FRATERNITY

FALL
1952

"The cold-blooded historian will recall powerful civilizations of the past wrecked by complaisance and luxury. He will assess our status today and find that as a whole people we are not willing to face squarely the problems before us. We still want to find easy expedients, to avoid responsibilities."

Dr. Louis B. Wright

Member of the National
Interfraternity Conference

JOHN O. BOYD

Word was received as we went to press that John O. Boyd, Grand Consul from 1942-46, and long active on the Board of Directors, died as the result of an automobile accident on Sept. 11 at his home in Lowville, N. Y.

Publisher of two newspapers, Brother Boyd was, at the time of his death, chairman of the publications committee for Kappa Delta Rho.

A complete tribute to his tireless work as a newspaper man and an ardent KDR will be presented in the next issue of **THE QUILL AND SCROLL**.

Don C. Wolfe, Executive Secretary of Kappa Delta Rho Fraternity, represented his fraternity and was one of seventy-three interfraternity-panhellenic guests to attend the twenty-third Biennial Convention of the Lambda Chi Alpha Fraternity, August 31 through September 3, 1952, at the Waldorf-Astoria in New York City. The Interfraternity - Panhellenic Luncheon, first of its kind to be sponsored by any fraternity, was held September second in the Astor Gallery. The guests were welcomed by Dr. Houston T. Karnes, National President of Lambda Chi Alpha, who introduced each guest.

THE COVER

Proudest delegate at the 1952 Convention was Tom La Vaut, from Upsilon Chapter, holding the two scholarship cups won by his chapter. This rare feat may never again be equalled by any chapter. Congratulations to Upsilon.

THE 1952 CONVENTION

Quill and Scroll Photo

1952 National Convention Adds To Growth of Kappa Delta Rho

The 41st Convention of Kappa Delta Rho is now history. Theta Chapter at Purdue University was the perfect host, turning over their house to the delegates from eighteen chapters and one colony who began to arrive in West Lafayette on the evening of June 19. Six national officers and three directors made the trek for this very significant meeting of the grand conclave.

Thursday Smoker

Incoming delegates and board members were entertained Thursday evening by members of the hospitality committee, who scheduled an informal smoker to get away from the formality of early introductions. The purpose was well-served, with members from Middlebury fraternizing with dele-

gates from California before the evening had even gotten under way. The evening was further livened with movies on Big Ten football for which a vote of thanks was given to the host chapter.

Registration

Registration began on Thursday afternoon and was completed before the morning session got under way on Friday.

National officers registered were President E. Mayer Maloney, Vice-President Alton R. Snyder, Assistant-treasurer Walter E. Garman, Sr., Executive-secretary Hugh S. Penman, Donald C. Wolfe, editor, Expansion director Frederic T. Closs, and National Historian

The sessions met in the spacious living room of Theta Chapter House.

Quill and Scroll Photo

Quill and Scroll Photo

George E. Shaw. Directors Harold H. Brelsford, Merle W. Garing and Gordon Eldredge were also registered.

Delegates attending the sessions were Herbert Atkins, Alpha; Eric R. Cronkhite, Beta; John Zongrone, Gamma; David Miller, Delta; Jim Axelberg, Epsilon; Jack Haines, Zeta; James Fleischer, Eta; Forrest A. Lyddon, Theta; Clarence Miller, Iota; Richard Smerda, Kappa; Peter Dodge, Lambda; Wayne Ponader, Nu; Robert Cooke, Xi; Jack Silberman, Pi; Herbert C. Deininger, Rho; Irving Hill, Sigma; Thomas O. LaVaut, Upsilon; Werner Mundt, Phi; and Roger B. Ludlum, Psi Colony.

Frank R. Kik of Theta Chapter very ably supervised the host committee that did such a grand job of putting up the delegates and ministering to the wants of the directors and officers. Others assisting him were Thomas M. Strohl and M. E. Pickrell of Theta also. Ed Tudor and E. W. McIlvaine represented the alumni on the host committee, as well as the Eta and Indiana Alumni Association.

Many chapters sent a whole carload to the convention. Chapter

Official delegates to the 1952 Convention reflected the spirit of the entire convention.

members attending were designated as alternates. Among them could be found the following: Wesley Eccles, Sigma; Richard Brust, Sigma; Bob Sinclair, Rho; Walter Anderson, Lambda; Jack Ottosen, Lambda; Ronald Hinding, Nu.

