October, 1947

Annual Dues Voted Vital To KDR Expansion Program

1947 Convention Sets Record For Off-Year Parley

Thirteen chapters of the 16 active groups of KDR had representatives at the 1947 odd-year convention held in the Hotel Commodore on May 24, 1947, to set a new record in odd-year attendance. A total of 25 delegates attended the one day session. Chapters represented were ALPHA, BETA, GAMMA, DELTA, ETA, PI, RHO, THETA, EPSILON, KAPPA, XI, SIGMA AND LAMBDA.

Main business of the convention was adoption of a working budget for the year 1947-48. (See complete budget elsewhere in this issue). Also up for informal discussion were plans for completing the reactivation of the fraternity during the coming year.

Attending the 1947 convention were: Ferd Ensinger, Alpha; Laverne Severance, Sigma; Ray Verry, Gamma; Herb Beenhouwer, Alpha; Bob Asman, Delta; Ray Townsend, Gamma; Bill Everts, Delta; F. M. Russell, Beta; John Blakeley, Eta; Bill Sandias, Pi; Carson Wallace, Rho; Jack Boyd, Rho; Don Wolfe, Rho; Lou Fikar, Rho; George Shaw, Alpha; Ed Van Kleeck, Gamma; Jack McDonald, Rho; Tom Trainor, Gamma; Hap Brelsford, Theta; Al Snyder, Epsilon; Gordon Eldred, Kappa; Charlie Berry, Xi; Don Leach, Xi; Bill Montgomery, Xi; Bill Eldred, Lambda.

Ten of the twelve officers and directors were present. Coming the longest distance was Vern Severance, director from Portland, Oregon.

Five Officers To Represent KDR At NIC

Five officers of KDR will represent the fraternity at the Inter-Fraternity Conference in New York City on November 28 and 29, it has just been announced by President John L. Blakeley. Besides himself he has selected Ferd Ensinger, executive secretary, Bill Everts, treasurer, George Shaw, alternate director, long active in fraternity affairs, and Don Wolfe, national editor. Besides being present at the general meetings, Ensinger will attend the meeting of the executive secretaries and Wolfe will attend the annual editor's meeting held in conjunction with the NIC.

Representatives from among the actives of those chapters closest to New York City are also expected to attend some of the sessions.

Alumni Groups Being Reactivated For Busy Year

Kappa Delta Rho Alumni Associations are gradually taking on a more normal appearance following their revision to the "nine old men" stage during the War. Several have already begun active preparations for a busy winter of social and fraternal activities. Local alumni should contact their nearest group to become a part of the great KDR alumni actives throughout the country. Groups active at present, with the name of an active alumnus from whom information may be obtained follow:

CHICAGO—Leslie L. Reid, 208 S. LaSalle St., Chicago 90.
SAN FRANCISCO—Merle W. Garling, 775 McLaughlin St., Richmond, Calif.
INDIANAPOLIS—E. Mayer Maloney, 5317 Graceland Ave.
BAKERSFIELD (Calif.)—Phillip White, 883 18th St.
LOS ANGELES—Clinton I. Brain—

(See Page 3)

SIGMA, THETA AND EPSILON CONFER

Ensinger Made New Expansion Head By Pres. John L. Blakeley

Ferd B. Ensinger, executive secretary, has just been appointed by President John L. Blakeley to head the Expansion Committee. Ensinger, who resigned in June, in a communication to President Blakeley expressed his inability to do the work necessary because of business obligations.

Brother Blakeley in an exclusive interview with the QUILL AND SCROLL said that he was appointing Ferd because of his vast knowledge of college affairs. The president said that he (Ferd) was the logical man for the job since he knew so many college authorities and fraternity luminaries throughout the country.

The new position held by the executive secretary will not detract in any way from his plans to carry on the reactivation work of KDR; rather will it give him fields in which to carry on the work of KDR further. Several fields of expansion are being considered at present, among them being U.C.L.A., Bowling Green and Rutgers. Among the items listed for early consideration is the reactivation of MU chapter at the University of Michigan.

