his fatal step when he married Mary Eleanore Galt the day after Christmas. The happy couple is now residing in an apartment in State College.

KAPPA DELTA RHO CAPTURES ANNUAL FALL HANDICAP MEET AT ILLINOIS

Placing a man in every event except the 100-yard dash and the discus throw, Eta swept to an easy victory in the annual fall handicap track and field meet, held in Memorial Stadium October 10 and 11, scoring 51 points. The second place team garnered only 22.

Eta's 880-yard relay team, composed of Pledges Bill Beile and LeRoy Vranek, and Brothers Bob Crane and Bob Seib, also won the first place trophy, shattering the previous handicap record of 1:39.5 by covering the distance in

1:36.4. No handicaps had been given them in this event.

Lee Vranek led the individual scoring with 14 points and Crane was second with 11. Brother Seib just barely the record in the mile run as did Brother Clarence Dunn in the two-mile.

Here is how Eta men scored 51 points:

220-yard dash—Vranek (2nd).

440-yard dash—Beile (2nd).

120-yard high hurdles—Crane (1st), Vranek (3rd).

220-yard low hurdles—Crane (3rd).

880-yard run—Beile (2nd), Seib (3rd).

One-mile run—Seib (1st).

Two-mile run—Dunn (1st).

880-yard relay—First.

Shot put—Hankermeyer (3rd).

Javelin throw—Vranek (1st), Crane (2nd).

High jump—Crane (3rd).

Broad jump—Vranek (1st), Hankermeyer (2nd).

Pole vault—Crane (3rd).

ETA CAPTURES INTERMURAL TRACK CHAMPIONSHIP

Paced by the sprinting of LeRoy Vranek, and with five first places, Eta walked away with the first place intermural track championship trophy this fall. Pledge Vranek accounted for three of the five first places by himself, triumphing in the 100-yard dash, the 220-yard dash, and the 220-yard low hurdle events. Pledge Bill Beile won the 440-yard dash and Brother Ralph Hankermeyer won the broad jump as well as tying with three others for third in the pole vault.

Eta had a total of $25\frac{3}{4}$ points while the second place team had $18\frac{1}{2}$.

VARSITY SPORTS

Under the guidance of Dr. Harold M. Osborn (Eta, '22) the University of Illinois cross country team completed a successful season in which two other Eta members distinguished themselves. Brother Clarence Dunn led the team in every meet, placing third in

the Big Ten Conference meet and sixth in the National Collegiate Meet. Brother Robert Seib, who made a fine showing running the mile in the track last spring, was also a leading runner on this team. He finished close behind Dunn in almost every meet and was 26th in the National meet.

BROTHER DUNN ELECTED NEXT YEAR'S CROSS COUNTRY CAPTAIN

Brother Clarence L. Dunn was elected captain of the 1943 cross country team at the team's banquet a few weeks ago. As a sophomore, Brother Dunn was one of the leading runners on the team as well as in all other collegiate competition. He placed third in the Big Ten Conference meet and 25th in the National Collegiate meet that season. In the season just completed, he was the most consistent runner, leading his teammates on every occasion. Again he was 3rd in the Conference but was 6th in the Nationals.

PLEDGE DANCE—

SATURDAY, DECEMBER 5, 1942

Though not nearly as elaborate as past pledge dances, because of the restrictions set by the Inter-Fraternity Council, Eta did entertain its pledges with a highly successful pledge dance, held Saturday evening, December 5. It was an informal dance, without elaborate decorations, to which everyone came "in their best." Brother Douglas A. Skoog, '40, from Oregon State and now an instructor of the Chemistry faculty at Illinois, and his wife were the chaperons.

INITIATION

At 2 A.M. of the opening day of this semester, September 16, 1942, the following four men were initiated into the Eta chapter: Eugene Bruno Quadri, '45, in Mechanical Engineering, from Northbrook, Illinois; Eldon John Brunner, '45, in Mechanical Engineering, from Reddick, Illinois; Harvey Jackson Boyd, '45, in Mechanical Engineering, from Lewistown, Illinois;

Robert Leo Crane, '43, in Agriculture, from Bridgeport, Illinois.

Al Lewellyn, Chicago, Commerce, '45, was to have been initiated along with these other four, but was reported lost at sea only a few days before. Al and a buddy were on a pleasure cruise on Lake Michigan, but after three weeks failed to return home, nor was his boat reported. It is feared that the boat capsized and that the boys drowned. Little hope is held for them now.

PLEDGING AND DEFERRED RUSHING

Fearful predictions that there would be no one on the campus to rush this year failed to materialize when Rush Week started early in September. By the time the period of "dates" was over, Kappa Delta Rho had one of its best pledge groups of recent years.

