Entered as second class matter at the Shelbyville, Indiana, post office under the act of March 3, 1879.
The Quill and Scroll of Kappa Delta Rho is published at 12 E. Franklin Street, Shelbyville,
Indiana, in January, April, June and November. Only life subscriptions are available
at ten dollars each in the United States and Canada.

Odd Year Convention Meets

On May 1, 1943 the regular Odd Year Convention of Kappa Delta Rho was held at the Hotel Commodore, New York City, at 2 P.M.

Those present were President John O. Boyd; Treasurer Orrin G. Judd; Alternate Director George Shaw; Carson Wallace, delegate from Rho alumni; William Andrews, delegate from Iota chapter; and Executive Secretary E. Mayer Maloney. Proxies were held for Alpha, Beta, Delta, Epsilon, Eta, Lambda, Nu, Xi and Sigma undergraduate chapters and also for Beta, Delta, Zeta, Eta and Pi Alumni Associations.

The Executive Secretary's report was read which summarized a very good year for Kappa Delta Rho by stating in part, "All in all I believe that we can regard this year as a highly successful year under existing conditions. To date this year (May 1) we have had 195 paid initiations, and all the chapters have enjoyed a goodly amount of prosperity." The report closed with the following remarks: "As for the future, I make only the most pessimistic predictions. All chapters will soon close for the duration and then will come our great task to re-establish them after the war."

As a precautionary measure as to what might happen to our chapter houses and their furnishings after the active chapters were forced to give up their houses for the duration, the Executive Secretary was directed to find two or more active alumni for each chapter, who lived near the chapter, to act as the chapter guardian for the duration. It would be the responsibility of this alumnus to see to it that chapter property was properly cared for after the brothers had closed the house. It is also hoped that this alumnus will take personal care of the chapter records, files, ritual, etc.

The convention decided to continue publication of the *QUILL AND SCROLL*. Beginning with the October issue it will be published quarterly with the calendar year rather than the school year, and it will be cut somewhat in size. This is from an economy standpoint.

Income for the following year was discussed, and it was decided that all expenses would have to be cut drastically in order to operate in the black for the next few years. Attention was turned to the new alumni dues which had just been voted in at the last convention, and it was decided that each alumnus would be contacted through the mail, urging him to pay his dues in order that the National might receive this financial assistance.

Treasurer Judd read the Treasurer's Report and the Budget for 1943-44. Both reports were accepted as read and ordered filed.

In order to clarify the financial standing of active members left in school after their chapter had closed Bro. Judd made the following motion. "After July 1, 1943 where members are in attendance at colleges where no chapter house is operated for the duration, they will be relieved of normal active dues and are asked to pay only at the same rate as the alumni members. Bro. Shaw seconded it and it was passed.

Upon motion by Shaw and seconded by Andrews, another emergency measure was voted. It was an amendment to the by-laws which reads:

By-Law VII

In view of wartime conditions, the Executive Committee shall have the power to declare a chapter temporarily dormant for the duration of the war and for not more than a year thereafter. It being the intent and hope that

Claude Rich, Nu, to Direct Indiana Union

Claude T. Rich, Nu, '29

June 1—Claude T. Rich, Nu, '29, University Alumni Field Secretary since 1929, became acting director of the Indiana Union, succeeding Harold W. Jordan who become full-time director of the University service enterprises.

The appointments were announced by Ward G. Biddle, vice-president and treasurer of the University.

In relinquishing his post in the Alumni Office, Mr. Rich gives up the work in which he has been engaged since his graduation from the University. While a student in the University he was senior manager of the varsity football squad and member of the Board of Aeons, Blue Key, and Kappa Delta Rho fraternity.

Mr. Rich in 1935-36 served as governor of the Southern Indiana District of Lions and during the past year was state president of the Junior Chamber of Commerce. He has been active in Junior Chamber affairs for a number

of years, serving as general chairman of the convention committee when the state convention was held in Bloomington in 1940 and last year also served as president of the Bloomington Junior Chamber prior to his election as state president.

Howard Ortner, Beta, Named Physical Director of Ithaca "Y"

Recently Howard Ortner, Beta, '19, was appointed physical director of the Ithaca, N.Y., Y.M.C.A.

Bro. Ortner took over the responsibilities of the department immediately after his appointment and is assisted by two Cornell University students, Miss Mary Hilgenberg and Mr. Al Gentile.

Bro. Ortner is a former Cornell University basketball coach and is well qualified for the directorship. He was National Executive Secretary of Kappa Delta Rho from July 1936 to Dec. 31, 1940. His many friends in Kappa Delta Rho wish him well and continued success, which he well deserves.

Odd Year Convention Meets

(Continued from Page 86)

all chapters shall be aided in resuming normal pre-war activities as soon as possible after World War II.

Bro. Judd moved that E. Mayer Maloney be reappointed as Executive Secretary for one year at the reduced salary as stipulated in the budget. Seconded by Shaw and carried.

There being no further business to come before the Convention it was adjourned at 4:25 P.M.

Lt. Col. David W. Hopper, Rho, Back from Pacific Area

Lt. Col. David W. Hopper, Rho, '24

Lt. Col. David W. Hopper, Rho, '24, has returned from the Pacific arena where he was commanding an anti-aircraft gun sub-group.

Bro. Hopper was an enlisted man in the first World War and was appointed 2nd Lt. in the Coast Artillery Reserve in Jan. 1923 while still a student at Lafayette College, from which he graduated in 1924. He was called to active duty as a Major in April 1941.

Immediately upon being called into service, he was assigned as Battalion Commander of a newly formed anti-aircraft artillery organization at Camp Davis, N.C.

One week after Pearl Harbor, Dec. 15, 1941, he was sent overseas to the Pacific area, where he served until he was transferred back to the mainland on Dec. 9, 1942. Soon after going over, Feb. 1, 1942, he was given the rank of Lieutenant Colonel.

At present Col. Hopper is stationed at Camp Davis, N.C., where he is training a newly organized anti-aircraft mobile gun battalion.

Lt. Col. Harold C. Miller, Kappa, Serves in Chicago

Lt. Col. Harold C. Miller, Kappa, '32

Lt. Col. Harold C. Miller, Kappa, '32, has watched the Chicago Signal Depot grow from a small organization to one of the largest organizations of its kind in the country. Bro. Miller was called into the service of his country on August 17, 1940, and was sent to the Chicago Depot at that time.

Col. Miller received his first commission in 1932 upon his graduation from Ohio State University after having taken four years of ROTC. He was employed by the American Steel and Wire Co. in Cleveland, prior to his entering the Army.

Bro. Miller received his rank of Lieutenant Colonel on May 8, 1943.

Col. Miller is the Executive Officer of the Depot acting as the commanding officer's assistant. The Depot is charged with the duty of receiving material from the various manufacturing plants, storing it and reshipping it to the various posts, camps and stations

all over the world. It is Col. Miller's responsibility to coordinate the various divisions and activities within the depot and see that the policies established by the commanding officer are carried out.

