PRESIDENT'S MESSAGE

Brothers,

We have just completed a turn around year for our Fraternity. To start the new fiscal year, we just completed what I feel is our most successful Williams Leadership School and National Convention in recent memory. The level of enthusiasm, drive and determination among our undergraduate chapters is refreshing to see. I can also say I was very pleased with the number of alumni who attended the various sessions and dinners.

Our transition is now complete. I appreciate the efforts of all those alumni and undergraduates who enabled us to complete what I feel was a very successful year. I am even more excited at our prospects for the upcoming year. Our National staff is introducing a complete line of new resource materials for the chapters. Everything from a Consul's manual, to Rush materials, to a fresh new look for a mostly rewritten Pathfinder. Our new Senator's program is set for implementation this Fall as an additional means of support for the chapters. The Regional Conclave program is scheduled to expand to five locations this year.

From the feedback I receive, I know many alumni have expressed concern that we focus our efforts on our chapters. I'm very pleased to report that this is exactly what we are doing. From all indications, we should have a great year!

At the same time, we will continue to evaluate expansion opportunities. Location, alumni involvement and support issues will be considered. Our emphasis on recolonizations will continue.

As we move into the new year, I encourage each alumnus to recall your days in school and the valuable lessons learned in KDR which have helped you in your life. Join the Board of Directors and myself in supporting KDR. We're headed up, and with your help the opportunities are limitless!

Fraternally,

James F. Edgeworth Sr., Psi '56
Grand Worthy Consul

NOTE FROM THE EDITOR

Fellow Brothers,

I hope you enjoy reading this newly formatted edition of the QUILL & SCROLL. As promised in the last edition, we are in the process of upgrading the format, content, and lay-out of the QUILL & SCROLL. I think you'll find the new format pleasing.

Over time, it is our eventual goal to transform the publication into a glossy format much like many other Fraternity publications. This year, we plan to have two editions of the magazine. Look for the Spring edition in March.

Should you have any comments, questions, or concerns regarding the QUILL & SCROLL, please feel free to contact me at the National Headquarters. Again, I hope you enjoy your reading!

Fraternally,

William J. Paris, Eta '87
Editor

STATEMENT OF OPERATIONS

Fellow Brothers:

What follows is a highly condensed Statement of Operations for our National Fraternity for fiscal 1994 ended June 30, 1994. As many of you know, a significant restructuring took place within our National Fraternity during the past twelve months. Staff was reduced, inventories were lowered, and in general if there was a dollar to be cut, it was done. Last year's Convention bit a very bitter bullet and recognized that being the cheapest fraternity in America did not generate the revenue to run our Fraternity. While most fraternities have had undergraduate dues for years, KDR did not. The Convention voted to implement a dues program over four years so that in 1997 our cost to our members will be equal to the average among fraternities. A bitter pill, but necessary. At the same time, the Convention asked for culpability. The new programs detailed in this issue of the Quill and Scroll and indeed the new format to the Quill and Scroll are the first steps toward sound fiscal and programming health. The 1994 Convention just ended was the most upbeat Convention I've had the pleasure to attend. With this air of enthusiasm among our Chapters, I'm looking forward to a great year!

Fraternally,

William J. Paris
Executive director

HERITAGE SOCIETY FORMS

As previously announced in the last issue of the QUILL & SCROLL, the Kappa Delta Rho Foundation now has a planned giving society known as the "HERITAGE SOCIETY." The Heritage Society is designed to recognize those individuals who have notified the Foundation that they have included the Kappa Delta Rho Foundation in their testamentary plans.

Those brothers included as the charter members of the Heritage Society are:

Paul A. Downes, Gamma '68
James F. Edgeworth, Sr., Psi '56
William J. Paris, Eta '87
Alvah C. Borah, Eta '32
Arthur S. Nelson, Eta '32
John D. Winters, Theta '55
Max H. Schulze, Nu '61
Randel E. Trebing, Jr., Nu '69

Have you already included the Kappa Delta Rho Foundation in your testamentary plans? If so, please notify the Executive Director, Bill Paris, at 331 South Main Street, Greensburg, Pennsylvania, 15601, so you, too, may be included in the list of members of the Heritage Society. If you have not previously included the Kappa Delta Rho Foundation in your testamentary plans, the trustees encourage you to give due consideration to your testamentary plans. Reflect on the value Kappa Delta Rho has had on your life through your friendships, social development, and achievement. It is the goal of the trustees to provide these same experiences for our sons and grandsons in the future. By making plans which include the Kappa Delta Rho Foundation, we can ensure that these same valuable experiences are available in the future.

OUTSTANDING SENIOR

Adam Logan Fulrath

This year's outstanding senior for the National Fraternity is Adam Logan Fulrath of our Omicron Alpha Chapter at Rutgers University. Adam graduated with a degree in Visual Arts and Sociology from Rutgers in May 1994. While at Rutgers Adam

was honored as a member of Cap and Skull; on the Dean's list five semesters; won first place Newsletter and General Brochure from NODAC (National Orientation award); won outstanding Greek Junior and Senior from the Office of Fraternity and Sorority Affairs; accepted into the Order of Omega; received special recognition award in 1994 from the Office of Fraternity and Sorority Affairs; Chapter Brother of the year in 1994.

