BULLETIN BOARD

A page of topical news items.

CANADIAN POSTAL CODE

IT HAS RECENTLY come to our attention that Canada is adopting a Postal Code system similar to the Zip Code system in the United States. As yet we do not have any definite information on the Code, other than that it will be a combination of letters and numbers. We further understand that it is being installed throughout Canada in various stages, the entire country will not receive their Postal Code at one time. They are also preparing an acceptable abbreviation for all lengthy Post Office names and a two-letter Provincial designation.

Due to the fact that we mail the *Quill and Scroll* on a Second-Class permit from the United States, it will be necessary for us to include the new Postal Code on the address of all copies we send to Canada.

In order to avoid any delays, we would appreciate it if the Canadian brothers would advise us of their Postal Code and official city and province abbreviation as soon as possible.

You will find a form for your convenience on page 13.

NATIONAL SCHOLARSHIP AWARD

The Board of Directors at their meeting on January 22 voted to establish an Annual Scholarship grant to an undergraduate member of the fraternity in the amount of \$500.00. They felt that such a scholarship would encourage all undergraduates to improve their scholarship and also recognize nationally the importance of scholarship. This is to be in the form of a grant, and not a loan which must be repaid to the National. President Fox appointed a committee to prepare the criteria and implement the scholarship, review the applications and select the first recipient. The committee named by President Fox consists of Dean O. D. Roberts, Chairman, Director James E. Hertling, National Scholarship Chairman and Brother Alan T. Lord, Undergraduate Director from the Ohio State Chapter. The name of the winner will be announced at the Closing Banquet of the 1972 National Convention.

ANNUAL ALUMNI FUND

With the enthusiasm generated by last year's record-breaking drive continuing into this year, the 1971-72 Annual Alumni Fund, as of December 31, is continuing its climb. At the halfway mark, 590 loyal Alumni have contributed to the fund for a total of \$5,951.29. This is an increase of 46 Contributors and \$703.52. The average

contribution this year is just a fraction under \$10.10 as compared to the average contribution this time last year of \$9.62.

Eta Chapter currently is leading in both contributors and dollars. Fifty-seven Eta Alumni have contributed a total of \$712.00. Beta Chapter follows closely behind with \$559.00 from fifty-three loyal Brothers.

The August issue will again carry the complete list of Contributors. If you have not already done so, please send in your contribution soon. With the ever-increasing cost of operation, additional income is greatly needed.

ALUMNI FUND

Mr. Robert Corrie, Treasurer
Kappa Delta Rho Fraternity
1111 East 54th Street
Indianapolis, Indiana 46220

Dear Brother Corrie:

Enclosed is my contribution to the annual Alumni Fund 1971-72, in recognition of the need to supplement stronger and more active national program.

EDITORIAL FORUM

"I graduated from Rhode Island College and KDR Delta Alpha in June of 71. I am writing to tell you how important the Quill and Scroll has been to me since then. There is no KDR chapter in the Greater Rochester area and I do not have as many opportunities to see the brothers as I would like. When I get the Q&S I am reminded of the more enjoyable moments I spent in college with my brothers. Thank you for that service."

*Eli Perlman
Rochester, N.Y.*

"It seems to me that the Quill & Scroll is of little use to the undergraduate, and therefore takes too much money out of his pocket and the national budget to be considered worthwhile. Why not eliminate it?"

*(name withheld on request)
New York, N.Y.*

THESE TWO LETTERS point up one of the more obvious areas of controversy developing within the fraternity, and also point up many of our failings as well as our strong points. Let me make these very frank statements: There are some undergraduates who feel the *Quill & Scroll* is superfluous because there is little or no current campus thought or reportage in each magazine. The facts are somewhat different, in that every editor since 1930 has been plagued with a lack of cooperation from the individual chapters. I know I have consistently requested copy from each chapter — in the magazine, at conventions and whenever I can reach students. I've asked to be placed on the mailing lists of all chapter newsletters. Our national office also presses the chapters for information and participation in such areas as the Sweetheart contest and the National Scholar program. The rate of return is downright ri-

diculous. The major reason for lack of inclusion of student and chapter oriented material is simply a failure by the students and chapters to send material to us. The areas of participation are also weak . . . we *ought* to have near 100% representation in all prestige or contest areas. We don't, despite constant reminders. So the charge of the magazine being of little use to the undergraduate slips badly when compared to the involvement of the undergraduate.