Many guests attended one or more sessions of the convention or the social affairs of the weekend. Some of them were William Johnson, Sigma; Richard Zinn, Pi; Cec Evans, Theta; Bob Sinkeldam, Gamma; John Ackerman, Theta; Roy Wood, Theta; Neil Hansen, Rho; David Cope, Rho; Phil Heywood, Xi; Bob Timpany, Eta; Paul Douglas, Theta; Dan Nesbitt, Theta; S. R. McKnight, Zeta; Dewey Walker, Zeta; and Donald Goodwin, Lambda.

Theta Chapter was ably represented by faculty advisers K. E. Botkin and W. O. Satterley, standbys of the castle on the hill.

Secretary's Report

Hugh S. Penman, executive-secretary gave a full report on the past year's activities in KDR National. He emphasized that the

year marked a trend toward national fraternalism. The feeling of brotherhood that inter-chapter activities had increased was now a reality. Regional conferences had done much to make chapters more aware of what was being done in neighboring colleges and the free and open discussion taking place there was good for the democratic future of KDR. Undergraduate participation in conferences was the greatest in history, with more and larger delegations being sent to the regional pow-wows. Undergraduate interest in KDR has witnessed a re-birth; the size of KDR contributing much to the close unity and intimacy with the national office and other chapters.

Expansion

Expansion remains conservative with emphasis being placed on groups that wish to contribute to

the general welfare of KDR. A definite policy has been outlined by those entrusted with the future chapters of our fraternity. Psi Colony at Lycoming College, Williamsport, Pa., is outstanding among the colonies, with the group contributing many ideas, and making definite advances in cementing their place on the campus. Its rapid progress and fiery spirit make it a sure bet for installation in the near future. A group in California is also nearing the stage of colony status. It was recommended that formal initiation be withheld until the installation of a colony.

A session of informality prevailed at the picnic held Sunday following the adjournment of the Convention.

Penman Photo

Quill and Scroll Photo

Scholastic Progress

Kappa Delta Rho has made progress scholastically in recent years as reports of the Scholarship Chairman, Dean Crosen, indicate. Some chapters such as Epsilon, Iota, Kappa, Xi, and Upsilon have been consistently in the upper rank on their campuses. Recently Lambda, Nu, and Sigma have broken through the half-way mark and appear to be realizing the satisfaction that comes from effort well applied in the scholastic field.

Incorporation

Incorporation received a thorough search before the Convention voted unanimously to incorporate. It was pointed out that directors should have the protection that incorporation would bring to a national organization. However, the consensus of opinion seemed to favor a complete investigation of state laws before any final action. A committee appointed by the president will have charge of the investigation.

One of the highlights of the Convention was the appearance of Miss Carol Mitchell, Sweetheart of Kappa Delta Rho for 1951, at the Convention banquet. After her gracious informal talk upon being introduced, it didn't take the delegates long to tender their programs for autographing. Miss KDR complied with a willingness that only brought more delegates and more programs. Miss Mitchell is a member of Pi Beta Phi and became runner-up to Miss America for 1952.

Fees Raised

The Convention also voted to raise the initiation fee by \$5, present pledges to be exempt from the increase. Included in the motion was the provision that initiates be exempt from national dues for the semester in which they are initiated. National dues were also raised \$1 a semester.

Although the delegates pointed out that college fees generally were rising, they were almost unanimously in favor of running

the organization on a sound basis, since inflation had cut the purchasing power of our budget so much. With careful management the increase in fees is expected to relieve the pressure upon the budget by increased costs of materials and printing.

Memorial Fund

A Fund in memory of John Loy Blakeley were established by the convention to be used for extension. Not to be confused with the Trust Fund set up for the maintenance of the **Quill and Scroll** its principle and interest is to be used to relieve new chapters and colonies of the financial strain they so often experience. A full report on the Fund will be given later in the **Quill and Scroll** telling alumni and actives how they may help in establishing the Fund.

New Directors

Three directors had their term of office run out in 1952. Alton R. Snyder, vice-president; Harold H. Brelsford, Gordon Eldredge, and Dr. Robert G. Crosen, all were given a vote of thanks for their service as directors.

The Convention nominated and elected three new directors, Joseph P. Porter, Beta '17; Dr. Robert G. Crosen, Rho Honorary; and Oscar L. Doud, Eta '22. Their term will run until 1958. To fill the unexpired term of the late John L. Blakeley, Gordon Eldredge was elected. Alternate directorships will be filled by Ferd B. Ensinger, Alpha '45; George E. Shaw, Alpha '10; and C. Irving Carpenter, Iota '27.