Ferd expresses the hope that all alumni members of MU chapter who are interested in placing it on the active list again will write him at 12 Fifth Ave., New Rochelle, N. Y. All suggestions and plans for the reactivation of MU will be carefully considered and investigated.

DIRECTORS' NOTICE

The regular fall meeting of the Board of Directors will be held on Saturday afternoon, November 29 following the sessions of the NIC which is expected to adjourn at noon that day. Any member having any business that should come up at this meeting should contact the executive secretary well in advance of that date so that it may be added to the agenda.

ESOTERIC EDITION

Because of the high cost of printing and the precarious position of the treasury, this edition of the QUILL AND SCROLL is coming to you in an esoteric edition of a newspaper. The saving will amount to well over \$200, a saving that must be made since the treasury is depleted almost to the extent of penury. Since much news of an esoteric nature accumulates from time to time this edition is the result. It is being mailed only to members.

HEAD MAN

President Blakeley expects 1947-48 to be a banner year for KDR

Got yourself a blonde, a baby, or just a new job. Let the editorial office know about it.

HOW TO PAY YOUR 1947-48 DUES!

Your dues for 1947-48 should be sent to the office of the treasurer, William J. Everts, 22 Payne Street, Hamilton, N.Y. For your convenience a return envelope requiring no postage is enclosed with this issue of the Quill and Scroll. A space is left for your name, address and chapter. Fill it in so we may credit your contribution to the proper chapter.

KDR Completes "Top" Year In Public Relations

Receives Recognition By Greek World; Manual For Pledges Makes '47 Debut

Kappa Delta Rho has just finished one of the most successful years of its history. Although somewhat hampered by a limited budget (see budget for 1947-48) its officers and directors witnessed the achievement of many KDR aims. A full program of reactivation was carried out under the leadership of Executive-secretary Ferd Ensinger, culminating in the reorganization of Upsilon chapter in May. Other chapters were aided in many ways by the national organization, but many tasks in their reactivation program have yet to be completed. Many of these are planned for early action in the coming year.

Publications received much attention during the past year with publicity appearing often in the two magazines serving the fraternity world, THE FRATERNITY MONTH and BANTA'S GREEK EXCHANGE. Numerous articles printed in the official KDR QUILL AND SCROLL received official notice in the Greek world by being digested in these magazines. The publicity afforded to the fraternity helped to place her among the most active Greek societies of the country.

A pledge MANUAL, acquainting the future KDR member with every phase of the organization, was completed early this year and is already receiving wide use among the chapters. Book matches with the official seal are available in the national office. Their use for rushing parties, alumni get-togethers, formals, dinners and dances should find all chapters with another weapon in their publicity drive.

All these services add up to one thing: that the national organization is providing more services than ever before with one aim in mind: to make KDR the greatest small fraternity in the country. The continued support of those alumni who believe in supporting the program under way will see even greater strides during the school year 1947-48.

The number of KDR actives this year is expected to top all previous records.

Convention Votes To Continue \$2 Fee; Present Services Must Stay In Face Of Rising Costs

Continuance of the \$2 a year dues was voted at the annual convention in the Hotel Commodore, New York City, on May 24. After a careful study of the budget for next year the delegates present felt that the aid of the alumni was essential for the growth of the new KDR, and voted unanimously to ask the alumni for further support of the program.

An element in the decision was in the records of many other fraternities having regular dues. KDR dues were first started as an emergency measure to provide some means of support during the war when most of the actives were in the service. It has to be voted on at each yearly convention. The officers feel that just as soon as the financial condition warrants, it will be discontinued but that time has not yet arrived.

Factors which call for support from alumni members are only too obvious to most of them. Printing costs have doubled and most other services have increased greatly. An alumni directory is slated for early release but current expenses have as yet left little money to provide for its publication. KDR is fortunate in not having any office rent at present but secretarial work on members' files should be increased greatly if the alumni are to be kept informed of the national doings. Alumni mail is increasing with the rising interest in a new KDR program and its proper answering requires the services of a full-time secretary. As yet the budget is unable to provide this service.