On campus, Adam served as Resident Assistant at Rutgers from 1991 to the present; was Publications Coordinator for Rutgers College Student Life; was Graphics Editor for the student paper 1991-1992; Director of Publications for the Rutgers Fraternity Council 1992-1993; Hall Government President; and was a Greek Review Board Member.

In his chapter Adam served as Consul; Senior Tribune; Philanthropic Chair; Fundraising Chair; Social Chair; and Senior Advisor.

The National Fraternity takes great pride in recognizing Brother Fulrath's accomplishments.

CONVENTION HIGHLIGHTS

INTRODUCING NEW STAFF

Jan (pronounced John) Jelski recently joined the national staff as a Leadership Consultant. Jan is a graduate of our Theta Beta Chapter at the New York Institute of Technology. Jan received his degree in Finance from NYIT in May. During his years as a member of our Theta Beta Chapter, Jan served the chapter as Quaestor. At the same time, he was editor of the school paper. We are very pleased to have Jan with us on staff and wish him well during the coming year.

Pictured left to right are Director of Chapter Services, Matt Tessier; Executive Director, Bill Paris; Chapter Leadership Consultant, Jan Jelski.

A NEW LOOK FOR THE PATHFINDER

During the Summer, the National Staff took the opportunity to rewrite and update the Pathfinder, our Historical and Educational Manual. Thanks go to brother Adam Fulrath of our Omicron Alpha Chapter at Rutgers for designing the new cover. The content is not materially changed, but is simply updated in the use of language and pictures to provide a more modern source of knowledge about KDR.

NEW CONSUL'S MANUAL INTRODUCED

This Summer the National Fraternity developed a Consul's manual for distribution to the Chapter's this Fall. The new manual is designed to be a "Bible" to which the Consul can turn for suggestions and guidance when confronted with challenges in his position. The manual is a three ring binder format with each section tabbed and labeled for ease of use. For instance, if a chapter lacks motivation, the Consul simply flips to the "motivation" section for programming ideas. The same is true for Rush, Risk Management and virtually every other area of chapter operations. Also included in the manual are sample forms, guidelines for procedures, important dates and phone numbers for the Consuls use.

NATIONAL FRATERNITY ANNOUNCES NEW BOARD MEMBERS

The National Fraternity bid farewell to a number of National Directors whose terms expired on the National Board of Directors this year. Our thanks for a job well done and for all their hard work go to: Brian MacNeil, EB '87; Dale Schaffenacker, H '78; Gordon Stanley, Delta '59; Devin Anderson, E '86; Jim O'Day, Psi '93; and Abe Shahim, NA '93.

Our congratulations go to the following new Board Members:

Mark Lundgren, Nu '70

Brother Lundgren received his B.A. from Indiana University in 1971 and an M.S. with Distinction from DePaul University in 1978. He earned a Certificate in Advanced Management from the university of Chicago in 1987 and is currently enrolled as a first-year student at Widener University School of Law. Professionally, he holds the AICP designation as indicia of membership in the American Institute of Certified Planners.

After 15 years in the field of real estate and facilities planning with the U.S. General Services Administration in Chicago and Philadelphia, Mark was selected in 1986 as Director of Real

Estate for the Northern Division of the U.S. Naval Facilities Engineering Command (NAVFAC) in Philadelphia. He is a graduate of NAVFAC's Executive Management Development Program.

He resides in Drexel Hill, Pennsylvania with his wife, Kenda, and their fourteen-year-old son, Kristopher. Mark and his family are also involved in a variety of civic, cultural and parent-child organizations, and he looks forward to contributing his knowledge and enthusiasm to Kappa Delta Rho in his new role as Board member.

Doug Rammel, Pi Alpha '91

Doug graduated from the University of Toledo in 1992. Following graduation, Doug moved to Cleveland where he began his career with the Cleveland Clinic. Doug has since ascended to the position of Administrator for the Psychology and Psychiatric Department for the Cleveland Clinic. He resides in Cleveland with his wife.

Joe Rejuney, Epsilon Beta '91

Joe is a 1991 graduate of the Old Dominion University. Since graduation,

National Board members Jim Edgeworth, Psi '56; Gerry Murray, Theta '66; Josh Smith, Alpha Beta '93; Hall Jones, Lambda Beta '91; Dale Schaffenacker, Eta '78; Bill Nichol, Zeta '59; Brian MacNeil, EB '87; and Tom McGlasson, N '65 get some work done at the Convention Board meeting.

Joe has pursued his career as an Admission Counselor with Old Dominion University. Joe actively works with the Phi Beta Chapter at the College of William and Mary as their advisor. He presently resides in Norfolk.

In addition to those named above,

we welcome three new undergraduate board members. Namely: Darren Tucker from our Phi Beta Chapter at the College of William and Mary; John Kienzle, Nu Chapter, Indiana University; and Eric Larsen, Eta Beta Chapter at West Chester University.

