KAPPA DELTA RHO
FRATERNITY

WINTER
1951

Remember that in college towns you are under constant scrutiny by parents of men who are fighting and and dying for their country on the field of battle. Always conduct yourselves, both on and off campus, in such a way that these parents can accept the sound principle that our survival requires the deferment from military service of students who are training to be of greater value to their country.

Col. Daniel O. Omer

MEMBER OF THE NATIONAL
INTERFRATERNITY CONFERENCE

The LOYALTY FUND is the life-blood of Kappa Delta Rho. We are in need of \$1500 this year to continue the present expansion program and consolidate those gains made in the past several years. All we need is 1500 alumni to place a dollar bill in an envelope and send it to the LOYALTY FUND. Won't you join the LOYALTY Fund at 443 Grove Street, RAHWAY, N.J? Your dollar (or more if you have it) will help your fraternity to the best year it has ever had.

OUR COVER

Winning scholarship cups is getting to be a habit for Iota Chapter at Bucknell, who last year won again the Sigma Chi scholarship cup. Proudly displaying the emblem of scholastic supremacy are Bill Hendrixson, senior tribune, Bob Boland, scholarship chairman, and Ron Peterson, consul.

New Executive-Secretary

Hugh Penman Elevated From Field Office

New executive-secretary for Kappa Delta Rho is Hugh Penman, elevated from the position of West Coast Field Secretary to that of general executive for the entire national. His experience in organizing the West Coast Regional Conference of last year, and his knowledge of the West Coast chapters bring to KΔP a new outlook in executive positions, as he is the first one from the West Coast to hold the office.

He succeeds Ferd Ensinger, who served five full years during the re-activation period following the War. Problems of expansion and consolidation fill the agenda now, and he has already devoted time to the solving of these problems.

As the son of a construction engineer, Penman received his primary education in fourteen different schools in the U.S. and Hawaii, graduating from John Marshall Highschool in Los Angeles in 1947. In highschool he was editor of the creative-writing book, a member of the Hi-Y, active in dramatics, and a scholastic honorary.

After enrolling at the University of California he was initiated into KΔP in 1948 at the end of his freshman year. He received his degree in 1951 with an A.B. in history and graduate work in teaching.

In Lambda Chapter he held the offices of Pontifex, Propraetor, and Consul. In 1950 he succeeded Norman Carmichael as West Coast Field Secretary, and held that office until taking over the

duties as executive-secretary during the summer of 1951. His office is located in Rahway, New Jersey.

A MESSAGE

Kappa Delta Rho is in danger! As we gain more chapters, we, as a national fraternity, run the risk of over-extending our lines of supply and communication. History shows us how other nations and other national fraternities have fallen due to over-expansion. We are no different. KΔP is growing in the number of chapters, and a serious effort must be made by every alumnus and active undergraduate and pledge to see that we grow internally as well as externally.

Many of you have heard me say that the U.S. mail is the life's blood of our fraternity. One thrombus could prove disastrous.

We must stimulate and maintain our circulation by frequent letters to national officers by chapters and to the chapters by the national. Close contact and association is most essential. I cannot over-emphasize the importance of inter-chapter relations. Nor can I lay great enough stress upon the need of close communication between chapter and national.

In order to foster a closely-knit fraternity, chapter visitation is an important factor. As far as it is possible, the national office hopes to have a national officer visit each chapter at least twice a year. Close communication with the national officer will make these visits more profitable to the chapter and to Kappa Delta Rho. By all means, we must be on our guard to avoid the danger of expanding without unifying ourselves within. 1952 is likely to be our greatest year. Will you do your part?

(The foregoing message was written by the new executive-secretary, who addresses it to all members of KΔP, whether actives or alumni. He takes this method of introducing himself to the alumni especially, since he is able to meet most of the actives on his chapter visits. *The Quill and Scroll* invites the alumni to write to him about chapter problems.