Kay Francis Calls Lt. Col. Frank Swoger's Wife

Lt. Col. Frank Swoger, Zeta, '28

Recently Mrs. Frank Swoger, wife of Lt. Col. Frank Swoger, Zeta, '28, received one of the biggest thrills of her life. One evening, after she had put her three children to bed, her telephone rang and the long-distance operator said, "Just a minute, Kay Francis of Beverly Hills, Cal., is calling."

Soon Miss Francis was on the wire, and she delivered a message from Bro. Swoger to his wife. Miss Francis had visited him while she was in England entertaining the soldiers. The message assured Mrs. Swoger that her husband was well, and hoped that she and the children were also well.

After giving Mrs. Swoger the message from her husband, Miss Francis added: "You have a right to be genuinely proud of your husband, he is doing a swell job."

Bro. Swoger graduated from Penn State College in 1929 with the rank of Second Lieutenant. Being a school teacher by profession, he was able to spend his summer in training in the reserves. From 1937 to 1939 he was on C.C.C. duty with the rank of Captain.

During Nov. 1940 he was called for duty, reporting at Camp Holabird in Baltimore, Md. Camp Holabird was a Quartermaster Depot at that time, but is now known as Halabird Ordnance Motor Base. In Dec. 1941 he was promoted to the rank of Major and to the rank of Lieutenant Colonel in April 1942. During Aug. 1942 he was sent overseas.

At present he is stationed somewhere in England and is in charge of a heavy maintenance battalion there. According to Army rules his exact duties can not be disclosed, but it is known that he travels extensively inspecting the larger installations which are scattered over the island.

The officers of his battalion are quartered in an old castle and according to word received by Mrs. Swoger, he is enjoying the English countryside and people very much.

On May 22 he represented the U.S. forces in the Wings for Victory parade and the following celebration. He also welcomed the representative of the Free French in behalf of the American forces.

Capt. William Chambers, Theta, Lost in Action

Capt. William Chambers, Theta, '36

Captain William H. (Bill) Chambers, Theta, '36, of the U.S. Army Air Force reported missing in action since Oct. 19, 1942, was listed as dead June 12.

The last word received from Capt. Chambers was a letter to his wife, which was written on Oct. 16, 1942, which said in part, "am now waiting for a plane to take me down to show them what to do." "Down" was later found to mean "one of our westward bombing bases."

On Oct. 28, Mrs. Chambers received a wire from the Adj. Gen. Dept. in Washington stating that Bill was reported missing in Alaska since Oct. 19. On June 12, 1943, Mrs. Chambers received the following wire, "Your husband, Capt. William H. Chambers, died at an undisclosed date in the Northern area."

Just before his disappearance was reported Bill was commissioned to fly

to a combat base. The trip was undertaken in the face of bad weather conditions which presaged danger. A short time later Chambers radioed back that he was lost.

Consistent with war department orders the exact location of the post at which he served was not mentioned. However, it was assumed he was stationed with American forces in Alaska.

At the time of his disappearance weather conditions in that section prevented search for the lost airman. Since then patrols failed to find any trace of the missing plane.

Bill received his first commission coincident with his graduation from Purdue University in 1936 with the degree of B.S. in chemical engineering. From Lieutenant in the Ordnance Department, he was advanced to the rank of Captain on Oct. 9, 1942, a short time before his death.

Upon entering Purdue in Sept. of 1932 he immediately pledged Theta chapter of Kappa Delta Rho, and was initiated into the chapter on April 9, 1933. He was an ever loyal brother and will be missed by his many friends in the fraternity.

On Dec. 2, 1938, Bill was married to Miss Theda Eleanor Bates in Grand Rapids, Mich. A son, Brian Bates Chambers, was born to them on May 17, 1940 in Chicago, Ill., where Bill was employed as an Assistant Chief Chemist for the National Chemical and Mfg. Co.

Thomas Kellegrew, Alpha, Lost in Indian Ocean

Thomas Kellegrew was born in Brooklyn, New York, on October 22, 1921, the son of Alexander R. and Adelaide Osmer Kellegrew. He graduated from public school in 1935 and from Erasmus Hall High School in Brooklyn in 1939, and entered Middle-

bury College the same year. Pledged Alpha chapter of Kappa Delta Rho in January 1940 and was initiated into the fraternity October 14, 1940.

Thomas Kellegrew, Alpha, Ex-'43

He was a member of the Dutch Reformed Protestant Church of Flatbush and is now represented by the first gold star on the service flag in said church.

He enlisted as a cadet in the United States Merchant Marine in the latter part of June, 1942, and spent the months of July and August at the Merchant Marine Cadet School at Great Neck, Long Island. On September 18th he was assigned as an Engine Cadet and Midshipman U.S.N.R. to a new Liberty Ship that had been constructed at Wilmington, North Carolina, and went with three other cadets to that place. The ship was brought to Brooklyn, where it was loaded with supplies for Russia, and on October 12 started on a 17,000 mile voyage for the Persian Gulf, reaching its destination safely about January 26, and after unloading left for its home port about March 26.

On April 21 the ship was torpedoed in the Indian Ocean and the crew got off in four lifeboats. Three of the boats were picked up within a week, but the boat Tom was in, which was the largest of the four, was not picked up for thirty days. At that time there were six survivors out of a total of twenty-four.

Apparently Tom succumbed shortly before the boat was found, because the survivors and he were taken to Durban, South Africa, where he is buried.

Tom had the happy faculty of making himself beloved by those with whom he came in contact and will be missed by his many friends.

Cadet Charles Conn, Delta, Killed in Missouri

Aviation Cadet Charles F. Conn, Delta, '42, was killed instantly when his plane crashed near Poplar Bluff, Mo., on May 29. His parents were informed of their son's death in a telegram from the Army Air Forces school at Walnut Ridge, Ark., where Cadet Conn was completing his basic train-

Cadet Charles Conn, Delta, '42

ing. He was to have earned his pilot's wings in August. His parents were presented with the Wings which he would have received upon graduation.

Bro. Conn was initiated into Delta chapter of Kappa Delta Rho on December 14, 1939, and received his B. A. degree from Colgate University in 1942. While at Colgate, he was listed in Who's Who among Students in American Universities and Colleges. He was a member of Konosioni, student honorary society for seniors who excel in leadership and activities. He was also manager of the basketball squad, member of the Student Senate, Scalp and Blade Society, and the Colgate Athletic Governing Board.

Charlie was an outstanding fraternity man, and always worked hard for the betterment of his chapter. He was appointed Undergraduate Chairman for the 1942 National Convention of Kappa Delta Rho, which was to be held at Delta chapter, but due to the war conditions which persisted at that time, it was necessary to cancel those plans and only a one day meeting was held in Pittsburgh, Pa.

