the editor's forum

The November 1960, February and May 1961 issues of this magazine reached a highpoint in styling and content in comparison with previous issues. We're not bragging about it, because we feel that each one of these issues could have been further improved with more hands, more money and more time. The cold matter of fact is that we can not continually improve without an occasional letdown, for our budget is limited and these three issues threw it far out of balance. We hope, therefore, to hold this issue tastefully to the simplest of form . . . without some of the embellishment you have come to expect. Our format change in this issue is an attempt to maintain *some* of the originality.

A flask of cold water over the head at the right time can sometimes produce results. This issue is *not* an attempt to return to the magazine of the 1920's . . . it is admittedly an economy issue. Unless we are able to secure advertisers who are willing to pay the modest space charges for reaching our select group; unless we are able to expand our National to a point where sufficient printing dollars are available; unless we find financial support toward the continuance of the type of material that appeared in our past three issues . . . an annual economy issue, eventually issues (plural) may be essential to continue this brand of printing, in one, two or three issues a year.

Your Editor has been through several sessions of competitive bidding. They are long, arduous, complicated dealings involving many good, some not so good, printing establishments. Our goal has been to create a magazine which will lead the fraternity world, and to some extent we have been successful. We have analysed and pinpointed our expenditures and we are getting a good deal for our money. But if we cannot afford to maintain the momentum we have achieved, much of this time and trouble will have been wasted. I would like to see this issue become the *last* economy issue. Kappa Delta Rho is forced to print. I feel certain that many of you feel similarly. It is time for both suggestions and action. Let's hear from you. ■

why not? . . .

. . . show through your actions what the slogan of your fraternity means to you? One of the major criticisms, more often true than not, of modern man has been that he does not show his dedication to his ideals. Many a so-called Christian has not lived a Christian life—many a convinced lover of freedom and democracy has allowed himself to be swayed by ingenious communist doctrine, or has compromised with the truth.

Too often in these perilous days our

concern lies with what will be safe or expedient or with what our neighbor expects of us, rather than what we know to be right. Ideals have become a shrine to pay mouth-tribute to, rather than a living force in our lives.

Your fraternity ideals are clearly emblazoned on the shield . . . "Honor above all things." Combine this with the Golden Rule and you, your fraternity, your religion, your country and the world will be better for the decision. Try it and see. Why not? ■

Sweetheart of Kappa Delta Rho

Each year each chapter makes its selection of a chapter sweetheart and eventually from the 19

honored girls, the National chooses one to hold the coveted title of "Sweetheart of Kappa Delta Rho." The 1960-61 Sweetheart Selection Committee was ably judged by William Laraia, past consul of Beta Alpha Chapter and currently an Alternate Director. His assistants were Edward Morecraft of Airborne Instruments and Michael Materayo of Pape Brothers.

It is not an easy choice confronting this committee, as all entrants are exceptional. The 1960-61 Sweetheart is Miss Janie Alice Graham, pin-mate of Zeta Chapter's Ronald A. Maturi. Janie attends Wilson College in Chambersburg, Penna. She is twenty, member of the Senior Orchesis modern dance group and the Social Service Association at Wilson.

Her future plans include continuation of her studies toward a degree in the field of sociology and a long desired marriage with her pin mate with whom she has gone for five years. Both Ronald and Janie come from Shavertown, Pennsylvania.

Sweetheart of Kappa Delta Rho

Runner-up Miss Janice Moraller is a 19 year old senior at Virginia Intermont College in Bristol, Virginia. For the past several years she has been the steady date of consul George Terra-Nova of Delta Chapter. Jan is vice president of the water ballet group, Editor of the Annual, a member of the publications staff of her yearbook, and claims membership in the Newman Club, Athletic Association Council and the Waitress Club. She was Class of 1961 Historian, 1961 May Queen and has been honored throughout her Liberal Arts career.

alumni across the nation

We have brothers James Oest, Ed Thomson and Francis Griffin to thank for the following information about a group of alumni. It seems that all three were at a N.Y. State Education Association dinner in Philadelphia, and the subject arose during the drive back to New York that there were quite a few alumni of K.D.R. present. Jim Oest managed to get Francis Griffin to write the list for our information, and we are grateful for the data, and the current affiliations of the group.

Lieutenant Haelig and other members of the 809th Engineer Battalion accomplished the operation during their off-duty hours. They laid 2,500 feet of water main pipe, working around-the-clock to complete the vital project. The emergency line was needed to bypass a cut in an old 16-inch line which was being replaced by a 32-inch water main.

