During last year's Convention, several brothers mentioned that they'd like to know what our various chapter houses looked like, and the suggestion was made that we occasionally print views of the different houses. So here are two of our eastern chapters: Xi (Colby) at left, and Beta (Cornell) below.

These two photographs come from our files, and date back some 8-9 years. How about some recent photos from brothers in each chapter? The files could stand up-dating, and with the start of this new feature it becomes even more important to be current.

OFFICIAL REGULATIONS

- A. Chapters and colonies send Sweetheart photographs to either the National office or the Editor. Two glossy black and white photos—one in formal attire; one casual, should accompany a summary of the girl's accomplishments.
- B. The Sweetheart of a chapter should be single when installed.
- C. Photographs will be printed provided five or more chapters submit copy.
- D. A coupon providing voting space for each

chapter will be printed in the February issue. Each chapter will receive four votes. There can be no more than two votes for any one candidate—All four votes must be used. The Editor is given 3 votes, as a tie-breaking device.

- E. The coupon ballots should be sent directly to the Editor for tabulation. There is a deadline of 30 days after mailing of the February issue. So when you get your copy of this issue, call a meeting and send in your vote promptly. A chapter officer must sign the ballot.

THE ANNUAL SELECTION of National Sweetheart is again upon us. This year's candidates are given cameo appearances by photo, which may be a poor way of making your choice — but which has traditionally been the means of election. May we urge each chapter to make use of the coupon and use your votes within 30 days after receipt of the issue in which these photos appear.

In recent years the popularity of this contest has seemed to wane,

although there is always a solid base of chapters responding annually. Please include a vote on your ballot on the desirability of continuing this event. And should you wish to make further suggestions on how to handle the selection, please use an extra sheet of paper expressing your opinions. There are certain problems (see editorial above) which are difficult to solve, but which might improve both the method of choice and participation by each chapter.

Can You Improve this Annual Contest?

As noted on the facing page, small photographs are not the ideal way to present candidates. Choices are then made for beauty alone—or against beauty (if your chapter has a potential winner). Yet, we usually receive such sparse data on a candidate that it is necessary to hold the information to provide a paragraph about the winner. Any ideas?

Another flaw is that chapters select candidates at different times of the year—some after the contest has ended. Suggestions please!

A Bicentennial Salute to Fraternity:

THE INTERFRATERNITY DAYS IN WILLIAMSBURG

Dale A. Slivinske, Theta Chi, CFEA President

IT WAS A COLD autumn day, more reminiscent perhaps, of Lexington, Massachusetts than Williamsburg, Virginia. The colonial village huddled ready for another group of travelers and conventioners. In keeping with the historic surroundings, this meeting would be significant as a bicentennial happening — the celebration of the 200th anniversary of the Fraternity system. The four major interfraternity conferences; National Panhellenic Conference (NPC founded 1902), National Interfraternity Conference (NIC founded 1909), Professional Panhellenic Association (PPA founded 1925) and Professional Interfraternity Conference (PIC founded 1928) joined together to review and reflect on the American college fraternity phenomenon since its beginning December 5, 1776 with the formation of a society called Phi Beta Kappa at the College of William and Mary.

December 2, 1976 was called "Interfraternity Day," and the days preceding

were devoted to meetings of committees, national boards, the Interfraternity Research and Advisory Council (IRAC) officers, Fraternity Executives Association, National Interfraternity Foundation, and the Commission on the Year 2000.

NPC's College Panhellenics Committee conducted a day-long working session, Lynn Peterson, Alpha Chi Omega, chairman. NIC met in its annual session with 200 representatives in attendance. Professional fraternity and sorority representatives met in joint sessions of PIC and PPA.

The final meeting of the 90-member, broadly-based American College Fraternity Bicentennial Commission* was held in Wren Hall at the College of William and Mary. The Commission's Report, "Fraternity for the Year 2000", soon to be published, was reviewed in "An Eye to Our Future" portion of Interfraternity Day for the assembled group by Dr. Thomas C. Schreck, dean

of student services at Indiana University and William P. Schwartz, executive director of Sigma Alpha Mu.