He will long be remembered as an all around good fellow, and one whom we are proud to call "Brother."

Pfc. Albert J. Thonen, Upsilon, Killed in Florida

Private first class Albert J. Thonen, Jr., Upsilon, Ex-'43, was killed in a plane crash on May 25 at Kissimmee, Florida. Al was assigned as Radio Technician to the 239 Night Fighter Squadron and he and two others were killed when their plane failed to pull out of a "dive" which they had made to avoid hitting another plane.

Al entered the Army Air Force on Oct. 10, 1942 and was graduated from the Sioux Falls Signal Corps Radio School on March 17, 1943.

Pfc. Albert J. Thonen, Upsilon, Ex-'43

Bro. Thonen was initiated into Upsilon chapter of Kappa Delta Rho on June 12, 1941. He was a hard working brother during those early days of Upsilon, and he will long be remembered for his work there.

He was buried at Fresno on June 3, 1943.

Robert Tucker, Lambda, '41, Dies

As this issue goes to press word has been received that Robert Tucker, Lambda, '41, died suddenly. Although no details are available at this time Bob's death was quite sudden. Bob had been recuperating after a very serious operation and it was thought that he was on the road to recovery.

Bob's work will long be remembered by those who are close to Lambda. He was one of the hardest workers the chapter ever knew. It was through his efforts as house manager that the fraternity enjoyed such prosperity as it did two years ago. He worked diligently for the betterment of his chapter and fraternity.

KDRs Under The Flag

Since the last issue of the *QUILL AND SCROLL* many new brothers have joined the ranks in the service of their country. Many of these brothers have been called from their class rooms, which have caused additional losses to their chapters.

With the closing of chapters, and the added war burdens of many of our chapter alumni secretaries, it is becoming increasingly difficult to secure the names of brothers entering the service. The editor would appreciate it if you would please inform this office of any new brothers entering the service, or receiving promotions or distinctions in their line of duty. We wish to make a complete report on all of our brothers, and would greatly appreciate your co-operation.

Rho Chapter's Service List

Rho chapter of Kappa Delta Rho now boasts of seventy-one brothers in the service of their country with a total of thirty-nine commissioned officers. It is indeed an outstanding record when a chapter can say that fifty-five percent of her brothers in the service are commissioned men.

Following is a breakdown of the men in the various branches, and also the names of the brothers and their service branch.

There is a total of fifty-three in the army of which twenty-eight are commissioned officers, four lieutenant colonels, two majors, six captains, nine first lieutenants and seven second lieutenants.

There are a total of ten men in the Navy, of which nine are commissioned officers. Three are lieutenants (jg) and six are Ensigns. Rho claims but one member in the Coast Guards and he holds the rank of Ensign. The Marines have two with one second lieutenant. There is one Rho man in the Merchant Marine, and two in the Canadian Air Force.

There is but one Gold Star in the Rho Service Flag, which is in memory of John T. Greer, Ex-'40, who was lost as his plane crashed into the Gulf of Mexico on the eve of his graduation from the Pensacola Navy Air Base, at which time he would have been commissioned Ensign in the United States Navy.

Bartow, Raymond J., '24.
Beck, Charles F., '43, Army.
Bell, William T., '37, Ensign, Navy.
Berlau, Charles J., '41, Ensign, Coast Guard.
Braid, Joseph F., '43, 2nd Lt., Marines.
Burt, Monta C., '44, Army.
Collins, William J., '41, Cadet Army Air Force.
Cline, Louis W., '23, Capt. Sig. Corps.
Crump, Charles J., Jr., '33, Ensign, Navy.
Dean, Allan N., '43, Navy.
Dennison, C. Roger, '29, Major, Engineers.
Dutcher, Thomas B., Jr., '45, Army.
Dyer, Kent L., '28, Cadet, Army Air Force.

Zacharopoulos, Nicholas T., '42, Army.

Have You Paid Your Alumni Dues?

As reported in the last issue of the QUILL AND SCROLL, the Board of Directors of the Fraternity passed a resolution which calls for a \$2.00 per year alumni dues for each alumnus of Kappa Delta Rho. During these very difficult times for fraternities in general, this added income is badly needed by your fraternity, and we solicit your support.

Since the April issue, many dues have been received, but not nearly enough. HAVE YOU SENT IN YOUR \$2.00? If not please do so at once. There has been much favorable comment by those brothers who have sent in their dues and they all seem to think that it is something which the fraternity has delayed too long.

As a special inducement to the non-subscribers to the QUILL AND SCROLL, the Directors voted that for non-sub-

scribers who send in their dues, \$1.00 be applied toward their life subscription, and the other \$1.00 be applied toward alumni dues. After ten payments toward their subscription they would become life subscribers to the magazine. This is indeed fair. It has been quite notable as to the number of new subscribers which we have received since the last issue.

According to present plans the notices carried in the QUILL AND SCROLL will be the only notice that your alumni tax is due. In order to conserve money, there has been no provisions for circulation of the alumni. You know it is due, so why not send it today?

Make your checks payable to Kappa Delta Rho Fraternity, and send them to your secretary, E. Mayer Maloney, 5317 Graceland Ave., Indianapolis, Ind. Thank you for your cooperation.

This box is inserted to remind you of your alumni dues, and also for your convenience when sending in your dues. Please assist us by prompt remittance, thus relieving the fraternity of added expense in billing you. Please enclose this form with your remittance.

Name _____ Chapter _____ Class _____

Street Address _____ City and State _____

I am (am not) a subscriber to the QUILL AND SCROLL at present.

If you are not, do you wish to take advantage of the special offer made to non-subscribers on this page? Yes _____ No _____

Remarks _____

Please make checks payable to Kappa Delta Rho Fraternity, and send them to your secretary, E. Mayer Maloney, 5317 Graceland Ave., Indianapolis, Ind.

During recent months your editor has been receiving some very interesting letters from brothers in the service and also some letters from brothers in civilian life. I feel that these letters are of sufficient value that they should be given a place in our publication.

I would like to encourage our brothers in the service, wherever they might be, to write to me at the National Office and your letters will be published. In this way you will be able to let all your friends know where you are, and what you are doing. To those of you who read their letters, and know the brothers, I would encourage you to write to the brothers. Letters from their friends are very valuable to these boys, and that is one thing which we at home should do. I'll guarantee that every letter from a service man which comes across my desk will be answered, will you answer them too?

3-29-43

Dear Brother Maloney:

Would appreciate your inserting an item on me in the next issue of columns "KDRs Under the Flag"—in the *QUILL AND SCROLL*.

Have been appointed an Assistant Field Director of the American Red Cross Military Service, stationed at U.S. Army Air Base Command, Miami Beach, Florida.

Thanks.

Herbert A. Thyng,
A, Colgate, 1935.