Fourteen neophytes are wearing the pledge badge and living in the chapter house. They are: Jack Appuhn, '44, in Commerce, from DuQuoin, Ill.; Jack Stumpe, '46, in L.A.S., from Pinckneyville, Ill.; Edward Bach, '46, in Commerce, from Northbrook; Lee Scott, '46, in Commerce, from Chicago; Bob Magnuson, '46, in Chem. Eng., from Chicago; Ed Graham, '46, in General Engineering, from Oak Park; Gerald O'Neill, '46, in Met. Eng., from Frankfort, Ind.; Barney Valesano, '44, in M.E., from LaSalle, Ill.; Joe Cicciarelli, '44, in E.E., from Toluca, Ill.; Harvey Shollenberger, '46, in Engineering, from Chicago; Nick Kostro, '46, in L.A.S., from Chicago; Gene Elder, '46, in Engineering, from Eldorado; LeRoy Vranek, '46, in Physical Education from Cicero; Bill Beile, '46, in Physical Education, from Park Ridge; Dick Graham, '46, in School of Fine Arts, from Lewistown; Edward Zilm, '46, in Engineering, from LaRose.

Eta promises to announce the names of at least four more pledges in the next issue of this magazine, for de-

ferred rushing is very promising this fall, and is producing serious consideration from several prospective pledges.

McDEVITT LEAVES FOR NAVAL TRAINING

Brother Joseph B. McDevitt, a graduate of the Law School in June, 1942, and who had remained at the chapter house this summer and fall to play in a local orchestra, received a surprise call from the Naval Reserve a few weeks ago. He was given ten days' notice to report for officers' training at Columbia University, New York City. Before traveling to New York, Joe spent a few days with his parents in Little Rock, Arkansas.

RUSH

Our fall rush program was very successful. We now have a total of 19 pledges. Those pledged since May are: William Ebling, CE, Aug. '43, Lima, O.; Robert Wright, Eng., May '45, Greensburg, Ind.; William Wagner, Eng., Dec. '44, Anderson, Ind.; Wilson Brunegraff, Eng., May '45, Kokomo, Ind.; Diehl Martin, E.E., Dec. '43, South Bend, Ind.; John Gray, Eng., May '45, Gary, Ind.; Dan Ruth, Eng., Dec. '44, Elm Grove, W. Va.; Jack Biehle, Eng., May '45, Kenmore, N.Y.; Peter Strong, Eng., May '45, Kenmore, N.Y.; Gilbert Hildebrandt, Eng., May '45, Kenmore, N.Y.; Rico Montenero, M.E., Aug. '44, Elkhart, Ind.; Jack Vierke, Eng., May '45, Rochelle, Ill.; Robert Griffin, Eng., '45, Barberton, O.; Robert Choka, M.E., Aug. '44, South Bend, Ind.

ELECTIONS

Our elections for the fall semester were held shortly before the close of the summer session. Brother Bill Clark was elected to lead Theta this semester as Consul. The other officers are: Senior Tribune, Bill Fullerton; Junior Tri-

bune, Don Corp; Praetor, Alex Johnson; Proprietor, Dick Neff; Pontifex, Gene Nicholson; Centurion, Herb Zinsmeister; Custodian, Bill Scheer; Social Chairman, Frank Gray; Athletic Manager, John Kraas.

SOCIAL

The social activities of this summer were definitely curtailed by the traditional "Purdue Ratio," which was 8.44 to 1 (men to women) for that session. However, we had a house dance and two picnics which were successful. So far this fall we have had a radio dance and a trade dinner. The pledges are making plans for their dance which has been set for October 24. Plans have also been made to have the Northwestern Triad (KDR, PK, PKT) Formal in December.

ALUMNI

Lester Parrish graduated in T & IE this August. He has been trying to get a Naval Reserve commission. We have had no word from him since a recent visit. His home address is: 1002 Illinois Ave., Ottawa, Ill.

Robert Carpenter, E.E., '42, is now a 2nd Lt. in the Signal Corps. He is stationed "somewhere in England." A recent letter from Carp gives his address as: Electronics Training Group, APO No. 640, c/o Postmaster, New York City.

David Fye, E.E., '42, is now an Ensign in the Naval Reserve, and is studying at M.I.T. His address is: Apt. 21, 10 Agassiz St., Cambridge, Mass.

Lt. Archie Steele, F.A., E.E., ex-'42, is stationed at Camp Rucker, Ala. We received word of his marriage to Catherine Mosson August 29 at Dotham, Ala.

Emilio P. (Mino) Ratti was graduated from the Lubbock Army Flying School of Lubbock, Tex., on September 6. Mino is now a second Lt. in the Air Corps.

Dick Brown, M.E., ex-'42, has been commissioned a 2nd Lt. in the Engi-

neer Corps. His address is now: Engr. School Contonement, Ft. Belvoir, Va.

An address for Wayne Bolyard was given to us by C. D. Ellis, '26, Brother Bolyard was a faculty member when he was here, and has been "lost" ever since he left. His address is now: Dr. Wayne Bolyard, Armour & Co., Pharmaceutical Inst., Chicago, Ill.