NATIONAL FRATERNITY INDUCTS TWO NEW MEMBERS INTO ORDO HONORIUM

Twelve years ago the National Board of Directors, at the suggestion of a Benedictine Monk at the Archabbey of St. Vincent and with the encouragement of our then Executive Director, Donald L. Stohl (Zeta '54), developed the concept of a fraternal hall of fame. In keeping with the traditions of our ritual and ceremonies, which are based on the ancient roman republic model, our hall of fame was named Ordo Honorium, the honor awarded to Roman citizens for their contributions to state and community.

During that same year the Alpha Class was inducted into Ordo Honorium. This first formal ceremony recognized the accomplishments of 81 members of our order during the first 75 years of our history.

James D. Kowalski receives Ordo Honorium Award from President Jim Edgeworth.

President Jim Edgeworth presents the Ordo Honorium Award to Knud A. Larsen.

James D. Kowalski Epsilon '57

Brother Kowalski began his education at the University of Notre Dame in 1952. He received his Bachelor of Arts from Franklin College in 1957 and attended one year at Indiana Law School in 1958.

Brother Kowalski grew up in a predominantly polish neighborhood and spoke very little English until the 4th grade. Even after that, brother Kowalski spoke poor English until at the age of 40 he determined that it was important to self improve.

In 1980 brother Kowalski founded Maxi-Blast Inc. with \$34,000 of mostly borrowed money. At one point, he came

within \$315 of closing up shop, then his first order came through. Brother Kowalski's company is now the number one manufacturer of plastic blasting materials in the world. With the growth of his company, brother Kowalski has been repeatedly recognized for his business accomplishments.

The story goes on. Brother Kowalski's involvements in his community include: the Indiana Chamber of Commerce, The South Bend Chamber of Commerce, the Coquillard Foundation, Big Brother/Big Sisters, advisor to the Indiana University (South Bend) School of Business, Member of the Michiana Small Business council, Member of the Michiana Arts and Science Council.

In addition, Brother Kowalski's company provides four full scholarships to Indiana University, South Bend and one to Purdue, South Bend. In addition, his company is a participating supporter to Big Brother/Big Sisters, the Catholic

Charities, The Coquillard club, and other community projects.

During his years in Epsilon Chapter, Brother Kowalski served his chapter as: Vice President, Secretary, Treasurer, Rush Chairman, House Manager, Pledge Educator, Social Chairman, Inter-Fraternity Council, and currently serves on the Alumni Corporation Board of Directors.

It was while at Franklin College that Brother Kowalski met his present wife Shirley.

Knud A. Larsen Eta '30

Brother Larsen received his Bachelor of Arts degree from the University of Illinois in 1930, his B.C. M.D. from the McCormick Theological Seminary in 1935 and his M.A.E.D. from Union Theological Seminary and Columbia University in 1945. Brother Larsen also studied four summers at

Oxford University, one summer at the University of Florence in Italy and one summer at the Knubley School in Athens, Greece.

Brother Larsen's Career as a priest has spanned 59 years and continues today. He has served as Rector for many Episcopal churches from Illinois, New York, New Jersey, Florida and South Carolina. Brother Larsen served as Executive Secretary for the Department of Youth for the National Episcopal Church organization from 1950-1955. In addition, he has also served as a Canon of the Church in addition to serving on its National Council.

Brother Larsen retired to Charleston, S.C. in 1973 where between 1973 and 1988 he served as Locum Tenans to 18 churches in S.C. Then, in 1988, he became the Volunteer Associate Rector of St. Michael's Episcopal Church in Charleston, S.C. where he is affectionately known as Father Kal, Kal

continues to volunteer for the church and most recently during the month of July drove each Sunday to a parish church an hour from Charleston to perform communion.

In his community, Brother Larsen has participated in the Clergy association; the Rotary Club; the Library Board; the Hospital Board; and served as a volunteer guide for the Old Walled City of Charleston Historical District.

Brother Larsen affiliated with Eta chapter of Kappa Delta Rho at the University of Illinois in 1926. One of his primary roles in the chapter was that of obtaining dates for all the freshmen. This year, Brother Larsen celebrates 68 years as a member of Kappa Delta Rho. On July 28th, he and his wife Mary celebrated their 58th wedding anniversary.

ETA CHAPTER CHICAGO REUNION DINNER HELD

On April 9, 1994, the Eta chapter alumni hosted a Chicago area alumni dinner. The alumni corporation has been working very hard with a new undergraduate group which is re-colonizing our Eta chapter at the University of Illinois. Nearly 40 alumni and undergraduates enjoyed the evening. The undergraduates presented information concerning their progress at the chapter house while the alumni took the opportunity to present to their fellow alumni all of the projects presently underway to re-open the chapter house this August. All in attendance look forward to the Fall and Homecoming with the likely rechartering of the Chapter on October 1st. Those in attendance included:

NU CHAPTER WORLD WAR II REUNION HELD

by Lloyd Farrar N '49

The 1994 KDR reunion had our highest attendance ever with 52 people showing up for the fun and games.

Friday night we all attended the dinner and dance at the Elks Club. Here we had a great band who played 1940 and 1950 music. We even knew the words to the songs and found we still had some great dancers!