515 N. Washington St.
Apt. No. 303
Alexandria, Virginia
May 23, 1943

Dear Bro. Maloney:

Am glad to receive copy of *QUILL AND SCROLL* relayed to me from home. It did my heart some good to see so much news on my close brothers of Lambda chapter. Am sorry I didn't sent in at least a note to keep you informed, but then my work in Washington has been very full. I'm lucky with one day off in two weeks—but that's what we're here for and we want to help the forces in the field that depend upon the "Whirlagig in Washington" for their very lives.

For a detail of the Air Transport Command let me refer you to *Time* magazine, week of May 15, 1943, article on General George. I am on the general's staff so we do see the overall picture—yes, I can say that I feel that my efforts fit into this overall picture and the more we accomplish NOW the sooner we will reach victory.

My check for \$2.00 is enclosed to help the National remain with its own antonomy. As the years since college days slip along, the more proud I am to remain a Kappa Delta Rho.

Keep up the good work and extend my greetings to all brothers of KDR.

Fraternally yours,

Edward Robert Elliott
Capt. Air Corps
Lambda, '32.

22nd Academic Squadron, AAF
Room 547, Rowe Hotel
Grand Rapids, Michigan
April 14, 1943

Dear Brother Maloney:

This is to bring the fraternity of Kappa Delta Rho up to date on the whereabouts of another one of its members. As a matter of identification, I was a member of Omicron chapter, Butler, '29.

Previous to induction in the armed services, I was a biologist working for the National Park Service at Madison, Wisconsin. A little anecdote in this connection might bear relating:

I have been receiving the QUILL AND SCROLL more or less regularly, forwarded to me from my permanent address at Decatur, Illinois. I had occasion at one time to mention an item in it to some of my biology acquaintances at Madison. One of them subsequently inquired about the magazine, remarking that this was one biological publication of which he had never heard. Oh, but this was a fraternity magazine, not a biological publication at all. It developed that "Quail and Squirrel" certainly sounded like a biological or sportsman's publication to him.

Anyway, the Army drafted me 'way back in June, 1941. I have had 23 different addresses in the 22 months elapses since that date. My major stations have been 4 months with the Infantry in Texas, 2½ months at the Air Corps Replacement Center at Jefferson Barracks, St. Louis, and most of the remainder in the Weather School, AAF Technical Training Command, stationed at Chanute Field, Illinois. During this time I completed the Weather Observer's course, became an instructor in the same course, then completed the Enlisted Weather Forecaster's course and became an instructor in this.

About April first of this year, the entire Weather Forecaster's Depart-

ment was transferred to the newly-created Weather Training Center here at Grand Rapids. Then about a week ago, I was transferred to instructor of meteorological cadets—weather officers in the making. I was too old to be eligible for the cadet training myself, but not too old to become an NCO cadet instructor.

Indications now are that I will remain in my present capacity more or less indefinitely—perhaps without so many changes of address.

My permanent address (to which QUILL AND SCROLL should continue to be sent) is 648 Oakland Court, Decatur, Ill.

Fraternally yours,

Theodore M. Sperry.

March 3

Mayer:

I left Keesler Field last week, however, Kokos and Kalapack weren't shipped with me. I don't know where they are now, but I'm sure they're not there now.

It's all right here, but the school is very small; however, these Southern co-eds are quite the thing, as you most probably know. They're throwing the book at us, but it's not too difficult. Upon arrival of a troop movement, you have to stay in camp two weeks. That will make six weeks that I haven't been out of a camp. That hard on a guy after going to I.U.

Do you ever hear from Jim Ritterkamp? He should have left Miami by now. Most of the boys from Miami are being sent to larger schools.

Mayer, after leaving basic, you're treated as a cadet, and cadet treatment is of a rough nature. We get gigned for anything and five gigs means a closed post for you. Mayer, pay your income tax and be happy you're not in the Army, not that it's hard, but just tiresome and boring.

Bob Dwyer, Nu, Ex-'46.

439th Fighter Squadron
III Fighter Command
Office of the Flight Surgeon
Dale Mabry Field,
Tallahassee, Florida
June 1, 1943

Dear Brother Maloney:

I have just finished reading the April issue of the *QUILL AND SCROLL*, and was very disappointed to see that our chapter (Iota) has been closed for the duration. I also saw where you intended to publish a list of the men of K.D.R. who are in the services and thought I would send a few items concerning myself.

Since enlisting in the Army in August of 1942, I have graduated from the Medical Field Service School, at Carlisle Barracks, Penna., and from the School of Aviation Medicine at Randolph Field, Texas. I also graduated from a course on Aviation Physiology taken at MacDill Field, Tampa, Florida. I have been stationed at several other Air Fields and was Squadron Surgeon with a heavy Bombardment Squadron for a time. I am now

located at Dale Mabry Field, Tallahassee, Florida, with the 439th Fighter Squadron.

I would also like to report that my wife presented me with a baby girl, named Marsha Carol, on May 3, 1943.

Robert S. Stricker, Iota, '34
1st Lt. Medical Corps.

McCloskey General Hospital
Temple, Texas

Dear Mayer:

In writing to you I'm assuming that perhaps you're still in civilian life. Don't suppose you remember me, but I'm one of the KDR's that tried to show you San Francisco in one night, while you were visiting Lambda last year.

My reason for writing you is to request that you mail my copy of the *QUILL AND SCROLL* to me, since I am no longer at Berkeley. I presume I'm eligible, although not an alumnus.

Thank you.

Duane D. Deakins
Lambda, Ex-'44.

Information of Brothers in the Service

Do you know of any brothers who are in the service, and have not been recognized in "KDRs Under the Flag"? If so the editor would appreciate your assistance. Please complete the following form and return it to me.

Also, do you know of any recent promotions of any of the brothers, or any distinguished honors which any KDRs have received? With the closing of many of the chapters, it is becoming increasingly difficult to keep abreast with our brothers in the service. Any news which you have would be greatly appreciated.

Marriages

Alvin Grefrath, Theta, '42, was married to Miss Dorothy Mau in Buffalo, N.Y., on April 3, 1943.

On April 17, Mr. Richmond Griffith, Theta, '43, was married to Margaret Hammell in Cincinnati, Ohio.

Burton Hine, Theta, '43, and Miss Kathaleen Murry were married in Rochester, N.Y., on May 21.

James Webster, Theta, and Miss Patricia Morrison were married on May 6, at Park Ridge, Ill.

John LeMond, Rho, '44, and Miss Betty Brown were married in Easton, Penn., on April 17.

On April 18, Breslin McKnight, Rho, '44, and Miss Janice Blanck were married in Freeport, Long Island, N. Y.

Sgt. Harold W. Buckhorn, Omicron, and Miss Florence Sullivan were married in New York, N.Y., on May 22.

Lt. (jg) David Ayres, Lambda, '41, was married to Miss Janet Randolph Turpin of Richmond, Va., on Feb. 27.