INITIATION

On Sunday, June 14, we initiated three men into our chapter. They were: Frank L. Gray, M.E., Aug. '43, Gary, Ind.; William B. Weaver, E.E., Dec. '43, South Bend, Ind.; and Marvin W. DeJonge of West Lafayette, Ind. Bro. DeJonge is a member of the Mathematics Staff, and is proving very valuable to us as a chapter advisor.

SPORTS

We didn't do so well in intermural sports this summer, but we started out this fall pretty well. Our softball team made the quarter finals of the Inter-Fraternity softball tournament, where they were eliminated in a heart-breaker. We have good prospects for touchball and basketball teams.

DICK NEFF.

Iota

Bucknell

INITIATION

Three pledges were initiated into Iota's active chapter on September 29, the eve before the opening of classes at Bucknell University. Kenneth Kressler, '43, of Nanticoke, Pa., Philip Saunders, '45, of Cleveland, O., and Alan Vitray, '45, of Washington, D. C., became active members of the fraternity.

SUMMER SCHOOL

When Bucknell University inaugurated its accelerated program last summer, several Iota members were on the alert to take advantage of the speed-up program. Brothers attending Summer School were G. Barr Wertman, Harry Powell, Robert Koble, William Andrews, and Alan Vitray.

Other active members were employed during the four-month summer vacation. William Huff worked at the government ordnance plant in Allentown, Pa. William Griffiths worked for the Allentown Morning Call, a morning newspaper in Allentown, Pa. Brother Kenneth Kressler worked as a cook at Lutherland, a summer resort in the Pocono Mountains, while Brother Philip Saunders worked for an engineering concern in Cleveland, O.

SIDELIGHT

During Summer School Iota Chapter picked up a mascot. Alan Vitray returned to school with his beautiful English Setter dog named "Mickey." "Mickey" is a peaceful sort of dog who adds a lot to the color and homelike appearance of the House.

PLEDGING

Iota completed its best rushing program in a decade this semester with ten freshmen and a sophomore donning the Orange and Blue pledge button. Thumbnail sketches of the neophytes are listed below.

Bill Arnold—A native of Hillside, N.J., Bill is a pre-med. He is a freshman and promises to be a future leader of Iota chapter.

Frank Drout—Another New Jersey boy, Frank hails from Asbury Park. He is majoring in Chemical Engineering and is one of the hardest working pledges as he is working for a major portion of his college expenses.

Ralph Heinzerling—Ralph comes from Brooklyn, N.J., and is a Bachelor of Arts student. Secretary of the pledge class, his hobby is painting. He is very useful in adding "color" to Iota's various House decorations.

Jim Hess—A Williamsport, Pa., boy, Jim is a mechanical engineer. He adds prowess to Iota's Intermural sports teams.

Jack Jackson—Coming from Elmer, N.J., Jack is working for a Bachelor of Science degree. His dad also is a KDR from Iota chapter.

Gerald Laufer—The only sophomore in the pledge class, Jerry lives in Wilkes-Barre, Pa. He is also a pre-medical student.

Robert McBride—From Batavia, N.Y., Mickey is a wizard on the piano. Although only a freshman, he is pianist for the "Bucknellians," Bucknell University's swing band. He is studying mechanical engineering.

Leslie Pruden—A resident of Carnegie, Pa., Les is majoring in civil engineering. He works in the Bucknell Carnegie Library when not in an engineering lab.

George Schumacher—George comes from Lindenwold, N.J. He is seeking a Bachelor of Science degree from Bucknell.

Brian Sword—Living in New York City, Brian is majoring in political science and hopes to be a lawyer at the end of his college career.

Dick White—Last, but not least, Dick, who is president of the pledge class, hails from Pottsville, Pa. He also is seeking a Bachelor of Science degree.

SOCIAL HIGHLIGHTS

Iota has opened a busy social season already having held two open houses and a combined Christmas Formal and Pledge Dance. The first open house was held Friday, October 30, to help open Bucknell's Homecoming weekend.

The second one was held Saturday night, December 5, the night after Jack Teagarden and his band played for Bucknell's annual Senior Ball.

Topping all events, however, was the winter formal-pledge dance held on Saturday night, December 19. Ivan Faux and his orchestra provided the music. Decorations added the spirit of Christmas to the dance.

SYMPOSIUM

Iota chapter held its Annual Symposium on Saturday, May 23, 1942, the date of Bucknell University's Commencement. Brothers Rudolph Peterson, '15, and Dalzell Griffith, '22, and

Donald Stillman, '26, of Rho were elected to the Corporation of the chapter with Brother Peterson being elected president.

LAST YEAR'S SENIORS

Jack King and Daniel Collinson are continuing their education in Jefferson Medical School at Philadelphia. Paul Munson is serving in the Ordnance Department of Uncle Sam's Army, being stationed at Fort Ord, Calif. William Drout is working as a chemist for the Standard Oil Company of New Jersey, living in Elizabeth, N.J.

Brother Donald Ready is a chemist for the DuPont Company at Wilmington, Del. Clifford Mannella is in the army air corps, serving somewhere in Florida, and Bro. Gilbert Holt also is in the army. William Maguire is an Ensign in the U.S. Navy, stationed at Boston, Mass.