At the Holiday Inn we had rooms poolside and a great hospitality room! We had enough food to feed an army (thanks to the wives) and a few drinks. We sang, told jokes, lied a little and renewed the bonds that have held us together for almost fifty years. Bernard Huff drove in from Clarksdale Arizona, Art Buda flew in from California, and George McCool drove in from Panama City Florida. Herb Farrell kept his perfect attendance record from Garwood New Jersey.

Saturday night we had a banquet at the Holiday Inn and decided to meet in Wabash, Ind. in 1995. Providing we get a riverboat casino there Lloyd Farrar will host again down by the Ohio River at Vevay, Ind. in 1996.

Herb Farrell and Jim Harris enjoy dinner at the reunion.

All those in attendance with wives included: Dick Gillette '49; Andy Kalapach '45; Herb Farrell '44; Lloyd Farrar '49; Joe Kriebel '49; Tom Croll '50; Maurice Huffer '45; George McCool; Bill Gale '44 and his daughter; Bernard Hoff '49; George Orfanos '44; Charles Brown '48; Lou Silvasi '51; John Kinsky '52; G. Paul Klacik '50; Joe Villegan '50; Jim Harris '50; Dick Brunoehler '49; Steve Chaleff '48; Bill Dickson '50; Wayne Ponader '53; THOSE ATTENDING STAG INCLUDED: Harvey Renee '51; Dr. John Dragoo '48; Phil Meixel '48; Art Buda '48; Bob Heinz '48; Tom Fritch '51; and John Lescak '46. Special guests included Barbara Bond, widow of Jim Bond '45; and Phyllis Kralovanski, widow of Al Kralovanski '48.

THETA CHAPTER "OVER THE HILL GANG" TO MEET

Every two years, the graduates of Theta Chapter from the classes of 1940-1960 gather at Homecoming for a reunion. The group has dubbed themselves the "OVER THE HILL GANG". This year, the group will meet on October 28th at the Purdue Homecoming. Registered to attend are: Urban Anslinger '48 and wife; J. William Benson '51 and wife; John Carl '51 and wife; Ralph Caprio '58 and wife; Cecil Evans '46 and wife; Len Fabiano Sr. '58 and wife; Len Fabiano Jr. and wife; Jerry Fritzke '54 and wife; John Gray '49 and wife; Victor Green '49 and wife; Robert Griffin '50 and wife; Robert Hassler '48 and wife; Curtis Heaton '62; Jeff Hempel '58 and wife; Alfred Kaser '52; James Kessler '61 and wife; Ed Leonard '62 and wife; Herbert

McCave '50 and wife; Wally Miller '59 and wife; George Peer '45 and wife; Robert Queisser '46 and wife; John Shafer '50 and wife; A. FOUNDATION

NEW FOUNDERS CLUB MEMBERS

Founder's Club

Throughout this issue of the Quill and Scroll are articles concerning many programs and scholarships sponsored by the Kappa Delta Rho Foundation. These programs would not be possible without the generosity of the many outstanding brothers who support the Foundation each year.

As a Founders' Club member, each has contributed to the Foundation \$1,000 or more in total unrestricted giving for one year. It is through the generosity of these and other members that permit Kappa Delta Rho to provide the services, educational programming, and leadership that is so vital to the continued success of our fraternity. New Founders' Club members will be featured in the Quill and Scroll as we are able.

**Robert Butler,
Zeta '87**

Bob graduated from Penn State University, Zeta Chapter in 1987. Following graduation brother Butler began his career with PNC Financial and presently serves as Vice president, West Coast Treasury Management for PNC. Bob splits his time between his

homes in Los Angeles and Palm Springs. Brother Butler was formerly Vice President-Finance for the National Fraternity and continues to serve on the Zeta Alumni Board.

Howard Rubin, Rho '77

Brother Rubin graduated from Lafayette College in 1977. Since graduation brother Rubin has worked on Wall Street in the Financial industry. Brother Rubin presently serves as an investment manager at Bear Stearns and Co. He presently resides in New York.

Dick Kline, Rho '61

Brother Kline graduated from Lafayette College in 1961 with a B.S. in Civil Engineering. He Presently serves as president and CEO of CBR cement Corporation and resides in Hillside California with his wife Sharon.

Edward Dickson, Delta '40

Brother Dickson graduated from Colgate University in 1940. He presently resides in North Palm Beach Florida with his wife. No further information is available at press time.

LETTER FROM PAUL DOWNES

Since July 1993, I have signed and mailed, on behalf of the Foundation Trustees, over six hundred letters to alumni thanking them for their contributions to the 1993-94 Annual Fund Campaign, which officially ended on June 30, 1994. Each alumnus who made a financial contribution to the Foundation, or who donated their time and talent to the Fraternity or an alumni corporation, are truly an extension of our foundation mission, and I applaud the commitment of each one of them.

The 1993-94 Annual Fund Campaign ended with a total of \$ 91,605.48 in contributions from 843 alumni.