Capt. Charles Kennedy, Theta, '42, and Miss Ann Bishop of Indianapolis were married during April in Seattle, Washington.

Lloyd Peelle, Beta, '42, and Miss Marcia Rundle were married on April 10. Lloyd is employed by Remington Arms at Westport, Conn.

Births

To Mr. and Mrs. Robert Walter, Gamma, '43, a daughter, born sometime in May.

Capt. and Mrs. R. E. Pulver, Theta, announced the arrival of Marian Ruth on April 17.

Lt. and Mrs. Robert S. Stricker, Iota, '34, were presented with a daughter, Marsha Carol on May 3.

Mr. and Mrs. Tom P. Williams, Lambda, '38, announced the arrival of Miss Barbara Gay on March 24.

A daughter, Carolyn Leona, arrived at the home of Mr. and Mrs. G. Roger Brubaker, Lambda, on April 2.

Mr. and Mrs. Charles Shaw, Lambda, '38, welcomed a son, Charles, Jr., on February 2.

Capt. and Mrs. Eugene Berkenkamp, Lambda, '37, are the proud parents of Carolyn Mary, born March 26.

To Mr. and Mrs. Whitton "Pete" Powell, Beta, '24, a son, born Nov. 1. He was given the name of Andrew William. Pete is a professor of Agricultural economics at Cornell.

Mr. and Mrs. John Hacker, Beta, '36, announced the arrival of a son, Louis Charles, on Aug. 13, 1942. John is an attorney in Rensselaer, N.Y.

Eta Alumni

Lorin Whitaker, '28, is an awfully busy doctor down Peoria way these days, but he keeps contact with several brothers and is very much interested in what is happening to the others.

Egn. George Scheppach, '40, is in the U.S. Naval Air Force and is stationed at Bronson Field, Squadron 5A, Naval Air Station, Pensacola, Fla. George was married last December 26 to Juanita Williams, Illinois Alpha Xi Delta.

Arthur Dippold, '43, is an engineer with the Sprague Specialties Company of North Adams, Mass., where he can be addressed at 270 East Main Street.

Wilbur L. Dunn, '39, is a flying cadet with the U.S. Army Air Corps, at the Army Air Force base at Independence, Kansas, and is living there at 401 North Second St. "Georgie" was married last May to Virginia Frates, who attended Vassar and Tulsa University, Tulsa, Okla.

Horace W. Olcott, '24, has deserted the advertising business for the duration and is filling a job, as a conductor for the Pullman company. He travels all over the country chaperoning troop trains from camp to camp.

Jay W. Woods, '32, is promotion director for the David C. Cook Publishing Company at 850 North Grove Avenue in Elgin, Ill.

Ed Tudor, '42, is a design engineer for RCA Victor at 501 North LaSalle Street in Indianapolis.

James E. Wharf, '31, is connected with the Northwest National Life Insurance Company in Minneapolis.

Bob Weber, '36, is material control manager for McQuay, Inc., at 1600 Broadway, N.E., in Minneapolis.

Robert P. Kaiser, '41, an architectural draftsman for the U.S. Quartermaster Corps, formerly in San Antonio, Texas, can now be reached in care of General Delivery, Norman, Okla.

Lambda Alumni

Nicholas Loundagin, '30, Pacific Coast manager of News Week magazine, headquarters, Los Angeles.

Rus Teagarden, '42, is visiting home on a 30 day leave from the Army Air Corps. Rus is recovering from a severe case of pneumonia.

A. Y. Mendell, '36, was transferred to Los Angeles by the General Electric Co. Ace is showing the shipyards how to install G.E. equipment properly. His new home is 142 Westmont Drive, Alhambra, Calif.

Ensign William E. Stemen left Boston on April 1 to report to Corpus Christi. Bill finished schooling at Cal. Tech., Bowden, College, Maine, and Mass. Inst. of Tech., specializing in Radar.

Ensign Kenneth A. Kuney, '39, Room 105, Smith N.T.S., Dartmouth, College, reported for indoctrination April 11. Ken writes that he saw Pice O'Neal, '37, at mess also in the Navy.

Tom Polk Williams, '38, is now working for the Louis C. Dunn Company as an engineer and estimator.

Herb Dalton, '32, has given up the ranching and apple business to take a job with the Agri. Adjustment Administration, A.A.A., as investigator for five counties. Chief worry now is the farm labor shortage.

Capt. Loran Stewart, Σ , '32, U.S. Army.

Major Faye Stewart, Σ , '37, U.S. Army.

Lt. Howard Collins, Σ , '36, Army Air Corps.

Sgt. Theodore M. Sperry, O, 22nd Academic Squadron A.A.F., Room 547, Rowe Hotel, Grand Rapids, Mich.

Chapters

Gamma

*New York State
College for Teachers*

This is the last time for perhaps several years that a report on the activities of Gamma will be submitted. The chapter house closed with Commencement. Of course that closing is really an anti-climax since only Hudson, '43, and Bombard, '43, have been living there since April when the ERC's were called up. Some of the brothers will recall that we intended to store our furniture and that some things were actually stored with Walker and McNamara. Upon the advise of Dr. Beaver everything else was sold. With the money saved on storage fees and the actual cash for the furniture sold we will have a good start toward new furniture after the war.

INITIATION:

Since the last issue of the QUILL AND SCROLL, we initiated two more members from the class of '46. Dick Chillimi, that concentrated bundle of energy that made him well known in intramural sports, and Roger Wall, a lad who can usually be found in the midst of any excitement around school. These boys are practically neighbors, Dick living in Tarrytown, and Roger hailing from Ossining (I shall refrain from the usual comment about a resident of Ossining).

Brad Scrafford, '46, left for the Navy just a few days after his initiation. Back in school after training at Sampson, New York, Brad was hoping for immediate assignment to sea duty.

Bob Merriitt, '46, had to leave school to work on the farm. It's too bad Bob couldn't have finished out the year, but those guys in the Army have big appetites and they have to get the food!

Of the other three brothers in school, Russ Blythe, '44, goes in the Army

soon, Bombard goes to Columbia on July 1 to Midshipman's School, and Hudson is waiting a call for communications training with the Air Corps.

This writer doesn't have very much information about the brothers who are already in service, but here goes with what is known:

Fred Beyer, '45, is scaring the Vermont cows in the vicinity of Norwich College where he flies around in Army trainers.

William Marsland, '44, is still at Colby College studying meteorology.

Michael Perretta, '43, after a session with the hospital at Atlantic City, is studying Air Corps Administration at the University of Louisiana.

Glenn DeLong, '45, is a meteorological student at New York University.

Baden, '45, and Walker, '44, are at Miami Beach with the Air Corps.

Robert Leneker (and don't any of you brothers spell that name Lenecker) is also at Atlantic City with the Air Corps.

That's all the news of military sort, but we've got a couple of other items.