KDR must provide the same service as other active fraternities or be left far behind in the educational picture. Your dues are needed to see that the prosperity she has enjoyed during the period of reactivation be continued to a period of greater growth and service than she has ever had in the past. You may not have time to give to the program, but you must have an extra \$2 somewhere to perpetuate the principals on which KDR was founded.

Give something to the grand growth of KDR for 1947-48. The satisfaction of what it will return to you will be worth more than the money. Make your fraternity a living alumni organization. Send in your dues today.

Scholarship Of All Chapters To Be Reported At Nov. Meeting

Orrin G. Judd, National Scholarship Director, reports that a questionnaire has been sent to every active chapter on the rolls. The report should give an over-all picture of KDR scholarship to present to the Board of Directors at its meeting in November.

Methods of improving scholarship, of checking on the academic ability of rushees, of methods used to stimulate better scholarship, and a report of the chapter's fraternity average for 1946-47 are all contained in the questionnaire.

A new scholarship director will have to be found by November to take Brother Judd's place since he is serving temporarily until the directors' meeting.

You'll be better satisfied with those Chesterfields if you light them with a KDR match.

THE QUILL AND SCROLL

Official publication of Kappa Delta Rho Fraternity.

DON WOLFE, editor

The QUILL AND SCROLL of Kappa Delta Rho is published quarterly, with editorial offices at 443 Grove Street, Rahway, N. J. Notice of change of address should be given at least 30 days before date of issue. All literary contributions or alumni news should be addressed to the editorial office.

THE EDITOR'S ROUND TABLE

JUST A MINUTE, PLEASE

Last year the Board of Directors decided that the yearly budget, a copy of which was being published in the QUILL AND SCROLL for distribution far and wide, was a private matter, to be known only among the members. While secrecy breeds cries of discrimination, it was also felt that our financial situation was of concern only to the immediate members.

Most fraternities publish esoteric editions of their respective magazines, some of them just a few pages, but private nonetheless. Expansion possibilities, budgets and general plans for the future can be discussed without fear of eavesdroppers. We think our decision to follow suit is a wise one, not because we have so many secrets, but because we feel that our financial worries are ours and not the world's.

Kappa Delta Rho is your fraternity. It will take but a few minutes of your time to study next year's budget. That, after all, is a fairly good substitute for attending the National Convention. Your reactions should reach the national office. The many business men in KDR should have some suggestions about getting the most for our money.

From the letters of the alumni we can formulate future policies of our growing organization. Give all KDR's the benefit of your knowledge. They will be forever grateful for it.

Support For '47-'48 Imperative If KDR Continues To Give Chapters Service

Of the 307 KDR alumni who sent in dues for 1946-47, 161 also paid their dues for the year 1945-46. Alpha and Rho were both high with an equal number of those repeating their last year's contribution with a total of 18. Sigma was close behind with 17 repeaters. Iota was the only chapter with 100% repeaters, all 11 members paying for 1946-47 having paid also for last year. 240 who paid last year's dues were unheard from at the end of the fiscal year, July 31st.

There were 146 new contributors this year, which presages an awakening interest among many of the alumni. Of these, 17 members sent in \$4 or more and they are therefore included in the symbols as having paid for 1945-46. Eta chapter was high with 14 alumni contributing for the first time. Alpha and Lambda were in a second place tie with 11.

Indiana Is Nucomer

Appearing again in the honor list of contributors and contributions were Alpha, Rho, Delta, Sigma, and Eta. Although the order is changed slightly these chapters are all grouped rather closely. The only newcomer to the honor list is Nu.

Miscellaneous.....	5.00	20.00	—
TOTAL EXPENSES.....	\$12,305.03	\$9,705.00	\$5,973.20
Net Profit or (Loss).....	(—\$14.21)	(—\$1,053.00)	(—\$2,264.88)

NOTES:

(1) Obviously the Alumni Dues fell behind the forecast, which we thought was conservative, and well behind last year's record: \$929.00.

(2) This was an unusual year in the number of initiations. We can hardly expect as many every year. Many chapters initiated far above their average in their effort to get started again after the war.