The lieutenant is a platoon leader in the battalion's Company C. He entered the Army in 1960 and was stationed at Fort Belvoir, Va., before arriving overseas last January.

W. Thornton A. Kays, II

Rho '42, brings us up-to-date with a letter received last May. He is presently working in the Chemical Products Division of Chemtron Corporation as Director of Laboratories and Mid West Sales Manager. The latter end of his title makes travel mandatory, and the former end demands that he be in Michigan at all times. Thornton's family of 3 daughters and wife, Jean, reside in Holland Michigan—site of the Annual Tulip Festival. Sounds like a busy life!

John R. Padget

Beta '59 of Tully, New York, one of our directors, has been spending the summer in Switzerland working for the Buhler Brothers Engineering Company. John has one of two positions offered by Buhler to students selected by the Harvard Business School International Business Club to participate in its summer job program. Students in the program make use of their summer to observe a company in operation and participate in an actual international business situation.

Buhler Brothers is located in Uzwil, only minutes from the most beautiful mountains and lakes in Switzerland. The company manufactures a diverse line of heavy equipment and is the leading producer of machinery for flour milling and related industries. Buhler employs over 3400 personnel and exports its products to 100 countries in the free world. In the United States, Buhler is represented by an affiliated firm in Minneapolis.

Brother Padget has been concentrating on operations research at the Uzwil plant and will make recommendations in the area of production planning and control. He has been living with a local Swiss family and has had the opportunity to visit many nearby

John is planning a tour of several European countries before returning to continue his studies at Harvard University. He plans to receive his Master's degree in Business Administration next June. ■

loyalty fund has reasonably good year

The 1960-61 Loyalty Fund came to a close on June 30, 1961 with contributions totalling \$2374.80 from 383 members of Kappa Delta Rho. Contributions this past year have only been exceeded in one prior year, that of 1959-60. The number of contributors this past year, although less than in the prior two fiscal years, still represented a good percentage of alumni interest.

Beta Chapter of Cornell University for the third straight time took all the honors both in number of contributors and in total contributions. For the second straight year, the undergraduate chapter solicited from among its own members. Robert D. Corrie, Alumni Fund Treasurer, sent the appreciation of the National Board to this chapter and stated that through their efforts this group was strengthening both the National organization and their own local chapter for the future by fostering the habit of giving to their Fraternity.

In case you have not contributed to this year's Loyalty Fund drive which has just commenced, please use the coupon in this issue of the Quill and Scroll on page 13 and mail your contribution today. Much work needs to be done to further the task of strengthening our chapters and your support will be greatly appreciated.

alumni associations

west coast potentials

Phil Harms, Theta '60, temporarily living at 9224 Brookshire Avenue, Apartment 19, Downey, California has asked us to notify any and all alumni, regardless of chapter, who now live in the Los Angeles area that there are definite plans under way towards formation of an active alumni group. A meeting held last Spring, with alumni and undergraduates attending, had as its purpose investigating expansion possibilities. While these are the early stages, there are definite possibilities, and any alumni interested in fraternal expansion should contact Phil and/or Hugh Penman, 2 Shelley Drive, Mill Valley, Cal. Both expansion and strong alumni groups go together—we're solidly in back of both!

kappa alumni group

Hal Locke, Kappa Alumni President sent in the Kappa data in *Campus Report* of this issue. The actives are out of the rut and firmly on the move. Hal states that he wishes the alumni were as enthusiastic as the actives. Here's a chance to keep the bonfire going . . . get in touch with Hal at the chapter address, and see what you can do.

omega alumni group

John Dee Varner, Omega '57 has returned to Indiana, Penna. and is anxious to become active in the organization of an omega alumni group. He requests that other chapters forward to him information regarding activation of such a group.

ED. NOTE—As a preliminary step, we would suggest that you get in touch with the local active chapter who undoubtedly have a listing of Alumni.

Almost unnoticed by most Americans, has been the growth of the accounting profession . . . particularly in the post war years. As reported in the November 1960 issue of *Fortune* magazine, however, the senior partners of the great accounting firms are among the most powerful men in business today. They have remained to a great extent nearly anonymous and reticent in keeping with the tradition of the profession.

Kappa Delta Rho is honored in having two Eta brothers serving as partners in the executive offices of the firm of Haskins & Sells . . . the first major auditing firm founded by American accountants, and one of the Big Eight partnerships dominating the auditing world. Haskins & Sells has a broadly based clientele including General Motors and hundreds of other smaller corporations. The firm has offices in forty-two cities in the United States and in a number of foreign nations.

Both Brother John W. Queenan and Brother Weldon Powell have had similar careers. They were born in neighboring states in the early years of the century. Both graduated from the University of Illinois with B.S. degrees. Both were members of Beta Gamma Sigma and Beta Alpha Psi. Both are highly valued members of Haskins & Sells.

The year 1927 marked several events for Brother Queenan . . . he graduated, married and joined the Haskins & Sells staff. In 1939 he became a member of the firm and has since served as resident partner in the Newark, N.J. and Chicago, Ill. offices. In 1946 he was transferred to the Executive office in New York and be-

also is a member of several other state professional societies.

Brother Powell, after graduating served as Assistant in Accountancy at the University of Illinois for two years after which he joined Haskins & Sells in 1924. In 1934 he became a partner in the firm and served in the Newark, N.J., Los Angeles and Detroit offices. He was returned to the Executive office with over-all responsibility for its technical accounting and auditing procedures. Brother Powell is a C.P.A. of New York and 23 other states. He too is a member of the American Institute of Certified Public Accountants, and has served on several committees being presently Chairman of the Accounting Principles Board. He is also a member of the New York State Society of Certified Public Accountants, and of the professional societies in several other states; member of the National Association of Accountants, the American Accounting Association, American Economic Association, and various other professional organizations. He has been a vice-president of the American Accounting Association and has served as a member of its Committee on Accounting Concepts and Standards. Of distinct interest to us is the fact that he is a past Grand Treasurer of the National.

Both Brothers have many outside interests and share in membership of the Metropolitan Opera Club and the Harbor View Club. Brother Powell is especially interested in the opera and other musical activities, being Chairman of the Administrative Committee of the National Council of the Metropolitan Opera, which finances new operatic productions and conducts regional auditions throughout the na-

came Managing Partner in 1956. He is also President of the Haskins & Sells Foundation, Inc.

He is a member of the American Institute of Certified Public Accountants and has served the Institute as Chairman of many committees, as a member of Council, as Vice President, and is presently the nominee for President. He is a Certified Public Accountant of New York State and of 26 other states. He also is a member of the American Accounting Association, The New York State Society of Certified Public Accountants, of which he is presently a vice-president. He

tion. Both Brothers belong individually to many other exclusive clubs . . . and their combined listing of such would include: The Canadian Club of New York, the Paris American Club, the University Club, Recess Club, University Club (Washington), Skytop Club (Pennsylvania), Lake Placid Club (New York State) . . . and others.

We at Kappa Delta Rho can take pride in having two such exceptional representatives of the Fraternity holding high office in this field, so well known to those in business circles . . . so little known to the general public. ■

excerpts from the mails . . .

the february 1961 issue

We, of Omega Chapter, would like to congratulate you on a fine issue of the *Quill and Scroll*. It indeed was the best one that we have received so far.

It is quite evident that Kappa Delta Rho is certainly moving forward. The *Quill and Scroll* has played a big part in helping this movement for the future.

The brothers of Omega will do their part to continue to make the *Quill and Scroll* one of the best National fraternity magazines printed in the U.S.

We will try and have our next article in your office by April 1. Again, thanks for showing such an interest in helping us to have such a *fabulous* magazine.

Jim Stangarone
Praetor, Omega Chapter

Although we receive and look through a great many fraternity and sorority magazines, I find the *Quill and Scroll* of Kappa Delta Rho one of the most attractive in format and appealing to look at closely.

As I recall, this format is the product of the last year or two. It is certainly one of the better jobs in its field.

Richard F. Whiteman
*Executive Director,

the may 1961 issue

I have just finished going through the May issue of the *Quill and Scroll* and think it is by far your best effort to date.

I have been meaning to compliment you on your efforts since I received the first copy of the revised format sometime ago. You are doing an excellent job and have really improved the magazine since you took over as editor. I am sure that alumni, as well as active, interest in the National has greatly increased due to your efforts.

I particularly like the stories in this issue on each individual chapter. I think they will help all of us become a little closer to the National organization.

As one who does considerable writing and editing I know how occasional pats on the back are appreciated. Keep up the fine work.

