national interfraternity conference

Leadership Conference and Sixty-third Annual Convention

THE 1974 NATIONAL LEADERSHIP Conference will be held in conjunction with the Sixty-Third National Convention of Kappa Delta Rho. Iota Chapter, Bucknell University, Lewisburg, Pa. will be the host Chapter. Registration will be on Thursday, August 22nd. The Leadership Conference will take place on Friday, August 23, and the annual Business Meeting of the fraternity (Convention) will be Saturday, August 24th. This is the first time since 1928 that Iota has hosted the National and everyone is looking forward to visiting the beautiful campus on the Susquehanna River about 60 miles above Harrisburg. For those coming by car, Interstate 80 passes within

10 miles of the site, and is the most direct East-West route to follow. Bucknell has the distinction of being the 100th College chartered in America. The college was founded in 1846 as the University of Lewisburg by the Baptists of Pennsylvania and New Jersey. The University was renamed in 1886 in honor of William Bucknell, a trustee and benefactor of the college.

The University is a co-educational institution, comprising a College of Arts and Sciences and a College of Engineering. Currently enrollment is about 3,000 students. There are 13 fraternities and 8 sororities located on the campus, and about 50 % of the student body belongs to one of

the Greek organizations.

Thursday, August 22 will be devoted to registration of delegates as they arrive. Iota brothers will provide conducted tours of the campus, and we are trying to arrange a conducted tour through the Federal Penitentiary located in Lewisburg. Delegates and guests will be housed in Robert's Hall at Bucknell, and all meals, except the closing banquet, will be at the Chapter house. Meetings for both the Leadership Conference and the Convention will be held in the new University Center, opened during the past year. We are in the process of preparing an interesting program for the Leadership Conference, and we believe it will be

most helpful for under-graduates as well as alumni, especially those who work closely with an undergraduate chapter.

Alumni and undergraduates are encouraged to attend all meetings. A deposit of \$10.00 is required with each registration and the total registration fee is just \$25.00. This covers lodging and all meals for the three days, as well as the closing banquet Saturday.

For those who can plan attending the convention in connection with a vacation, there are many interesting nearby attractions. Bloomsburg, a few miles east on Interstate 80 has a transportation museum housing antique trolleys, cars, fire engines, etc. There is also a textile museum and a historical museum. The Carroll Park & Western R.R. operates a four-foot gauge steam train ride authentic to the era of 1860, out of Bloomsburg. Shamokin, to the southeast offers a 50 minute tour by mine train through a working coal mine. Reptiland to the North offers conducted tours where rattlesnakes are milked and alligators and other reptiles are shown. Piper Aircraft in Lock Haven (northwest) conducts plant tours Monday through Friday.

The Bucknell University Center, site of meetings during the Leadership Conference and Convention.

Christie Lynn Geuder

The National Sweetheart of Kappa Delta Rho

THE NATIONAL SWEETHEART of Kappa Delta Rho this year is the entry from Omega Chapter, Miss Christie Lynn Geuder, in one of the closest races we have had since the concept of chapter voting has been installed. Almost from the beginning of the voting, Rho and Omega were in a closely waged battle, and the outcome was in doubt up to the very last moment. In that your Editor could legally change the outcome by voting for his own chapter, he must abstain from casting any ballots whatsoever. The three votes permitted him are only to be used as a tie-breaking device, or to prevent a miscarriage of justice. His personal, unbiased opin-

ion is that the selection is a toss-up (and the vote very nearly bears out this contention). Christie, with 13 votes surpassed Roxann by only one vote. Several chapters split their vote evenly between the two candidates.

Omega's Sweetheart is pinned to Consul Tony Segulin. Chris entered IUP in September 1971 and will graduate in December 1974. A member of Delta Zeta, she was first runner-up for the IUP Homecoming Queen, is on the IUP Dream Girl Calendar, and was Dean's List (2). Her present scholastic average is 3.16. She has been a volunteer in the Headstart Program and also volunteered time at a mental hospital. She

is corresponding secretary of Delta Zeta Sorority and belongs to the Sociology Club and the Ski Club.

Miss Roxann Lisbeth Romano, our so-very-close runner-up, is a 19 year old sophomore at Lafayette College. For the last two years she has dated Peter Demakos, *Rho '74*. She is a Biology major, specifically dealing with environmental problems. She is involved in the Student Committee of Academic Affairs and the Student Representative of the Admission Office. She has been a volunteer at the Cerebral Palsy summer day camp. In free time she enjoys tennis, swimming, skiing, skating, modern dance and ballet. She hopes to carry her education further by going to graduate school.