(3) The large amount received from Jewelry Rebates reflects in part the large number of initiations. However not all chapters are supporting this part of our national program wholeheartedly. Every bit of KDR jewelry bought outside of regular channels represents a loss to your nat'l organization.

(4) The total for this year includes \$400 set up to cover the Spring Issue of Quill and Scroll, whose publication was delayed by the scarcity of paper.

(5) This amount is larger than forecast because it seemed advisable, if not necessary, this past spring to have the Executive Secretary visit the West Coast chapters as a vital part of the reactivation program.

(6) These two items are always in proportion to the Initiation Fees, hence are larger than forecast.

GREEK ROW

The July issue of the Cross and Crescent of Lambda Chi Alpha (116 chapters) was sent to more than 35,000 members, approximately 10,000 of them non-subscribers . . . The only honorary member of the College Fraternity Editors' Association, Frederick W. Goudy, 82, died at Mariboro, N. Y. on May 11. He was designer of more than 100 type faces used in the printing industry . . . The May issue of Fraternity Month contained the picture of the Gale family previously published in the March QUILL AND SCROLL . . . "Doc" Blanchard, famous Army fullback, was a Sigma Nu at North Carolina before entering West Point . . . "Barefoot Boy With Cheek," new Broadway musical show, isn't doing any good for college life with its caricature of the "Alpha Cholera" house. Those who go to college for an education might well be incensed at such a presentation . . . A new Bucknell sound film in color is now being shown to alumni and prospective students. It includes actual conversation as well as narration to give a picture of post-war Bucknell . . . The History of Phi Beta Kappa has just come from the press. Its author is Oscar M. Voorhees, Delta Upsilon . . . Cecil Isbell, who just signed a five year contract to coach the new Baltimore Colts is a Phi Delta . . . If you like this column, don't keep it a secret. We can keep it up.

That's the horse you ought'a back Brother!
You'll be safe puttin' \$2 on her!!

NOTES:

(1) The only reason there is any cash in the current funds is that we have not yet paid over to the Trust Fund all the money due for this year's initiations. As you will see if you glance at Current Liabilities, if we paid that fund all we owe it, we would exhaust current cash and the better part of the Cash Reserve Fund. We need to show an excess of Income over Expenditures for several years at a substantial figure before we can fully remedy this situation. Alumni Dues can help provide part of the necessary margin.

Respectfully submitted,

WILLIAM J. EVERTS,
Treasurer.

Bob Greene, P '29, fell down the steps in the J. J. Newberry store in Watertown, N. Y. (where he is the manager) and ruptured his intestine. He is now in the Good Samaritan Hospital in Watertown, N. Y. where he was operated on. At deadline time his condition was serious, but not critical.

The first fall issue of the QUILL and SCROLL will be the Chapters Number. A report from every chapter will be included.

Start a KDR get-together in your city. Write to the National Editor for a list of KDR's in your vicinity.

DIRECTOR SEVERANCE

Laverne S. Severance, Sigma '20 and financial adviser to Sigma chapter had the honor of coming the longest distance to attend the 1947 convention. His home is in Portland, Ora.

Alumni Groups—

(Continued from Page 1)

erd, 269 S. El Molino, Pasadena, 5.

THE QUILL AND SCROLL has also been informed that post-war alumni groups are also active in Dayton, Ohio, Santa Cruz, Calif., and New York City. While no officers are known at the time of publication, the QUILL AND SCROLL will be glad to supply any alumnus in those areas with the name of a KDR who would be able to supply information.

Pre-war alumni groups existed in Pittsburgh, Detroit and Buffalo and plans are now under way to reactivate these groups. Other cities have increased their KDR citizens to the point where alumni organizations would be a distinct possibility. Among those showing an active KDR growth is Gary, Indiana.

By 1948 it is hoped that all alumni groups of sufficient size will have completed their post-war organization.

Officers of alumni associations and others active in KDR who are in need of a copy of the Constitution (1948 edition) may get one on request from Executive Secretary Ensigner or from the National Editor.