The critical issues to be faced by the Fraternity in the year 2000 were defined by the Commission as:

1. How well it can foster the personal development of each of its members.
2. How well it can accommodate a more diverse membership.
3. How well it can adapt itself to whatever changes may come about in the academic community.
4. How well it can involve its alumni in the life of the chapter.
5. How well it can transmit its heritage, ideals, values and principles.
6. How well it can carry out an ethic of service.

*Kappa Delta Rho was represented on the commission by O.D. Roberts, retired dean of Purdue University.

Margaret Chase Smith, right, former Maine senator receiving her award at the luncheon meeting.

Senator John Tower, right, receiving his IRAC award at the formal dinner.

7. How well it can sustain itself without having to rely on a chapter house as the center of its activities.

The commission concluded that the

200-year old college fraternity system will survive essentially unchanged into the year 2000. However, fraternities must diversify their membership, adapt to

changing academic emphasis, and minimize the importance of chapter houses. It will continue to stand as a "humanizing agency in a technological society."

The keynote of "Interfraternity Day" was a talk delivered by Mrs. Betty Mullins Jones, Alpha Phi past national president, detailing the "Historical Relationship Between Fraternities and Education." Her extensive research revealed numerous interesting incidents in the development of both systems in America. For example, had the colonial U.S. colleges patterned themselves after continental universities rather than the English tradition, fraternity would never have developed. Prior to the Civil War, fraternities emerged in protest to college conditions. Following the Civil War, fraternities prospered because they provided more attractive room and board for students than the colleges could.

Mrs. Jones reminded us that hazing was a way of life back in the early college and even that class fights were a tradition — strangely enough called "rushing." Her enlightening talk tied together much fraternity history with the history of emerging higher education and she concluded by saying that "the fraternity and the university are not always good to each other, but are always good for each other."

An historic visit to the Raleigh Tavern followed the morning program. The tour of the colonial inn included a walk through the Apollo Room where Phi Beta Kappa was founded in 1776. Going back to "where it all started" was indeed a highlight of the celebrations.

Retired Senator Margaret Chase Smith (Sigma Kappa) was the featured speaker at a luncheon in the Williamsburg Lodge. She was presented the IRAC Achievement Award by IRAC president Polly Freear (Phi Mu). Senator Smith's profraternity comments congratulated Greek groups as being "champions of leadership, civility, kindness, and excellence," as such, "bucking the negative trends in the country today."

Interfraternity Day climaxed with a reception and banquet. Senator John Tower (Kappa Sigma) addressed the banquet audience, ably substituting for President Gerald R. Ford (Delta Kappa Epsilon) who had been scheduled as the speaker. Senator Tower stressed fraternity as a "promoter of alumni support" which provides "stability and continuity." He emphasized that freedom of association is a basic American freedom. The fraternity system is a stabilizing influence on campuses — one out of proportion to its numbers, he pointed out, as he asked, "Why defeat a system that does so much for so many?"

IRAC presented twelve achievement awards to nationally prominent fraternity members for leadership in various fields. Present to receive their awards were:

Margaret Chase Smith (Sigma Kappa),
(presented at the luncheon) —
Government

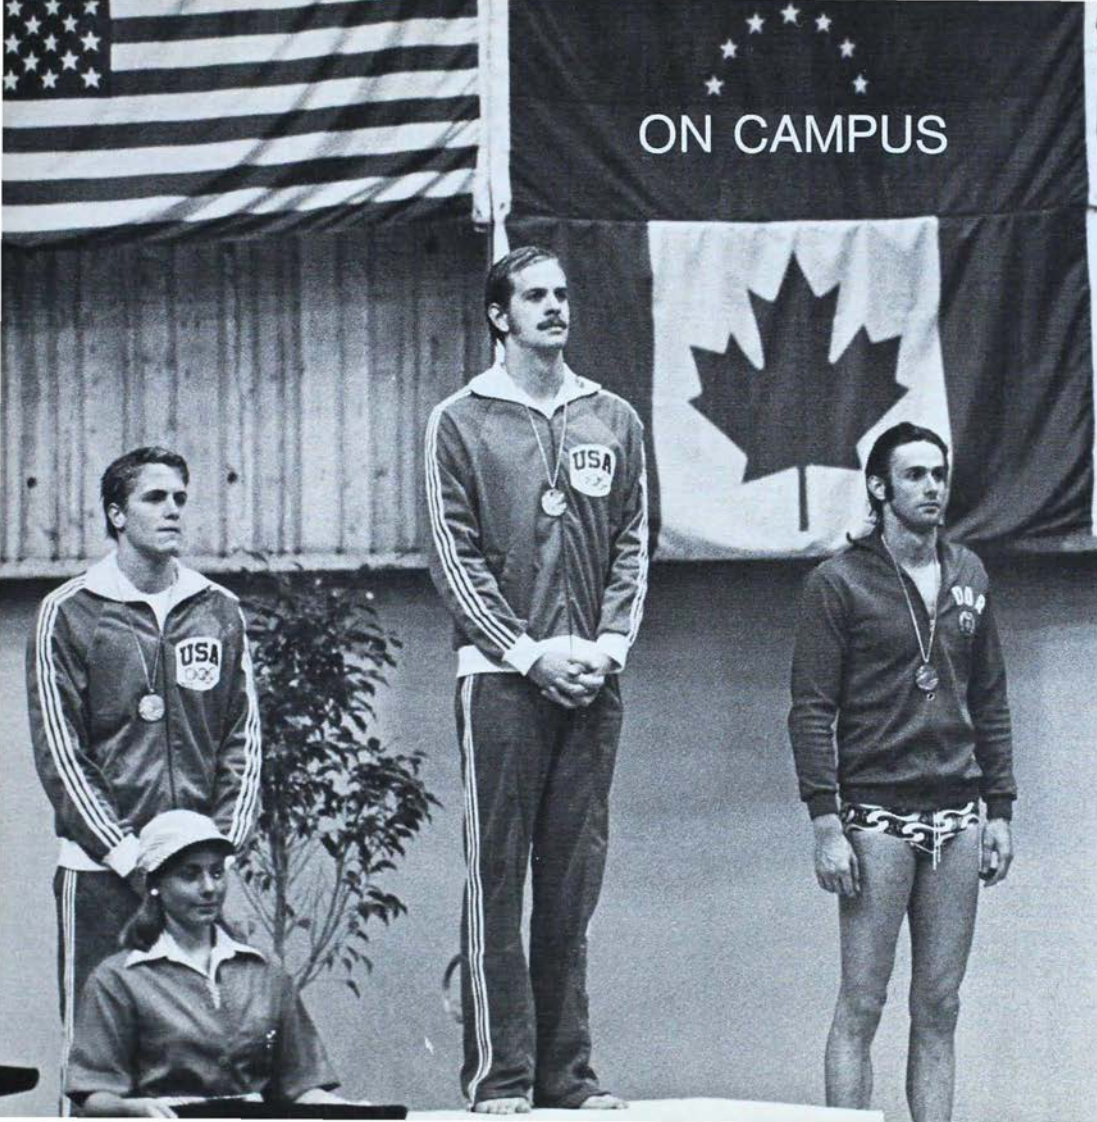

John Tower (Kappa Sigma, Alpha Kappa Psi) — Government and Education

Tom C. Clark (Delta Tau Delta, Phi Alpha Delta), retired Supreme Court Justice — Professions and Government

Virginia Y. Trotter (Alpha Delta Pi, Mortar Board, Omicron Nu, Sigma Xi), HEW official — Education

IRAC was to have presented a special award to President Ford who was not in attendance. Senator Tower was also presented with the Distinguished Service Award of the Fraternity Executives Association.

The colorful two-day event was brought off with flair. Williamsburg was an excellent host, making new friends and renewed fellowships all the more meaningful. After a period of upheaval within and without the fraternity world in the late 1960's, Interfraternity Day in Williamsburg pointed the way to an optimistic present and stronger future. The Greek system counted its blessings, acknowledged its shortcomings, and planned for its future in concert and with pride. The participants returned to their own varied corners of the Greek world rejuvenated and enlightened. It is hoped that we shall not have to wait another 100 years to again celebrate the past, present, and future of the fraternity system in unity and with mutual respect.

