OFFICIAL REGULATIONS

- A. Chapters and colonies send Sweetheart photographs to either the National office or the Editor. Two glossy black and white photos — one in formal attire; one casual, should accompany a summary of the girl's accomplishments.
- B. The Sweetheart of a chapter should be single when installed.
- C. Photographs will be printed provided five or more chapters submit copy.
- D. A coupon providing voting space for each chapter will be printed in the February issue. Each chapter will receive four votes. There can be no more than two votes for any one candidate — all four votes must be used. The Editor is given 3 votes, as a tie-breaking device.
- E. The coupon ballots should be sent directly to the Editor for tabulation. There is a deadline of 30 days after mailing of the February issue. So when you get your copy of this issue, call a meeting and send in your vote promptly. A chapter officer must sign the ballot.

The Sixty-Ninth National Convention

The Sixty-Ninth National Convention of the National Fraternity of Kappa Delta Rho, Inc., will be held August 21-23 at Middlebury College, Middlebury, Vermont.

Since May 17th marks the Seventy-Fifth Anniversary of the fraternity's founding by ten young men meeting in Room 14 of Painter Hall on the Middlebury Campus, it is fitting that we hold this Diamond Jubilee Convention on the Middlebury Campus.

All our meetings will be held in the new Alumni House which was completed late last spring. We have requested that delegates to the convention be housed in Painter Hall. We are not sure the college can fulfill that request however, due to expected heavy enrollment in summer school, but we have been assured of adequate dormitory space someplace on campus.

As usual, Thursday will be devoted to registration, campus tours and getting acquainted. Friday we will hold our Leadership and Training

School and Saturday will be the business session of the convention.

We are making plans for an outstanding convention and we hope many alumni as well as undergraduates take advantage of visiting Alpha Chapter. Although we often think of Vermont as a winter vacation spot with all the skiing, it is equally popular for summer vacations. Escape the hot humid air of the large cities and the middlewest by planning at least part of your vacation in Vermont August 21-23.

The registration fee will be \$45.00 per brother, which will cover full room and board and a cocktail party before the closing Banquet Saturday night. All guests will leave by noon Sunday. Special arrangements will be made for those brothers who wish to bring their wives and families. If you are interested in attending, please complete the registration form on page 9.

On Campus

OREGON STATE:

Sigma Chapter is very proud of our excellent 16 man pledge class, our new communication program with our alumni, and their interest and support of the house. We had a fine turnout of alumni for homecoming and we look forward to our 52nd Founders Day this May.

We are hoping to collect some more trophies in winter term sports but we would still like to keep our position in the top ten standings in fraternity scholastics. Keith Perkins (sophomore) is the No. 1 Bowler for the Beavers.

On Campus, A. J. Johnson serves on the Inter-Fraternity Council Judicial committee. Bill Starn has been elected to Tau Beta Pi Engineering Honor Society and also is in Eta Kappa Nu Electronic Engineer's Honor Society.

Sigma was recently awarded the campus' Most Improved Fraternity Scholastic Average for the 1978-1979 school year. Coordinated by Scholastic Chairman Don Owings, we leaped from 23rd to 8th place.

BUCKNELL:

Iota chapter has been having a very good year. We enrolled sixteen pledges after a long, strong rush keeping our social calender full from October to December. Homecoming was a fun event for all. House

improvements and maintenance were the main concerns of the alumni and the brothers. We also took steps to straighten out our finances which were suffering from some mistakes of the past.

The brothers have been active and successful on campus this past semester. Bucknell's fraternities pulled off the first Greek Weekend in recent memory. Kappa Delta Rho made a strong showing, raising the second greatest sum for charity. In intramurals, Iota leads all fraternities as we enter the winter sports season.

With the return of some brothers who studied away last semester, and the addition of our pledge class, we are looking forward to an enjoyable and active semester. We have some young and ambitious officers who will keep us on the right track and who are hoping to make real improvements.

INDIANA:

Nu chapter is looking forward to a fine second-term semester, after gaining four pledges prior to semester break. They hope to close with 8-10 pledges. There were four initiations in the fall.