ATHLETICS

Although it is too early in the school year to have participated in any Intermural sports, Iota is now shaping plans for its 1942 soccer team which will be led by Brother Bink Huff. A cross country team also will be formed to compete for the annual cross country trophy in November.

HOUSE IMPROVEMENTS

The chapter house of Iota was the victim of an extensive improvement campaign at the opening of the present semester. The walls of the living room were painted a peach color and the ceiling also was painted. In the dining hall the walls were painted green and the ceiling was painted ivory. In addition venetian blinds were placed throughout the first floor of the building. All the work was done by the active members of the House under the direction of House Manager Bill Andrews. The fruits of the hard labor were reaped in the successful rushing week staged by the chapter.

ITEMS OF INTEREST

Bro. Robert Koble, '44, is serving as lab assistant in the Bucknell Chemistry

department. Bob is a chemical engineer.

Entering his second year of business on the Bucknell campus, Bro. Bink Huff again has started his barber business. Having picked up the business from his father back in Turbotville, Pa., Bink is helping to pay his way through college with his tonsorial abilities.

Bro. Alan Vitray is working in the office of Miss Margaret Barnhart, dietitian at Bucknell. Al began working in the dining hall as a dishwasher, but has advanced steadily since he was a green freshman.

Bro. Bill Griffiths is serving as a student counselor in Roberts Hall at Bucknell University this year. He also has enlisted in the Reserve Corps of the United States Army.

SUMMER SCHOOL

At the beginning of the summer there was a great deal of vagueness about the announced three semester plan. For the fifteen fellows who stayed in school during the summer all uncertainty has been cleared up. There was an enormous amount of concentrated studying and so the motto became "Study fool, and when you can't study anymore relax like h——!"

Well, relax we did at several very successful firesides, a picnic and a dinner dance, and a number of informal parties. We tried as much as possible to maintain the normal activities of the fraternity. The pledge class was very spirited and cooperated to the fullest to make the summer successful. They pulled a pledge sneak only to come back and find their clothes strung up between telephone poles and their cars on the front porch.

INITIATION

The men who served their pledge-ship during the summer went through a most exciting informal initiation beginning on Thursday, October 15, and were inducted into the fraternity on Sunday, October 18. The guest speaker at the banquet was Dean Hamilton. We welcome as members of Kappa Delta Rho, Brothers John Buese, M. E., '43, one of those noble characters who "never touch the stuff"; Ted Williams, M.E., '46, the man with the stripe on his car, a warning to all young ladies; Jim Elmendorf, Arch., '45, the singing designer, the pride of the glee club; Llewellyn McKisson, Chem., '44, a habitual "bed-bitcher" who has lately turned to putting dry ice in the beds of his unsuspecting brothers; Stan Peterson, Forestry, '45, a mighty woodsman.

We would also like to announce as members three brothers who were initiated at the beginning of the summer term: Brother Jose Filloy, E.E., '46½, who knows Chinatown and the International Settlement of San Francisco inside out; Brother Jack McNerney, Com., '43, the ladies' delight. Brother Dan Talt, C.E., '43, whose special gift it is to make freshmen into rushees, and rushees into pledges.

RUSH

After a good rushing season we feel proud to have pinned pledge buttons on ten fine men: Fred Darnall, '46, Pre-Law; Dell French, M.E., '45; Clyde LaJuenesse, M.E., '46; Ted Floodberg, L. & S., '46; Russ Sullivan, Math, '46; Jim Slaughter, '46; Ed Hart, Agr., '46; Robert Bendorf, Pre-Med, '46; John Taylor, M.E., '46.

With this fine array of new members and pledges and with more than the usual amount of KDR spirit we feel sure that we will try our darndest to keep the homefires burning and the ball rolling, our elbows up and the front stoop clean.

CHAPTER NOTES

The brothers returned a week early to school and spent considerable time on a clean-up campaign around the house. The "piece de resistance" was the kitchen which came in for a serious painting job. It was not completed before classes started, but during spare time since then the project has been finished.

Mu chapter was engaged the week of October 25 in a campus-wide scrap drive and contest. Every fraternity and sorority on the campus dug out all the junk they could from basements, attics and garages and piled it in the front yard. The house with the largest pile was to be awarded a prize at the end of the week. At this writing, KDR has a good respectable junk-pile decorating the front lawn.

Brother Kenny Repola, who is president of the Varsity Men's Glee Club was heard on a coast-to-coast radio hook-up the evening of October 10 when he sang in the quartet which supplied the music for Bill Stern's weekly sports broadcast.

PLEDGING

Mu is happy to announce the pledging of two fine new men. They are Allen G. Seibert, '44, of St. Queen's Village, N.Y., and Edward L. DeMeritt, '45, of Morenci, Mich.