Lambda pledges Peter Rocca

Lambda Chapter pledged thirteen outstanding men this fall, one of whom, Peter Rocca, won two Silver Medals at the Olympic Games held in Montreal.

Peter is 19 years old, weighs 175 lbs. and stands 6 feet 3 inches tall. He was born in Oakland, but the family soon moved to Orinda, Ca. He started swimming at the age of 7 and the following year he and his brother joined the AAU swim club, The Aqua Bears. He continued swimming with the Aqua Bears until he entered the University of California at Berkeley this fall.

This past summer he joined the AAU Concord Swim Club and this fall made the California Bears Swim Team. His coach for the Concord and California Swim Teams is Nort Thornton.

In 1975 Pete was a member of the Gold Medal winning U.S. Medley Relay Team and won First Place in the 1975 Pan American Games held in Mexico City. In March of 1976 he entered the N.C.A.A. Championship

Peter Rocca (left) at awarding of medals in Montreal.

Meet at Providence, R.I. and placed second in both the 100 and 200 meter backstroke events. In April 1976 he entered the AAU Indoor Long Course Championship events and placed second in the 100 meter backstroke and third in the 200 meter backstroke.

In June of 1976 he participated in the U.S. Olympic Swimming Trials in Long Beach, Ca. and won a spot on the U.S. Olympic Team by placing second in both the 100 and 200 meter backstroke event.

At the Olympic Games in Montreal this past year Pete was second only to John Nabors the Gold Medal winner. Prior to the meet, the world's record for the 100 meter backstroke was 56.30 sec. set in Munich in 1972 by Roland Matthes of East Germany. Nabors broke this record with a time of 55.49 sec. and Pete also broke the old record with a time of 56.34 sec. It is interesting to note the previous record holder, Roland Matthes, came in third behind both Nabors and Pete.

In the 200 meter backstroke competition Nabors broke his own world record of 2:00.64 min. He is the first swimmer to break 2 minutes with his world record setting time of 1:59.19.

Nabors and Rocca (right) during Olympic competition.

Peter Rocca was a close second in this competition with 2:00.55.

John Nabors has announced that he will retire from competition at the end of this year and Peter Rocca might be looked upon as the "heir apparent" to the title of the outstanding 100 and 200 meter backstroke swimmer in the world today.

All of these honors have not come easily to Peter. He has been on a vigorous training program. During his freshman year of high school his workout consisted of swimming 8,000 yards per day. This was gradually increased to 12,000 yards per day by his senior year. Upon enrolling at Cal his coach put him on a program of dry land weight training and over distance swimming with emphasis on stroke technique. Last year at Cal his maximum yardage per day was about 20,000 yards in two workouts of two-and-a-half hours each.

Pete will compete in the N.C.A.A. Championship Meet to be held in March at Cleveland State University, Cleveland, Oh. and also in the N.A.A.L. Short Course Championship Meet in April to be held in Canton, Oh.

Psi chapter report

Psi chapter of Kappa Delta Rho held its annual Christmas party for underprivileged children on Sunday, December 12, 1976. The children ranged in age from 6 to 15 and were guests of the fraternity for the day — being served dinner and receiving gifts from Santa Claus, (brother George Retmanski).

Psi chapter has six pledges this semester, who at the time, are progressing well through the pledge program under the guidance of Junior Tribune Phil Bellino.

A dinner for the brothers of Psi Chapter was held Friday night, December 3, followed by a party on Saturday night December 4. The party on Saturday night was open to all Freshman in an attempt to increase our rush program for the Spring Semester.

Financially Psi chapter is secure and is very optimistic about our fall pledges and spring rushees.

The William I. Myers Room

As those of you who visited Beta Chapter for homecoming noticed,

there is a big change in the sun room on the back of the house, in honor of William I. Myers. The room was used as a sun room when it was a private residence. When KDR moved in, its use gradually declined until 1975 at which time the only thing in the room was an old piano, a

large table without chairs and a few shabby curtains. As a pledge project, the class of 1978 repainted the walls and ceiling and refinished the natural wood floor. However, the room was still vacant.