In Intramurals the chapter took 2nd place in volleyball and the flag football team made it into the playoffs. Socially, Bloomington alumni were invited to dinner and cocktails. Plans are under way for another dinner this spring. The Christmas dance was fun for all with every brother and little sister having a date. The Little

500 is stimulating enthusiasm for the spring.

LAFAYETTE:

During the first half of the year Rho once again proved to be one of the most prominent houses at Lafayette. The semester began with initiation of 17 new members. Rush is proceeding well with nine new pledges at this writing.

In Intramurals the chapter's flag football team was undefeated until the 1st round of the playoffs when they were defeated by the eventual titlist. Rho took 1st place in IM cross-country teams.

The house itself has undergone many changes. The exterior has been painted; storm windows installed; new carpeting laid and many of the brothers have taken it upon themselves to refurbish their rooms.

MIDDLEBURY:

Fall semester drew to a close as the first snows of winter settled on campus. It's been an eventful fall with the usual combination of hard work and good times. The hard work found over half the brothers on Dean's List and helped maintain general good relations with the administration.

Brother Dick Moorehead led Alpha to an undefeated intramural touch football season, only to be disappointed in the semi-finals. Brothers Dean, Ceybott and Ryan were mainstays. Jim Davies starred in varsity soccer on Middlebury's championship team. Brothers Kemp, Barton,

Roach, Poltrack, Ryan and Maxwell played their final season of varsity football. Kemp and Barton received Middlebury's Duke Nelson award for defense. And Pete Price was elected to the ECAC allstar team.

Social Chairman Ray Dean conducted two of the finer parties this year. Steward Chris McInerny has done an outstanding job in maintaining Alpha's reputation for fine food. It is with great sadness we have to report that this spring will be the last semester of fraternity dining as the college has forced all fraternity kitchens to close next year. The good work and fine spirit of cook-for-decades, Mrs. Diane Amblo, can never be replaced.

Brothers Ryan and Dickson are junior counselors. Rick Ryan was also recently elected to vice president of the student activities board. Pete Price has been deeply involved in the community Big-Brother program.

In closing, the chapter invites all brothers passing through Vermont to stop by and enjoy our hospitality in our last semester of dining.

ILLINOIS:

Fall '79 was a terrific semester for the men of Eta. With forty of the rowdiest bunch to ever hit the U of I, the house quickly earned new respect and admiration on campus.

Sorority exchanges, little sister parties, football games, and a hundred other

excuses for parties kept us busy on the social front while our IM teams proved major competitors and compiled some impressive records.

Community projects included supplying our multiple talents for painting and plastering for a Champaign county community center. Plans are now forming for our DSO Wheelathon in April with the possibility of Eta's Little Sister Barbara Mandrel being our grand marshal. (It's a *long* story, but credit goes to Brother Kenny List and a wild night in Terre Haute, Indiana at one of her concerts). We're hoping for another success and would like to better the \$5,000 in pledges to the National Spinal Cord Injury Foundation we raised last year.

Practice has already begun on our Mom's Day Atius-Sachem Sing. We are paired with Phi Sigma Sigma Sorority. If we can't win it with our voices, we should with their beauty.

Hopes are high for a good turn-out at our Second Annual KDR Seven-Ounce Open Golf Tournament. Staged for the alums, the main purpose is to provide an opportunity for all the brothers of Eta—past and present—to have more than just Homecoming weekend to get together. Our alum relations are improving—though donations still lag—and we would like to further the progress. Slated for May 3, 1980, we want as many alums to attend as possible. Write to the house for more details.

Our energies and enthusiasm continue unchecked. We're working on a fantastic semester as the Orange Horde readies itself to celebrate Kappa Delta Rho's Seventy-Fifth Anniversary.

INDIANA (PA):

In early December, Omega Chapter of Kappa Delta Rho held its Annual Walk to Pittsburgh for the benefit of the Children's Hospital. With added support from the sisters of Delta Zeta Sorority, the Walk took on a new dimension. And, as in the past, the 1979 Walkathon was an outstanding success with \$26,208.61 raised for the Hospital. Since the walk began 18 years ago, this was the largest collection ever raised by Kappa Delta Rho—surpassing last year's previous high.