ALUMNI NEWS

During the football season, as usual, the chapter house has been cluttered up with numerous alumni over the weekends. These have included Lieutenant Joe Savilla of the United States Army, a former Michigan football star, Robert L. Boynton, president of the Mu chapter alumni association, and Art Pugh, who is now working as a chemist in Kalamazoo and without whom the chapter house will never be the same.

Brother William A. McLeod is overseas with the Army, but letters from

him are so successfully censored that no one can be sure exactly where he is.

Brother William Behringer is a Naval Air Cadet, and he completed his pre-flight training September 30 at Iowa Pre-Flight School. After a brief furlough during which he visited at the chapter house, he was transferred to Minneapolis for flight training. The latest word is that he has already so-
loed.

SOCIAL DOINGS

Since the University was in session full blast this summer, the chapter operated right on through. The social life was not neglected even though studies were greatly accelerated. Two very successful picnics in the wooded hills north of Ann Arbor were much enjoyed by the brothers and (they hope) their dates.

The first dance of the year at the chapter house is being planned for November 7. That weekend has been chosen for the fraternity's annual Homecoming, so many alumni are expected to show up. The traditional football game between the alumni and the actives is scheduled for the following morning, topped off that afternoon with a banquet.

Nu

Indiana

CHAPTER

Nu chapter has not suffered severely from effects of the draft as yet, having lost only a few boys. However, by the time this is in print the situation may be somewhat changed. Most of the boys of the chapter plan to remain until the end of the semester, which will come along sometime in April. A large part of our active chapter is enrolled in the enlisted reserve program, and a smaller number are in various other reserves.

The Indiana University speed-up program, which caused the holding of final exams for the first semester be-

fore Christmas vacation, and which will result in the termination of the second semester early in April, is resulting in a definite limitation of social and other extracurricular activities. Nu chapter has had but one dance, one serenade, a banquet, and a tea dance as guests of the Alpha Delta Pis as this is written. As well as the regular students enrolled on the campus, Indiana University is the training place of approximately 1200 yeomen and storekeepers for the navy, and also 600 WAVES. Sometime in the future it is expected that from five to seven thousand soldiers will be sent to the University for training. At present we are standing firm, and since we cannot say what will occur in the near future, we intend to try to keep the chapter open as long as possible. We also feel that the large class of initiates of this year is something which will give us strength in the days after the war, when every man coming back to the house will be literally worth his weight in gold.

INITIATION

Nu chapter of Kappa Delta Rho recently held initiation for fifteen pledges. The initiates were Eugene Wells, William Jens, James Ritterskamp, Maurice Huffer, Richard Wood, Robert Dwyer, Jack McGill, John Stephanic, Gordon Spilker, Peter Troy, William Gale, Robert Meier, John Heacock, Henry Letherman, and Paul Warren; all are freshmen.

The ritual was followed by a formal banquet, with prexy William Siffin presiding as toastmaster. Speeches were made by Brother Claude Rich, '29, and Brother Hugo M. Gale, Epsilon, '22, a graduate of Franklin, and the father of one of the initiates. Following the banquet was a formal serenade, the first of its kind ever held on the campus. Brother Terpinas had been working on this portion of the program for over two months, and the serenade was evidently a huge success, according to

Nu's Pledge Class

comments of various sorority girls. After the first few houses had been serenaded, however, the ardor of the singers was slightly dampened by the coldness of the night, three inches of snow, and the necessity of singing in the cold, cold moonlight without coats, in order to enable the formal dress to present itself to best advantage.

BILL SIFFIN.

Xi

SOCIAL

The social season for the Xi chapter was opened in our new house with a tea dance following the football game with Coast Guard on October 10.

RUSH

During the pledging season, we have had two smokers, both of which were well attended. Our movies of some of the military and naval battles which

have occurred throughout the world were appreciated by all the "frosh." Although the rushing period is not quite over, we are anticipating a good number of pledges. The following upper classmen have been pledged: Robert H. Brunell, '44; John A. Dodd, '45; Jerome T. Lewis, '46; Garrett V. Ridgley, '45; Robert W. Sillen, '44.

BROTHERS IN SERVICE

Many of our brothers are now in the armed services, including: Pvt Stephen Tilton, ex-'43 (American Field Service); Pvt. Charles W. Berry, '42 (Army Air Corps); Lieutenant Eero Helin, '42 (Marine Corps); Joseph Slattery, '42. Brother Harold Huntoon, '42, expects to leave for Army service immediately. Linwood E. Palmer, '42, is preparing for the ministry at Andover-Newton Theological Seminary in Newton, Mass.

So far, the draft has not seriously

Colby

affected our undergraduates but with the new "speed up" program now in full swing we regretfully anticipate the loss of some of our brothers this December, through graduation.

JAMES GOODRIDGE.

Pi

Gettysburg

THE CHAPTER

Conditions are much better at Pi this fall. Last year only four actives came back and this year seven actives and a pledge returned. The boys went right to work early and painted inside and outside the house.

RUSHING

We were handicapped this year with only seven brothers eligible for rushing. With the help of our alumni president, "Dutchy" Garman, we pledged four boys from Baltimore. Our attack slackened and we were only able to pledge one other boy the first week.