When Brother Myers passed away, the house and alumni agreed that Brother Myers deserved some lasting remembrance. Brother Myers had been an active president of Beta Corporation despite his many agricultural duties and ties. He had always been a source of good advice and counseling for the house and its brothers. It was in this sense that the house wished to honor Brother Myers.

The William I. Myers Room is almost completed. New curtains and lighting were the first order of business. The largest item was the new furniture, chosen to try to copy the old feeling of warmth that the sun-room had, and also the warmth of Brother Myers. The furniture was ordered over the summer and arrived in late September. Meanwhile, over the summer, numerous plants were added to the room. This completed the plans for the room except for the plaque to be hung in memory of Brother Myers.

The Annual Walk

Kappa Delta Rho fraternity at Indiana University of Pennsylvania again conducted its annual "Walk to Pittsburgh" for the benefit of Children's Hospital.

This marks the 14th year that Omega KDRs have made the trip from Indiana to Pittsburgh. In 1975 more than 50 brothers made the walk and collected a total of \$16,500, which was presented to the hospital during the KDKA telethon.

This year's goal was set at \$17,000, but far exceeded this conservative estimate with a rousing total of \$21,985. The chapter then donated an additional \$15 to make it an even \$22,000.

To get ready for the walk, KDR members collected Friday, Saturday and Sunday Dec. 3, 4 & 5th at various intersections around Indiana.

The following Saturday, Dec. 11, the actual walk began with a kickoff breakfast at university dining hall.

More than 50 brothers then began collecting from motorists, residents and businesses along Routes 119 south and 22 west to Pittsburgh.

Steve Riley and Bob Scott, co-chairmen for this year's walk, said that the KDRs have been well received in past years by all those whom they have contacted, including restaurants that contribute food along the way.

The walk ended Sunday night, Dec. 12. The proceeds were presented to Children's Hospital during the telethon Dec. 19th.

The co-chairmen expressed their appreciation on behalf of the entire fraternity for the cooperation the people of Indiana have given over the

past 13 years. They asked for continued support in what they feel is a very special cause.

With this year's record collection total donations have gone well beyond \$100,000 in a 14 year period.

Christmas Party

Theta held its Christmas party for the underprivileged children and it was very successful. The brothers and little sisters enjoyed themselves and especially enjoyed the chance to play with the toys we had bought for the children. The party was highlighted by a visit from Santa Claus, who was played by one of the brothers.

Iota pledges record 31

At 12:00 Noon on Sunday, Nov. 14, 29 Freshmen accepted bids into Iota KDR, pledging later that afternoon. Two more men, who experienced a short-lived case of "cold feet", pledged the next evening.

A record for the chapter in its 55 year existence, the '76 pledge class ranked 4th in numerical strength, but certainly 1st in quality among Bucknell's 14 fraternities. All of us here at Iota wish our brother chapters the same good fortune.

The annual alumni fund report as of Dec. 31, 1976 showed an encouraging improvement in both contributors, totals and average contribution. But despite these gains we are a long way from our budgeted goal of \$13,500 for the 1976-77 fiscal year. Those of you who intended to give but have been procrastinating will undoubtedly be interested in checking the interim statistics listed below. Theta and Nu

chapters are continuing the strong stand shown in the last fund drive but there are others who could close the gap with a concentrated effort.

Our budgeted goal for the year is approximately \$4,000 and 320 contributors short of expectations. If you have not given, please fill in the coupon and send it to us at your earliest opportunity.

At mid-year, 680 contributions had been received for a total of \$9,515.86 compared to 614 contributors and \$8,069.29 at the same time last year. If the momentum can be maintained we will be well on our way to our goal: 1,000 contributors and \$13,500.

Thomas Bore

Xi '76 of Portland, Maine was killed in an automobile accident late in 1976. He had stopped his car to remove a box from the middle of the road and was hit by another car.

H. Leroy Edwards

Epsilon '27 of Madison, Indiana on October 8, 1976.