Preparation for the annual event began in early summer to assure the cooperation and support of the participating government municipalities. Collection efforts were concentrated in the Indiana and Pittsburgh areas. A Kick-Off Breakfast held on campus and made available through the cooperation of Cuisine Food-services helped "fuel" participants for the long trek. The following day, the Lamp-lighter Restaurant in Murraysville, Pa., provided free breakfast in another show of support. Interesting, too, Mrs. Hellman a life-long resident of Indiana has traditionally decorated a Christmas tree which was presented to the children of the Hospital.

This year she was unable to participate because of illness, however her son-in-law carried on the annual tradition and decorated the tree which was ultimately presented to the Hospital for the children's enjoyment.

It is interesting to note that since the Walk began in 1962, more than \$200,000 has been raised—with \$100,000 collected in the last 4 years. Kappa Delta Rho extends its gratitude to State Representative, Paul Wass, whose efforts helped clear the way with the numerous municipalities for an uninterrupted and successful walk to Pittsburgh.

The cold wintery weather did not dampen or deter the spirit and determination of the 55 sorority and fraternity sisters and brothers in their quest to complete their goal. Our thanks and appreciation to the many residents and businesspersons for their overwhelming support of this effort to benefit Children's Hospital in Pittsburgh.

It is also well to note that Children's Hospital provides complete health care services to all persons seeking help—regardless of race, creed or financial circumstances . . .

Jim Gattuso
Chris Potts
Co-Chairmen
1979 WALK TO PITTSBURGH
Omega Chapter—Kappa Delta Rho

PURDUE:

The end of 1979 finds us looking back on a very successful semester while keeping an eye on the future.

Rush this fall was one of the best we've had ever, thanks to Senior Tribune Kelly Roggenkamp's work. We have twelve men pledged; Brian Afanador, Bill Baker, Dave Boggs, Tom Cernius, Brian Dilts, Tom Hughes, Rich Kearns, Andy Schoelkopf, Kent Taylor, Barry Van Hoozen and Bryan Wilson.

We'd like to thank again all who came by during Homecoming. The weekend was a resounding success. The dinner and party Saturday were both very well-received (packed would be a better word.).

Also, we'd like to thank our brothers at Eta and Nu Chapters for hosting our pledge and little sister walk-outs this fall, and for showing us the best possible time in Champaign and Bloomington, respectively.

Now, on to the future: As it looks right now, Theta's "Castle On The Hill" will be full again this coming spring—with 40 living in the house. This will include (as of this writing) nine pledges and a couple of brothers returning to Purdue.

LOCK HAVEN:

The fall semester at "The Haven" was very productive once again. First of all we

received the academic trophy for the highest cumulative average among other greek organizations.

So far this fall we are dominating the intramural program. Overall we are in first place by a large margin. A first place in soccer and field hockey, second place in the cross-country meet, and a third place in football have given us the lead. The spring semester looks even better!

Varsity sports-wise, six brothers helped the football team to its best season in twenty-two years. The team finished with 9 wins and 2 losses and was crowned Pennsylvania State College Conference Champions. The six brothers were defensive back Bob Maley, offensive tackle Pete Hanlon (winner of the Ross Nevel Unsung Hero Award), running back Bryan Statler, defensive tackle Bob Narducci (all conference) defensive tackle Matt Larsen, and defensive end Dean Hollenbach. Gary Rosato, president and founder of the Boxing Club, is making great progress as is Mike Mitrione captain of the Ultimate Frisbee Team.

We enjoyed the finest rush program in recent memory. Ten young men will join the brotherhood.

PENN STATE:

The Greek system at Penn State is characterized by people wanting to make their years in college the most memorable

and rewarding. Kappa Delta Rho is no exception.

Many activities and fund-raising events are sponsored by the PSU Greek system. KDR's have been involved as chairman of the IFC Dance Marathon, chairman of the Greek Chariot Races, and chairman of Spring Week.