The pledges are: James Smith, Ruskerstown, Md., athlete with ability in basketball and baseball, a chemistry major; Donald Schlueter, Baltimore, Md., a swimmer and basketball player, a chemistry major; Cody Burkindine, Rockdale, Md., a clarinet player in the band, an economics major; Robert Cronhardt, Ruskerstown, Md., soccer, basketball, wrestling, and baseball player, majoring in physics; Kenneth Wohlfert, Englewood, N.J., going out for wrestling and fencing, an economics major.

We are going to continue our rushing indefinitely. Prospects for several boys who are holding off are good. Next report should show us with at least three or five more boys.

INTERMURAL SPORTS

Without much practice we whipped together a touch football team. We lost the first game to Sigma Chi 24 to 0 after holding a 0 to 0 tie at the half. When we get a little more practice, we should make a much better showing. Our first game was rough and

several of the boys came limping from the contest. Kelley, Wolf, and Garman on the line promise to dish it out in the next fray. Strasser, Smith, Klinedinst, and Schlueter will continue to carry the ball in the backfield.

UNCLE SAM'S BOYS

FROM PI

Edward Maddock, last year's Consul, received his commission and diploma in June. The last we heard Ed was stationed somewhere in the desert.

The army grabbed this year's Consul, Leslie Black, a week before school opened. He only had until February before he would have graduated. Les is in Alabama in officers' training school.

Russell Jefferson, a junior, did not return to school this fall. Jeff was 1-A in the army and figured it wasn't worth coming back. He is working in New York until his time comes.

One of our boys came back this year who wasn't in school last year—Heinz Schwanger of Collingswood, N.J. We lost two and gained one. Brother Schwanger graduates in February because he attended summer school.

SOCIAL EVENTS

Our annual pledge dance is scheduled for the 31st of October. We have arranged for an orchestra and it should be a gala event for all.

SCHOOL

The new physics professor turned out to be a KDR man from Purdue. We hope to have Professor Byers as our new faculty adviser since Doctor Sloat has left for the army.

ELECTIONS

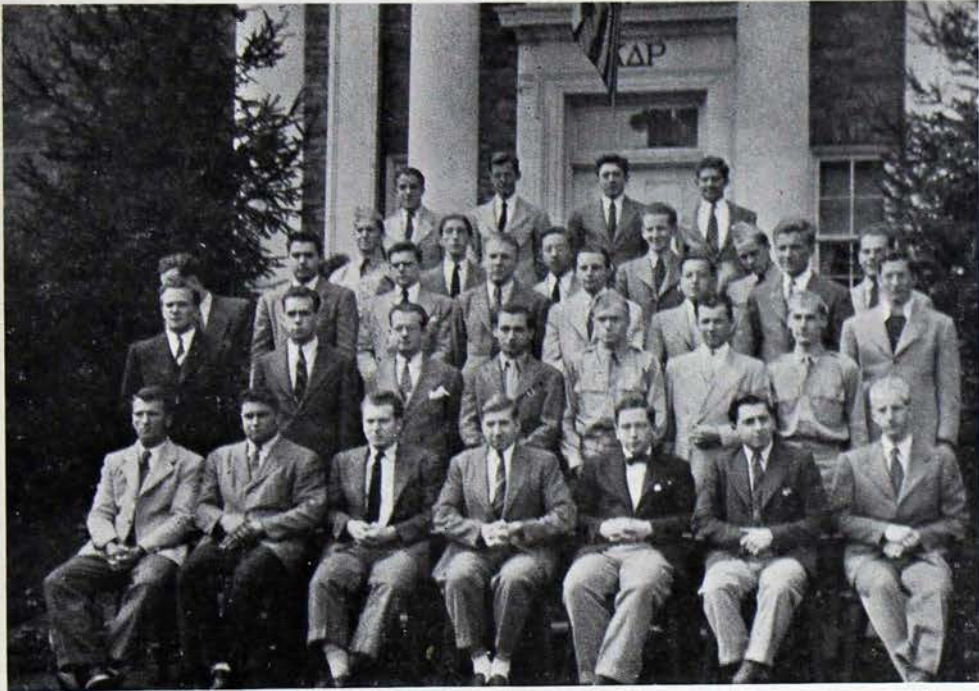

Although we elected house officers for this year on April 20, we found it necessary to hold another election on September 14 to fill the vacancies caused by several brothers who did not return to school.

Our revised list of officers is: Consul, Allan N. Dean, '43; Senior Tribune, Joseph F. Braid, '43; Junior Tribune, Lester J. T. Kennedy, '44; Praetor, Charles F. Beck, '44; Proprietor, Edward H. Relph, '44; Questioner, Charles P. Hoffman, Jr., '45; rushing co-chairmen, John W. LaMond, '44—Robert G. Nyberg, '43; intramural manager, Roger P. K. Mortimore, '44; social chairman, George F. Mellert, '44; senior interfraternity representative, Joseph T. Braid, '43; junior interfraternity representative, Roger P. K. Mortimore, '44; Commissar, Lester J. T. Kennedy, '44; scholarship co-chairmen, Robert G. Nyberg, '43—John J. Strollo, '43; Pontifex, Edward H. Relph, '44; Centurion, Thomas B. Dutcher, '45.