The first letter points out another, frequently ignored service. The *Quill & Scroll* is *not* an undergraduate paper, but is the vital link between the undergraduate and the graduate. As such, it cannot appeal principally to the undergraduate, but must encompass all members from 18 to 80 or beyond. Its value is not only in remembrance of college days but a means of involvement after

PS Form 3526 July 1971

those days are completed. Editorially it must cover a very broad spectrum. Its primary responsibility is to act as a mirror for national activity and campus activity, but it has an almost equal responsibility to keep track of members long since graduated and keep them interested and involved in the continuation of the fraternity. Without a national publication this would not be possible. I would be the last to say that every member religiously reads this little booklet each time it appears, but enough of them do to help keep the Alumni Fund in high gear, to help keep chapter alumni associations staffed, to help keep the organization viable.

The undergraduate has many responsibilities it is true, and his most important must be his education. A national organization may seem to be just one of those other duties to which lip service must be performed occasionally, but as is so often true of *anything* you are a part of, you get as much out of it as you put into it. The same advice holds true of the graduate member, who may not have all the courses and scholastic activities, but who has even greater responsibilities to absorb his time, with his regular job, his family, his community activities, church interests, etc. A recent letter from one of our directors which I will quote in part, will show that despite the pressures there are people who will get the job done . . . "Where are we after seven years (of working together)? Still doing our "thing" for KDR. Still working toward the elusive goal of a better fraternity. It's slow and frustrating sometimes, but I am confident that the present team will keep KDR moving in the right direction."

That is the kind of spirit and dedication which will preserve what we have and try for a better future. Disbanding the magazine is no answer. Improving it is. Understanding it and working for its success is even better. ☐

January Directors' Meeting Elects

Robert Fox, President; Robert Lynd, Vice President

PRESIDENT GESNER called to order the Directors Meeting on January 22 and announced his resignation from the Board of Directors due to business and personal reasons.

In the ensuing balloting Vice-President, Robert J. Fox, *Rho '61*, was elected President of the Fraternity and Robert D. Lynd, *Iota '67* was elected Vice-President to fill the vacancy created by Brother Fox's elevation to the Presidency.

President Fox has served the Fraternity long and well since 1960. In June, 1960, while still an undergraduate, he was appointed Office Manager of the Fraternity's office, then located in Easton, Penna. In June of 1961 upon graduation he was appointed Assistant Executive Secretary. He was elevated to Executive Secretary in September 1962. He continued in this capacity until 1964. In August of 1964 he

was elected to the Board of Directors of the Fraternity at the 53rd National Convention held at Eta Chapter, University of Illinois, and has served as a director continuously since then.

Brother Fox earned his undergraduate degree in Business Administration from Lafayette College, Easton, Pa. and his M.B.A. from Columbia Graduate School of Business in 1965. He is employed by Ted Bates & Company, a major advertising agency, as an Account Supervisor.

President Fox is married and he, his wife and their two children, Pamala, 4 and Steven, 2, live at 16 Lawrence Court, Closter, N.J.

Vice-President, Robert Lynd graduated in 1967 from Bucknell University where he was a member of Iota Chapter. At the 1966 Convention he was elected as one of the undergraduate members of the

Alternate Board of Directors. After graduation from Bucknell, he entered the Georgetown School of Law in Washington, D.C. He was reelected to the Alternate Board of Directors by the 1968 Convention and soon thereafter, enlisted in the Marine Corps. He was reelected as an Alternate Director at the 1970 Convention. He spent 15 months in Okinawa and last November returned to the States to finish his enlistment. He is currently stationed at Cherry Point, N.C. and he and his wife reside at 53 E. Moret Ave., Havelock, N.J. After being discharged from the Marines, he plans to complete his Senior year of Law. Bob has been a hard and faithful worker for his Chapter, as well as the National. We feel that his election to the Vice-Presidency is just the beginning of many years of service he will give to Kappa Delta Rho. □