Chapter voting proceeded as follows (in the order of submission) with the date indicated being the date of receipt of vote at the editorial office:

March 23—Psi—7,7,9,10
March 25—Xi—5,5,6,6
March 28—Iota—8,9,9,10
April 2—Alpha Alpha—5,5,6,6
April 3—Beta—5,6
April 4—Theta—1,3,3,8
April 5—Rho—4,5,5,7
—Eta—5,6,8,8

April 12—Epsilon Alpha—2,8,10,10
April 17—Zeta—1,1,6,8
April 20—Nu—3,4,4,8
April 23—Gamma Alpha—2,2,5,6
—Sigma—5,6,6,7
May 1—Lambda—5,5,6,1
May 2—Omega—2,4,6,6

It is interesting to note that at the 30-day cut-off date of April 22nd, there was a flat-footed tie, and only the last two votes swung the decision. You might say that this was bending the rules slightly, but we feel it important that every opinion be represented if at all possible, especially in a close race. It also emphasizes the importance of voting on time. Another day or two would have been too late to enter Omega's vote!

Final Totals:

1. Zeta—4
2. Gamma Alpha—4
3. Theta—3
4. Nu—4
5. Rho—12
6. Omega—13
7. Psi—4
8. Eta—7
9. Iota—3
10. Epsilon Alpha—4

Roxann Lisbeth Romano

Alumni Worldwide

Tom Andrix

Beta '62 is enjoying a touch of Southern atmosphere in Virginia. He has formed a construction subcontracting business. Tom also represents "The Navigators," a Christian organization, at the University of Virginia.

Ron (Tex) Briggs

Lambda '63 wrote last summer that he had been recently transferred to Houston, Texas, from Charlotte, North Carolina, as regional manager, with Information Laboratories, Inc. Ron's company manufactures process control computer systems and he stated that most of his time is spent looking for new accounts and new applications for computer controls.

John Colarusso

Beta '66 is working for a Ph.D. in linguistics at Harvard. He is also a part-time consultant on a project to develop computer understanding of spoken English.

Charles Cuykendall

Beta '62 is back in New York State after 11 years at the University of Minnesota. He is now manager and assistant vice president of the Hornell Branch of the Security Trust Co.

Bruce Davis

Beta '60 has been a senior engineer with Deere & Co. of Moline, Ill. since 1966. Currently he is doing a lot of computer programming and data processing work. In Novem-

ber he completed an MS degree in applied science at Augustown College.

Gordon Dennis

Beta '53 is presently financial director of Proctor & Gamble's paper products division.

Chuck Fowler

Beta '73 has been living in the Taipei, Taiwan, YMCA for the last eight months. He has been very much impressed with the difference between Chinese and American life, even in the big city. While teaching English he has also continued his study of Chinese language.

Alan Hilburg

Epsilon '70 has been named (or recently accepted a position as) National Director of Development and Development Public Relations at Junior Achievement in New York. He would welcome hearing from any Epsilon brothers, at 909 Third Ave., New York, N. Y. 10022.

Paul Kilmister, Pierce Burgess

Xi '51 & Xi '60, have adjacent desks at the New Hampshire State Department of Education where "Killy" is in charge of school district reorganization and Burgess (a former broadcaster) is public information officer.

Vance D. Lewis

Lambda '33 recently retired as a professor of physics from California State Polytechnic College at San Luis Obispo.

Scott Mangan

Rho '75 has a 50 print photographic essay of the Victorian era on display at Skillman Library in Easton, Pa.

A dean's list engineering student at Lafayette College, Mangan is editor-in-chief of the Lafayette College year book. Winner of the Syracuse Press Institute award for excellence in photography, he is a three-time winner in the Gazette sum-mersnapshot contest.

His 1973 Kodak International Newspaper Snapshot Awards merit photo was on display at the Kodak Gallery, New York City, through March 14. He is a member of the Schenectady (N. Y.) Photographic Society and Photographic Society of America.

Michael Mezack III

Alpha Alpha '58 has recently received a doctorate in higher education from The Pennsylvania State University. Dr. Mezack's research, "A Study of Socioeconomic Class and Commitment to Public Television Viewing" involved an in-depth analysis of public and commercial television viewing of a randomly selected group of households in 29 counties of central Pennsylvania. One of the major findings of the study was that viewing of Public Television and socioeconomic class are not statistically related.

Dr. Mezack, as a Staff Associate in Planning Studies at Penn State, has conducted numerous research projects in telecommunications, management development, and continuing education program evaluation and needs assessment.