National Flag

The Convention examined the policy of having chapters make up their own flags. A discussion resulted in a motion to have a standard flag designed for all chapters, and that it be presented at the 1954 convention for final approval.

Quill and Scroll Photo

Secretary Penman (left) presented the scholarship trophies to Tom La Vaut, delegate from Upsilon chapter.

al. The president was empowered to appoint the committee to carry out the wishes of the convention.

50th Anniversary

No regular convention is to be held during the year of the 50th anniversary of the founding of Kappa Delta Rho. Since 1905 saw just the preliminary meetings take place that resulted in the establishment of KDR is was considered appropriate that the Golden Anniversary be celebrated in 1956. A motion that it be held at Alpha Chapter, the mother chapter, was carried unanimously. Appropriate ceremonies will be planned to commemorate the occasion.

"TOAST TO OUR BROTHER" SHOWN TO CONVENTION DELEGATES

FRATERNITY FILM PLANNED TO ENHANCE PUBLIC RELATIONS

"Toast to Our Brother," a new 16mm twenty-five minute film in which a statue tells how he happened, how he came to college, wondered what fraternities were, and in the next few years how he found the answer to his question, was shown as part of the 41st Convention at Theta Chapter House during the noon recess on Friday, June 20. In color, this new film is sponsored by the U.C.L.A. Interfraternity Council with the hope that it will serve as promotion in rushing and in explaining the fraternity system to parents and the general public.

Fraternity and sorority chapters made their houses and members available for the production of the film. The quality of the musical

score, dialogue, and special effects bring the film close to being a product of Hollywood studios. In order to add a great deal of punch, Joe E. Brown was invited and graciously consented to take a speaking part on behalf of the fraternity system. His lines are slanted especially towards the graduating high school senior and the college freshman.

It was the obvious need for a good fraternity promotional film that prompted producer Tom Graeff to choose his film subject. Hollywood has released several films dealing with fraternity life but in each case there has been the tendency to distort, to tell only a one-sided story and leave the audience wondering—often with a bad taste in the mouth. "Toast to Our Brother" succeeds in telling the whole story in a humorous, realistic and entertaining way. In these days

with a highly tense world situation many college freshman who know little about fraternities are likely to overlook them in an effort to concentrate on some other aspect of their college careers. Now more than ever it is the job of the fraternity to make the truth known—to demonstrate the great importance of the fraternity on the campus—and the tremendous job the system undertakes in developing and training worthwhile citizens conscious of their obligations of working harmoniously together.

In the past, rush booklets, fraternity newsletters, and sometimes freshman assemblies have sufficed to tell the story to the new student. "Toast to Our Brother" goes a step further in demonstrating in a most convincing way the need for careful consideration on the part of the student overlooking the part fraternity plays in the well-rounded college education.

An Experiment

The film is new. The producer hopes that enough prints will soon be in the hands of organizations across the country where they may be made available for showings to high school seniors, college freshmen, civic organizations, and the general public. Then only will the far reaching purposes of the film be realized.

"Toast to Our Brother" is an experiment in fraternity promotional work. Its success will depend upon the reception given to the film by alumni groups, and the support they provide for general viewing of it.

(Rental fee to chapters and alumni groups is \$25 plus transportation both ways from California for a one day stand. Any Kappa Delta Rho group interested in using the new film for rushing

or even for an alumni banquet or showing to high school seniors can obtain an order blank from the national office, 443 Grove Street, Rahway, N. J.)

KDR's Make the Nations Headlines

(From the December 1, 1951 issue of The Protestant World, National Protestant newspaper.)

Columbus, Ohio—Thousands of Ohio's Protestant young people of high school age and up to 25 years jammed Memorial Hall here on Nov. 23, 24, and 25, for the first joint rally of ten leading denominations sponsored by Ohio Christian Youth Movement in ten years. Participating groups were: A.M.E. Zion, Baptist, Community, Episcopal, Evangelical and Reformed, Evangelical United Brethren, Methodist and Presbyterian. First-day registration exceeded 3,400. Governor Frank Lausche delivered the opening address.

The Rev. J. Albert Clark, Columbus, (Cornell '28), Director of Religious Education and Youth Work for the Ohio Council of Churches since 1949, was in charge. The theme of the rally was: 'God's Power—Our Strength.'

(From Watertown Daily Times)

Potsdam, June 2—Dr. Frederick W. Crumb, president of the State University Teachers' College in this village, today was appointed chairman of the St. Lawrence County Eisenhower-for-president committee.