Over 35 Volunteer as National Employment Counsellors

IN THE NOVEMBER issue of the *Quill and Scroll* there was an article devoted to the establishment of a National Employment Counselor panel. The response to this article has been very gratifying but we still need more volunteers. To date, we have had over thirty-five brothers volunteer for this new service venture. Considering the fact that the magazine was delivered during the holidays and most people were too busy to devote much time to reading, we feel this is an excellent response.

We now have enrolled Doctors, Lawyers, Dentists, Businessmen in various fields of activities, Bankers, a Stockbroker, Professional Counselor, Minister, Hospital Administrator and a Pharmacist. It would be desirable to have

duplication in the various fields so the undergraduate could select a Counselor relatively near him and arrange for a personal conference. If your field was mentioned above, please do not hesitate to respond. We have a need especially for more people from the various business fields, such as accountants, auditors, salespeople and office or plant managers. The various engineering fields are rather sparsely covered. We have one Ceramic Engineer however, but that is only one of the many engineering fields.

As stated in the previous issue, the suggestion to establish such a panel was the result of a visit to an undergraduate Chapter. They felt it would be helpful to some if there was someone available who had practical experience in a field of endeavor

in which the undergraduate has an interest. By contacting the Alumnus the undergraduate could learn more of the practical side of the occupation or profession and it might encourage him to pursue his interests in the field. On the other hand, should the undergraduate learn some of the disadvantages of the occupation, he could change his field of interest before he had lost too much time in a field he decides just isn't for him.

There will be a great amount of satisfaction to the graduate who takes time to advise and assist a young man to select his proper vocation. To be in a position to help another person always is gratifying. This is an opportunity that you have to help a young man. In addition to this, those of you who are in a position to need young employees in your business, may well be contacted by one who would make a valuable future employee for you.

We hope to have over one hundred Employment Counselors, representing as many fields of endeavor as possible and as wide a geographical distribution as possible, available for distribution to the undergraduate Chapters in the very near future. May we hear from you?

On the inside, back cover of this issue, you will find a form to complete and send in if you are interested in assisting in this project. I urge you to give this very serious consideration and make yourself available to your undergraduate brothers.

□

1972 Leadership Conference and 61st National Convention to be hosted by Theta Chapter

THETA CHAPTER, Purdue University has been selected as the site of the 1972 Leadership Conference and Convention. The dates will be Thursday, August 17 through Saturday, August 19. Thursday will be devoted to registration of delegates and guests, touring the Purdue campus, and getting acquainted through informal rap sessions.

Friday will be an all day Leadership Training Conference with fast moving, hard hitting "Nuts and Bolts" type training. A committee composed of Executive Secretary E. Mayer Maloney as Chairman, and Directors Dean O. D. Roberts, Richard W. Nolan, Alan T. Lord, (undergraduate Director from Kappa Chapter)

and President Fox, have been charged with responsibility of planning the program for the Conference.

Saturday, August 19 will be devoted to the regular business meeting of the Fraternity and Saturday evening will be the closing Banquet. All the details have not been worked out as yet, but will be included in the May issue of the *Quill and Scroll*.

The Directors of the Fraternity in their meeting January 22 expressed the hope that we could get more undergraduate and alumni participation in our Leadership Conference and Convention this year. To encourage this, they decided to pay air coach fare for one undergraduate delegate,

one alumni or faculty advisor, and the President of the Alumni Corporation, or if he cannot attend, a member of the Corporation Board. Furthermore, there will be no registration fee for any of the above, and free registration for the next four undergraduate guests attending, however they will have to provide their own transportation. This is the first time that the National has provided Convention transportation for Chapter Advisors and Corporation representatives. They feel that the more undergraduates and alumni get involved, the greater the results will be from the Leadership Conference and Convention. It was decided that this year's Conference would be a Stag affair, so that all attention could be devoted to the sessions and the after-hour Rap sessions. Have you ever attended a National Conference of your Fraternity? If so, how long ago was it? Why not mark August 17-19 on your calendar now as the dates you are going to devote to your Fraternity and enjoy renewing old acquaintances and making new friends? If you are interested in attending, please drop the National Office a note expressing your intentions and requesting a registration form be sent to you. Registration forms will be automatically sent to all Chapters, Chapter Advisors and Alumni Corporation Presidents of record.