John Miers

Beta '66 is administrative officer for the National Institute of Neurological Diseases and Strokes, NIH. His daughter Sarah is 10 months old. John is still trying to organize a KDR alumni association in the Washington-Baltimore area.

Thomas Watkins

Beta '65 spent five years in graduate school at the University of North Carolina, receiving his Ph.D. in 1972. Since 1970 he has been an assistant professor of ancient history at Western Illinois University in Macomb, Ill. He had never heard of Macomb or WIU until 1970. In 1969 he married a fellow graduate student.

Lawrence O. Wyman

Lambda '34 retired last May after 33 years with the Bridge Department, California Division of Highways. The last 12 years were in administration (working up agreements between the railroads and the state). The first 21 years were spent designing bridges and during that time he changed from architecture to a licensed civil engineer. Now he has gone back to water color painting, fishing and travel.

A Strange Coincidence

ON MARCH 4TH Rho Chapter sent an Air Mail letter with a check enclosed to the National Office. The letter did not arrive and there was considerable conversation between the

National Office and the Officers of the Chapter. Finally, on April 2, a duplicate check was issued and forwarded to the National Office. This letter arrived in Indianapolis on April 4, and believe it or not, in the same mail the original letter arrived with a penciled notation on the envelope: "Found in Air Mail Pouch at Monticello, Indiana 4-2-74".

This, in itself, is indeed a coincidence — both letters air-mailed one month apart, arriving at the National Office on the same day. However, on April 3rd, tornadoes hit many of the southern and midwestern states, and even continued into Canada. Unfortunately Monticello, Indiana was one of the communities hit hardest. About one third of the community was destroyed and several deaths and many injuries were recorded. Communications of any nature were cut off for quite some time until emergency units were set up. We cannot help but wonder when the first air mail letter from Rho would have been delivered if someone had not "found" the letter in an air mail pouch on April 2nd, the day before the tornado struck Monticello and adjacent communities.

Chapter Year of Graduation

Amount of Contribution

Outstanding Seniors of Kappa Delta Rho

John W. Thomas — Thomas Michael Skafidas — Timothy Christy — James L. Serpe

ZETA Pennsylvania State University

The outstanding senior from Zeta is John W. Thomas of Danville, Pa. who graduated with a B.S. in Business Management. While in the house he served as Consul, Junior Tribune and Quaestor in a period when active membership rose from 15 to over 30; academic standing rose from 35th to 18th out of 50 and alumni interest increased proportionately. John was a member of the Interfraternity council and also the Nittany Divers. He plans to travel the United States this summer and assume a permanent position this fall.

ETA University of Illinois

Thomas Michael Skafidas is this year's outstanding senior from Eta chapter. Tom is from Rock Island, Ill., and will graduate with a G.P.A. of 4.40, receiving a B.A. in Psychology. He has held the offices of Consul, Sr. Tribune and Rush Chairman as well as serving on many varying committees in the house. Tom was also a member of Alpha Epsilon Delta Pre-Medical Dental Honorary; a member of the Campus Democrats, Soccer Club and Zeet. In September he will enter Dental School at Southern Illinois School of Dental Medicine, Alton, Ill.

RHO Lafayette College

Timothy Christy, a Dean's list Mechanical Engineer from Tonawanda, New York, has been a very active person in the fraternity and college community throughout his career at Lafayette.

He has served as both secretary and commissar for Rho Chapter. Tim is known to put forth the extra effort that is needed to turn an adequate job into an outstanding job. Tim added a new dimension to the effectiveness of the commissar's job by writing a computer program to evaluate the nutrient value and efficiency of the chapter's meal plan.

Tim's college activities include President of Pi Tau Sigma (honorary Mechanical Engineers Society), member Tau Beta Pi, Secretary of the American Society of Mechanical Engineers, Member of the Varsity Track team as a Freshman, and participant in all Intramural sports.

During his free time, Tim enjoys skiing, farming, listening to music, wood-working, and travel.

After graduating Tim will be employed by General Electric Corp. in Schenectady, N.Y. as a Field Service engineer. He is also planning to attend night school in an effort to attain his M.S. degree.

THETA Purdue University

James L. Serpe is a senior from LaPorte, Ind. who received his B.S. in Industrial Management on May 10, 1974. Since he became a brother he has served as Social Chairman, House Manager, Athletic Chairman, Pontifex, Scholarship Chairman, Rush Chairman and Vice President. He has also played an active role in Purdue's Grand Prix race, both as KDR's driver and crew chief. He hopes to become self-employed in a small business in the future.