RUSHING

Our rushing co-chairmen, Brothers LaMond and Nyberg planned and su-

pervised one of the most successful rushing campaigns in Rho's history. Each and every brother gave his utmost cooperation and we are justly proud of the team work that made possible the pledging of the following men: Paul Johnson, '46, Bronxville, N.Y.; Horace Hay, Jr., '46, Easton, Pa.; Samuel L. Truex, '46, Middletown, N.Y.; Glenn W. Harmon, '46, Plymouth, Pa.; Ralph Schumacher, '46, Bronx, N.Y.; John Wesley Vanderclock, '46, Ridgewood, N.J.; Claude Turner, '46, New York City, N.Y.; Theodore Damask, '46, Swedesboro, N.J.; Robert Cunningham, '46, Flushing, L.I., N.Y.; Edward Ganis, '46, Ogdensburg, N.J.; Arthur Dicker, '44, Phillipsburg, N.J.; William Yannaccone, '43, Minersville, Pa.; Win. Albert, '46, Easton, Pa.; Chet Hindenach, '45, Easton, Pa.

Actives and Pledges of Rho

INITIATION

At the formal initiation on October 5, neophytes Joseph R. Caporaso, '45, of Dover, N.J.; Frank L. Carpinetti, '43, of Wilkes-Barre, Pa.; Monta C. Burt, '44, of Coudersport, Pa.; and Robert N. Yoder, '43, of Easton, Pa., were initiated into the active brotherhood of Kappa Delta Rho. We are both proud and happy to have these men brothers of Rho chapter.

We were pleased to have Brothers Dr. Robert G. Crosen, acting dean of the college; Dr. Ervin R. Vanartsdalen, '35, of the chemistry department; Howard Riefenstahl, '36, and William Carson Wallace, '28, present for this occasion.

At the formal meeting of Rho chapter on November 9, neophytes Henry M. Edwards, III, '44, William Yanacconne, '43, Arthur F. Dicker, Jr., '44, Claude S. Turner, '46, and Melchoir Mixell, honorary member, were initiated into the bonds of Kappa Delta Rho. Executive Secretary E. Mayer Maloney was present at this meeting.

PLEDGE DANCE

On Saturday evening, October 24, a record dance was held for our pledges. This dance was the most successful record dance that has been held by Rho. Approximately fifty couples, composed of active brothers, alumni and pledges danced to their favorite tunes which were rendered by that well-known music-maker "Ray Cording." Brother Bill Yannaconne gave a performance of his skill in the art of magic and hypnotism and Brothers Kennedy and Yoder swung out with a few numbers on the piano and guitar respectively.

The dance was chaperoned by Brother and Mrs. W. Carson Wallace, '28, Brother and Mrs. Howard Riefenstahl, '36, and Major and Mrs. Richard F. Snyder. Major Snyder is assistant professor of military science and tactics at Lafayette. He left Lafayette on November 13 for active service.

Brother Mellert, our social chairman, was in charge of the dance with Brother Beck in charge of decorations. The decorations consisted of autumn leaves and corn stalks.

PARENTS' WEEKEND

We, of Rho, thought back upon the good times that were had at the college's Dad's Day and our own Annual Dad's Day and decided that we should set aside a weekend for the entire family. The weekend of November 14 was set aside for our first annual Parents' Day.

The brothers and their families witnessed the Lafayette-Lakehurst Naval Station football game and then returned to the house where they were entertained by music rendered by Brother Kennedy on the piano and Brother Yoder on the guitar.

Mrs. Duff, our cook, prepared an excellent dinner which was enjoyed by all. The evening was given over to all parents and brothers becoming acquainted and chatting.

Some of the parents stayed in Easton Saturday night and attended the college chapel service on Sunday morning.

INTERFRATERNITY BALL

The "Victory Ball of the Interfraternity Council" was held in the Alumni Memorial Gymnasium on Friday, November 20, with Jack Teagarden and his band supplying the music.

Rho held a formal dance in the chapter house on Saturday evening with Ken Brader supplying the music. Both dances were attended by about fifty couples composed of brothers, pledges and alumni. The house dance was chaperoned by Brother and Mrs. W. Carson Wallace, Brother and Mrs. Howard Riefenstahl and Professor and Mrs. Curtis Page.

Everyone attended the traditional Lafayette-Lehigh football game on Saturday afternoon. The Lehigh "Engineers" managed to tie the Lafayette "Leopards" by a score of 7 to 7.