We will be looking forward to seeing you at the 1972 Leadership Conference and Convention.

The National Sweetheart of Kappa Delta Rho

AS AN EXPERIMENT the National Sweetheart was chosen by vote of the individual chapters last year rather than by a committee of judges. We felt that the national sweetheart was an undergraduate concern and should therefore be wholly selected by the chapters. As is true of almost any new procedure, compliance was somewhat spotty, and voting a little bet-

ter but not perfect. Our hopes for improved performance have not been too effective, despite much advance publicity but we are continuing last years' practice anyway. Here are your 1972 selections. All chapters have four votes whether they have submitted an entry or not. Read the rules and make your votes count.

1. Epsilon Chapter
Paula Festinger en-
gaged to James B.
Davidson, Jr.

2. Epsilon Alpha
Chapter
Diane Mikan pinned
to Terry Cavanaugh.

OFFICIAL REGULATIONS

- A. Chapters and colonies send Sweetheart photographs to either the National office or the Editor by January 1st of each year. 2 glossy black and white illustrations — one in formal attire; one casual, should accompany a summary of the girl's accomplishments. Name of pin-mate should be listed.
- B. The Sweetheart of a chapter should be pinned to an undergraduate member. She should be single when installed.
- C. Photographs of all girls submitted will be printed provided five or more chap-

ters submit copy. (If less than 5 chapters enter the contest, a judging panel will be drawn to make a selection; in other words, we revert to the old system).

- D. A coupon providing voting space for each chapter will be printed in the February issue. Each chapter will receive four votes. There can be no more than two votes for any one candidate — The chapter can vote for its entry with two of its four votes. The options are a 2-2 split, a 2-1-1 split or a 1-1-1-1 split. All four

votes must be used. The Editor (an art director) is given 3 votes, with no more than 2 permitted to a candidate. (This is primarily a tie-breaking device, should it become necessary.)

- E. The coupon ballots should be sent directly to the Editor for tabulation. There is a deadline, and rather than make it a specific date, it will be 30 days after mailing of the February issue. So when you get your copy of this issue, call a meeting and send in your vote promptly. A chapter officer must sign the ballot.

3. Zeta Alpha Chapter
Vivian Gregowich
pinned to Mark Ma-
ran.

4. Nu Chapter
Janice Marie Mit-
chell engaged to
Steve Arney.

5. Zeta Chapter
Marie Adams pin-
ned to Jeffrey Karll.

6. Gamma Alpha Chapter
Becca Gaye Cook
pinned to William
J. Turton.

7. Iota Chapter
Jane Murphy pin-
ned to Marty Erb.

8. Theta Chapter
Deborah Lynn
Barnes pinned to
Richard Hoesel.

9. Beta Chapter
Jacqui Preziose pin-
ned to Rich Bower.

10. Rho Chapter
Ellen Stalcup pin-
ned to Stan Trout.

If your chapter is not represented in this group, as an undergraduate you should find out why . . . and make certain that next year there will be an entry. All chapters, whether represented or not, have four votes.

MAIL PROMPTLY TO THE EDITOR

Charles F. Beck, National Editor
R.D. 1, Box 529, Macungie, Pa. 18062

Here are Chapter's votes for the 1972
Sweetheart Contest. (Please use all 4 votes with
no more than 2 to any one selection).