Every member is his own reporter. Don't be modest; nobody else will turn in news for you.

No news is not good news in your fraternity; we like to hear about your accomplishments.

Convention Personalities, Manual Foretell KDR Future

THE GOVERNMENT OF KAPPA DELTA RHO

The Pathfinder—A Pledge Manual

THE PATHFINDER—A PLEDGE MANUAL

(The following excerpts from the newly published pledge manual will give alumni a sample of the material included therein.)

Chapter Finance

By Orrin G. Judd, Delta '26

Proper handling of financial affairs is one of the most important things in the successful operation of a local chapter. Chapter finance can be either a tremendous headache or a source of real pride. For this reason it is important both to work out a comprehensive system, adaptable to the requirements of the local chapter, and to select the personnel in charge of finance with the utmost care. . . .

The chapter as a whole also has a responsibility in connection with its financial operations. It must support the financial officers by paying bills promptly, by care in the use of food and the treatment of the house and furnishings. The chapter house is a college man's home for four years and it should be treated with the same care as his own home. . . .

Your Obligation to Your College and to Your Fraternity

By George E. Shaw, A '10

Likewise, in your chapter, you may have been a "big shot" in preparatory school but remember you are now starting in at scratch on a new career where the competition is stiffer. You cannot ride on your past reputation; it is what you do here that will determine your success. Do the

(Continued in Last Column)

Pledge Manual Proves Its Worth

So much comment has resulted since the publication of the new Pledge Manual, The Pathfinder, last spring, that in this esoteric edition of the QUILL AND SCROLL we are including several excerpts from the most pertinent chapters. Not only have active chapters voiced themselves favorably on the use that the Pathfinder is getting in the training of pledges, but many alumni who have visited their chapters have been enthusiastic over its contents. Since our alumni are scattered all over the globe, we felt that it was only fair to give them all a sample of what the fraternity is doing to serve the active chapters.

Contributors to the Pathfinder are all members of Kappa Delta Rho; many of them have been active in its administration for some time. Among them will be found: Reginald L. Cook, A '26, Dean of the Breadloaf School of English, Middlebury College; George E. Shaw, A '10, now serving on the Board of Directors; Orrin G. Judd, Delta '26, former Solicitor-General of the State of New York and for nine years National Treasurer; Robert G. Croson, P. Honorary, Dean of Lafayette College; Leslie I. Reid, H '27, officer of the City National Bank of Chicago and President of KDR's Chicago Alumni Association and the Rev. Mr. Harold F. Lemoine, Xi '32, formerly of New York's famous Little Church Around the Corner. All bring to the Pathfinder many years of experience and wisdom gathered from active participation in fraternity affairs.

Alumni interested in obtaining copies of the Pathfinder may contact Executive Secretary Ferd B. Ensinger, 12 Fifth Ave., New Rochelle, N. Y. The price is 75c postpaid.

It takes just two minutes to put your alumni dues in the return envelope and sign your name on the back. You'll help more than 200 actives in that two minutes.

GRINNING TRIUMPHANTLY

Directors "Hap" Brelsford (left) and Verne Severance exchange congratulations on the success of the 1947 convention.

tasks that are assigned to you promptly and well. Learn to carry your own load and to lend a hand. Your example counts far more than your words. If you see a chance for improving conditions or practices, do not hesitate to voice your opinion, but have an open mind if others disagree with you.

The Chapter

By the editors (Ensinger and Wolfe)

The fraternity should be looked upon as a "Measure to be filled, not a goblet to be drained." Kappa Delta Rho expects and demands that each man who takes its oath of membership remain loyal to the ideals and purposes for which the group was founded. It is aware that not all members will fill the measure, but only those who do will reap the benefit. . . .

The Sentiment of Brotherhood

By Reginald L. Cook, A '26

What one absorbs from four years of fraternity life is a knowledge of how to get along together. What one carries with him into post-college life is the sentiment of brotherhood—the skill and the resolution to share life together in a co-operative enterprise based upon the principles of Christian fellowship and honor. It is for this reason that I refer to the fraternity as potentially the inmost heart of college life in American education.