... The appointment of Dr. Crumb as St. Lawrence County chairman was made by New York headquarters of the Eisenhower organization.

ONE EXECUTIVE-SECRETARY RESIGNS;

PENMAN RESIGNS

Hugh S. Penman, executive-secretary of Kappa Delta Rho, resigned his position on June 30 to take a position in the personnel division of the Defense Department in Washington, D. C. His resignation ended a very busy year as the executive head of the fraternity he joined at the University of California in Berkeley. He was a member of Lambda Chapter, class of 1951.

Brother Penman spent a busy year coordinating the chapters in a better spirit of brotherhood and chapter relations. He was well known throughout KDRdom by most of the actives, who received a lesson in inter-chapter relations every time Hugh came to visit. He was very much interested in the personal nature of a small fraternity like Kappa Delta Rho, and preached that doctrine wherever he went.

From all reports his new job takes up just as much of his time as KDR did. We are certain that he will fill it to perfection and that success will follow his efforts there as it did with Kappa Delta Rho. We all wish him every success in Washington and are sure that he will achieve it as one of the top KDR's.

WOLFE APPOINTED

by Fred Closs

Donald C. Wolfe, Rho '25, KDR national editor since 1945, was named the Fraternity's new executive-secretary-editor by the Board of Directors in June. He succeeds Hugh S. Penman who retired to work with the Intelligence department in Washington.

Don Wolfe

In his new, full-time position, Wolfe will continue to edit **The Quill and Scroll** and other national publications, as well as assume the office and road responsibilities of the executive-secretary. The combined executive and editorial offices will be located at 443 Grove Street, Rahway, N. J.

Current holder of the highest honor in national fraternity journalism, the presidency of the College Fraternity Editors' Association, Wolfe brings to his new job a distinguished record of service to KDR, the NIC, his college and community, as well as an intimate understanding of national and local education and fraternity conditions. Besides heading up **The Quill and Scroll**, he has been an active KDR convention participant, and has served on numerous standing and special committees. He has made frequent chapter and colony visitations, has been working to improve the fraternity's

ANOTHER IS APPOINTED BY BOARD

public relations program, and last year completed a mammoth job of compiling a new KDR Directory. Since 1945, NIC work has also claimed his time, and he is presently a member of the National Blood Bank Committee.

In addition to all his KDR and NIC responsibilities over the years, Wolfe maintained his full-time teaching and coaching at Perth Amboy, N. J., High School, a position he now leaves after twenty-seven years of close relationship with the youth of his state. Adviser to the student newspaper, he served as New Jersey state director and on various committees with the National Association of Scholastic Journalism Directors.

Three early years as football coach and nineteen as tennis mentor also marked Wolfe's experience at Perth Amboy. He retired from clay-court advising in 1947 after directing the boys to the Eastern Interscholastic Tennis Championship in 1943.

A native of Easton, Pa., Wolfe was graduated with highest honors from the Mining and Mechanical Institute at Freeland, Pa., and from Lafayette College in 1925

with a major in English and minors in journalism and history. A real "BMOC," he played baseball and basketball for the Leopards, was managing editor of the campus humor magazine, and held membership in numerous organizations, including the Glee Club and the marching band. He has since done graduate study at both Rutgers and Columbia.

Sharing Wolfe's challenge as new KDR secretary-editor are wife, Olga (Mrs. KDR), and offspring, Bobby (Barbara—a 1952 Indiana U. Graduate) and Billy.

An experienced educator, a recognized leader in interfraternity journalism and public relations, and a man who combines maturity with a deeply felt appreciation of youth's problems and hopes—this is KDR's new executive-secretary-editor. The Fraternity unites to congratulate him on his new post, to wish him God-speed, and to express confidence that the successes which he has achieved in the past, through loyalty and devotion to fraternity, college and community, will continue in the future, aiding KDR to grow in stature and in strength.

JIM RITCH NEW FIELD SECRETARY

Jim Ritch, new field secretary for the West Coast, appointed by the Board of Directors at their meeting in June, has already begun an ambitious program for the West Coast Chapters, especially along the line of publicity and public relations. He is presently completing a publicity brochure that will be distributed to all other chapters of Kappa Delta Rho along with the chapters he will visit this year.