The Dance Marathon, which KDR has won five of the last six years, netted over \$70,000 in contributions for charity last year. This is an event in which KDR takes much pride and we will strive for another impressive showing this year.

Athletics play an important role in making Zeta a "winner". KDR's participate in many varsity sports here at PSU including wrestling, football, hockey, fencing, lacrosse, bowling and gymnastics. All brothers are involved in intramural sports where KDR has proven to be a consistent winner.

The 3rd Annual Kevin Steinberg Memorial Soccer Tournament will take place in May. This tournament is named for a brother who was killed in a car accident while travelling to accept an award for KDR's participation in the Dance Marathon. Last year over seventy teams were involved in the competition.

These many activities keep all KDR's busy and help make our college days memorable. We hope that our brothers at other chapters have been able to have an equally productive year. Best of luck in the future in all that you try.

An Exceptional Opportunity

When Bill Cosby left a promising and lucrative career in show business some years ago to return to teaching, a lot of people thought he was crazy. He wasn't. There was money in entertainment, but there was a great deal more personal satisfaction in molding character.

Unfortunately, this degree of dedication is becoming increasingly rare in a materialistic society. There is exciting revitalization and challenge in working with people, when compared to collecting meaningless possessions . . . particularly if a sound financial base has already been established.

The board of directors of Kappa Delta Rho is considering various alternatives to help solve a future vacancy on its executive staff. Executive Secretary E. Mayer Maloney has announced his plans to retire in June, 1981. At that time an exceptional opportunity will arise for the right man.

We will require a dedicated Kappa Delta Rho member who will serve effectively in management of the national office. The ideal candidate would be a personable, enthusiastic leader. This person should be knowledgeable in executive techniques and capable of working with the board of directors, university and college officials, chapter alumni boards and chapter officers. The primary responsibility of this position will be to provide advice and assistance to undergraduate officers and members. Therefore, a warm, positive understanding of college students' needs and interests; and an ability to guide the undergraduate in performing the functions of chapter management are essential. Considerable travel is involved in chapter visitation, board of director meetings and occasional crises situations. Salary is open and may be adapted to individual requirements. Although the position is demanding and responsible, it will probably be difficult to maintain without supplemental income from investments or other sources.

ALUMNI FUND

As an alternative, we are interested in hearing from undergraduate members who plan to graduate in 1981. We can offer a minimum 2-year campus representative's position which would include training, significant management responsibility and independent travel to visit chapters and aid in expansion.

The ideal candidate for this opening should also be personable, enthusiastic and fraternity oriented. He should have been a leader in his chapter, holding such offices as consul, junior or senior tribune or quaestor. Most likely he will be seeking additional experience before continuing his education or developing a position in the business community. It is an unusual opportunity to see the country and

generate expertise in organization management. While this job can offer distinct advantages in promoting personal growth and maturity, it is not likely to develop into a career position. Salary is moderate, but the opportunity to develop contacts and experience is high.

Interested parties for either position should send a resume or other appropriate information to the national president:

Mr. Robert D. Lynd
7003 Brookington Court
Alexandria, VA 22306

All inquiries will be treated confidentially. No employers or references will be contacted without approval of the applicant after further discussion.

Annual Alumni Fund

The Annual Alumni Fund was just about on target January 1st. Total contributions as of that date were 16% ahead of the January 1, 1979 total and our goal for the 1979-80 fund total is 16% greater than the total of the 1978-79 fund drive. However, the number of contributors did not keep pace. As of January 1st we had heard from 712 brothers and in

order to meet the goal of \$21,500 we estimate we will need to hear from about 425 more alumni.

This year there have been quite a few first-time donors and if all the old regulars come through, we are sure to meet our goal. Have YOU sent in your contribution yet? If not, please use the handy coupon on page 9.

Internationally

The following letters fall into a gray area between Reaction and Alumni Worldwide. In that several arrived in time for this issue it seemed appropriate to include them in a separate department.