(use numerals)

Solo II Event Winner

PAUL CUPPETT, *Zeta 1959*, participates in sports car activities in his leisure time, winning the 4th Annual Governor's Cup Trophy in Columbus, Ohio on Labor Day weekend, 1971. Having been an active member of the Sports Car Club of America, Inc., since 1968, and having earned the run-offs in Class A since the event was initiated four years ago, 1971 was "the" year to win a coveted first place.

Termed a Solo II event by SCCA, Inc., a national organization with 18,000 mem-

bers, it is an event in which cars are driven, generally on a parking lot, one at a time through a tight course marked by rubber pylons, as quickly as possible. Speeds are not high and depend on the site of the event. Emphasis is placed on the agility of the car and the skill of the driver rather than on the speed capability of the car. Cars compete in classes (one for ladies too) determined by the potential of the cars making up the class. The generic name, slalom is quite descriptive of these events,

which are also known as autocrosses or gymkhanas.

Winning the Governor's Cup Trophy in a bright orange 1970 Porsche 911E, Paul has, for the past four years won Class A title in the Ohio Valley Region, SCCA, Inc., regular series of six Solo II events. OVR's membership totals over 300 sports car enthusiasts, and is like a national fraternal organization, in that it is divided into geographic sub-groups known as Regions. Although the Regions operate under the broad policies and regulations of the National parent body, each has its own officers, by-laws, and administrative structure; and each conducts its own local activities. In 1968 Paul captured the region's year-end gymkhana championship trophy. He has served as treasurer, and is presently beginning a two-year term on the Board of Directors.

The Governor's Cup event has become a championship calibre event, attracting the best cars and drivers throughout Ohio and nearby states. The run-off, to determine the winner, consists of the fastest sixteen cars paired to run against each other. The loser is eliminated, the winner advances to run against another winner. The sole survivor wins the cup. This particular event had over 100 entries. Class winners and entrants for the run-offs were determined by four timed runs, two on each side of a dual course. The fastest run on either side was used to determine an individual's place in class and whether or

not he qualified for the run-offs.

Gymkhanas are timed to the hundredth of a second. Held in a heavy down-pour, Brother Paul's times were 53.938 seconds, 53.875, and during the run-off, 55.788.

To promote this parking lot spectacular, the weekend previous to the gymkhana, Ohio Valley Region, in cooperation with Westland Shopping Center, held an auto show and concours d'elegance judging. Not only is the Porsche 911E a going little machine, but it is spotlessly clean and shiny. A blue ribbon, silver tray, and a cash prize of \$25 went to Paul for first place in the "street cars" class.

Eight states and 25 Regions participated in the Central Division Solo II Run-Offs, sponsored by the Fort Wayne Region, SCCA, Inc. Held in late October, 1971, after regular Solo II series were completed, Paul took second place in Class A, at the Defiance Memorial Airport, being beaten by .21 hundredths of a second by a Corvette. Ironically Paul's first participation in sport car events began in 1965 in a '65 Corvette. He and his wife, Nancy, enter rally events of several sports car clubs in the Columbus area. In 1969 Paul was the "rallymaster" for the Braille Rally, an event held in cooperation with OVR, and the Ohio State School for the Blind. On a rally, navigators lead their drivers through a pre-determined course. Several checkpoints along the way time the car's arrival, and the driver and navigator having the lowest error from exact arrival time

are the winners. The blind students earn the privilege of making this approximately 60 mile Sunday afternoon trip for their achievements in mastering braille.

Another facet of SCCA, and for which it is most widely known, is racing. Helping in the phase of OVR from an administrative viewpoint, Paul in 1971 served as Event Chairman for OVR's highly rated driver's school, and served as Assistant Race Chairman for the 1971 Mid-Ohio Canadian-American Challenge Cup Race, at Mid-Ohio Race Course, in Lexington, Ohio, being won by Jackie Stewart. When not helping to plan events of this calibre, Paul is also a member of Lake Erie's Communications, the group of people who maintain the vital communications from strategic spots along the road race course during practice sessions and actual races. Another time, another race, he may be a course marshal, towing stranded vehicles during or after a race.

