Diamond Anniversary Year Sets Record Annual Alumni Fund Exceeds Goal By \$230.

TOTAL RECEIPTS of \$21,730.88 represented a 15.9% increase over last year and the first time in the history of the Annual Alumni Fund that total contributions have exceeded \$20,000. 1,150 members and friends were contributors this year, representing a 4.4% increase over 1978's record of 1,102 contributors and 7.19% over last year.

Theta Chapter (Purdue), for the fifth time in a row, led in dollars contributed with \$2,567, an all-time record, followed by Eta Chapter with \$2,329. Nu Chapter (Indiana) was third, with \$2,232; Beta Chapter (Cornell) was fourth, with \$1,790; and Lambda Chapter (California) was fifth, with \$1,695. Rho (Lafayette), Sigma (Oregon State), Iota (Bucknell) and Zeta (Penn State) also exceeded \$1,000 in dollars contributed. Special recognition should go to Iota Alumni, since this year represents the first time they have exceeded \$1,000 in contributions.

For the fourth time in five years, Theta Chapter led in number of contributors, with 115, down slightly from their record of 124 contributors. Nu Chapter maintained second place again this year, with 113 contributors. Eta Chapter followed in third place, with 103 contributors. Rho Chapter, with 90 contributors, was fourth, followed closely by Lambda Chapter, with 85 contributors, Beta Chapter with 83 contributors and Zeta Chapter, with 77 contributors.

The average gift of \$18.88 was 8.3% higher than last year's average gift and also set a new high.

This year, seven chapters exceeded or equalled their prior high for number of contributors, namely, Franklin, Illinois, Bucknell, Ohio State, California and Lock Haven.

For the fraternity, as a whole, 10.4% of its living members contributed, up from last year when 9.7% of its living members gave to the Annual Alumni Fund. Twelve chapters had more than 10% of their alumni contribute. In first place for the sixth year, Omicron Chapter (Butler), with 31.0%, led all chapters; Eta Chapter again led the active chapters, with 19.4% of its members contributing to the Fund, followed by Lambda Chapter (California) with 16.9%.

The receipts from the Annual Alumni Fund have become an important source of income for the National Fraternity. As we enter the 1980-1981 campaign, our first in the decade of the eighties, will you not join the Officers and Directors of the National Fraternity of Kappa Delta Rho in helping to achieve this year's goal of \$25,000? We urge you to use the convenient coupon on this page to make your commitment for 1980-1981. This year starts with the enthusiastic support of the Board of Directors for a successful campaign and with the thanks of the Board to all those who have made prior years so successful.