After leaving Illinois in 1966, I worked as a research analyst for the U.S. Dept. of Defence in Washington D.C. One year of government service proved to be enough for me and I returned to school, beginning graduate studies in Middle Eastern history at the University of Chicago. Declining an offer to forcibly re-enter government service, I emigrated to Canada in 1968 and continued my graduate studies at Simon Fraser University in Vancouver, B.C. I received my MA degree in 1970 and my Phd in 1977. During that time I was an instructor in history at Simon Fraser.

In 1975, I became an instructor of history at the University of Victoria and subsequently was appointed Director of the University of Victoria program at Matsqui Institution, a medium security jail. I teach European history and courses in American

foreign policy to the prisoner/students and act as program administrator. In addition, I am engaged in various research projects pertaining to the effect of university education on adult offenders.

I have been active in politics since coming to Vancouver and was the candidate of the New Democratic party in Langley during the last Provincial election. I came close to winning, but not close enough. For the last five years I have been a single parent with two children, Clayton (8) and Jessica (7).

If any old friends from Illinois find themselves visiting here in Canada's vacation wonderland, feel free to look me up.

STEPHEN DUGUID, *Eta* '66

1977 found me leaving 45 years of traditional architectural practice to my partners in California, and pursuing my special interest in total systems architectural research in England, where I am now engaged in the development of an approach to Architecture as a living environmental system.

I highly recommend to the brothers a change of pace and goal to enhance one's zest in living, and permit full scope to creative energies.

ERNEST J. KUMP, *Lambda* '32
FAIA, FRSA
London, W1Y 7PF England

This is a short note concerning my activities after my two years at Colby College. Hopefully, something for the *Quill and Scroll*.

I spent my freshman and sophomore years at Colby College, 1975-1976 and 1976-1977, as a physics and math major. After this I returned to Finland to begin my studies at Helsinki University of Technology. I didn't finish Colby mainly because a B.A. is not familiar nor honored in Finland, since we have a different educational system here. My two years at Colby were, however, definitely the two best ones of my life. They were "the Ghazaries" as the K.D.R's used to put it.

Back home, the H.U. of T. agreed to give me credit for a few of the Colby courses, actually for a few more than I had expected. Presently I have about

2½ more years to go before I reach my engineering degree in energy administration, specializing in energy saving methods and alternative energy recourses.

After graduating I want to spend some time traveling before I get into business. I have strong plans on going around the world with my Finnish fiancée, working our way through during a year or so, hopefully spending at least a few months in the United States. In the meantime, if any of the Colby K.D.R's travel around these parts of Europe, try to get in touch . . .

Faternally,
JAN RAIHA, *Xi* '79

The following information will describe my activities since I graduated from Colgate University. At first I worked for one year as a research associate at the Connecticut Valley Hospital. For the next six years I was a graduate student at Texas Christian University where I obtained my Master's degree and Ph.D. in Psychology. My field of specialization was early experiences and animal behaviour. I then took a two-year post-

doctoral fellowship under the sponsorship of Dr. John Paul Scott at Bowling Green State University in Bowling Green, Ohio. When that position was completed I took my current job as a professor in the psychology department at the University of Manitoba. By this time my area of specialization had become the behaviour of birds, waterfowl in particular. In the psychology department I teach courses in ethology and specialize in studying waterfowl. I currently am an associate professor and direct the Avian Behaviour Laboratory, a laboratory I established, developed, and currently maintain. I am single and have developed interests which compliment my teaching areas. Backpacking, horseback riding, and ornithological studies occupy my spare moments.

L. JAMES SHAPIRO, Ph.D. *Delta '62*

I retired from DuPont 10 years ago at age 60 and moved to Grenada, the beautiful isle of spice, in the Caribbean. I built a home overlooking the golf course in 1970; spend my time playing golf, bridge, sailing, swim-

ming, gardening with a yearly trip to Europe or the States.

It is a busy, active, healthy life, but not very productive, except to enjoy life and to keep active.

WILLIAM S. LEWIN, *Tau '31*
Grand Anse P.O.
Grenada, West Indies

We will be completing a three year term with the Thailand Baptist Missionary Fellowship this next July. We then plan to return to the U.S.A. and take up residence in Ventnor, NJ, for our home leave. We are uncertain whether we will return to Thailand after our period in the U.S.A. We were first appointed missionaries in 1957 and served in India from 1958-71. Since 1972 we have been assigned to Thailand.

Our oldest girl Grace is now a senior at Ithaca College. She is majoring in physical education. Our middle girl Barbara is in her third year at the University of Rochester. She is planning to be a nurse and received her "cap" in October. Our youngest girl Judy is with us in Bangkok. She will graduate in June. She is now looking

into the college situations for next September. She plans to major in business.

Have not run into any KDR's in Bangkok (or India) but if one comes this way, please look me up.

Sincerely,
C. C. JONES, *Beta '53*

I have been in Bremen, West Germany, for the past 1½ years as part of a group of Americans who work with a consortium of European companies building the spacelab. This is a self-contained laboratory housed in the bay of the American-built shuttle. The Spacelab will allow up to two scientists to conduct a variety of experiments while orbiting earth. My area of involvement has been in developing the onboard and ground checkout software (computer programs). The major challenge has been managing the efforts of several different companies in different countries to arrive at total working software systems.

On the personal side, my wife, Pam and our four girls have enjoyed our experience of living in a foreign coun-

George E. Kirk

Nu, Hon., formerly vice president for business affairs at Mississippi State University, has become vice president for administration at Wright State University, Dayton, Ohio.

Don Noon

Beta '74, has been working at the Jet Propulsion Laboratory for a year on the Voyager Project. He is also conducting a study of the Solar Probe, set for a rendezvous with the sun in 1993.

John R. Sinnhuber

Sigma '65, was in Germany for the past five years — two years in Bamberg and three in Berlin, ending his stay as chief of pediatrics at Berlin Army hospital. He is currently occupied with a fellowship at Walter Reed in pediatric oncology and hematology.

Charles E. Snyder

Rho '29, is the 1979 recipient of the Hilton N. Rahn award presented by the Lafayette College Alumni Board. Among the activities mentioned in the citation was Brother Snyder's leadership in restoring and revitalizing the fraternity system at Lafayette following WW II; leadership of the "On Lafayette" financial campaign in Bethlehem; long-term membership in the Alumni Association and election to the Board of Trustees in 1973.

Directory Verification Underway

Many members have already received telephone calls from the Harris Publishing Company, publishers of our official alumni directory. The purpose of the telephone contact is to verify the information which the alumni provided on the directory questionnaires and the information that is currently held on our membership records.

At the same time, the telephone representatives of the publishing company are inviting alumni to purchase personal copies of the directory.

The directory is tentatively scheduled for release in June. If you are interested in ordering a copy and have not heard from the publisher by April 1, you may contact the publisher directly at 170 Hamilton Avenue, White Plains, NY 10601.

Edwin S. Bartlett, '28

on Sept. 4, 1979 after suffering a heart attack. He was a retired attorney and District Court Judge (6 years), in Ogemaw County, MI.

Ronald M. Taylor, '27

on Oct. 31, 1979 at Morristown, NJ. He was chief systems engineer for C-O-Two Fire Equipment Co., of Newark for 32 years. After retiring he continued with Pyrotronics Co. of Cedar Knolls until 1973. During WW II he designed and supervised installation of fire protection systems on major U.S. naval vessels. He was also active in artistic and literary pursuits, publishing his own poetry volumes and exhibiting original tapestry weavings.

ETA

Robert I. Anderson, '33

Lucius M. Tolman, '35

on Dec. 10, 1979 at East Lansing, MI, after a long and difficult fight with cancer. He had been a pharmaceutical chemist for many years in Chicago and at the time of his death was a real estate broker with Campus Realty.

IOTA

Harold V. Leshner, '05

MU

H. Thayer Fletcher '34

on August 24, 1979 at Sault St. Marie, MI. A veteran of WW II, he was employed by the National Bank of Detroit for 5 years; then started with AC Spark Plug Division as an accountant, retiring as auditor and senior accountant in 1972.