CHANGE OF HOUSE FACULTY ADVISOR

Brother Dr. Robert G. Crosen, who has been the faculty advisor to the house for several years, tendered his resignation to the brothers at the meeting on October 5. Brother Crosen said that his time is being taken up with his duties as acting dean of the college and many other positions which he now holds. The resignation was accepted with regret, but Dr. Crosen's offer to act as unofficial advisor was accepted.

Brother Ervin R. Vanartsdalen, '35, accepted the position of official faculty advisor. Dr. Vanartsdalen did a splendid job scholastically while he was an undergraduate at Lafayette and with the cooperation of his brothers won the scholarship cup for the house.

Brother Vanartsdalen is a member of the teaching staff in the chemistry department.

We are fortunate in having a man of Brother Vanartsdalen's ability and experience as our advisor.

MISCELLANEOUS

Rho extends her heartiest congratulations to Brother John W. LaMond, '44, who recently announced his engagement to Miss Elizabeth Brown of Easton, Pa.

We are happy to welcome Brother Charles F. Beck, '44, back to school. Charlie left school in February to work for the Crucible Steel Co. of America in Harrison, N.J.

Brother George F. Mellert, '44, and Brother Henry M. Edwards, III, '44, hitch-hiked to Ithaca, N.Y., on September 25 to attend the Cornell-Lafayette football game.

About ninety-five per cent of the brothers attended the Army-Lafayette game at West Point on October 3.

Brothers John J. Strollo and Robert G. Nyberg, Rho's scholarship co-chairmen, are working out a study program

whereby the house average may be raised this year.

Brothers Lester Kennedy, John LaMond, Charles Beck, Monta Burt and Robert Yoder are doing a fine job as members of the college choir.

Brother Yoder has been appointed a life guard at the college pool after successfully passing the necessary tests for the position. Bob also strums the guitar in the Lafayette Instrumental Club and really knows how to "swing out."

Brother Joseph Braidon is doing a very good job as tackle on the football team.

Brother Claud "Frenchy" Turner, '46, has enlisted in the Royal Canadian Air Force and is waiting to be called to active duty.

Brother Braidon has been selected as one of eighteen men from Lafayette to represent the college in this year's edition of "Who's Who among Students in American Universities and Colleges."

Brother Mellert is doing a fine job as a member of the college cheering squad.

Brother E. Mayer Maloney, our National Executive Secretary, visited Rho on November 9 to 11.

Brother Monta C. Burt, '44, has left college. He will be inducted into the army on November 27.

Brothers LaMond, Mortimore, Dick-er and Relph will attend the combined meeting of the Lehigh and Lafayette student branches of the American Society of Mechanical Engineers to be held at the Ingersol-Rand Club in Phillipsburg, N.J., on December 4.

Our chapter room has been painted and decorated by the brothers and pledges and pledge Chet Hindenach has given us a small pool table for the room.

ED. RELPH.

Sigma

Oregon State

PLEDGING

This year has been one of the best for pledging in the history of Sigma chapter. The twenty-one men that we have pledged together with the twenty-two men that have returned from last year made a total of forty-three in the house. Those that have pledged are: Marvin Allender, freshman in Engineering, from Eugene, Ore.; John Bell, freshman in Forestry, from Ashland, Ore.; Bob Brattain, freshman in Agriculture, from Fort Klamath, Ore.; Wilbur Breese, freshman in Agriculture, from Portland, Ore.; Fred Burger, sophomore, from Ashland, Ore.; George Davidson, freshman in Engineering, from Happner, Ore.; C. F. Easton, freshman in Engineering, from Crow Stage, Eugene, Ore.; James Hurner, freshman in Engineering, from Lebanon, Ore.; Jim Jemison, sophomore in Engineering, from Estacada, Ore.; Alan Reed, freshman in Engineering, from Cottage Grove, Ore.; Norman Savage, freshman in Engineering, from Bachley, Ore.; Albert Smith, freshman in Engineering, from Cottage Grove, Ore.; Jack Cornett, freshman in Engineering, from Prineville, Ore.; Darryl E. Storm, from Corvallis, Ore.; Orville Young, freshman in Agriculture, from Co-

quille, Ore.; Colin L. Armstrong, freshman in Engineering from McMinnville, Ore.; Dick Evans, from Chino, Calif.; Jerry Johns, from Salem, Ore.; and Charles William Pitkin, freshman in Engineering, from Eugene, Ore.

INITIATION

We are proud to announce the initiation of Bros. Wayne Kendall, Walter Crouse, Doran Tayler, and Charles Liles. As all the houses on the campus are so crowded this year, we could not find accommodations for the pledges to live during initiation, so we had them stay in the house. They came in to eat and again at night in order to go to bed.

We are sorry to announce that Brothers Beane, Muskrat, Cahill, Puckett, and pledges Young, Shoemaker, Oester are not back this year. Most of these men are in the armed service of our country. Brother Drury, who graduated last spring, is now stationed at the Rock Island Arsenal in Illinois.

SPORTS

We have had a very promising beginning in the field of sports this year. Our first football game was a great success. We beat Delta Chi 9 to 0. We have another game this Thursday and hope to do the same again.