The editor)

Last spring, Nu Chapter celebrated the 25th anniversary of their installation as a chapter of KΔP. Attending the Stag Dinner commemorating the event were 18 of the charter members numbering 26 in 1926. In the usual order: Front row; Lester Livingston, Douglas Kendrick, Dr. Joseph Todd (Sponsor), Oswald Fox, Merle Hunter; Middle row; Jasper Garland, George Beauchamp, Alvin Ahrens, Hugh Dargitz, Adrian Hoopengardner, Robert Wyatt; Back row; Dr. Russell Rees, John Neal, Clarence Fowerbaugh, Ralph Chalfant, Walter Burnham, Walter Simon, and Stanton Huber.

Help Week!

↑ Photo by Colby News Bureau

More and more chapters of Kappa Delta Rho are substituting **HELP WEEK** for **HELL WEEK**. Pledges of Xi Chapter at Colby College helped to convert the basement of the Waterville YMCA into a handicrafts room. With Basil Hanscomb, director of the YMCA, are Paul Haley of Caribou, Me., Vic Scalise of Lowell, Mass., and Bill Taylor of Newport, R.I. Taylor is pledgemaster and Scalise chairman of the pledge committee.

Postponement

Due to the many urgent matters to come before the NIC meeting at Old Point Comfort, Va., the report was not ready for this issue of *The Quill and Scroll*. Pictures ordered from the official photographer also failed to arrive in time for make-up in this issue. Since your editor feels that events of the meeting were of extreme interest to KAP alumni the report was postponed to the Spring Issue.

The KAP house at Bucknell is becoming increasingly popular with Iota alumni. Last year 22 of them returned for Homecoming and reminisced all over the place. The Old Buck

At the All-American Conference to Combat Communism, held in Milwaukee, Wis., December 14-15, and attended by a representative of the NIC in our behalf, a general suggestion was made and repeated many times that school teachers take the oath of allegiance and organize a move to give the good ol' American heat to throw out Communists. How far can buck-passing go? School teachers are to accomplish during the six hours of a 24-hour day what the general apathy of the public allows to ferment for the other eighteen. It's a peculiar world, isn't it?

On Public Relations

The Post Standard of Syracuse, N.Y., December 5, 1951, adorns the very first page with a two-column five inch picture of a Kappa Delta Rho at Colgate being paddled by a female reporter of

the paper. Your editor can hardly believe that such adverse publicity was the result of any chapter-house discussion or after conference with the Director of Public Relations at Colgate University, who would certainly never condone such action either for the good of the chapter or of the university. Chapters have constantly been warned to consult either the national office of KΔP or their collegiate office of public relations before releasing any pictures or publicity of fraternity affairs. The National Office of Kappa Delta Rho endeavors to enhance the status of the fraternity as a mature organization. It can never condone such immature action as this, for it is such incidents that harm the fraternity everywhere. Maturity in little things should lead to a solution of bigger questions.

1952 CONVENTION

Announcement has just been made by Executive-secretary Penman that the 1952 Convention will be held on June 19-21 in West Lafayette, Indiana. Theta Chapter will be the host. The program and further details will be printed in *The Quill and Scroll* as soon as they are drafted.

Little Girl?

Susan Zanuck, daughter of Darryl F. Zanuck, producer of *Take Care of My Little Girl*, the 20th Century-Fox production of last summer that caused such protest among fraternity men and women has been pledged to Kappa Kappa Gamma on the University of California, Los Angeles, campus. The pledging has created considerable interest because the infamous movie is the greatest yet of all knocks against private campus clubs.

The Magazine of Sigma Chi for October had this to say about the movie: *Our review of TCOMLG would read briefly: A lot of pretty, painted girls spend a year long rush week at a mythical college. For side-line amusement there is singing and substantial drinking by the heroine's father and 'fraternity' boy friend. An episode involving cheating on an examination is thrown in for good measure. After much talk, Tri U loses two pledges, the Midwestern U dorm becomes over-crowded, and 20th Century-Fox runs up an enormous bill for technicolor production.*