We heard that Bob Walter, '43, who left school a couple of years ago is the proud father of a baby daughter as of last month. Mother and daughter are doing well, thank you.

Jack Smith, consul-elect for '43, before he transferred to Cornell is not sorry he changed schools. So successful was his work in the field of physics, that Cornell's physics department, one of the best in the country, has invited Smith to stay on as an assistant lab instructor for Army and Navy cadets and at the same time continue in his own work toward a Ph. D. If any of the brothers get to Cornell for training, be sure to look up "Prof." Smith.

That's all from Gamma for a while. Next year there will be no members left in school, and not more than one pledge. After the war we want to get organized as soon as possible. KDR has meant a lot to every brother reading this issue of our magazine. There are going to be plenty of fellows in years to come to whom KDR will mean just as much. It's up to us to see that they get the opportunity.

GEORGE R. HUDSON.

Delta

Colgate

This semester started out with ten brothers in the house and had all outward appearances of being a good one for the house. This all ended too soon when the Army reserves were called up. The list of the brothers who came back this semester as well as those who stayed at home are as follows: Robert Burlison, Pete Graham, William Montgomery, William Foster, Don Hansen, Robert Koch, Guy Nicosia, Roger Nicosia, Garth Thurston, Howard Thurston, Theodore Jabara. All the above men were great fellows and they will be missed by the house. There is one other branch of the service which has five of our brothers and from all reports they are doing a fine job and that is the Army Air Corps. They are as follows: Roger Dughi, Ellsworth Johnson, Town Carpenter, Lester Loomis and George Sieber.

The men who are left at the house are as follows: William Fuchs, Robert Bishop, Robert Hoelzer, William Powell, Ken Tate, and old faithful Carl Wertz. The activities in the house are going on just as normal but on a smaller scale. Ken Tate and Carl Wertz spent the night in the woods last weekend and brought back with them their usual stories of animals and what not. Robert Bishop is getting through school one week early in order that he

may attend Albany Law School. Robert Hoelzer brought back a car this semester, but just for the laugh you ask him why he isn't driving these days? Bill Fuchs and Bill Powell, the two big boys left in the house, spent all their free time rowing Ken Tate around Lake Moraine. The two seniors who hope to graduate this year June 19 are Robert Bishop and William Powell.

Mr. Gordon Cushman announced his engagement to Miss Nancy Bone last month and we all wish them the best of everything.

WILLIAM POWELL.

Zeta

Penn State

ALL-OUT FOR THE DURATION:

Since the last issue of *QUILL AND SCROLL*, the Penn State KDRs have gone to war. The Army Air Corps has taken over the house, and the last strains of dances and house parties vanished from the chapter halls in March to give way to the militaristic air which is now prevalent. I'm sure that on Saturday nights when the moon is full, the cadets sleeping in our dorms are awakened by ghostly sounds floating about the house. Similar to the various noises our departed brethren once blasted forth on the proverbial big week-ends.

THE VANISHING ZETAS:

Only five of our brothers are returning to Penn State next semester: Hugh Murphy, Robert Chipak, Roger Nelson, and Elmer Diehl will be back with deferments to complete their senior year. Frank Adams, the mad chemist, is still one step ahead of the draft and will no doubt be returning. The remainder of the brothers were in the Army, Navy and Marine reserves, which means that they will not longer be active members for the duration plus six months. All of the brothers in

the Army reserve were called to active duty two weeks after the close of the semester on May 12, and sent to the Camp Meade reception center. The Navy and Marine reserves are being called on or about July 1. The great majority of the Zeta chapter will be in uniform by mid-summer, thereby compelling us to become almost totally inactive. Now that most of our brothers are in the service, you may rest assured that the Axis boys are in for a severe thrashing.

THE EVACUATION:

On Sunday, March 14, the KDR evacuees moved in with the Sigma Phi Epsilon brothers in their house. After becoming settled in our new surroundings for a few hours, the college officials informed the S.P.E. faculty advisor on Sunday evening that their house would also have to be abandoned in favor of the incoming Air Corps cadets. After thanking the S.P.E.'s for their hospitality our brothers once more gathered their belongings and sought new quarters. We were unable to find any one residence where all of us could live together, but since then there have been a number of house meetings to keep the brothers in close contact with one another. Bob Duffield, '44, was initiated at the last meeting, but the Army hustled him away a few weeks later.

PLANS FOR THE FUTURE:

The brothers are not content to let the chapter slip into oblivion. On the contrary, they are looking forward to the day when all will return from the service and open the house more enthusiastically than it has ever been opened before.

BOB HOLSTEAD.

Theta

Purdue

GENERAL:

The enrollment at Purdue has dropped considerably. The ratio remains,

however, at approximately 3.83 to 1. To bolster the rapidly dwindling student body we have on the campus several hundred sailors, about one hundred Curtiss-Wright Cadettes, about the same number of R.C.A. Cadettes, and a few Wright Field Cadettes. The students are divided this semester with those in V-1 and V-7 of the Naval Reserve taking an intensified program of eight weeks, at the end of which time most of them expect to be inducted.

INITIATION:

On April 17, 1943, Wendlin Steele was initiated into brotherhood. "Wen" left for the Army shortly after.

RUSH:

The war, of course, plays its part all things considered. The new pledges here but Theta is not doing too badly, are: Donald Keltsch, Phar., Fort Wayne, Ind.; Francis Pritscher, Engr., Attica, Ind.; George Peer, Engr., St. Louis, Mo.; Donald Roberts, Engr., Charleston, W. Va.; Robert R. Bell, Phar., Cushing, Okla.; Dana Newhouse, Engr., Oaklandon, Ind.; Robert Krupp, Engr., Gary, Ind.; Dick Morgul, Engr., Springfield, O.; Charles Hendrickson, Engr., South Bend, Ind. The house membership is twenty-three at the present time, subject to change without notice.

BACK AGAIN:

Alex Johnson, who left school last year has finished his training at O.C. S., Fort Sill, Okla., and is back with us again as a senior M.E.

Robert "Bud" Inglis, after doing a semester's work at Notre Dame, is back "home" again as a senior M.E. These M.E.'s sure do get around.

ALUMNI:

Theta has quite a few members in the service now. Those who have gone into the armed forces since our last report are: John Biehle, address un-

known; Robert Choka, address unknown; Robert Griffin, now at Fort Hayes, Columbus, Ohio; Gilbert Hildebrandt, address unknown; John Kraas, address unknown; Carl Luder, address unknown; Fred Martin, address unknown; Robert Ronksley, Fort Sill, Okla.; Peter Strong, address unknown; Richard Talmadge, address unknown; Jack Vierke, Camp Rucker, Ala.; Jim Webster, Fort Sill, Okla.

Graduation exercises were held on Sunday, April 18, 1943. KDR's three representatives were Jack Kuch, William Fullerton, and William Scheer. Bill Fullerton received his B.S.M.E. and is at present employed by Curtiss-Wright at the Columbus, Ohio, plant.