KDR currently has more than 15,000 alumni. If just 10 percent of our members contributed \$100 to the Annual Fund Campaign, we would be well on our way to restoring fiscal health to the fraternity, and providing additional staff and program support to individual chapters and alumni corporations. Unfortunately, we did not reach that expectation in 1993-94. Undaunted, I am confident that we can achieve and even surpass a goal of \$100,000 for the 1994-95 Annual Fund Campaign, and \$130,000 for 1995-96.

Our 1994-95 campaign is well under way, and the response has been overwhelming. New givers this year outnumber new givers last year by three to one. Many alumni have increased their contributions. Additionally, a few undergraduates and some new alumni have made contributions at a time when their funds may be limited. Whether your contribution is large or small, we are very grateful for the commitment in your gift to the Foundation.

In February, trustees voted to merge the Educational Foundation into the Kappa Delta Rho Foundation on July 1. Both foundations had essentially the same purpose and trustees wanted to avoid duplication of time and effort. With the help of Ray Hunt, the Foundation is constructing systematic audits, setting up procedures to account for all restricted and nonrestricted monies, providing for sound investment of Foundation funds, and making a full financial statement to our members.

This year our National Board of Directors and Foundation Trustees will look carefully at our Fraternity - what kinds of programs and services do we want to offer our undergraduates and alumni, in what kind of formats, and what will the expectations be.

The Foundation extends its appreciation to Cornelius (Neil) Jones, Beta '53, who resigned from the Trustees in early July. Neil brought a sense of urgency and preciseness to our deliberations, and his insight into fund-raising and planned giving was appreciated by all of us. We will miss him greatly, with the hope that his schedule in the future may permit him to rejoin the Foundation Trustees.

I gratefully acknowledge the hard work and guidance of our Trustees Robert Corrie, Beta '53, and Ray Hunt, Jr., Rho '53, who make the policies for the Foundation, and our Investment Committee composed of Robert Corrie; Ray Hunt, Jr.; and Lee H. Idleman, Iota '54.

Fraternally,

Paul A. Downes, Gamma '68
President, Kappa Delta Rho Foundation

CHAPTER NEWS

PHI BETA CHARTERED AT WILLIAM & MARY

April 30, 1994, the National Fraternity of Kappa Delta Rho proudly welcomed the newest chapter among our order at the College of William and Mary, located in Williamsburg, Virginia. Designated Phi Beta Chapter of Kappa Delta Rho, this outstanding group of hard working young men capped off 18 months of hard work by finally achieving full chapter status.

The initiation ceremony itself was performed by Executive Director Bill Paris, Director of Chapter Services Matthew Tessier, and a special thanks goes out to Ray C. Hunt, Jr., Rho '53, Brian MacNeil, Epsilon Beta '87, J. Hall Jones, Lambda Beta '91, and Joseph

Rejuney, Epsilon Beta '90, all of whom assisted in the formal initiation ceremony.

The formal initiation ceremony took place Friday evening, April 29, 1994, in the great hall of the Wren Building. The Wren Building is the oldest operating college building in the United States. It was truly an inspiring time as all members of the chapter were initiated in the great hall.

The National Fraternity is very pleased to welcome the members of Phi Beta Chapter into our brotherhood and we look forward to many successes from the chapter in the future.

OUTSTANDING NEW MEMBER

The National Fraternity is pleased to announce that Marc Barenberg of our Omicron Alpha Chapter at Rutgers University is this year's outstanding new member. Marc joined as a Freshman this past year. During his Freshman year, he served as Pledge Class President and Rutgers Fraternity Council Representative. He quickly became involved on campus as Assistant Graphics Editor for the campus paper; he was a staff writer for the first year student newsletter; a member of the National Jewish coalition; Peer Assistant for First-Year Student Residence Hall; Chair of Rutgers University Model United Nations Convention; and has been heavily involved in the Junior Statesmen Program at Georgetown University since 1990.

CHAPTER REPORTS

Alpha - Middlebury College

Most people know that in 1990 the Trustees of Middlebury College mandated that all Greek organizations go coed or cease to exist. Our Alpha Chapter chose to exist as a local, coed organization and their affiliation with the National Fraternity was severed. The local chapter exists as the strongest group on campus. In April, Bill Paris met with the executive officers of the local chapter, the local chapter group and the President of Middlebury in Middlebury. The issue of what to do about Alpha has raged for four years. This Summer, the Consuls Advisory Board discussed the issue and brought their discussion to an informal (optional) discussion group at the Williams Leadership School and National Convention. The Convention mandated that the Executive Director on behalf of the Board of Directors bring a proposed resolution to the convention no later than 1996. A meeting is scheduled in New York for October 22nd for Fraternity, Alpha alumni representatives and officers from the local chapter to discuss the situation.

Beta - Cornell University

The past semester was full of dynamic changes at the Beta chapter of KDR. With 14 spring and 2 fall pledges the house is full of new ideas and tremendous energy to pick up where our 16 graduates left off. All of the brothers are eager to begin the fall semester to build on the spring's solid foundation. The continued success of the rush program will be the key to strengthening KDR's position at Cornell.