With vacation time coming in between receiving Q & S I didn't get the opportunity of writing you sooner. I want you to know that the May issue is without a doubt a real credit to the

Awarded,

Kappa Delta Rho National Foundation

by

Trustees

national foundation award

At the last meeting of the Foundation's Trustees the following program was adopted for 1961:

1. An award of \$100 to be used for Chapter library books and equipment, is to be given the Chapter showing the greatest improvement in scholarship over the 1959-60 year, provided it is over the All-Men's average at its institution.
2. A framed certificate of designation as a Kappa Delta Rho Scholar will be awarded the man in each chapter with the highest scholastic

average at the end of six semesters.
See illustration.

3. Additional funds will be invited through *The Quill and Scroll* or otherwise, but in amounts of not less than \$100 from each donor. Donors of \$1,000 or more shall be called Founder-Members.
4. Acceptance of life income gifts, with income payable to donor for life was authorized.

campus report

kappa on the move

The Active Chapter at Kappa has finally gotten themselves out of the rut and are on the move. Don Kendrick has taken over as Consul and is building Kappa back to the place on Campus which she held in the past.

Kappa had the greatest percentage rise in point-hour of all Fraternities last Quarter. For this accomplishment, two trophies have been awarded. In addition the highest point-hour of all Fraternities was 2.8. Kappa had a 2.7. These accomplishments are more outstanding when you consider that two men flunked out entirely last quarter.

Kappa had 7 men to start the year last Fall. They now have 25 men and an extremely good rushing program going. There are 8 more men that the chapter feels sure will be pledged shortly.

spring highlights from omega

One of the top events at Omega in April was the house warming and jam session. The Delta Zeta sorority assisted the KDR's and helped to make the event a big success. Over six hundred faculty members, students, parents and neighbors visited the new house.

Another April event was the interfraternity dance at which the Buddy Morrow Orchestra played. Kappa Delta Rho had almost 100% representation at the dance.

A Hernandos Hideaway party was held in April to honor the spring class of initiates. Among the new initiates are Paul Ancarana, McKeesport, Pa.; Thomas Bonner, North Braddock, Pa.; Milton Fry, Indiana, Pa.; Charles Graybill, Johnstown, Pa.; William Hinton, Martinsburg, Pa.; Paul McKeegan, Ford City, Pa.; Donald

Paullo, Morgan, Pa.; Robert Petrovsky, Ford City, Pa.; Tom Schrecengost, Mt. Jewett, Pa.; Thomas Shirley, North Irwin, Pa.; Regis Snyder, Cherry Tree, Pa.; William White, Kittanning, Pa.; Robert Pohle, Altoona, Pa.; and Charles Shellito, Linesville, Pa.

The Annual Spring Formal was held at the Indiana Country Club in May. At this time Miss Judy Huber of the Sigma Sigma Sigma Sorority was crowned Kappa Delta Rho Sweetheart of Omega, for the coming year. Judy is a junior in the Elementary Education Department at Indiana State College.

At the final meeting of the spring semester officers were elected for the next semester.

beta alpha news

Beta Alpha chapter recently held their elections and had inductions on May 17th at a testimonial dinner for the occasion.

Beta Alpha has recently been much in the limelight at C. W. Post; elections for class officers were held on April 25 and these brothers were elected to the following offices:

Dennis L. Payette to Treasurer of Student Council. Bert Sebban to President of Senior Class. Phil Siino to Treasurer of Senior Class. Peter Hoyt to Delegate from Senior Class to Student Council. Bill Russo to Treasurer of Junior Class. Steve Scaringe to Delegate from Junior Class to Student Council.

Recently named to the Dean's List from Beta Alpha were the following:

(Based on 3.0 for an A in a course, 2.0 for B, etc.)

Vincent Macri (senior) with 2.80 average. John Cassidy (freshman) with 2.56 average. Peter Hoyt (junior)

campus report—continued

with a 2.46 average. Fritz Walde (senior) with 2.45 average.

Proving that these are not the only scholars in the fraternity, Beta Alpha Chapter of Kappa Delta Rho was the recipient of the Phi Sigma Kappa Fraternity scholarship award for that fraternity with the highest average on campus.

In athletics Beta Alpha is active, although not as heavily represented in the spring as it was in fall. The following were varsity letters winners in their respective sports:

Track: Vincent Macri, Peter Hoyt, Frank Scichiatano (social brother).

Lacrosse: Charles Balestrino, Fred Keck, Dennis Payette, Edward Reckdenwald, Frank Rossi, William Russo, Peter Spangler.

At the outgoing Student Council Testimonial Dinner which annually honors an outstanding faculty member, held on May 1, 1961, the recipient of this year's award was Prof. Charles Zwicker, Beta Alpha's faculty advisor.

He has long been known for his willingness to help any and all students who are in need; he has worked ceaselessly to further the cause of the school and Beta Alpha at the same time.

In the recognition day held on May 18 the following awards and honors

were bestowed upon the brothers of Beta Alpha:

The Roy Illowit Award (for athletic excellence) won by Fred Keck; this award was previously won four years running by brother Joe Stone, class of '60. The award is sometimes referred to as the Joe Stone Award.

The Association of Parents and Friends of C. W. Post College Award for most progress by a senior won by Vin Macri.

The honor societies announcement of those initiated into Psi Chi (National psychological honorary society), Vin Macri and Peter Hoyt.

The Green Key award (Senior honor society) won by Bert Sebban.

The Athletic award for highest scholarship of any athlete, won by Vin Macri.

The Dr. Roy Illowit Athletic Award (for general athletic excellence and ability) won by Fred Keck.

Of especial significance is the Phi Sigma Kappa scholarship award because every brother is engaged in some extra-curricular activity which takes away from study time.

The fraternity under the very capable leadership of present Consul James Harlow expects to initiate a progressive summer social program, and intends to maintain its number one rating on the campus next year as well as in the years to follow. ■

new members of kappa delta rho

The following listing of new members of our fraternity indicates that these initiates have been processed through the National's office during the period July first, 1960 to June thirtieth 1961. This does not necessarily mean that these men were initiated during this time period. Var-

ious of our chapters have been slow in delivering the forms to the national office thereby causing this delay. It would be most helpful to all concerned if forms are forwarded to Kappa Delta Rho, Inc., Oprandy Building, 481 North Dean St., Englewood, N.J., promptly after initiations.

improving fraternal grades verified

Scholastic achievement of University of Illinois students who are members of social fraternities has consistently improved during the last six years, Eldon E. Park, assistant dean of men for fraternities reports.

In 1955 only 14 of 58 fraternity chapters had a combined house grade average that was higher than the grade average of all undergraduate men. Last semester 31 of the 57 houses ranked above the all-men's average.

Last fall also was the first time since 1952 that the scholastic average of all fraternity members was higher than the average of all undergraduate men.

The university's enrollment last semester included 11,405 undergraduate men, of whom 3,088 lived in social fraternity houses.

The fall semester grade average of fraternity members increased from 3.34 in 1955 to 3.40 in 1960. The all-men's average decreased from 3.43 to 3.39 during the same period.

Grade averages are based on a five-point scale, with 5.0 being a straight

A, 4.0 straight B, and 3.0 straight C average.

"Although it is difficult to determine whether these data are statistically significant, they are socially significant when viewed over the six-year span," Park said.

All three signs of improvement indicate an important trend in the scholarship of fraternity members at University of Illinois, he added.

Scholastic improvement of fraternities may be attributed to several factors, Park said, including recent adoption of a pledge training code emphasizing high scholarship and more careful selection of new members.

The fraternity system also has encouraged scholarship by reducing the social activities of chapters with low scholastic records, by improving study conditions, and by presenting awards to top students and houses.

Social fraternities that have high prestige on campus, Park noted, generally have a good scholastic record and thus set an example for other chapters ■

fraternity and especially to you. My sincere congratulations on a job well done.

I realize partially the tremendous task it takes to put out a publication like this and with time a scarce commodity, your "one" man staff has done a remarkable job.

Best regards to you and the family.

Ken Kramer

National Director

P.S. A number of our alumni have sent word to me with their dues about the Q & S.

Congratulations on the splendid job you did in the May, 1961 issue of the *Quill and Scroll*!

You certainly have made improvements in this publication since you took over. As a Director, I want to give you these sincere words of encouragement.

Keep up the good work!

O. L. Doud

National Director

Grateful as we are to hear from those interested in the continued performance of *The Quill and Scroll*, we

were not happy with the May issue. Admittedly it covered the fraternity at large . . . all chapters now active were represented, and there was much that we have in the issue that I, personally, was proud to be associated with—but there were negative factors as well.

Those of you who know printing will realize that there were inexcusable errors in production of the issue. The blame must be shared among several of our suppliers and your Editor, as co-ordinator. Steps are being taken to assure that this does not occur again.

Much of the credit for the excellence of copy must go to the fraternity at large. Every chapter contributed immensely with prompt transmittal of requested material and brothers Closs and Hertling spent considerable time and effort in adding helpful touches. Your Editor's contributions were limited to covers, placement of material and the few line drawings heading up each section . . . plus routine editing of material forwarded. So let the accolades fall, not on us, but on the fraternity at large. It only goes to prove what can be accomplished with cooperative effort. Every issue could be as good! ■

northeast conclave at colgate april 14-16

Saturday April 15th, George Terra-Nova of Delta and Tony Mainero of Xi called the 1961 Northeast Conclave to order. Alpha chapter was represented by Courtney Bird; Beta, by Ben Woodward; Delta, by Consul Terra-Nova as host; Xi, by Ed Cragin; and Beta Alpha by Frank Arneman.

Among matters discussed in the morning session were the proposed lump-sum initiation fee, the terminology of the National By-Laws as they pertain to description of an active member, suggestions that an "active member" be discussed at the next National Convention and that a policy statement be prepared for the guidance of chapters . . . and a proposal that a pin of old or new design be purchased by the National in large quantity and given to new members shortly after initiation as part of the lump-sum fee plan.

A negative vote greeted the lump sum plan, but a recommendation that the President appoint a committee to explore the idea of a single jeweled badge was passed. Further discussion

centered about the use of the *Quill and Scroll* Trust Fund and pleas from Xi and Delta for financial aid.

Individual chapter reports consumed much of the afternoon session. The following resolution was proposed: "Resolved that the delegates assembled, having found the conclave to be both satisfactory and successful do move that such conclaves be held on a yearly basis whenever possible."

Alpha chapter volunteered to act as host to the next conclave, either in the Fall of 1961 or the Spring of 1962. A formal vote of thanks was extended to Delta Chapter for the chapter's hospitality and co-operation to the Eastern Conclave.

ED NOTE: The above highlights were taken from the official record of the Minutes of the Conclave. The National organization was represented by John Hoben and John Padget during portions of the meetings. As Conclaves become more and more a tradition in our fraternity, the *Quill and Scroll* will inaugurate a column especially devoted to them. ■

a short, short course . .

. . . on submission of photographs to an Editor. It is surprising the number of photographs that come to lie on an Editor's desk in virtually unusable condition. Suffice it to say that well over 75% of submissions are not reproducible as they arrive. This may come as a small shock to diligent contributors . . . and certainly as a shock to your Editor—for the magazine *could* be 75% better photographically. IF this could be avoided.

We ask, as you know, for clear, glossy prints. These are the best kind for reproduction into printing plates. But what do we mean? We mean that the surface of the print should be glossy . . . *and* that the objects or people portrayed are in focus, *and* that the picture has sufficient contrast between black and white. Over 50% of the photographs we have received do *not* meet these basic qualifications. When it is essential to layout and interest, we take a chance and make plates from such pictures. Invariably, the publication suffers. When it is *not* essential that these photos appear, they are deleted (except to illustrate an article such as this) . . . and again the publication suffers.

But what of the other 25%? These are photographs which are shipped improperly and arrive in torn, cracked or scratched condition. The same rule holds true . . . if essential, they are printed . . . if not, deleted. And the publication again must suffer the consequences, either way.

It is possible to retouch some of these faulty photographs . . . at great

expense. And a poor photo no matter how carefully retouched, can never equal the quality of a good photo. To realize the amount of time that is necessary to retouch a simple scratch, one should count the number of varying tones of black, white and grey through which the scratch passes! Each tone must be matched by the retoucher—and a common scratch *can* cost up to \$25 or more to repair! We cannot, obviously, attempt to retouch every poor submission.

The simplest way to assure that a broken and torn picture does not occur is to place your prized photograph between two pieces of heavy cardboard (at least triple the thickness of ordinary "shirt box" cardboard) and either *wrap* the package in heavy wrapping paper, or place the 2 sheets of board with the photograph between them into a *tight-fitting* envelope. Be *sure* that the envelope does not bend easily or that the photograph does not rattle in its wrapper. Before mailing, mark the envelope or package "PHOTOGRAPHS—DO NOT BEND OR CRUSH"—*both* on the front and back of the package. If all this has been done, you have done the best that can be expected, and in nine cases out of ten, the submissions will arrive undamaged.

The additional expense in providing sound wrapping seldom adds more than 20c to the postage of your package—and enables your photography to be used, rather than discarded as a waste of time, postage and effort . . . not to mention money. ■