Jack received his bachelor's degree in science, and at present is endangering the lives of the citizens of Niagara Falls. He is a chemist now.

Bill Scheer received his B.S.C.E. The Navy offered him postgraduate work at Annapolis, in a manner of speaking. Bill is now at Annapolis.

SOCIAL FUNCTIONS:

Due to the rationing program Theta was forced to substitute a tea for the annual Neighbor's Banquet. However, the tea was a success and it seems likely that it will become part of our regular program, though the loss of "Pete" Strong, who "poured," may handicap us.

The pledges held their dance on Saturday, May 15, 1943. After following various suggestions of unusual themes, they finally hit on one excellent idea, surprising everyone. All indications are that the dance was a huge success.

The annual KDR-ΦKT wagon fight was held April 16, 1943 with the usual results. The boys had to postpone it twice this spring—the mud froze.

The following are the new officers

for the summer term: Consul, William Ebling; Sr. Tribune, Richmond Neff; Jr. Tribune, Herbert Zinsmeister; Praetor, Ernest Fischer; Proprietor, Robert Davis; Quaestor, Dan Ruth; Centurion, Diehl Martin; Custodian, Frank Gray; Social Chairman, Eugene Nicholson; Athletic Manager, Robert Inglis; Pontifex, Donald Corp; Ass't Steward, Clete Tepas.

BOB DAVIS.

FLASH!

As the *QUILL AND SCROLL* goes to press your editor has just learned that the Theta chapter house has been leased to Purdue University for the duration to house the Navy. Those KDRs left in school are now scattered over West Lafayette, but still continue their weekly meetings.

EDITOR.

Kappa

Ohio State

Kappa chapter has seen more and more evidence of the college at war. Fortunately, we have been able to stay open and are even planning a rush week for the week from June 16 to June 22.

There are only 4 brothers in the house at the present time and one of these is Brother Bill Fullerton of Theta chapter. Bill is employed as an engineer at the Curtiss-Wright Aircraft Company in Columbus now.

Several brothers and pledges have joined the ranks since the last issue of *QUILL AND SCROLL*. Brothers Bill Berry, Howard Gardner and pledges Bill Horton and Wayne Klein are now in the Army.

We also held an initiation on Easter Sunday, April 26, at which time Brother Bob Farrell was initiated.

We are planning to brighten up the chapter house with some new paint

and by dint of a little elbow grease in preparation for the summer rush week.

Though these are difficult times for fraternities and college campuses are becoming more and more militaristic, we hope and intend to expand Kappa chapter this summer.

BOB FARRELL.

Lambda

California

On Saturday night, June 5, Lambda chapter sang "All Hail"—the end, for duration. We put up quite a fight for existence, and managed to stay until the semester was over. We lost to Uncle Sam twenty men since last November, and the twenty of us left really made our final semester a memorable one.

We started our celebration 'way back last April. The pledges gave the members a very informal "Blackout Dance" featuring nothing but music by records and blue lights. We wore our oldest clothes so that dance which also banded make-up for women.

On Easter weekend, there being no vacation from school, we honored, among other guests, our retiring Consul, Jack McInerney, who was called to active duty in the V-7 training program at Northwestern University. This party was held at Bro. Coggin's house way out in the country. Of course, we enjoyed ourselves again.

We add to our list of celebrations, the May Day dance, honoring our pledges. A little more formality made this one unique, yet interesting. At that we had such a large turnout our Maypole seemed to always get in the way.

The "Grand Finale" for our chapter came May 15. Many of us will remember that party, because we actually met *everybody* else then, preceding an encouraging game of spin-the-bottle.

Our house functions concluded with an alumni-sponsored beer-bust and dinner at Big Ben's in San Francisco. After an excellent dinner we drank beer and told stories until late at night. Despite the fact that it was held during final week, we had a very good turnout for it.

Although Bob Harrigan was the only senior lucky enough to remain until graduation, June 6, Brothers McInerney, White and Talt having been called in that order, many of us stayed until June 5 for the Senior Ball. It was held at the Fairmont Hotel in San Francisco with Jimmie Lunceford's orchestra. After the ball we came back to the house to dance (?) the rest of the night. We took our dates to breakfast about 5:30 and then the guys started coming home all day long.

On top of all the fun our school work still has to be done. Most of us, being engineering, medical or science majors have stiff courses and competition, and we still remain successful in maintaining a good scholastic average.

Informal initiation this semester, although shortened, still remained on the minds of pledges Maw Veredge, Jim Geil, Norm Carmichael, Jack Norris, Vas Arnatoff and Bob Ford. Also initiated earlier this semester were Jim Berry and Ed Hart.

Like the rest of the houses on our campus, we closed after finals, moving all of our equipment over to our cook's house. Mrs. Capps, known by all as "Cappy," deserves high praise for faithfully serving us for twelve years. She lives now at 2328 Dwight Way in Berkeley, Calif. This house will be the nucleus of our reformation after the war is over. So long, Cal. students, until then, we will all meet at the first big game.

PVT. BOB HOUSTON.

Nu

Indiana University

Nu of Kappa Delta Rho announces the pledging of Arnold Trummer, class of '44. "A.T." is a fine lad, and we're glad to have him with us. Nu is still active, but on a rather limited scale. We plan to continue in operation for the rest of the summer, unless the Army or Navy requests the use of our chapter house before fall. At the beginning of the summer semester there were approximately 1500 male civilian students enrolled on the campus. Since that time, the enlisted reserves of the United States Army were called up, taking approximately one-third of these, leaving with us chiefly medical and dental students, upperclassmen in pre-med and pre-dent, some Navy and Marine reserves, and not too many 4-F's.

Naturally, the house suffered heavy losses. At the beginning of the fall semester of 1942 our house was actually overcrowded. Now the majority of our rooms are empty. Our kitchen, however, is still open, and financially successful.

Since the last issue of *QUILL AND SCROLL*, we have lost the following boys:

Brother Herbie Farrell, varsity wrestler, intramural manager, social chairman, etc., etc. . . . Herbie was only 5'3", but he could lick his weight in SAE's any day.

Brother Bob Meiers. Serious, hard-working, he went the way of all flesh, his last few weeks on campus—and pinned her.

Brother "King-size" Bond, commonly known as "The Count." Another shortie, being about the same size as Farrell, but a bit more on the serious side—at times. He was president of the chapter at the time he was drafted.

Brother Bill Alter, president the sec-

ond semester this last year. Quiet, smooth, and handsome as the devil, Bill ranks among our best-liked boys.

Brother John Heacock, freshman from Joisey, who got all of us to go down to the train with him, "to meet some women." So we (fourteen of us) formed a regal procession and were filled with joyous anticipation as the girls detrained—only to find that the only pretty one of the lot belonged to Johnnie.