Paul earned his B.S. from Pennsylvania State University in business administration in 1959, and has been a salesman for Amchem Products, Inc., for twelve years. He travels the state of Ohio, selling lawn and garden, and industrial herbicides.

For relaxation, Paul spends many enjoyable hours on his Honda 125 trail bike, or with his children, Leslie Gay, 4, and Darren Joel, 1. □

O. D. Roberts

Eta '36 Vice President of Student Services, Purdue University and a Director of KDR has been selected for several honors during the past few months. In late October he was appointed to the Interfraternity Research and Advisory Council's Scholarship committee, and in the last December meeting of the N.I.C. he was elected to the N.I.C. Board of Directors. The I.R.A.C. is composed of all four interfraternity conferences (N.I.C., N.P.C., P.I.C. and P.P.A.).

Max H. Schulze

Nu '59, Vice President and Secretary of the New York Securities Co., Inc., members of the New York Stock Exchange, was elected a Director of his firm on Dec. 30, 1971.

Richard L. Switzer

Epsilon '61 completed his doctorate in elementary education at Indiana University in August of 1971, and is now assistant professor of education at Temple Buell College in Denver, Colo.

William M. Steinfeldt

Theta '38 has been re-elected as a member of the New York State Assembly as representative for the 134th District in Rochester. After graduating with a B.S. in chemical engineering, he was employed by Eastman Kodak where he has remained except for duty during W.W. II. He is in charge of pollution control activities at the Kodak Park Works. His son, Phil is a current member of Theta chapter.

Donald A. Treibic

Epsilon '65 has been employed in the office of the Superintendent of Public Instruction as an administrator of federal funds to Title III projects throughout the state of Indiana for the past year.

Dr. Theodore Trost

Mu '25 Librarian and Professor of Bibliography has retired after 40 years of service to Colgate Rochester. President Arthur McKay said, "The Ambrose Swasey Library under Dr. Trost's direction has developed into one of the finest theological libraries in the country". At the last annual meeting, Dr. Trost's 5 sons presented the school with a portrait of him to be hung in the library. Dr. Trost holds an Ed.D. degree from Columbia and Union Theological Seminary, a B.D. from Eden Theological Seminary, and an M.L.S. (Master of Library Science), M.A. and B.A. from Michigan.

Robert H. Wyatt

Nu '26 Charter Member was honored in 1971 when the Indiana State Teacher's Association dedicated its yearly conference to him, for his 32 years of service as ISTA executive director. A plaque was presented on behalf of the National

Council of State Education Associations. The second floor auditorium at the ISTA center will henceforth be called the Robert H. Wyatt Memorial Auditorium.

Sander Zulauf

Pi '68 author of *Modern Man's Herald Angels* which appeared in our November 1970 issue has published a new book, *Eddie & Co.* (Windfall Press, 1814 Norwood St., Chicago, Ill. 60660). He lives in Bloomington, Ind. and is a graduate in

English at Indiana University.

Greater Flexibility in Computer Services

KAPPA DELTA RHO is happy to announce that effective immediately we are in a position to offer another valuable service to our Chapters, Chapter Alumni Corporations, Area or City Associations and individual members. Although for the last seven years our Membership Record System has been computerized, it was not as flexible as we would have liked it to be.

Recently we moved our Membership Records System to the Southern Illinois Data Center, Inc., located at East St. Louis, Illinois. The Center is owned and operated by Brother John C. Carl, Theta '51. Since Kappa Delta Rho is John's fraternity, he is quite anxious to help the National and the Chapters as much as possible. Our Membership Records are now stored on magnetic disks which increases our flexibility greatly. We can pull a printout of the entire fraternity alphabetically, geographically by zip codes, according to initiation dates or graduation dates or in Chapter sequence. The same

can be done for any Chapter. It is possible to produce a listing of all brothers graduated during the last ten years from any Chapter, who are currently residing in any given location, such as New York City or Phoenix, Arizona. If a Chapter of Alumni Corporation wishes to produce a directory of all its members we can provide a "camera ready" listing, thus saving costly typesetting. Mailing labels can also be provided.