Additionally, we recently purchased a brand new set of solid oak tables and chairs for the dining room. Also, the newly installed paneling sets off the new tables and creates a very classy atmosphere for rush events and alumni banquets. Further improvements to the house are in the making for the upcoming year.

The Beta house also held a very successful alumni get-together in February for a game of hockey with the spring pledge class, along with a formal dinner. All of the actives and alumni were pleased with the success of the event. After a very positive spring semester and influx of new brothers the Beta chapter of KDR is looking forward to a promising fall with homecoming, strong rush prospects, and many philanthropic activities already planned.

Delta - Colgate University

1993-1994 was a terrific year for the Delta Chapter. Of the ten fraternities at Colgate University, the Delta Chapter of Kappa Delta Rho recorded the second highest semester GPA and the second highest cumulative GPA with a 3.20 and a 3.02 respectively.

The alumni support of Delta Chapter has been equally inspiring. The generosity of the alumni has enabled us to make many substantial upgrades to the house. Our chapter room now includes leather furniture, a new lighting system, new wall facing, and most importantly, a state-of-the-art stereo system.

In the past year, the Delta Chapter has also given back a lot to the community. In November of '93 we hosted a Thanksgiving-style dinner for the elderly and disadvantaged of the local community. The Delta Chapter has become a force on campus. Our Mad-Dog-Masquerade and KDR-D-Gras have become legendary fixtures at Colgate. We invite members of all chapters to come visit us and share in the good times and good spirits!

Epsilon - Franklin College

Epsilon chapter enjoyed a modestly successful Spring semester. Efforts continue to improve overall chapter size. The chapter was honored that brother Jim Kowalski E'57 was selected into the Ordo Honorium at the National Convention. The Chapter looks forward to a successful year.

Zeta - Penn State University

Spring semester was a successful time for the brothers of Zeta Chapter. Our Spring rush gave us eight pledges. We also initiated the 22 neophytes from Fall semester. January ended with the kickoff of our Dance Marathon road trips. The brotherhood, along with the sisters of Tri-Delt, put in countless hours and four straight weekends traveling around the Northeast canning to raise money for kids with cancer. We set a new personal record in 1994 raising over \$87,000 for the Hershey Medical Center and the Four Diamonds Fund. We ranked fourth overall out of the 18 Greek organizations that participated in "Thon", the largest student-run philanthropy in the country. Our goal for next year is to break \$100,000.

Thanks to the efforts of Brother Jason Shippe, the brothers were able to share some

fun with the children of the Big Brothers/Sisters program. Brother Shippe organized an Easter weekend for the children at the house. What was amazing to me was the brothers seemed to have just as much fun as the children.

I would also like to take this time to thank our local alumni for their continuing support and guidance. A special thanks goes out to Bill Paris who, somehow, found time in his schedule to spend four days with Zeta Chapter and get us back on track. A final note: With the help of the Zeta alumni board, this homecoming at Penn State should be a great chance for alumni to get reacquainted with our house and the actives. We hope all will attend!

Eta - University of Illinois

What a semester! Rush, Rush and more Rush. The Eta provisional chapter is working hard to recharter this Fall at Homecoming on October 1st. The chapter spent most of the Spring organizing itself and getting to know one another. By the end of the semester we had over 30 members and are ready to take 20 more this coming Fall. Many members of the Chapter traveled to Chicago for the Eta Alumni dinner and enjoyed meeting all the alumni in attendance.

This summer was full of work weekends, contractors and board meetings as progress was made to reopen the house for Fall. As of today, the chapter house passed inspection and we're back! A special note of thanks goes out to all those alumni who have given up countless hours and their weekends to work on the house. A very special note of thanks goes to the alumni board. Without their dedication, we wouldn't be back in our Chapter house. All brothers are invited to Homecoming and our rechartering!

Theta - Purdue University

The Brothers of Theta Chapter had a good Spring Semester. We were very pleased to host our Brothers from all the Midwestern chapters for the Midwest Conclave in February. We were especially pleased to meet the brothers of Columbia who attended the Conclave.

The chapter worked hard to improve scholarship this Spring and were successful in raising the chapter Cumulative Average by three tenths of a point improving our ranking

by 4 places. We plan to continue to work for improvement in this area.

The Chapter wishes to express their deep appreciation to our alumni for all their hard work and effort which led to our chapter house renovations this Summer. We're looking forward to a great Fall!

Iota - Bucknell University

The Spring of 1994 was a successful semester for the Brothers of the Iota Chapter. Our involvement transcended the boundaries of the Bucknell University campus and reached into the greater Lewisburg area. An example of this participation occurred every Sunday afternoon throughout February and March. Our brotherhood was responsible for providing referees for a Lewisburg youth basketball league. This community service was recognized by the local media and also by the director of the league who wrote a letter of appreciation to the President of Bucknell.

The close of the Spring semester marked several important events. During the last weekend in April, our Alumni Executive Board, led by Michael Dominguez, '91, met with the newly elected officers of the Iota Chapter. Topics discussed at this meeting included physical improvements to the house and establishing new goals with respect to academic achievement. The undergraduates of the Iota Chapter greatly appreciate the guidance and foresight provided to us by our alumni.