Twenty-one years of age, Jim is a senior at California majoring in business administration. His experience out of the classroom since entering Cal in 1947 has been varied. With six years of experience in the newspaper field, he has edited three weeklies, on semi-weekly, and was a reporter for a semi-weekly. This summer he edited the Crockett (Cal.) American, a weekly. When he returns to school in the fall he will again

Field Secretary

Quilman's Studio

Jim Ritch

take up his police beat as a journeyman reporter for the Oakland Tribune. He has even broken into the public relations field of political campaigns, but claims his record is only .333 or one won and two lost.

He has a B scholastic average, and is rather undecided as to whether or not law school will be his lot after Cal. He holds a second lieutenant's commission in the Army Reserves through his work in ROTC but doesn't expect to see active duty until after his graduation.

Plans for the year are the best ever outlined for the West Coast. A closer coordination of the three West Coast Chapters, a more ambitious public relations program, a well-planned program for the regional conference, and a wider observance of Founders' Day are some of the projects he has set up for the year. Kappa Delta Rho is indeed fortunate in having such a

bundle of energy to run its affairs in the far West. Jim Ritch has all wishes for a most successful year in his new job as field secretary.

Richard A. Naatz, Eta '50, is now working as an electrical engineer for the Public Service Company of Northern Illinois, and reports that he is very happy in his new position. His two sons, Bobby and Donnie, aren't quite ready for college, but Dick says 'they continue to grow and find new and better ways of getting into mischief.' His new address is 1918 Bradley Place, Chicago 13, Ill.

Young Editor

Life Photo by Cardozo

Last year, Warren Young, Purdue '48, became at 24 the youngest Assistant Editor on the staff of LIFE magazine when he was elevated to that position in the department of science and medicine. He has been a reporter in the science department of LIFE since his graduation. He has also distinguished himself as a beauty judge, being on the committee that chose Miss Carol Mitchell as the first and illustrious Sweetheart of Kappa Delta Rho for 1951.

ACROSS THE EDITOR'S DESK

ACADEMIC FREEDOM

Democracy can only be democracy in a real sense if there is a free exchange of ideas and opinions. Discussions on all subjects supply the life blood that will make democracy grow. It is disturbing to note that restraints are being placed on college and university students in many places in the realm of free discussion.

It is encouraging to note also that the National Council of Jewish Women have recognized this problem in promoting a nationwide essay contest on "The Meaning of Academic Freedom". It opens September 15, 1952 and closes December 31, 1952. Maximum length is 2500 words. It is open only to seniors in college (class of 1953) and the prizes in themselves, \$2,500 for first, should be attractive. We think that some seniors of Kappa Delta Rho might be sufficiently interested to enter.

Kappa Delta Rho stands for academic freedom and the free exchange of ideas. It heartily endorses this contest and encourages those with ideas on the subject, and the writing ability to express themselves, to enter. Folders on rules, certificates of authorship and posters are available in your national office or your college administra-

tion office. We shall be glad to furnish KDR seniors with all the necessary details for entering this worth-while contest.

NATIONAL LEGISLATION

Consuls and Directors are requested to pay particular attention to the copy of the minutes of the 1952 Convention. Copies have been distributed to all chapter delegates and to all members of the Board of Directors.

Considerable misunderstanding resulted from the fact that sufficient notice was not given to the minutes of the 1950 Convention. Consuls should plan to have at least a full meeting in charge of the delegate to the national convention. They should see that a complete report is made to all members at the meeting, and that all questions concerning legislation are answered and understood.

Legislation concerning dues and initiations was passed at the June Convention. It is more than vital that all members be given a full report on this legislation so that when the house bill comes due every member will understand just why it is higher.

Repeated notice of the legislation passed by the last Convention will be given in The Sentry. It should be read carefully.

Beta Photo

Beta Chapter Moves Back To Highland Road

Beta Chapter at Cornell University moved back to Highland Road on July 1. The new home at 312 is just one door north of the old KDR house which was sold when the chapter went inactive during World War II. Its acquisition puts Beta in a much better position on the Cornell campus, and the rushing picture should be much brighter with a newly-furnished house.

Of tile construction, the new house has tan stucco on the outside and is ornamented with green shutters. Heat is furnished by a gas furnace.

The grounds provide a large parking area and plenty of room for recreation. Measuring 370 feet by 400 feet it has a gradual slope, but the land is smooth and (the pledges hope) easy to maintain.

*Recently Purchased House at 312
Highland Road, Ithaca.*

Although it is not quite as large as the old house it will accommodate 18-20 members comfortably. The den and the living room are equipped with fireplaces. Both the living room and the dining room, the latter seating 40, open into a glassed-in porch. The large porch which is heated is ideal for parties or relaxation.