Should a Chapter or Alumni Corporation wish, Brother Carl is also equipped to do the actual mailing of any materials, such as News Letters, Alumni dues statements, or invitations to special events such as Homecoming or Founders Day celebrations. Just send the materials to him and he will take care of it. Any Chapters or Alumni Corporations or individuals wishing more information on these services and the time schedule required for making requests for computer services, please contact the National office. ☐

A few of Omega's sixty-three actives and pledges just before the walk started.

ON CAMPUS

Omega's 9th Walk Their Biggest Success

WITH THE APPROACH of Christmas vacation, 1971, the brothers of Omega Chapter at Indiana University of Pa. once again were busy preparing for their annual hike to Pittsburgh for the benefit of Children's Hospital. The 1970 "Walk" had produced \$7,555, a considerable sum and the largest collected to date in any one year. The brothers knew only an outstanding effort on the part of each and every brother could effect a new all-time high. Under the chairmanship of Brother Patrick C. Riley, they set their goal at \$8,000 and began to collect from a host of co-operative merchants in Indiana, as well as from the I.U.P. faculty and student body, and the good people in and around the Indiana community. This collection was conducted over a two day period prior to the actual walk. The "walk" itself entails a two-day, 60 mile hike along routes 119 south and 22 west with the brothers collecting from merchants, businessmen, and other well-wishers along the way. A total of fifty brothers participated in the "walk" which began with a breakfast, compliments of the university dining

hall, at 6:00 a.m. Saturday, December 18th, and terminated at Children's Hospital that Sunday evening.

The brothers, in their first eight "walks" since they began the practice in December 1963, have donated some \$18,000 to the crippled children. Since then many other youth groups and organizations have climbed aboard the band wagon conducting "walks" of their own to help out in the cause.

Children's Hospital of Pittsburgh has been renowned for years as the hospital employing some of the country's best specialists in the field of medicine. Consequently, hundreds of children from all over the country come to Children's Hospital having contracted special illnesses with which only the best doctors in the country can deal. Unfortunately, the costs often amount to more than these children and their parents can afford. Only through the donations of those concerned enough to help can these bills be met. And there are many such people in the Pittsburgh area, as is evidenced by the cooperation received by the brothers

year after year on each "walk". The outstanding cooperation this year, however, enabled the brothers not only to reach their anticipated goal of \$8,000, but surpass it by over \$5,000 in a collecting effort of \$13,756 to lead all youth organizations for this year. This brings the brother's nine year contribution to nearly \$32,000, a sum unequaled by any other youth organi-

zation in the drive over the years.

The active participation of Kappa Delta Rho fraternity in organizations designed to help those less fortunate has been felt over the years by many varied organizations, but few have experienced the impact of such a movement as the "Walk to Pittsburgh" by the brothers of Omega Chapter. □

Epsilon Still Alive and Kicking

Epsilon is still alive and kicking. The only two differences between this year and last are a new house and a pledge class.

It all started September 1970 when the rush program was infiltrated by a strong, unaffiliated group. The KDR's only took nine pledges. Soon after the year was under way we lost one pledge. The year, however, seemed as if it was going to be a good one. Scholarship was good and intramural sports were good. So despite a large graduating class and the marriages of a few brothers, Epsilon looked strong.

Then the roof fell in. When all the brothers and pledges began to return to our house after Christmas vacation, the heating pipes began to break. It was the middle of February and very cold. That day

we lost all but two pledges. After one week we were left with one pledge and nine brothers. There were a half dozen brothers who decided the house was too cold to live in and so they left.

Things looked dim for Epsilon. E. Mayer Maloney came down from Indianapolis and met with the brothers, pledges and the administration. We all decided that we would try and stay on campus as long as possible.

Finances were such that no money was available anywhere, but we were allowed to remain in the house at the school's expense.

We finished out the year. Nine brothers returned in September 1971, but there were only three who planned to live in our house, which was built to accom-

modate forty-two. Everyone decided that we would give it one last try. The school let us rush from our fraternity house, but made it definite that after rush it would be closed.