BETA Cornell University

Dale S. Lazar, from Wayne, Pennsylvania, is in the School of Electrical Engineering at Cornell. He is Beta Chapter's Senior Tribune this year, after serving as Rush Chairman last year. Dale was a manager of the Cornell

University "Big Red" Marching Band this fall, and has been playing trumpet in the Marching Band, Pep Bands, and Symphonic Band the past four years.

He is a member of Tau Beta Pi and Eta Kappa Nu Engineering honoraries, and Beta Rho Beta — Cornell's music honorary. His other interests include expert skiing, swimming, and tennis.

Dale has been on the Dean's List the last four years, and will be entering Cornell Law School in the fall.

NU Indiana University

Nu chapter's outstanding senior is John Michael Hayes. Mike will graduate this spring with a B.S. from the School of Business. He is from Palos Hills, Illinois. Mike was initiated into the chapter on September 26, 1971 and since has been a very active member having served as Social Chairman for two semesters. He will be married on August 24th 1974.

ALPHA ALPHA Lock Haven State College

Richard DeBernardo Jr. from Levittown, Pa. is Alpha Alpha's outstanding senior, with a 3.742 cumulative on a 4 pt. scale. He will be receiving a B.S. degree with a double major in Computer Science and Secondary Education Mathematics.

Rich has served the Chapter as both Quaestor and Academic Chairman for the past two years and has also been one of the Chapter's representatives to the I.F.C. for the last three semesters.

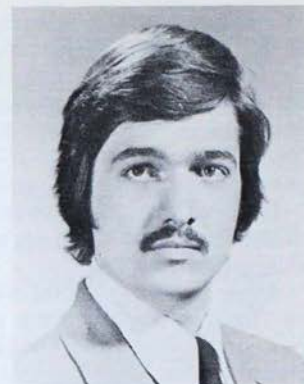

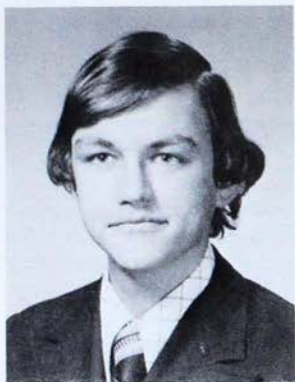

Academically, he has been on the Dean's List every semester since he began his education at Lock Haven State. He is a member of the Phi Kappa Phi Honor Society and was named to *Who's Who Among American College and University Students*.

In addition to academic and Chapter activities, Rich has been very active in student government. He is currently President of Lock Haven's student government. On a state-wide level, Rich is helping to organize the Penna. Student Lobby and is a member of the Board of Presidents of the Commonwealth Association of Students.

Some of the other committees and activities which Rich has been active in include: the soccer team, Athletic Advisory Board, Summer Interim Committee Chairman, the Executive Committee of the Lock Haven State College Association, Calendar Revisions Committee, Senate Appropriations Committee — member and Chairman, Activity Fee Committee Chairman, S.C.C.-Student Publications Board Study Committee — member and Chairman, Student Evaluation of Faculty Committee, and a member of the college President's Cabinet.

KAPPA Ohio State University

Charles Robert Shumaker is Kappa's outstanding senior. He has served the chapter as president, treasurer, house manager, with an accent (always) on

Dale S. Lazar — John Michael Hayes — Richard DeBernardo, Jr. — Robert Joseph Owen, Jr.

rushing. He was instrumental in attempting to reactivate the Kappa Alumni Association. He is a member of Archons, Greek Honorary; O.S.U. Men's Glee Club; and has been vitally interested in 4-H, having completed his fifth year as an advisor to the Galion, Ohio 4-H Club. He is a Dairy Science Major and plans on returning to his home farm after graduation.

IOTA Bucknell University

Robert Joseph Owen, Jr. from Abington, Pa. is Iota's outstanding senior. A member of Phi Beta Kappa, he is president of Omicron Delta Kappa; vice-president of Pi Sigma Alpha and belonged to the freshmen men's honorary. In the chapter

he was pledge president, IFC representative (2), senior tribune, editor of *Iota Item*. He is currently a director of the national fraternity. Among his other activities: Univ. Committee on Student Affairs (2 yrs.); Self-Study Steering Committee (2 yrs.); Task Force on Univ. Goals; Interfraternity Council, President; Association of Bucknell Students, Living Unit Representative for Frat., alt. At-Large member; Advisory Comm. to the Office of Student Programs; Senior Awards Committee (1973); Elections Committee (ABS); University Senate; Dean Search Committee; Young Republican Club; University Chorale; Colloquy Committee; Political Science Club; John Marshall Pre-Law Club; Senior Gift Drive Group Leader; member-Common Cause; served

as Legislative Ass't. in Pa. state legislature (Jan. 1973).

SIGMA Oregon State University

Mark Gregory Scherzinger was elected Sigma Chapter's Outstanding Senior for 1974. Mark is from Portland, Oregon and will receive a B.S. degree in Chemical Engineering.

He has been one of the leaders in rebuilding the Chapter this year. He has served as Consul for three quarters, Quaestor for two quarters, and as Junior Tribune and Pontifex for one quarter each.

After graduation he will take a short vacation, and on July 1 will begin his employment with Ralph M. Parsons Co. in Los Angeles as a Chemical Engineer.

Chapter Eternal

Edward L. Duffies

Beta '21 passed away on February 1, 1974 at Arlington Hospital, Arlington, Va.

Lee H. Erbaugh

Epsilon '43 passed away February 15, 1974.

Sheldon Keene Goodwin

Theta '25 died December 5, 1973. He was a farmer and a retired district manager of E. Rauh & Sons Fertilizer Company of Indianapolis. Among his survivors are his widow and two sons, Sheldon K. Goodwin, Jr., and Donald K. Goodwin, *Theta '50*.

Charles D. Gritman

Delta '28 a manufacturer's representative and salesman for Amsco Wire Products, died of pneumonia December 27, 1973. He held a B.Litt degree from Columbia and had been associated with Paramount News in the '30s.

Howard J. Kirn

Kappa '29 passed away in early April, 1974. Howard (Big Si) had been employed by LeFaber Associates of Cincinnati for 30 years. He was a member of the Trinity Episcopal Church, National Society of Professional Engineers, Ohio Society of Professional Engineers, State Board of Kentucky of Professional Engineers and Surveyors, Hamilton Elks, and also was a life member of the Cincinnati Engineering Society. He maintained an active interest in

Kappa chapter throughout his entire life and he will be missed by all his friends and brothers.

Kim Irvine Marlow

Nu '74 of R.R. 4, Rushville, Ind., was killed about 3:30 a.m. on April 6, 1974 when his car left the road and struck a utility pole. Police believe he fell asleep while driving.

Peter J. Naeye

Delta '25 a recent retiree as president of the Marion Canning Co., died unexpectedly in Englewood, Florida on January 18, 1974.

Everett "Pete" Piestar

Beta '15 KDR lost an outstanding brother when Everett "Pete" Piestar passed away in Clearwater, Florida on November 20, 1973. Pete is especially remembered by his chapter because he showed a sincere interest in college men and in the welfare of the Beta house. His enthusiasm for the activities of young people instilled in the brothers the feeling that he was one of them. At the same time, Pete would willingly give advice which could only have been gained during a long and rich lifetime.

Pete was part of the first pledge class of the newly founded Beta chapter. While at Cornell, he studied landscape architecture and later received his masters degree at the University of Michigan. Pete spent most of his career as a landscape architect for the Model Park Department of Hartford, Conn. The internationally famous Rose Garden in Elizabeth Park was developed by him. After retiring from the position of park superin-

Everett Piestar

It was during the last few years that Pete especially strengthened his ties with the fraternity. The brothers came to know him very well by his extensive correspondence with the house and by his annual trips to Ithaca, N. Y.

A couple of years ago he hosted four brothers who took a trip down to Florida. Last year, Pete made it possible for the Cornell Glee Club, which included four KDR's, to visit Clearwater. Over the last few years, he provided a major source of funds to renovate the chapter's 1915 duo-art Steinway grand piano. Pete contributed toward the spring, 1973, pledge project and was also a major contributor to the 60th Anniversary Celebration last fall. During the last three years, Pete contributed over \$1,000 to Beta chapter.

**See you at Bucknell
August 22-24, 1974**

ON CAMPUS

Zeta Marathon Winners

The 1974 IFC Dance Marathon at Penn State collected \$10,800 for the United Heart Fund. Nearly 20 % of the total came through the efforts of the brothers of Zeta Chapter and the sisters of Tri-Delta sorority.

The rules of the dance marathon called for a couple to dance continuously for forty-eight hours while canvassers solicited donations to the Heart Fund in the couple's name. Couples were awarded one point for each dollar contributed in their name. Of the couples who lasted the forty-eight hours, the one with the highest number of points was declared the winner.

Kappa Delta Rho offered to back Brother Mike Gerard if he could find a partner and enter the marathon. Mike agreed to enter and chose Robin Milne of Tri-Delt as his partner.

A committee was formed to organize our plans for the weekend. The committee, headed by Steve Wood-

Budman & Robin

man decided that a gimmick was needed to distinguish Mike and Robin from the rest of the fifty-two entrants on the dance floor. So Mike spent the weekend as "Budman"

the Budweiser mascot. The slogan, "Help Budman and Robin, The Dynamic Duo Boogie against Heart Disease", was heard around State College as brothers hawked and carried posters during the 48 hours.

Plans were laid out one week in advance to have tables set up at local malls and to have brothers at key intersections of pedestrian traffic. Schedules were drawn up to insure that there would always be a brother at each key location.

It was a wild and tense weekend for the brothers. Sleep and leisure were at a minimum but no one complained. Somehow the brothers always out-hustled the canvassers for the other couples.

Someone was with Mike and Robin at all times to cater to their needs. Necessities, such as food, water, medications and moral support were on hand to insure that the Budman and Robin finished the marathon. As the hours ran on, aspirin, vitamins and rubbing alcohol became more important than food.

The amazing aspect of the weekend was that not only did we win the marathon but we set a record in doing so. Never before had a sum so large

(\$1800) been collected by one group. The second place couple did not come within \$900.

Zeta congratulates Mike "Budman" Gerard and Robin Milne for an outstanding performance for the Heart Fund.

Pros & Cons

Epsilon Alpha Chapter of Kappa Delta Rho at Lewis University, took a monumental step toward accepting prison inmates as people by inducting two inmates of Stateville Penitentiary into their organization on Sunday, February 10, 1974.

The series of events, which lead up to the decision to induct inmates started in the Fall of 1973, when some members of KDR visited the work farm located next to Stateville. Eventually two inmates, Bill Eubank and Roger Logue were allowed to attend regular classes at Lewis on a limited basis. During this time most of the members of KDR became very familiar with the inmates and learned to accept them as individuals instead of inmates.

Intramural football games between the inmates and the members of KDR

A \$400 donation to Lewis University is presented by Paul Halm, (president) at left and Steve Partman, (2nd V. P. and past president) at right. Dr. Lester Carr (College President) center, accepts the gift.

Epsilon Alpha donated \$100 to Guardian Angel Orphanage—Left to rt. Steve Partman, Paul Halm and a sister of the orphanage.

*Inmates Bill Eubanks and Roger Logue
with E.A. President Halm*

were sponsored, to help foster a greater social outlet for the prisoners. Many basketball and volleyball tournaments are also scheduled for this semester.

Since Kappa Delta Rho has a long history of being concerned about the community in which it is a part, it wasn't long before KDR realized that they could offer a social outlet for some prisoners who had been out of touch with the mainstream of society. So, they took great pride and care in introducing their new friends to activities which were beneficial and constructive to the

community and the Fraternity's individual members.

Some of the activities, which KDR introduced to their new friends, were a tuition raffle in which a \$700 first prize was offered and the remainder of the ticket sales (\$400) was donated to Lewis University, the fifth Annual Ugly Man Contest, which netted a donation of \$100 for the Guardian Angel Orphanage in Joliet, and a Christmas party, which is held for the orphans of Guardian Angel annually.

Epsilon Alpha is proud to be the first to move in this direction and encourages other organizations and individuals to accept these prisoners as useful and productive individuals in our society.

Lambda Report

A few years ago, people might not have given Lambda very good odds on survival but now, with shrewd and aggressive leadership, the Chapter has rebuilt itself to strength and prominence in the Greek Community. Indeed, in the last three quarters Kappa Delta Rho may look with great pride to the accomplishments

of the Chapter and the activities of the brothers.

Foremost in Lambda's achievements is its championship in the intramural football competition last December. In a thrilling last second move, an interception by Ed "Big Joe" Leahy, '74, turned apparent defeat into an exhilarating victory over Kappa Sigma in the final quarter. A grudge match victory against the Chinese Student Union brought the Kappa Dels their second intramural championship of the year, this time in table tennis. Scott, "The Bazonga", Amon, '74 ably captained this team with outstanding sparkling forehand and devastating backhand by Stuart Park, '75 and Greg "Bird" Lyons, '76 which decimated all comers and terrorized the league.

The Founder's Day Weekend is traditionally a big one, believe us. It started with Alumni Banquet on May 17 at the Sea Wolf on Jack London Square in Oakland. We were pleased to see such faithfuls as Norb Babin, '23, Merle Garing, '37, and Stan Wittsett, '52 and many other faithful alumni. The day after was the twenty-third annual Ski Dance, perennially the biggest date on the KDR social

calendar every year. Two tons of genuine ice was packed on an especially constructed toboggan run, which ran from the third deck to the front lawn. Little Brothers in the Big Brothers program joined the KDRs and their dates chuting down the run during the day. A band party followed that night concluding perhaps the best party Lambda has seen in many years. A "kegger" softball game with Alpha Omicron Pi rounded off the weekend.

Intensive spring rushing has guaranteed a full and active House for the coming year. Already Lambda has garnered a full pledge class of seven men. This is a full mark ahead of other fraternities on campus. Lambda looks at the numerous physical additions and improvements to the house, but also recognizes the significance of what its brothers have done. It is truly an impressive record. In the realm of athletics Steve Gritsch, '76, Steve Rivera, '76, Karl Crumppacker, '75, and Jim Edelstein, '76 represented Kappa Delta Rho on the varsity eleven, while Gordy Buchan, '77, swam for California and Paul "Swede" Larsen '76 performed excellently on the varsity

tennis squad. In Lacrosse, the House was well spoken for by Chris Harley, '74, Tom Pace, '77 and Rob Lenahan, '77, all figuring in a second consecutive league title for the Golden Bears.

Lambda found its brothers not only in athletics, but other endeavors of honor. Steve Gritsch, '76, was elected to Skull and Keys, a social honorary, while Monroe McBride, '76, was initiated into Californians, an honorary service society, and also is serving as Interfraternity Council Vice-President.

Chris Harley, '74, and Jim Edelstein, '76, served as Big Brothers to Berkeley youths, while Brian Faulkner, '74, rendered invaluable aid as a tutor to underprivileged.

Indeed, this has been another banner year for Lambda of Kappa Delta Rho! Any brothers in the Berkeley area during the summer should avail themselves of the standing invitation to have beer and bed at Lambda.

We are looking forward to meeting KDRs from other chapters at the Convention in Lewisburg.

— Oh — by the way — orders will

be taken for Coors beer for the National. Write Lambda Consul at 2739 Channing Way, Berkeley, Ca. 94704 for further info.

See you at Bucknell, brothers!

NOTES from the Chapters—

Most of the following items have been selected from information forms supplied by the National for this issue, or directly from chapter newsletters.

THETA Purdue University

Presently involved in the Heart Fund Drive the chapter is also participating in the Greater Lafayette Chamber of Commerce's "Pitch In" program. The Little Sisters have painted and dressed up their Women's Lounge at the house; a bar has been added to the T.V. room, and general fix-up projects are in progress.

ETA University of Illinois

The Chapter held several exchanges with sororities and is planning more. The spring pledge dance "Mardigras" was very successful. A new driveway has been installed at the house. The livingroom has received new rugs from the alumni. Interior painting in progress. The chapter is working on a project to raise money for the American Cancer Society next year. The brothers are doing well in intramurals, placing 3rd in football, and into the

playoffs in basketball and volleyball. They are in competition for all-fraternity point championship. Brother Mark Winter was selected to participate in an international exchange program in architecture, and Tom Skafidas is in Who's Who as a student leader.

KAPPA Ohio State University

Placed second in both basketball and bowling in the intramurals. The house has been improved with 6 rooms newly painted and new bathroom sinks, tile and shower door in place. Jeff Reeny has a very high average in medicine. Keith Stahl is the outgoing IFC president. Both Tim Dennis and Lanney Franks have received Navy scholarships.

NU Indiana University

Recently moved to a new location: 1100 N. Jordan Avenue. The chapter was 2nd in football divisional playoffs. Gus Zamora, Romel Evans were campus champions in their weight class in wrestling, with Bryan Taylor a runner-up. Nu was 2nd in campus bowling, and is in the softball post-season tournament. Qualified 6th of 75 teams in regatta. John Faylor, Mark Kors and John Meyers are members of I.U. Student Foundation, with the first two brothers also in Senior Class Council. James Pirtle is on the I.U. Debate Team. John Meyers is a committee member of the Student Athletic Board. Ed Schmitt and Mike McAleavey are Dean's List.

BETA Cornell University

The basement area of the house was sealed against moisture and renovated, with the end wall and a portion of the long wall being bricked with 2,000 bricks. This year's pledge project will be to renovate the picnic area along the creek. There will be a pancake breakfast during the June 13-17 class reunions. All alumni are welcome. In intramurals, the chapter won the bowling championship; won the regional championship in football, but lost in the semi-finals. The event of which we are proudest was the 60th Anniversary celebration. Virtually every class was represented in the turnout. The Pledge-Alumni dinner in April also had heavy participation.