Another event that occurred at the end of the semester was the Bucknell Greek Awards Banquet. The Iota Chapter is proud to report our winning the following awards: 1) Best Philanthropic Event - a run from Penn State to Bucknell with proceeds going to the American Heart Association, 2) Outstanding Greek Junior - Derek Harley, '95, 3) Outstanding Pledge Program - Owen Michaelis '95 (Junior Tribune), and lastly, our chapter received an honorable mention as the Outstanding Overall Chapter at Bucknell University. The brotherhood, while proud of its accomplishments last year will strive to become the Outstanding Chapter at Bucknell during the 1994-1995 academic year.

The Fall semester begins in early September at Bucknell; however, the brotherhood has agreed to return to Lewisburg a week early for a "work week." Projects to be undertaken include landscaping, painting and vari-

ous maintenance related jobs. It is our hope that an improved physical appearance of the house will assist in a successful rush season, which will begin several weeks after school begins.

Once again we will participate in a run for the American Heart Association in October. The run begins at Penn State and finishes 45 miles away at Bucknell. The Iota Chapter has developed a strong relationship with the local chapter of the Heart Association and through hard work, we hope to have another successful run this Fall.

In closing, the Iota Chapter would like to extend a wish of good luck to our fellow brotherhood across the country hoping that they may have a successful 1994-1995 academic year.

Lambda – University of California

Reorganization continues at Lambda chapter with great progress. The undergraduates are working hard to renovate the chapter house. The renovation includes: refinishing of all interior woodwork, exterior trim, paint and windows. Many brothers are refinishing the walls and floors in their rooms and the house is looking great! Along with the new look is a new "can-do" attitude in the chapter. All the brothers are arriving early for Rush and are focused on increasing membership to recharter on January 27th. All are invited to attend!!

Nu – Indiana University

The Brothers of Nu Chapter had a challenging Spring semester. Participation in Rush was the best its been in several semesters. A major rush effort is planned by the chapter and the National Fraternity for Fall semester to try to rebuild the chapter's membership. We enter the Fall semester with high hopes for good success.

Rho – Lafayette College

The brothers of Rho Chapter had a great Spring. Our dance a thon raised over \$8,800 for the Children's home of Easton and the Spring Garden School. Rush went very well with the chapter taking 25 outstanding new members. The Brothers of Rho are looking forward to a great Fall and wish our fellow brothers success this coming year.

Sigma – Oregon State University

As most know, the Sigma Chapter was closed in 1992. The Alumni Corporation sold the house in 1993 and is holding on to the proceeds. The Greek climate on campus is not great but seems to be recovering from a significant slump of the past few years. (The number of men going through Rush in the last three years has declined from 800 to 400). The National Fraternity is working with the Alumni corporation and plans to place a staff member on sight for an intensive recolonization effort most likely the Winter term, 1995.

Omega – Indiana University of Pennsylvania

The Brothers of Omega Chapter had a challenging Spring semester. A fire in the Chapter house damaged several rooms and left the house uninhabitable for the latter part of the semester. Over the Summer work projects have repaired the house and things look great! The Chapter is looking forward to a strong rush and continuing to work on improving the financial situation. A special thanks goes out

to those alumni who have worked hard with the Chapter to complete the repairs in time to reopen this Fall. Any other alumni are encouraged to drop by any time.

Eta Alpha – Robert Morris College

We had an outstanding year at Eta Alpha, some of our accomplishments are:

1. Rush - 16 pledges
2. Greek Chapter of the year (3rd year in a row)
3. Organization of the year sponsored by the Student Government Association at Robert Morris
4. Service organization of the year sponsored by Robert Morris College
5. Greek Week champions (first time in chapter history)
6. Michael Schuster - Greek Man of the Year
7. Michael Seeman - Greek God for Greek Week
8. Best Grades in spring semester among fraternities at Robert Morris
9. Four brothers are members of the resident assistant staff at Robert Morris
10. Began to print our newsletter for the first time in four years
11. Michael Seeman - member of Interfraternity Council's Executive Board.

Iota Alpha – University of Pitt/Johntown

Our Spring term was somewhat eventful. Although much of our efforts were focused towards clearing up our debt, we still found time to "be a Greek organization." The following is a small summary of our key activities:

PHILANTHROPIC: We participated in two large philanthropies last term. The first one was for Easter Seals of Johnstown. Our philanthropic chairmen, James Kimmel and Keith Sala, assisted in the organization and running of a Wallyball tournament attended by 60+ teams of four in various levels of expertise. The other brothers took part as referees. We were all complimented for our part in such a community activity, especially the outstanding participation of Jim and Keith.

The second was for the American Heart Association. Again, Jim and Keith did an excellent job in their organization of this project. All of the brothers served as food runners for a banquet where various celebrities of the area were waiters. Again, we were commended by the organizers for our great effort.

ACADEMICS: We received a plaque for having the highest grade-point average of all Greeks for the 1992-1993 school year. This feat hadn't been accomplished by our chapter since 1988-1989.