Martin M. Holben

Mu '32 on July 30, 1976. He had retired from North American Aviation where he had contributed much in an engineering capacity to space technology. He had received one of the commemorative medals honoring the Apollo XI lunar landing, July 20, 1969. A loyal KDR beyond his college days, he helped obtain pledges particularly while in the Detroit area.

James G. Hoyt

Sigma '30 on Oct. 5, 1974 after several strokes and heart attacks left him a victim to pneumonia. He owned and operated an auto service for over thirty years before founding Hoyt & Co. Inc., investments and rentals. His hobbies were fishing for salmon and boating. He had a commercial license and was out in the Pacific on his boat "Quasia" every weekend he could get away. He is survived by his wife, a son and daughter; also three brothers. Another brother, Irving, was a Sigma KDR who was killed in W.W.II.

Charles W. Laffin Jr.

Delta '35, president of the New York State University Agricultural and Technical College at Farmingdale, L.I., died of a heart attack on Christmas Day 1976. He received his master's degree from Syracuse University in 1936 and his doctorate in education from New York University in 1959. During World War II he served as an infantry captain in North Africa and Italy. He began his career in higher education in 1945 as dean of instruction at New York City Community College. In 1959 he was instrumental in setting up Nassau Community College. He became president of the college at Farmingdale, the oldest two-year member of the State University system, in 1961. He was the senior president in the system and a trustee of SUNY.

Harold G. Malcolm

Delta '35 of Hartsdale, New York.

Arnold R. Manchester

Alpha '35 died on July 10, 1975. He had retired six years previously as Head of the Mathematics Department at Mamaroneck Senior High School, NY.

Dr. Frank W. Oliphant

Nu '32, passed away November 7, 1976, at his home in Cadiz, Kentucky. He had been semi-retired for the past four or five years due to a heart condition. Cause of death was a coronary thrombosis. Brother Oliphant was initiated at Butler University and later transferred to Indiana University where he was awarded Phi Beta Kappa in his Junior year. He graduated at the top of his class scholastically, and at that time was the

youngest person to graduate from the Indiana University School of Medicine. He opened his office on his 22nd birthday at Mt. Vernon, Indiana. He is survived by his widow, a daughter Carolyn and a son John. He was also a member of Nu Sigma Nu Medical Fraternity and the Elks Club.

Dr. Fred J. Phillips

Iota '40 died May 14, 1976 in Acapulco, Mexico where he had been attending a Family Practitioners Medical Group Convention. A graduate of The University of Pa. Medical School he started his practice in Quakertown (PA) in 1945. He was Bucks County Coroner 1945-60; past president of the Bucks County Medical Society and chairman of the first Quakertown Community Hospital expansion fund drive. He was Board Certified, Charter Diplomate 1970, American Academy of Family Practice. Hobbies included fishing, boating and water skiing.

Charles Atkinson Read

Delta '45 died at his home in Fairfax, Virginia on April 8, 1976. Brother Read started a 20-year career with the Reuben H. Donnelley Co. in 1956, and was honored with the national distinguished sales award in 1970 and 1972. He played varsity football at Colgate for three years and graduated with honors, entering the Marine Corps upon graduation.

Kenneth A. Beckley

Nu '62 executive news producer for WRTV (Channel 6) in Indianapolis, was named director of university relations for Indiana University-Purdue University at Indianapolis effective Jan. 1, 1977. Brother Beckley will be responsible for both internal and external communication activities on the Indianapolis campus and he will supervise the news bureau and the publications office. In addition, he will consult with campus administrators and faculty on university relations plans and programs as well as develop and implement community relations activities.

I.U. President John W. Ryan said, "We are highly pleased to have Ken Beckley's talents and experience become a part of Indiana University's communications activities. He will shoulder major responsibility for interpreting to the general public the educational, cultural, social, and financial importance of the Indianapolis campus. He is both a welcome and important addition to the university."