SIGMA Oregon State University

The chapter is getting involved in an environmental cleanup of Mary's River sponsored by the IFC. The KDRs will be well represented in the Mary's Peak Marathon with all proceeds going to charity. The big event of the term will be the "Ugliest Woman on Campus" contest. It requires pictures of women "made up" as ugly as possible, with jugs placed under the pictures to receive money. Proceeds go toward sending children to Camp Easter Seal. In intramurals, the flag football team came in 3rd in their division; volleyball was in second place; basketball, third also. Brother Steve Banton is on the varsity decathlon team.

Freshman brother Gary Smith was selected for the AGD "He" Court. With last fall's term a "Little Sister" program was initiated. In April a tea was held to celebrate the 10th anniversary of our housemother's connection with Sigma. Mrs. Mae Shirlcliff is a wonderful person and we hope to keep her for many more years.

PSI Lycoming College

Psi entered the Multiple Sclerosis Drive and also had a Christmas Party for children on welfare. In intramurals the chapter was winner of Greek Week; won the softball tournament and placed second over-all in All-Sports Competition. The varsity sports roster reads as follows: Football-17 brothers; Wrestling, 10 brothers; Basketball, 7 brothers; Track, 3 brothers and one each in Tennis, Golf and Soccer. Honors include the Papoose Award (Mario Caione); 2nd place wrestling MAC, MAC 1st team football, defense, MAC Player of the Week & Homecoming game MVP, ECAC Defensive Player of the Week (all Steve Wiser); 3rd place MAC Wrestling (Terry Schultz). The house has been improved with a new TV, water fountain, and sofas. Books have been added to the library.

ALPHA ALPHA Lock Haven State College

The chapter has a large enrollment of brothers and pledges in the Commonwealth Association of Students. Intramurals have

not been overly successful to date, but the chapter hopes to win a few yet. Varsity roundup as follows: Soccer, 11 brothers; Wrestling, 6 brothers; Football, 8 brothers; Track, 4 brothers; Swimming, 3 brothers; and one each in Baseball and Basketball. The chapter was winner of the 1974 Annual Greek Olympics held at Hubert Jack Stadium. The house was improved with new carpeting and furniture, paneling and paint. A color TV has been added.

OMEGA Indiana University (Penna.)

The annual walk to Pittsburgh for Children's Hospital netted \$14,485 this year. The chapter is also involved in occasional movie sponsorship and raffles. 6 Brothers are varsity track men; 2 are varsity football and one is on the baseball team. In intramurals Omega is 5th overall. The football team made the quarterfinals. In April a party was held on the Gateway Clipper which was a tremendous success with many alumni returning. By fall the chapter hopes to be in its new house.

LAMBDA University of California

Will be celebrating its 50th Anniversary this year at Cal. The house is enjoying full capacity and expects a profit this year. Extensive interior painting has been done and two showers have been replaced. The table tennis team won the University's "B" League Championship, going undefeated in the double elimination tournament. The basketball team was undefeated in league play.

ZETA Penn State University

Ranks 24th of 45 houses in intramurals. Alex Lewis is on the weightlifting team. (varsity). A recent pledge class project was to retile the party room, with a 4 x 5 foot KDR crest made of inlaid tile designed by brothers Thomas and Luzader. Zeta would be interested in knowing of the largest crest any other chapter might have. Homecoming activities are being planned for the weekend of October 12. The weekend includes a party on Friday night, a buffet dinner, cocktails and music on Saturday following the football game with Wake Forest.

IOTA Bucknell University

The brothers won two kegs of beer by attaining the highest percentage of participation among fraternities in the Red Cross Blood Drive. The chapter took a second place \$75 prize in the Homecoming float competition.

EPSILON ALPHA Lewis University

Some \$300 was donated to Muscular Dystrophy as part of St. Pat Day activities. A new bulletin board has been constructed, and a Luau and candlelight dance was held in May. Mrs. Mertle Norton was this year's winner in the annual tuition raffle. \$700 worth of tuition or cash is the prize and, as noted elsewhere, the remainder of the sum collected was given to the University.

LAST CHANCE!

The Alumni Fund for 1973/74 will be concluded on June 30th 1974. There is still a remarkably good possibility that we will be able to reach our goal of \$10,000 *IF* all of you who have been delaying your contribution fill out this final coupon. Let's make this a banner year. Do it NOW!