The second floor includes three very large rooms and two medium sized rooms with an ample supply of built-in storage. There are two baths on this floor and one on the third, as well as a lavatory on the first. Two large rooms on the third floor will accommodate 24 men in a double-decker dormitory, very similar to the one at 306.

Changes Made

Changes in plumbing and wiring were made during the summer so that Beta's new home is ex-

pected to be ready for actives and alumni alike with the opening of the fall term. Complete furnishing from cellar to attic will be made and at last report Pete Powell, the treasurer, was hoping that some KDR could give the house a good deal on furniture and household equipment. Beta wants to stretch their dollars the same as the rest of us.

The KDR house at Cornell does not compare in size with most of

the fraternities on campus. It is a typical KDR house, however, for actives and alumni instrumental in its acquisition agree that a small fraternity has something to offer that the large one is not able to offer. It should interest the type of college man who places closely-knit fraternity relations ahead of size and that is the type of student Beta wants as a member. They are optimistic that he will not be hard to get.

TREASURER MARRIES COLBY GRADUATE

Donald G. Leach, treasurer of Kappa Delta Rho, and Miss Joan Carol Gridley were married in the Calvary Episcopal Church, Summit, N. J. on December 29, 1951. A reception in the parish house following the ceremony was attended by several KDR's who were there to give the bride and groom a real fraternity send-off.

Mrs. Leach is a graduate of Summit High School and graduat-

ed from Colby in June. Don, present treasurer and member of the Board of Directors, is associated with the Keyes Fibre Company of Waterville.

Members of Kappa Delta Rho attending included Warren Wagner, Gamma '43, Bernhard Priemer, Iota '28 and member of the Board of Directors, Frederic Closs, Rho '51 and Expansion Director, and Don Wolfe, Rho '25 and national editor. Mrs. Priemer and Mrs. Wolfe also attended.

TOME, JOHNSTOWN PASTOR MARRIES MISS OBERDICK

Richard L. Tome, Pi '48, assistant pastor of the First Lutheran Church of Johnstown, Pa., and Miss Bette-Jayne Oberdick announce their marriage in the Immanuel Lutheran Church, Manchester, Md. Miss Oberdick is a graduate of State Teachers' College, West Chester, '48, and is a kindergarten teacher in the Hartley School, York, Pa. Dick, a former consul of Pi Chapter, graduated from the Lutheran Theological Seminary, Gettysburg, in 1951, before taking over his present pastorate in June 1951.

Chapter Eternal

John C. Reed, Zeta '28

John C. Reed, Penn State '28, vice-president, research, of American Radiator & Standard Sanitary Corporation died June 14 in Louisville, Ky., after a brief illness. He was 50 years of age.

Mr. Reed held important positions in both manufacturing and research operations during his career with American-Standard. The new consolidated plumbing and heating research laboratories soon to be officially opened in Louisville were constructed under his supervision.

Mr. Reed was born in Glenfield, Pa., on May 20, 1902. He was graduated from Pennsylvania State College with a degree in mining engineering. Following his graduation he joined the Vesta Coal Company as a mining engineer.

In 1929 Mr. Reed began his association with American-Standard as a metallurgist in the Research Department. He later was named brass engineer in the Louisville plant and subsequently served as production engineer in the firm's general manufacturing department.

Mr. Reed was named manager of the Research Department in 1946 and served in that position until he was elected vice-president, research in April, 1951. It was during Mr. Reed's tenure as Research Department head that the heating laboratory, formerly located in Yonkers, N. Y., and the plumbing laboratory, formerly on the Louisville plant grounds, were consolidated into the modern, new laboratory in Louisville.

Besides Kappa Delta Rho, he was a member of the American

John C. Reed

Chemical Society, American Institute of Mining and Metallurgical Engineers, American Society of Heating and Ventilating Engineers, American Society of Mechanical Engineers and American Society of Sanitary Engineers.

He also held membership in the Metropolitan and Engineers Clubs in New York and the Duquesne Club in Pittsburgh.

Mr. Reed is survived by his widow, the former Elizabeth Jane Moorman; and two sisters, Mrs. R. Laird Auchmuty of Pittsburgh and Mrs. William C. Lepper of Butler, Pennsylvania.

W. Malcolm Brady, Beta '19

W. Malcolm Brady, Beta '19, died in July 1950. He was, at the time of his death, vice-president of Burlington Mills, 350 Fifth Avenue, New York City. No further information of his death is available at this time.