Beckley's professional background spans a period of 14 years. He first joined Channel 6 (formerly WFBM-TV) in 1962 as a summer intern. One year later he joined the news staff of WTHI-TV, Terre Haute, as a reporter. In 1965 he became TV anchorman and reporter for WLOS-TV, Asheville, N.C. He rejoined Channel 6 in 1967 as a reporter and anchorman and became one of the city's best known TV newscasters. He became executive news producer at WRTV last March.

Beckley is a member of Sigma Delta Chi,

Society of Professional Journalists; Radio Television News Directors Association; and the Indianapolis Press Club.

Richard H. Bogigian

Nu '76 has been named a career representative of the Indianapolis-Spence general agency of National Life Insurance Company of Vermont.

His appointment to the field force of the 127-year-old Montpelier, Vt., mutual life insurance firm was announced by general agent Donald M. Spence, Chartered Life Underwriter, whose agency serves clients in the State of Indiana and eastern Illinois. Bogigian has been assigned to district agent George Jackson.

Born in Indianapolis, Bogigian graduated from its Broad Ripple High School in 1964. He served in the Army from 1966 to 1968 and was a battalion supply sergeant with overseas duty in Korea.

Prior to joining National Life of Vermont, Bogigian worked in color television stock control at RCA in Bloomington from 1969 to 1974.

He later continued his education at Indiana University, where he graduated in 1976 with a B.S. degree in marketing.

Steven Blum

Beta '72 graduated from Duquesne Law School last June, passed the Pa. Bar Exam and is currently employed as an attorney with Blank, Rome, Klaus & Comisky of Philadelphia.

Horace "Bernie" Franklin

Xi '51 is recovering from a mild heart attack at his home. He is a financial consultant in Redding, Conn.

Ralph Higly

Beta '30 spent 12 weeks in Guatemala with his wife last spring. He was a volunteer Executive for the International Executive Service Corps, analyzing and evaluating the operations of a Guatemalan Foundation which works with small farmers. Ralph reports that the damage from the February earthquake was terrible. Even with help from around the world it will take two years to recover.

Milford Howard

Beta '24 is working vigorously against pollution. Retired from a 31-year career with the U.S. Forest Service, he formed the North River Riparian Assoc. Since then he has worked through the courts, legislatures, and media against those who would despoil the land and rivers. Milf spends his summers in Mt. Crawford, VA, and winters in South Longboat Key, FL.

J. R. Johnstone, Jr.

Delta '66 became Employee Relations Manager of Mobil's Ferndale, Washington (state) refinery on June 1.

Pete Kritkauskys

Delta '70 is now a clinical psychologist, working at the VA Hospital in Richmond, Virginia.

James F. Langley

Delta '70 is an attorney with the Treasury Department (Internal Revenue Service) in Washington, D.C.

Bleeker Marquette

Beta '15 received an honorary Doctor of Humane Letters degree last May. The University of Cincinnati cited him as "a persistent prophet of city planning in an age when this now-essential profession was regarded as the illusion of dreamers."

Henry J. Pataky

Nu '74 recently has been promoted by the Ohio Attorney General to head of criminal investigations in a 13 county region in Ohio. He is employed by the Ohio Bureau of Criminal Identification and Investigation. He is married to the former Gloria Jean Vrbancic, GTS'75, and the couple resides at 776 Lincoln St. N., Apt. G, Cambridge, OH 43725.

Harry Rossi

Alpha '44 assumed the presidency of the Union Central Life Insurance Co., Cincinnati on Feb. 4, 1976. He had served the company as Second Vice President, Investment Department from 1963-69, when he was placed in charge of the securities section and elected a Vice President. Subsequently he was given responsibility for all investments and in 1975 was elected Executive Vice President.

R. Fulton Williams

Delta '66 has a new job as the regional manager and sales representative with

Coratomic (nuclear pacemakers) in Medford, New Jersey. The family moved from Altamonte Springs, Florida to Medford late this past summer.

Jerry Walden

Nu '74 is a new member of the F. C. Tucker Co., Inc. Realtors, Indianapolis, staff.