Brother Bill Jens, now in the Air Corps. He was chosen as our outstanding in-track, tennis, sportsmanship, courting freshman of 1942-1943. He starred manship, etc., etc. . . .

Brother John Lescak, quiet lad, hard worker, track man, and ladies' man, all in one.

Brother Peter A. Troy, Connecticut Yankee, modern style. His heart may belong to the blonde he left behind, but *he* belongs to Uncle Sam—for the duration.

Besides these boys, Brother Sam Mitchell left us, being forced to drop out of school because of ill health. Sam was quite an astute business man, his many ventures ranging from a wholesale jewelry business to selling cheese sandwiches late at night. Boy, we miss him—especially late at night. Sam's sincere interest and true fraternity spirit is not easily replaced.

While the university carries on, college life, in the good old sense, has given way to the demands of war. Social functions are practically nil . . . one dance on campus so far this summer . . . but we do have a baseball game coming up with the Acacia's, winner being treated to a goodly share of Malt Extract. Also, the intramural

program is going forward, and we recently won our best game of the season, with Sam Rifkin pitching down the S.A.M.'s to a 16-3 victory.

On the Indiana campus, the men's dormitories have been taken over by the armed forces for housing WAVES, SPARS, and members of the Marines auxiliary. Two of the four girl's dorms are being used to quarter soldiers in the ASTP, chiefly air-corps cadets in pre-flight training. The Delta Tau Delta, Beta Theta Pi, Phi Psi, and Delta Upsilon houses have been leased by the armed forces, with Lambda Chi Alpha next on the list. By September the majority of the chapter houses will no doubt have been taken over, and we shall probably be among them.

An outstanding alumnus on the campus, Brother Claude Rich, has been made director of the Indiana Union. When in school, back in the thirties, Brother Rich was quite a rod, being president of Sphinx Club, Blue Key, member of Aeons, "I" man, etc., etc. Pfc. Dan Bannister, former law student and KDR rod, has completed training in the Cryptography school at Pawling, New York, and is awaiting assignment. We were very much surprised to learn that "Evie" Frohman, once our perennial pledge, later an outstanding active, and still later a production man in a powder plant, has left for the Army. Aviation Cadet Jon W. Evans has surprised everyone with his diligence and studiousness in pre-flight air-corps training. He was nearly at the head of his class—in the Army, that is. Aviation Cadet Bill Gale writes, wanting to know chiefly if such-and-such a girl is still around, and if so, what her address is.

So life rolls on here at Indiana, and we move on with it. Changes come swiftly, and predictions are hard to make, but Nu continues onward, a place with welcome greetings for old

brothers and friends, full of memories of those who have left us, and full of plans for carrying on after the war is over.

BILL SIFFIN.

Rho

Lafayette

We of Rho chapter at Lafayette have managed thus far to keep our heads above water and despite the constant loss of brothers we are still operating in our usual manner. With the recent call to active duty of the Army Reserve Corps we lost Consul Lester Kennedy, Quaestor Charles Beck, and Commissar Jack LeMond, along with Brothers Breslin McKnight, David Jacobus, John Fedor, and Arthur Dickcr. These men were members of the advanced course of the Lafayette Reserve Officers Training Corps. Brothers Frank Carpinetti and Chester Hindenack have recently joined the boys of the Army Quartermasters Corps, while ex-Consul Allen N. Dean is studying with the Naval Reserve at Annapolis. Brothers Ralph Snyder, Herb Thomas, Tom Dutcher and LaMont Truex are also in uniform.

COMMENCEMENT:

On April 20 Lafayette held its 108th commencement and as usual Kappa Delta Rho was well represented. We lost through graduation Brothers Allen Dean, Frank Carpinetti, Robert Nyberg and Robert Yoder. Brother Carpinetti of Wilkes-Barre, Pennsylvania, supplied the honors by graduating "cum laude." Our hats are off to Brother Carpinetti.

ELECTION:

At a recent meeting Brother Roger Mortimore was elected Consul to fill the vacancy left by Brother Kennedy. Brother George Mellert replaced Brother Mortimore as Senior Tribune,

and Brother Charles Hoffman was elected Quaestor. These officers have taken over their respective duties and are keeping the affairs of the house in good running order.

SOCIAL:

Due to present conditions our social activities have been rather limited. We recently held a sport dance for the brothers who were graduating and for those who were about to enter the armed services. Harry Romig and his orchestra supplied the music. Before the dance a farewell banquet and party was held in Hotel Easton. Both the banquet and dance proved to be successful and a good time was had by all who attended.

SPORTS:

In the field of sports Brother Jack Kowalski is making a name for himself on the varsity nine. Jack holds down the second base position and has proven himself worthy of that post by his keen fielding ability. At the plate he shows a good batting eye and has been the cause of much trouble for opposing pitchers this season. In the interfraternity sports world we have held our own through basketball, bowling, and now baseball. Behind the pitching of Brother Roger Mortimore and pledge brother Ralph Schumacher we have been rather successful in both hardball and softball.

INITIATION:

The meeting of April 15 was devoted to the initiation of Robert Hagerman of Washington, New Jersey, and John Fedor of Trenton, New Jersey. Brother Hagerman of the class of 1947 is studying mechanical engineering, while Brother Fedor, '45, before entering the U.S. Army, was studying medicine.

GLENN HARMAN.

Sigma

Oregon State

Sigma was able to maintain the chapter house this spring term but had only twenty men left living in the house at the end of school. Sigma will be unable to operate as a fraternity next fall. All active members will be in the armed forces. The chapter house will probably be used to house women or perhaps army students on the campus.

Brothers Charles Pitkin, Ex-'46, Albert Smith, Ex-'46, Robert Brattain, Ex-'46, Warren Baker, Ex-'44, Glenn Anderson, Ex-'44, are now in the U.S. Army. Brother John Dugan, Ex-'44, is in the Army Air Corps and Brother Marvin Allender, Ex-'46, is in the U. S. Marines. Brothers George Wieman, Ex-'44, Lyle Lindsay, Ex-'44, Ervin Thoneson, Ex-'45, Darryl Storm, Ex-'46, and James Hurner, Ex-'46, will enter the services July 1, 1943.

INITIATION:

We are proud to announce the initiation of five men into our brotherhood. Initiation was held the first weekend of this term March 19-21. They are Glenn N. Anderson, mechanical engineering from Corvallis, Oregon; John Bell, forestry, from Ashland, Oregon; Robert Brattain, agriculture, from Chiloquin, Oregon; Charles Pitkin, engineering, from Coburg, Oregon; and Albert Smith, engineering, from Cottage Grove, Oregon.

As most houses on the campus were full we were unable to send our pledges out for the entire initiation. They came into the house only to eat and sleep.

The civilian enrollment in the college has dropped greatly. We have been unable to pledge any men of KDR quality this last term. We are all looking forward to the day we shall be able to return to Oregon State College and Sigma again.

DARRYL STORM.