INDIVIDUAL AWARDS: The following individuals earned awards during the Spring term:

Anthony Carnahan was named the MVP for the soccer team during a banquet in the Spring term.

Brian Golis received the Consul's award for outstanding service to our chapter.

Brian Gilkey received the Rush award for outstanding service during last year's Rush events.

Dr. Allan Walstad, our advisor, was given an honorary award for outstanding brother for his service throughout the years that Kappa Delta Rho has been at our school.

Of course, none of these individual awards would be possible without the chapter members as a whole, and their outstanding efforts.

Pi Alpha – University of Toledo

The Pi Alpha Chapter of Kappa Delta Rho had a very successful Spring quarter at the University of Toledo. We had a lot of fun, won a lot of awards, and gained a lot of success and recognition.

Brothers Matthew Armstead, Christopher Orlando, and Matthew Perry were inducted into Order of Omega Honor Society. Matt Perry was elected President and Chris Orlando was elected Treasurer of the organization.

Brothers Matthew Armstead, Christopher Orlando, and Jared Rorrer were inducted into Mortar Board National Honor Society. Jared Rorrer was elected Vice President, Chris Orlando was elected Treasurer, and Matt Armstead was elected as Songfest Chairman of this organization.

Brothers Matthew Armstead and Thomas Delac were among thirteen people inducted into Blue Key National Honor Fraternity. This is the most prestigious Honor Fraternity at the University of Toledo campus.

Pi Alpha Chapter of Kappa Delta Rho won the first place trophy for Campus/Community Involvement for the sixth year in a row. This year was a close battle but all of the brothers pulled together during Winter quarter to insure that the trophy stays in our home.

Pi Alpha placed third at the 84th annual Songfest competition. This is a strong tradition at the University of Toledo where organizations sing and dance on stage in front of a crowd of approximately 5,000 people.

Pi Alpha held their first annual Father/Son Golf Outing. This was very successful for its first year with over 20 fathers participating. The fraternity paid for the prize that went to the father/son team who placed first. Next year there are plans for adding a cook-out and other events to show the fathers exactly what the fraternity is all about.

Pi Alpha has taken a lot of pride in what we do for the Red Cross Blood Drive. Each quarter the brothers of Kappa Delta Rho take an active part in the blood drive with over 30 members volunteering. We have many brothers who donate blood, some volunteer just to help students register, and approximately 20 of us tear down the blood drive and re-load the Red Cross truck.

The brothers of Kappa Delta Rho are also very proud to say that Brother Thomas B. Delac, Jr., was elected by university administrators as the University of Toledo Greek Man of the Year for 1993-1994.

Spring quarter went very well for the Pi Alpha Chapter of Kappa Delta Rho. The brothers did everything they could to insure continued success for our chapter and a smooth transition period for me while I took over the presidency. The Men of Kappa Delta Rho take pride in everything we do and we will strive to continue as the best chapter on the University of Toledo campus and to rank among the best chapters of Kappa Delta Rho.

Tau Alpha – Radford University

The Tau Alpha chapter of Kappa Delta Rho had the highest fraternity GPA and was awarded the Scholarship Cup. We had seven pledges who were initiated. The pledges had the highest fraternity pledge GPA.

Epsilon Beta – Old Dominion University

The Chapter at Old Dominion had a challenging Spring Semester. The brothers

worked hard on officer structure and improving Rush. Thanks go to those many alumni who took time out of their schedules to work with the Chapter. The Chapter is looking forward to a strong Fall.

Iota Beta – Rochester Institute of Technology

The Spring semester at RIT was a good one. The Chapter had an unusually large graduating class and several other brothers will not return this Fall. The chapter is focusing on Rush for the Fall to rebuild numbers. A note of thanks goes to those alumni who have helped the Chapter. The alumni corporation continues to get more organized and is able to provide more assistance each year.

Lambda Beta – James Madison University

The brothers of Lambda Beta Chapter enjoyed a challenging Spring semester. A dance for the mentally retarded residents of the Shenandoah Valley was cosponsored with the ladies of Alpha Sigma Alpha. The event was highly successful. The brothers enjoyed bringing enjoyment to a group of people who generally stay in their homes and do not have much interaction or physical activity.

Rho Beta – Eastern Illinois University

We have just completed another successful year on the campus of Eastern Illinois University. Our chapter participated in many campus and greek activities including greek week and greek sing (the largest amateur singing competition in the Midwest in which all members of our fraternity get together and prepare a musical routine). During the last semester, we held the first annual community dance for the older residents of Charleston. The night was filled with lots of nostalgic music and fun. In addition to all of the fraternity activities such as social functions, meetings, and philanthropic activities, our members also spent a good deal of time studying. Our chapter received number one in grades out of the eleven fraternities. Our members are looking forward to the Fall semester, and especially homecoming weekend (scheduled for October 7-9).

Our alumni association has also been busy. We have just filed for incorporation to become a recognized not-for-profit organization in the State of Illinois. This will help complete our task of gaining managing rights to our off-campus fraternity house. We hope to purchase our twenty-five member fraternity house within the next several years. Our next alumni meeting will be August 27th at 2:00 p.m. at the University Union.