NU

**Walter E. Burnham, '27,
Charter Member**

on Jan. 21, 1980, at Bloomington, IN. He was former associate director of international services at Indiana University. He was a KDR National Director from 1932-46 and from 1934-40 served as assistant treasurer. He was a colonel in the Army Air Corps in WW II. In his later years he became president of the Monroe County Council for Problems of the Aging and the Aged (9 years).

William Casey, '28, Charter Member
in April 1978. We're quoting from his daughter's letter: "He was a teacher of elementary school children . . . until his retirement in 1972. He believed firmly in the principles of a good elementary school education and supported, as much as he was able, all organizations dedicated to this cause. From childhood I listened to stories of KDR, although I understood it as 'kappadelro' which I interpreted as a group of grown-up teachers all in caps! I hope all of you wear your 'kaps' with the same pride with which my father wore his."

**George E. Simon, '31,
Charter Member**

on Oct. 24, 1979 of a heart attack while shuffleboarding on courts in Clearwater, FL, where he resided (for the last 3 years) after retiring. He had been an accountant for Noneman Lumber Co. of Paulding, OH.

OMICRON

Edward V. Meith, '34

died Jan. 1, 1980 in Martinsville, IN, after a long bout with cancer. He had retired from Eli Lilly & Co. in Indianapolis in 1974 after 34 years with the company.

Ed Ridler, '28

on Dec. 30, 1979 in Dallas, TX.

XI

William M. Crook, '55

in Miami, FL, Dec. 14, 1977. At the time of his death he owned businesses in Miami and Guntersville, AL.

Robert M. MacGregor, '34
of Mashpee, MA.

Robert Waugh, '27
of Berlin, NH. He received his masters degree at Middlebury in 1939. He taught French and Latin at Berlin High until his retirement in 1969. He was awarded a rare honor for his contribution to French culture in the U.S. by the French government on retirement (the Palmes Academiques) and the Granite State award in 1969 — the first classroom teacher so honored.

PI

Albert H. Mitchell, '57
on August 9, 1979 at Philadelphia, PA.

RHO

James A. Hamilton, '50
as a result of an automobile accident just south of Cheraw, SC, Nov. 10, 1979. He was on his way to a new job with Occidental Chemical Co. in White Springs, FL, where he would have become Mineral Processing Engineer for one of two plants in that area. Prior to this job he had worked for Carolina Silica, Foote Mineral and National Lead. He leaves his wife and five children.

Capt. Warren F. Magor, '56
on October 12, 1979, at San Diego, CA. The cause of death was multiple myeloma which had been diagnosed two years earlier. "Spike" earned a Master of Divinity degree at Auburn-Union Theological Seminary and

a masters degree in sacred theology at Princeton Theological Seminary. Prior to attending seminary he had been a Marine Infantry officer, then continued in chaplain's duty with the Navy, serving in Guantanamo; NavDisCom; 1st Marine Division; Coast Guard Training Center Cape May; Staff, ComDesRon 24; NAS Memphis; Flagship, ComMidEast For; MCS Quantico; and Staff, ComNavSurPac. He reported to NRMCM in 1978. Burial was in Arlington National Cemetery.

Fred W. Theis, '24
of East Williston, NY.

Irving O. Thomas, '23
of Wilkes-Barre, PA.

LAMBDA

Paul M. Oakley, '29
on October 10, 1979 at Santa Maria, CA.

SIGMA

Gary Lindell, '54
passed away of an apparent heart attack at the age of 46 while vacationing with one of his three sons at Catalina Island. Gary began his teaching career in the Anaheim Union High School District in 1959 as a science teacher at Western High. He later served as assistant principal at Anaheim High, was named principal at Loara High in 1972, and was appointed principal at Magnolia High in 1978.

Internationally

Continued from page 12

try. We've done a lot of travelling and have met many new friends. We overcame the culture shock, are learning German and are even to the point of automatically thinking of money in Deutsche Marks. My advice is that if you ever have the opportunity for an overseas assignment, consider it seriously. There are some pitfalls, but the potential for professional and personal reward is great.

ROBERT VALLENI, Eta '64