After rush we had seven pledges—not very many, but enough to get us a smaller house in which we could live comfortably.

We are now in that house and getting along just fine. We have nine pledges and twelve active brothers, three of whom are married. We can initiate at mid-semester and hope to have seven new brothers by the end of this semester.

For one of our community projects we collected \$174.00 for UNICEF. Tentative, future community projects are working for the March of Dimes and the Boys Club.

We owe our success to many people, but we found out that if all pull together and really care, Epsilon can live for years to come. □

Iota Scores: 18 Pledges

After a total of 280 freshmen toured the house this fall, 18 signed on as pledges on November 14th . . . all in all a busy and productive rush season. Scholarship for the 2nd semester 1970-71 was 2.8. □

CHAPTER ETERNAL

Col. John P. Fellows

Delta '33 (USAF, ret.) in Hobart, Oklahoma July 11, 1971 following a heart attack. Brother Fellows had been the former chief of Air Force chaplains in Europe until his retirement from the service in 1969. He twice received the Legion of Merit during his career. At the time of his death he was serving as pastor of the First Christian Church in Hobart.

Frank M. Fitch

Nu '38 had been a professional photographer specializing in wedding pictures. His memberships included the Calvin Prather Masonic Lodge, Northside Optimist Club, Professional Photographers of America, P.P. of Indiana, Indianapolis Radio Club, American Radio Relay League and 1st Church of Christ, Scientist. He passed away recently at St. Vincents Hospital, Indianapolis, Ind.

Fred G. Harrison

Eta '26 President of the Bank of Herrin, Illinois and founder of the Collegiate Cap and Gown Co. of Champaign . . . in Herrin, Ill.

Charles C. Lewandowski

Theta '62 an underwriting superintendent for State Farm Insurance, Bloomington, Ill. died March 16, 1971 of cancer. He is survived by his mother and two brothers.

Harold E. Latier

Nu '27 Charter Member of R.R. 3, Box 4-Z, Angola, Indiana.

William Lemley

Nu '51 of 607 E. Maumee, Angola, Indiana.

Willard H. Mixer

Lambda '24 Chairman of the Board of H. R. Basford Co., Northern California appliance distributors on May 8, 1971 while playing golf near Napa, CA. He had joined the San Francisco based company in 1927, rising to the chairmanship in 1960. An active Rotary member and a supporter of the Boys Club of San Francisco, he is survived by his wife and three daughters.

Frederick L. Smith

Alpha '28 a shoe consultant and owner/operator of Fred Smith's Shoe Store, Utica, N.Y. passed away in Colorado Springs, Colo. on July 2, 1971 of a heart attack. He leaves a wife, two sons and two daughters.

Joseph E. Smuts

Eta '25 of 214 Stedman Place, Monrovia, CA., died of cancer this past summer. He had been Assistant Secretary of Butler Brothers prior to moving to California in 1953. His last employment was with the accounting firm of Pyle, Lance, Schlenger & Soll. Survivors include his wife, a son and a daughter.

Stanley M. Strohl

Epsilon '23 a former Franklin College 4 letter athletic star and a retired mechanical engineer died January 15, 1972. As an engineer he was employed by American Tel & Tel, Citizens Gas & Coke Utility and the Allison Division of General Motors Corp. He retired in 1965.

Leo Thorp Wolford

Epsilon '12 Charter Member passed away December 5, 1971 after about a month's hospitalization. He had served the national fraternity for several terms as a Director, as National President in 1921-24 and again from 1936-41. At the time of his death he was serving the fraternity as one of our legal advisors. A graduate of the University of Chicago Law school, he achieved pre-eminence in his profession and for many years had been a senior partner in the firm of Middleton, Seelbach, Wolford, Willis & Cochran in Louisville, Kentucky. He served for 35 years on the Franklin College Board of Trustees retiring to honorary membership in 1967. In recognition of his outstanding service, he was given the honorary degree of Doctor of Laws in 1947 (Franklin). The Leah Jackson Wolford faculty-staff lounge in the campus center was his gift in memory of his wife who died in 1918.
