# 1980-81 Alumni Fund Sets New Record High

TOTAL RECEIPTS of \$23,973.83 represents a 10.3% increase over last year. However, the 1,001 contributors was a 13% decrease from the 1,150 contributors of last year. This deficit was offset by the increase in the average contribution to \$23.95, which represents a 26.8% increase over last year's average contribution of \$18.88. All in all, it was a very successful fund drive, even though 150 brothers failed to respond.

Kappa Chapter (Ohio State) led in dollars contributed with \$2,434.56. This is the first time Kappa Alumni has led in contributions and is a 250% increase over last year's contribution. Theta Chapter (Purdue) was second with \$2,302.89, followed by Lambda (California) with \$2,120.00. Nu Chapter (Indiana) was fourth with \$1,950.00, followed closely by Eta (Illinois) with \$1,945.00. Rho (Lafayette), Beta (Cornell), Zeta (Penn State), Iota (Bucknell) and Sigma (Oregon State), all exceeded \$1,000.00 in dollars contributed.

Nu Chapter took over top spot for the number of contributors with 90, followed closely by Theta with 87 contributors and Eta with 86 contributors. Lambda was in fourth place with 77, followed closely by Rho with 75.

This year the alumni of 15 chapters exceeded their contributions of last year. They are Middlebury, Franklin, Penn State, Bucknell, Ohio State, California, Michigan, Colby, Gettysburg, Lafayette, Oregon State, Carnegie-Mellon, Lycoming, Indiana of PA. and C. W. Post.

Last year 10.4% of the living brothers contributed to the fund drive, but this year the percentage dropped to 9.2% of the living brothers. We aspire to having at least 10% of our living brothers contribute to the Alumni Fund each year, but this year the fraternity, as a whole, dropped below 10%. However, 13 chapters had 10% or more of their living members contribute. For the seventh year in a row, Omicron Chapter (Butler) holds first place with 24.4% contributing. Kappa (Ohio State) earns second honors with 19.2%. Eta Chapter, again, led the active chapters with 16.3%, followed closely by Lambda (California) with 15%.

The receipts of the Annual Alumni Fund have become an important source of income for the national fraternity. As we enter the 1981-82 campaign, will you join the officers and directors of the national fraternity of Kappa Delta Rho to achieve this year's goal of \$25,000? We urge you to use the convenient coupon on this page to make your commitment for 1981-82. Hopefully, we will have at least 10% of the brothers on the donor's list by the end of June 1982.

The board of directors greatly appreciate your past contributions and trust they can depend on your future support.