Lost Alumni: a recurring problem

At intervals when space permits, we have been publishing a current listing of brothers by chapters whose names have become detached from our group. There may have been a period when the alumnus lost interest, or became ill and moved, or even passed away without any notice being given us. More annoying can be misprinted addresses, computer snafus, human error and other miscellaneous causes. If any of you who are reading this publication should know of the whereabouts of these brothers, please write the Executive Secretary. Names are listed with last known address, when the latter is available. The listing on the facing page concludes our coverage.

Editorial Forum

WE HAVE BEEN engaged in the sometimes exciting, sometimes depressing non-profit venture of establishing and maintaining a fraternity for well over 70 years. Throughout this period of time we have left our mark, primarily in various publications recording our existence. As a medium sized fraternity, too often we have been hampered by lack of hands and lack of funds, which led to an unusually casual regard for the evidence of our life. As far as I can tell, we have one bound volume of Issue #2 of *The Scroll*, predecessor of the *Quill & Scroll*, and several bound volumes of the early days of my term of office as editor (1959-1964). Through the generosity of several alumni in past years, a partial file of old issues has been kept in two places: The National Offices in Indianapolis and the Editorial Offices in Macungie. While it may be a little late to rectify this problem, the Board of Directors has authorized the binding in hard cover of, at minimum, one complete set of our publications from their inception to the present. It will not be

particularly easy to process this authorization. Both standing files have been searched and there are quite a few of the early issues missing and a lesser amount of the later copies. One copy of all issues available through the combined National and Editorial files is in my hands at present. The following are still missing:

The Scroll

- Volume 1 — No. 1, No. 2, No. 3,
- Volume 3 — No. 4, No. 5
- Volume 4 — (All copies)*
- Volume 5 — (All copies)*
- Volume 6 — No. 1, No. 2, No. 4, No. 5*
- Volume 7 — No. 3, No. 4, No. 5*
- Volume 8 — No. 2, No. 3, No. 4, No. 5*
- Volume 9 — No. 2, No. 3, No. 4, No. 5*
- Volume 10 — No. 5*
- Volume 13 — No. 2

**The early years included five issues per year. At one time this changed to four issues and we are not sure that #5 was actually printed.*

The Quill & Scroll

- Volume 33 — No. 1 November 1942
- Volume 34 — No. 3, 4 April, June, Nov. 1944

Volume 31 (or 35) — Jan., April, June 1945

Many of the preceding may not have been issued due to the War years limiting production. There was a disorientation of Volume numbers at this time leading to repetition of Volumes 32 through 35.

Volume 33 — No. 4 June 1947

Volume 35 — No. 4 Fall 1949

Volume 38 — No. 4 Winter 1952

****Volume 64 — No. 3, 4 Fall 1958,*
Winter 1958***

**The late 1958 period was a time of disorganization and these two issues may never have been printed.*

***After Volume 39, the sequence jumped to Volume 60! Reason:—Transposition of Roman numerals X&L.*

Volume 77 — No. 3 August 1971

May we urge any members who may have one or more of these missing issues to forward them directly to the Editorial office at R.D. 1, Box 529, Macungie, PA 18062, as soon as possible. By so doing you will have performed a valuable service by enabling us to complete a permanent record of Kappa Delta Rho which will be held at National Headquarters for all to see. Reasonable speed is important to enable us to take advantage of a particularly good low quotation for the job.

YOU are Kappa Delta Rho

Whether you are an undergraduate or an alumnus, old or young, rich or poor, YOU are a member of Kappa Delta Rho—and only through your efforts will the unique experience of fraternity become available to others.

Too many members have that “lost” feeling of “what can I, one person, do that would have any effect?” And the answer is simply this: One undergraduate started Gamma Alpha. One alumnus sends *Quill & Scroll* news items consistently about his chapter. Dozens of unheralded men sacrifice time and effort for the national fraternity and the individual chapters. They can use help all the way down the line, and would welcome *your* assistance.

“But I can’t spend much time . . . I’m overloaded with work now!” So are we all. This magazine is essentially a one-man operation done in spare time, between the design and production of three national magazines . . . and *they* aren’t quarterly’s.

There are two coupons on this page—they just hint at a few of the things that even the most isolated member can do. Why not fill out one or both and send them in? Be an *active* member!

YES, I’m still an “active”. My areas of interest are:
